C:	Attempt Murder on a Peace Officer 664/187 P.C./ F/ 051
V:	Van Hoesen, Gregory, Deputy Sheriff [redacted]
S/J:	Weber, Anthony Jacob, MB [redacted]

NARRATIVE

The purpose of this supplemental report is to provide active additional information regarding the investigation of the above file number.

We responded to [redacted] 107th St, regarding emergent radio traffic regarding a Deputy Involved Shooting.

Upon arrival to the location we observed 20-40 hostile and angry individuals outside of the location yelling profanities at deputy personnel. I observed 10-15 individual running into and out of the above location. I could also see people running away from the location towards Dudlong Av. I positioned myself between a crowd of 20-40 individuals that were standing on 107th St between the sidewalk and the courtyard. I could hear one unknown male black adult yell, "Fuck you, we gonna kick your ass". This individual was standing directly in front of me as he yelled. I heard another individual in the rear of the crowd yell, "On Hoover, Kill these fucking pigs". Several other unknown individuals were screaming in our direction and were attempting to close the distance between us and where the S/J Weber was positioned.

Due to the violent threats being verbalized by the crowd, the presence of several gang members, and their actions of trying to close in on the down subject, our attention was directly focused on them. Fearing for my safety and the safety of my partners that were inside the courtyard I was unable to turn my attention away from the crowd. Additionally, I was unable to look for any evidence due to violent statments and attitude displayed from the individuals outside.

While keeping the crowd away from the courtyard, I could see the individuals were angry and appeared as if they wanted to fight us. Numerous individuals were screaming, "Fuck You" and were recording us with their cell phone cameras. The noise of the crowd was so loud that I had difficulty hearing my radio or hearing my partners who were also giving commands to the crowd to get back. I felt that at any time we were going to be attacked by the large crowd of approximately 20-40 hostile individuals.

DATE: 02/05/18 FILE: 018 00965-0375-013 ACTION: Active/Additional

We were unable to clear the crowd away from the front of the crime scene. My partner Deputy Quinones initiated an emergent request for additional Deputies from neighboring stations to respond to the crime scene. Officers from Hawthorne Police Department, Los Angeles Police Department and additional Deputies from Compton Station, Carson station, Lomita station, and Transit Service Bureau arrived and assisted in moving the crowd back.

With the assistance of several Deputies and Police officers we, were able to control the crowd and move them away from the location. We established an outside perimeter in front of the location and directed assisting deputies to put up crime scene tape. I observed dozens more hostile and angry individuals inside the courtyard, converging on Deputy Van Hoesen and Deputy [redacted] who were attempting to secure the crime scene.

I entered the front of the location and observed the S/J Weber lying face up, with his head facing north and his feet facing south. I assisted deputy personnel in keeping several hostile individuals inside the courtyard away from the subject. We were able to contain the location for crime scene preservation purposes. The crime scene took approximately twenty minutes to contain from when the shooting took place. Due to the amount of people surrounding the location,it is unknown if the crime scene or any evidence may have been tampered with.

Los Angeles County Fire Engine 14 under the direction of Capitan Smitson arrived on scene and began treating the subject. Paramedic Burke pronounced the subject deceased at 2029 hrs. It is unknown how much evidence may have been contaminated by fire/rescue personnel.

I secured the inside of the location and put up crime scene tape. I attempted to locate any witnesses to the shooting. All individuals inside the courtyard were yelling profanities at me and unwilling to cooperate. As I attempted to speak with an individual located in the northwest corner of the courtyard, I heard an unknown male voice scream from behind me, "you ain't gonna find shit". I initiated the major incident log at the crime scene.

We asked both Deputies Van Hoesen [redacted] and [redacted] to give us a brief summary of what had transpired. Both deputies were together as the incident was relayed to us.

They responded the above location regarding a check for vicinity call (Tag-144).The call stated a MB/19 wearing black shirt, blue jeans had pointed a black handgun at the informant as he drove by and the informant did not want to be contacted.

They approached the location from the west off of Normandie Ave, driving eastbound. DATE: 02-04-18 FILE: 018-00965-0375-012 ACTION: Active Additional

C: Attempt Murder on a Peace Officer 664/187 PC / F /051

V: Deputy Van Hoesen #[redacted]

NARRATIVE

The purpose of this supplemental report is to provide additional active information regarding the above file number.

Deputy Chappell #[redacted] and I responded to [redacted] 107th Street, Los Angeles regarding a Deputy Involved Shooting. We responded from the station, which was less than a mile away, when we heard the emergent radio traffic being initiated by Unit 34. We were the first unit on scene and arrived in less than a minute. Upon our arrival, we saw a large crowd of 40-50 people gathered in the middle of the street and on the sidewalk directly in front of the apartment complex of the above address. While exiting our patrol vehicle, we saw about 2-3 male Black adults running east on 107th street from the apartment complex. As Deputy Chappell and I approached the front security gate to the complex, we saw Deputies Van Hoesen and [redacted] inside the entry way near the mail boxes and a male individual laying on the ground. We could see through the security gate approximately five people inside the entry way yelling and standing over the individual on the ground. A large crowd was also gathered inside the apartment court yard screaming.

Deputy Chappell and I immediately provided security outside of the complex in an attempt to keep people from entering and keep the integrity of the scene. The crowd was unruly and quickly became larger. The crowd was uncooperative and yelling profanities at Deputy Chappell and myself. We ordered the crowd numerous times to move back and clear the sidewalk. As we did, the crowd rapidly became more hostile. Several individuals from the crowd were yelling racial slurs at myself and attempted to approach me with their hands clenched into a fist and flexing their arms. One particular male Black adult individual took his shirt off, flared his arms in the air, walked toward my direction and yelled, "Fuck the police!" Due to the hostile crowd and intense and uncertain situation, I feared for my life. I immediately drew my firearm and pointed it toward that individual and ordered him to stay back. The male Black adult yelled, "Shoot me motherfucker, you fucking pig!" Two other person near this individual grabbed him and held him back.

The crowd continued yelling "fuck the police." I heard someone in the crowd yell, "Fuck y'all, this is Hoover." "Hoover" is a black criminal street gang which claims territory in our patrol jurisdiction and the apartment complex where the shooting occurred is known as a Hoover gang hang out. Other individuals from the crowd yelled, "You ain't gonna find no gun!"

Deputy Chappell and I continued ordering the crowd to stay back. We were unable to fully control the entire crowd as we were the only assisting unit on scene at the time. Numerous persons ignored our orders and attempted to walk past us from different angles, constantly diverting our attention.

As additional units arrived, we were able to gain control of the immediate area of the crime scene. We were still outnumbered and the hostile crowd continued to grow. Several deputies from neighboring stations and officers from the Hawthorne Police Department and Gardena Police Department arrived to assist us in controlling the crowd. Once we had sufficient unit on scene we were able to clear the street and establish a containment which allowed medical personnel to safely enter the crime scene.

Later in the night, we were directed by Homicide Sgt. Rodriguez to canvass the area for witnesses.

Deputies Chappell, Estrella #517806, and I contacted the following residents:

NARRATIVE

On 02/04/18 at approximately 2300 hours, we (Deputy Garcia and I) responded to [redacted] West 107th Street, Los Angeles in order to assist with a containment that was established due to a deputy involved shooting which occurred earlier in the evening.

Once on scene Deputy Garcia and I noticed a 2002 white Ford Expedition (CA [redacted] that was parked facing east, along the south curb line, in front of [redacted] Los Angeles.

The vehicle had an interior windshield-mounted video camera affixed to the upper portion of the windshield. The camera was turned to the side facing south, and appeared to be powered on at the time. The back of the camera had a small screen which displayed the image of the camera's view.

An inquiry of the vehicle's license plates in the Department of Motor Vehicles' database via our Mobile Digital Terminal computer revealed the vehicle was registered to [redacted] with a corresponding address of [redacted] Los Angeles.

An attempt to locate the registered owner of the vehicle was met with negative results.

Deputy Garcia and I remained at the scene, and ensured deputy personnel maintained custody of the decedent until we were relieved by Los Angeles County Coroner Investigator McCracken.

Investigator McCracken took custody of the decedent, and transported him at 0515 Hours.

I responded to [redacted] 107th Street, Los Angeles regarding emergency radio traffic broadcast by Deputy G. Van Hoesen reporting a Deputy Involved Shooting at the location.

Upon my arrival at the location, I observed the a large angry crowd threatening responding deputies by shouting obscenities at them and refusing to disperse. I assisted numerous South Los Angeles Station Deputies and Hawthorne Police Department Officers and directed the crowd of approximately 50 people east on 107th Street to Budlong Avenue. As we escorted the crowd out of the crime scene, an unidentified male black, approximately 22 years old, 604, 220, wearing all red clothing and numerous tattoos on his neck and forearms challenged my direction and called me a "cracker." The individual told me, "you ain't going to find a gun on him. I know that!" The individual told me, "you shot him for no reason!" The individual also told me, "you mother fuckers don't got hands" and challenged me to a fight. Others in the crowd were shouting, "fuck the police" and I heard someone say, "we already got video."

I placed crime scene tape and manned a containment spot along with other Deputy Personnel at the intersection of 107th Street/Budlong Avenue, preventing vehicle and foot traffic from entering the crime scene . Numerous individuals approached me and asked for the circumstances of the shooting. They identified themselves as "family" or "loved ones" but were unable to provide me with the suspect's name or date of birth. Many others told me they knew the suspect and identified his as being "16 years old" but could not elaborate further.

NARRATIVE

The purpose of this supplemental report is to provide active/additional information of the above file number.

We responded to [redacted] 107th Street, Los Angeles regarding a deputy involved shooting. Upon our arrival, we observed approximately 20-30 individuals in the middle of the street in front of the above location. We also observed multiple male and females running in and out of the front gate of [redacted] 107th Street screaming and cursing. The upstairs tenants of the above location screamed "fuck the police" as we arrived on scene. The individuals began forming a crowd just outside of the location and began taunting and challenging deputies to fight as they arrived on scene. The location is known hang out area for 107th Hoover street gang members. There were several individuals that yelled "were going to find your kids and kill them see how you like it" "this is Hoover motherfucker" "fuck you we going take you guys out". Fearing for our safety we began to focus our attention on the unruly crowd rather than the integrity of the scene. As we entered [redacted] 107th Street we observed a male black (S/J-Weber) laying on the floor inside the front gate entrance of the above location with his head facing north and legs facing south. We then began to attempt to clear a path for medical personnel by ordering all the individuals that were screaming and challenging deputies to fight to move away from the location. As paramedics arrived on scene we escorted the paramedics to where the body lay.

We began to order all the individuals on to the sidewalk. The 20-30 individuals that were ordered on to the sidewalk began walking toward the above location and attempted to enter it. More people began to arrive on scene and a larger crowd of approximately 40-50 people gathered. While attempting to maintain the integrity of the scene and our safety we attempted to disperse the large crowd by ordering them to back up. The large crowd did not comply with our commands and began to video record us with their cellular phones. We heard several individual yell "lets fuck these motherfucker up" "lets get them" "you Mexicans should have never been allowed to be cops." With the assistance of Gardena Police, Hawthorne Police Department and other Deputy Personnel we ordered all the individual back to the sidewalk.

Upon my arrival I saw South Los Angeles deputy personnel in front of the location attempting to gain control of an extremely unruly crowd attempting to enter the apartment building courtyard. The crowd numbered between fifteen to twenty and was increasing very quickly. The crowd would not follow orders to step back from the crime scene. They were also yelling "Hoovers", profanities like "fuck you!" and "shoot me!" It should be noted this apartment complex is known hang out for the criminal street gang "107 Hoover Criminals."

I entered the courtyard of the apartment complex through the front gates and saw SJ/Weber laying with his back to the ground. I also saw Unit 34 (Deputy Van Hoesen and Deputy [redacted] attempting to keep an extremely unruly crowd of fifteen to twenty people in the courtyard away from SJ/Weber and prevent them from contaminating the crime scene. The crowd was in close proximity (3-4 feet) to Deputies Van Hoesen and [redacted] yelling profanities and would not listen to commands to back up. The situation was extremely tense as the crowd of people surrounded us and we were unable to keep them at bay.

We were unable to render aid to SJ/Weber based on crowds chaotic behavior towards us. I was afraid to turn my back to the unruly crowd for fear of being grabbed from behind. At this moment, we were unable to control the crowd of people until assisting units arrived.

I also saw approximately 8-10 males and females attempting to exit the courtyard via the rear passage way.

As additional personnel arrived, I immediately went to the rear exit of the apartment's courtyard and took a position there to keep the potential witnesses from fleeing the scene. While at the rear of the complex, I told them they could not leave and to go back inside to their apartments. They were very uncooperative and unruly. I saw 2-3 people walking away west through the property next door as the others went back into their apartments.

Once sufficient deputy personnel arrived on scene and were able to get the crowd under control, assisting personnel and I checked the location in an attempt to locate any witness. We were met with negative results.

I was then directed by Deputy Quinones to the front of the location to provide security to the crime scene.

I accompanied Deputy Ortiz and Deputy Chappel during a canvas of surrounding properties. For further see their supplemental report.

NARRATIVE

The purpose of this supplemental report is to provide additional active information regarding the above file number.

We (Deputy Mendoza [redacted] and I) responded to [redacted] 107th Street, Los Angeles regarding a Deputy Involved Shooting.

Upon our arrival I observed Deputies forming a skirmish line on Budlong Avenue and 107th Street, preventing a large crowd of approximately 40 male and female's from entering 107th Street from Budlong Avenue. I heard several individuals in the crowd yell threatening statements towards deputy personnel such as "you bitches are gonna pay for this" and "fuck the police this is Hoover (known criminal street gang) you mother fuckers". I additionally observed approximately 15 male and female Blacks running northbound across the street from the location of the shooting [redacted] 107th Street) and into the properties and approximately 10 male and female's Blacks run westbound down 107th Street towards Normandie Avenue.

It should be noted one of the male, Black individuals who ran northbound into the properties directly across the street from the location of the shooting turned back towards deputy personnel and stated "you all are gonna pay for this I'm gonna go inside and get it then you'll see what happens when I come back out". He then walked into the properties and out of view. Deputy Mendoza assisted with the skirmish line and I focueed my attention towards the properties the unknown male, black had entered. It should be noted that I interpreted the unknown male, Black's statement as a threat of violence towards deputy personnel and out of fear he may return with a firearm or other weapon continued to focus my attention towards the properties he entered.

Narrative

On 2/04/18 at approximately 2020 hours, I monitored an agency broadcast by the South Bay Regional Communications Center, South Bay RCC, that a Los Angeles County Sheriff's Deputy was involved in a shooting in the area of 107th Street and Normandy Avenue. This type of call is usually broadcast to outside and surrounding agencies and most often is also a call for mutual aid assistance from any outside agency that is available to help with additional resources.

Upon monitoring this incident, I asked the South Bay RCC to contact the LASD dispatcher and to inquire if additional resources were needed. At approximately 2023 hours, I was informed by our dispatcher that additional resources were still needed and asked that any assisting officers respond to the area of 107th Street and Normandie Avenue.

At this point, I authorized the deployment of more than half of my available units with Officers Andrea Godoy and Dianne Carmona as a two-man unit (5A5M) and Officers Brandon Arth and John Yoshida (5A34M) as a two-man unit authorized to respond with red lights and siren (code-3 response). Both officers arrived at 2029 hours.

I informed both Hawthorne Units that I would also be responding shortly. I sent a message to all of the Hawthorne Officers to respond to the command post and to await direction from their Incident Commander. Upon the arrival of Hawthorne PD Officers, I heard them broadcast and inform me that a command post had not been established as of yet and that LASD Units on scene were encountering unruly crowds at [redacted] W 107th Street.

While monitoring both units radio broadcast, I heard officers Arth and Yoshida broadcast that they were out with a very unruly crowd. Additionally, the dispatcher also informed me that there were plenty of LASD Units in route and to cancel any additional units that were not already there. Additionally, at 2037 hours, information provided was that there was a very unruly crowd, but units on scene managed to push them back.

I began my response to assist and when I arrived at the area of 107th Street and Normandie, I met up with an LASD Deputy who informed that there were several LASD units on scene and that any additional personnel respond to the Command Post at 108th Street and Normandie. I responded to the Command Post where I met with the Incident Commander. I was informed that the unruly crowd was contained and that all outside agencies were being released. There were also a few non-LASD agencies at the command post and they were also released to return to their agencies.

At approximately 2111 hours, all Hawthorne Police units were released from the crime scene and were allowed to return to the City of Hawthorne.
Today, 2/07/18, I reviewed both responding units' in-car cameras and I found that they parked on the street where the incident occurred. Both units were facing E/B and were parked with operating lights, radio and in-car camera's activated. I reviewed both units' cameras, but nothing was visible that could be discernable. At times, I did see people walking w/b on the same street using the street and south sidewalk.

There was audio that remained activated and was possibly the result of the Hawthorne Officer's arbitrator microphones that were on.

From Officer Carmona's Arbitrator microphone, I could hear several men and women yelling "fuck you, fuck the police" in a loud and angry tone. I heard this through a lot of background noise, radio broadcast and the static from movement by recording officers. I did not listen to the recordings in their entirety, but the recordings are available for review by any reviewing agency. Based on the recordings that are available for review the recordings were captured as follows:

Narrative

On Sunday (02/04/18) at approximately 20:20 hours Officer Carmona and I (Officer Godoy) a (5A5M) responded to the intersection of 107th St/Normandie Ave regarding a deputy involved shooting.

As we arrived to the intersection we observed two female deputies as well as their units blocking westbound traffic on 107th St from Normandie Ave. We asked the deputies for the location of the command post and they directed us to continue west on 107th St. As we drove west on 107th St I observed an additional unit from our department who additionally responded (5A34M)), a Gardena PD unit behind our vehicle as well as a few Los Angeles County Sheriffs units.

Officer Carmona removed the semi-automatic AR 15 from the vehicle and we continued walking westbound 107th St looking for the command post. After approximately 1-2 minutes we were informed that the command post was initially in the area were we were standing; however they stated the command post was moved due to the fact that it was initially set up in between the crime scene area.

At this point it was very difficult to decipher where the crime scene was in relation to our location. I did not see the body of the suspect or an area which would typically be contained as a crime scene. There were various crowds gathered in the surrounding area of where the crime scene was said to have occurred. Additionally, various police units were parked in this area which was then classified as being part of the crime scene.

I walked toward the area where crime scene tape was set up and where I could see a few deputies gathered. Crime scene tape was set from the east portion of the gate on [redacted] W 107th St and across to a "No Parking"

Narrative

posted sign which was directly in front of [redacted] W 107th St. One of the deputies who was on scene informed us that our assistance would be needed to form a line due to the unruly crowd that was gathered in the area.

Officers Carmona, Arth, J Yoshida and I as well as two Gardena PD officers and two other deputies formed a scrimmage line for crowd control just west of the crime scene tape. Approximately 15 subjects were gathered directly in front of us just east of the crime scene tape. The whole crowd yelled continuous derogatory statements such as "Fuck the police!" Of the crowd two subjects, a male and female, were the most unruly of the crowd. The male subject kept facing back and forth calling us "racist bitches." He then continued to say that the Police was supposed to protect and serve but "the only ones they are protecting are themselves." The male seemed to be very upset due to the fact that two Officers (Carmona and Arth) were carrying rifles. The male subject asked why they were carrying rifles and stated "this isn't Vietnam."
The female subject was pacing back and forth on her cell phone the entire time speaking of the incident. She continued to state "these niggas is bitches."

After approximately 15 minutes I started to notice another crowd forming on the upstairs portion of a pink apartment building located two buildings east of the location where we were standing ([redacted] W. 107th St.) The crowd was of approximately 8 people. I observed a black male subject making his way down the stairs and then began walking towards us. The male did not cross the crime scene tape but stood directly in front of us and stared at us for approximately one minute without saying anything. He then turned around and slammed his right hand on the hood of a Sheriffs unit, turned back around, looked at us once again and stated "Ya'll want war, Ya'll got war." The male then walked back upstairs to the apartment building.

As the crowd in front of us continued to yell another crowd gathered on east entrance of [redacted] W 107th St. which was also taped off with crime scene tape. A female continued to yell statements while she was crying. I also observed multiple individuals coming in and out of [redacted] W 107th St.
After approximately 30 minutes several other deputies arrived on scene and they informed us that we would be pushing the crowd south and into the gate of [redacted] W 107th St. We verbally told the crowd they had to move into the gate and they complied without incident. We placed crime scene tape on [redacted] W 107th St east and on [redacted] W. 107th St. Deputies then advised that our assistance was no longer needed.

Narrative

On 02/04/2018 at approximately 20:23 hours Officer Yoshida (#[redacted] and I (Officer Arth #[redacted] a (5A34M) responded to the intersection of 107th St/Normandie Ave regarding a deputy involved shooting.

As we arrived to the intersection of 107th St and Normandie Ave, we were directed by a female deputy sheriff of the Los Angeles County Sheriff's Department to assist additional deputies with crowd control. The deputy also advised the command post was located east of the intersection and for us to contact deputies there for further direction. As we drove eastbound on 107th St towards Vermont Ave, we stopped our vehicle midblock and positioned ourselves behind a LASD patrol unit. Due to the nature of our response and the unknown environment, I removed the department-issued AR-15 from our patrol vehicle and contacted sheriff's deputies in the 1200 block of 107th St. At that time, deputies had utilized yellow police caution tape to keep unauthorized personnel from entering the area. Officer Yoshida and I contacted deputies behind the caution tape and they informed us that the command post was moved from the intersection of 107th St and Normandie Ave to an undetermined location due to the fact that the original command post location was established within the area of the deputy-involved shooting. Deputies did not provide further information regarding the shooting and I was unable to view the complex or the subject involved in the shooting during our duration of assistance.

Between the time of our initial arrival and contact with deputies, several unruly subjects flooded the street, sidewalks, apartment walkways, driveways, and apartment carports in the immediate area. Many of the unruly subjects utilized their cell phones to film the scene while at the same time yelling profanities at myself and additional/officers. Because of the potential for officer safety concerns and scene management, deputies

Hawthorne Police Department

Narrative

requested Officer Yoshida and I standby to maintain a scrimmage line to keep the increasingly growing crowd away from the area. As we approached the line, we were met by Officer Carmona and Officer Godoy and two Gardena Police Department officers, who arrived to assist in the incident. With the assistance of a handful of deputies, we established and held a line behind the caution tape.

Approximately 15-20 unruly subjects then gathered directly in front of our scrimmage line and continuously yelled profanities at us. Echoing from the crowd was "fuck the police" and a mixed conglomerate of derogatory statements about the law enforcement profession. Much of the chanting seemed to excite the ever growing crowd, which simultaneously appeared to increase the crowd's hostility towards us. One of the subjects in particular (MBA, approximately 5'6" and 45 years of age, wearing a black t-shirt, jean shorts, and white shoes) confronted me about holding an AR-15. The MBA then stated "This ain't Iraq. I been deployed" and "You don't need that." The MBA continued to chant and pace along the scrimmage line demanding information before a Gardena PD officer confronted the man. The GPD officer pulled the MBA aside from the crowd and spoke with him momentarily, which appeared to ease his aggression and demeanor.

It appeared deputies had yet to completely establish tape on the north and south sides of street, which allowed nearby residents and unknown subjects to close in on the scene. I then intermittently departed from the scrimmage line several times to provide cover for various deputies as they set up caution tape along the north and south sides of the streets. As I returned to the scrimmage line, an additional unruly subject (MBA, approximately 5'10 and 20-25 years of age, wearing all blue clothing) approached the scrimmage line and paced along the street. As he paced, the MBA held his hands inside his front jacket pocket and within his front waistband, continuously moving his hands and making eye contact with officers on the scrimmage line. The MBA then eventually turned away and walked towards a LASD patrol unit and slammed his hand on the hood. The MBA then stated "Ya'll want war, ya'll got war" and proceeded to walk towards an apartment complex on the south side of the street and out of sight. I then overheard Officer Yoshida engage with an additional subject (MBA, approximately 5'11" and 35-40 years of age, wearing a black t-shirt) in the crowd on the south side of the street. The MBA approached Officer Yoshida and demanded to speak with a Gardena PD officer. Officer Yoshida informed the MBA he was a Hawthorne PD officer and showed the MBA his shoulder patch. The MBA then engaged in what appeared to be a mild verbal argument with Officer Yoshida. I then approached Officer Yoshida and moved him north along the scrimmage line and away from the MBA in order to maintain safety of the scene. The MBA then disappeared back into the crowd.

Approximately 30 minutes later, deputies advised they wanted to move the scrimmage line further west towards Normandie Ave. Shortly thereafter, several deputies joined the scrimmage line and we were able to adjust the caution tape approximately 4-6 residences west of the originally established line towards the intersection of 107th St/Normandie Ave; however, this was not accomplished without verbal commands to unruly crowd and increased police presence. As a result, the unruly crowd repositioned themselves (without incident) into the driveways of various apartment complexes on the south side of the street and further away from the scene. This, with the combination of time on scene, appeared to ease the aggression and demeanor of the crowd. Deputies then advised our assistance was no longer needed and Officer Yoshida and I left the area and returned to the city at approximately 2108 hours.

Narrative

On Sunday, 02/04/18 at approximately 20:20 hours Officer Godoy and I (Officer Carmona) were dispatched to assist the Los Angeles County Sheriffs command post located at 107th St/Budlong Ave regarding a deputy involved shooting. As we responded to the intersection, we were advised via radio by Officer Arth/Officer J. Yoshida that they were on scene but did not locate a command post. Officer Godoy and I subsequently diverted our response to the intersection of 107Th St/ Normandie Avenue.

Upon our arrival we observed two deputies as well as their units blocking westbound traffic on 107th St from Normandie Ave. We asked the deputies for the location of the command post and they directed us to continue east on 107th St. As we drove further east, I saw various police units with their red and blue lights activated. Due to the nature of the call, and unknown outstanding suspects, I deployed our department issued AR-15 from our patrol vehicle.

As Officer Godoy and I walked east on 107th Street, I saw a Gardena Police Unit and contacted them. I asked the Gardena Police Officer's if they knew the location of the command post and they advised that they did not. However, they believed the crime scene was further east on 107Th St.

While in search of the command post, Officer Godoy and I located yellow police tape commencing at [redacted] 107th Street. As we walked toward the tape, I saw approximately 17 people standing in front, and near the taped off area. The subjects took turns shouting towards our direction stating "fuck the police!"

We took a crowd control position behind the yellow tape and asked a deputy if he knew the location of the command post. The deputy advised that a command post was not set up yet but needed our assistance with crowd control at this time. We were also informed that the suspect was near our location. Although suspect was near our area, my attention was focused on the numerous amount of people who were exiting their homes in our vicinity.

While standing behind the yellow police tape with Officer J. Yoshida, Officer Arth, and two Gardena Police Officers, I noticed we were standing in the middle of various apartments and residents. Approximately, 3 subjects were yelling near the sidewalk of [redacted] 107th Street. One subject was crying loudly and appeared to be being held back by another subject in the walkway.

After a few moments, I saw another group of people (approximately 4 people) exit their residence from the north side. One subject cried loudly and said "that's my baby!" and began walking towards the middle of the street. As I

looked behind me, I saw approximately 3-4 deputies attempting to secure the area by redirecting them to their front lawn.

Due to various subjects exiting their homes in our vicinity, I often had to look behind me to make sure we were not being attacked from behind. My focus was often redirected to upset community members who were spontaneously exiting their residence.

As I looked west from my position, my attention was draw to a male black adult who was wearing a black T-shirt. The male subject was yelling loudly and made overt hand movements stating "Fuck the police!" The same subject stated that the police was supposed to "protect and serve" and not kill. This particular male paced back and forth in front of the scrimmage line and repeatedly told us that our presence was not welcomed there. A Gardena Police Officer spoke to this individual independently and seemed to have defused his loudly expressed statements.

I also saw one female black adult, with long dark hair, and an unbuttoned leotard on. The female was on her cell phone and was stating "these niggas is bitches!" "I pay your fucken salary!" "Ya'll shot a 16 year old boy on his back!" The female then went on to say that she was near the suspect when he was shot. The female and other community members stated they felt threatened by me holding the AR-15. Additionally the subjects stated that we appeared to be "at war" with the community.

Another male subject even attempted to pass the yellow police tape by placing his head under the yellow tape from approximately 30 seconds. I slightly moved towards the subject which caused him to ask "were you going to shoot me?" This subject told community members to step on his property due to it being private property.

After monitoring the crowed, I saw a male black adult dressed in a blue t-shirt approach the middle of our scrimmage line (remaining behind the yellow tape). This particular subject stated "Ya'll motha fucka's want war? You gonna get war" the subject subsequently turned around and got very close to a LASO deputy's vehicle and slapped it with an open hand (2 times) then walked away. Another subject who trailed behind him roamed the area and at one point stepped in front of a moving LASO unit who was heading westbound towards Normandie Avenue on 107th Street. The LASO deputy reversed then drove around the subject who was blocking his path.

After monitoring the area. we were advised by a deputy that the scrimmage line would be moved further west. We assisted by moving the yellow police tape west up to [redacted] W. 107th Street. We gave verbal commands to move the crowd and they complied without further incident.

After moving the crowed we were advised that our assistance was no longer needed. Officer Godoy and I subsequently entered our vehicle and drove back to the City of Hawthorne without further incident.

RESPONSE

On 2-4-18, at approximately 2100 hours, we (Sergeant Richard Biddle and Investigator Francis Hardiman) were directed to respond from our respective residences to a command post at 108 Street and Normandie Ave, Los Angeles to investigate the facts and circumstances of Deputy Involved Shooting.

We arrived at the command post at approximately 2150 hours. Homicide Bureau Investigators Sergeant Rodriquez, Sergeant Shepherd, and Investigator Bailey were also directed to respond to assist with the investigation.

We were briefed as to the circumstances regarding the shooting, as were known at the time, by South Los Angeles Sheriff's Station Deputies Quinones #[redacted] and Corrigan #[redacted] who assigned as Unit #31B, EM's.

Deputy Quinones was aware South Los Angeles Sheriff's Station Unit 34 PM's, Deputies Gregory Van Hoesen #[redacted] and [redacted] were assigned a radio call (Tag #144) of a male brandishing a firearm at a passing motorist near 107 Street and Budlong Ave. The call was assigned to the deputies at 1941 hours with additional information describing the Suspect was a male Black 19 years old, wearing a black shirt, blue jeans, who exited the black gate of an apartment complex and pointed a handgun at the passing motorist. Deputies van Hoesen and [redacted] acknowledged the radio call at 2003 hours, indicated they were enroute to the call at 2012 hours, and arrived the call at 2014 hours.

Deputies Van Hoesen and [redacted] were aware of the apartment complex described in the radio call and knew the actual address was [redacted] W. 107 Street. The deputies were elso aware the apartment complex was a known location where 107 Street Hoover gang members reside and congregate.

When Deputy Van Hoesen and Deputy [redacted] arrived on 107 Street, they did not observe anyone on the sidewalk or near the front of the [redacted] W. 107 Street apartment complex. The deputies had previously responded to the apartment complex regarding gang activity and were aware the Hoover gang members frequently gathered in the rear parking area to avoid detection by Sheriff's Deputies.

Deputy Van Hoesen and Deputy [redacted] parked their marked Sheriff's Patrol Unit along the south curb line of W. 107 Street, west of the entrance to [redacted] W. 107 Street. The deputies walked southbound in the driveway of the apartment complex west of [redacted] W. 107 Street to access the rear parking area of [redacted] W. 107 Street. There was a wooden fence between the driveway that separated the properties of [redacted] W 107 Street and [redacted] When the deputies near the middle of the driveway, they observed several boards of the wooden fence were missing. The deputies further observed a male Black and a female Black standing on the eastside of the wooden fence on a walkway near the rear parking area of [redacted] W. 107 Street.

Deputy Van Hoesen and Deputy [redacted] believing the two individuals potentially were the source of the radio call, illuminated the two people with lights and pointed their handguns at the two people. Deputy Van Hoesen gave the two individuals commands to raise their hands. The two people complied and raised their hands in the air, at which time Deputy Van Hoesen and Deputy [redacted] saw a black pistol in the male's waistband.

The deputies attempted to detain the male, later identified as Subject Anthony Weber, and the female. The deputies were in the process of crossing through the hole in the wooden fence to detain Subject Weber and the female, later identified as [redacted] when Subject Weber turned and ran away from the deputies. Deputy Van Hoesen began to follow Subject Weber's path, while Deputy [redacted] briefly spoke with [redacted]

Deputy Van Hoesen continued to follow Subject Weber who was fleeing in a hallway that led to the apartment complex' court yard. Deputy [redacted] joined Deputy Van Hoesen in the hallway. Subject Weber ran into the court yard and was out of the deputies' sight for a brief period of time. Deputy Van Hoesen was first to reach the corner leading to the court yard. Deputy Van Hoesen tactically rounded the corner leading to court yard and saw Subject Weber running northbound in the middle of the court yard with his hands still raised in the air. Deputy Van Hosen gave Subject Weber commands to stop. Subject Weber failed to obey the commands, turned slightly toward Deputy Van Hoesen, while lowering his arm and reaching for Subject Weber's waistband. Deputy Van Hoesen believed Subject Weber was attempting to retrieve the gun, the deputies had observed in Subject Weber's waistband, in an effort to shoot Deputy Van Hoesen and Deputy [redacted] Deputy Van Hoesen reacted to the perceived threat and shot Subject Weber.

Subject Weber was struck by the gunfire and fell to the ground. At the conclusion of the gunfire, Deputy Van Hoesen and Deputy [redacted] were immediately confronted by an angry and hostile crowd from several different directions within the complex, as well as from the front entrance of the complex.

The confrontation by the hostile crowd caused various and immediate safety and tactical concerns for the deputies. The deputies were forced to request assistance from other Sheriff Patrol Units and confront the crowd by themselves until additional deputies arrived. The hostile crowd reportedly prevented the deputies from providing immediate aid to Subject Weber and properly securing the scene.

Additional deputies arrived at the scene and began confronting the crowd attempting to establish order. Crowd remained unruly and posed a continuing threat. Deputies had to escort Fire Department and Paramedic Personnel into the court yard to treat Subject Weber for his injuries. The Paramedics cut away Subject Weber's sweatshirt and undershirt, during life saving measures. The Paramedics determined Subject Weber succumbed to his injuries and pronounced Subject Weber dead at the scene.

The crowd again became confrontational and threatening toward the deputies attempting to contain and preserve the crime scene. The deputies at the scene were forced to request additional law enforcement personnel from other Sheriff's Stations and Police Agencies to re-establish control of the scene.

After the initial briefing by Deputies Quinones and Corrigan, a plan of investigation was formulated. We remained the handling investigators responsible for the entire investigation, while Sergeant Shepherd and Investigator Bailey were assigned to process the crime scene, while Sergeant Rodriguez was assigned to organize a canvas of the area in an attempt to locate and identify any witnesses to the incident.

While at the Command Post, I learned Subject Weber's father [redacted] contacted a deputy near the crime scene. [redacted] provided his cellular phone number and asked for Investigators to contact him with details of Subject Weber's death. I phoned [redacted] and arranged for him and his wife (Subject Weber's mother) to meet us at South Los Angeles, so we could speak with them.

On 2-5-18, at approximately 0040 hours, we spoke with Anthony Weber's father, [redacted] **(MW/[redacted]** at South Los Angeles Sheriff's Station. The following is a synopsis of the recorded conversation:

[redacted] confirmed he was Anthony Weber's father. ANONYMOUS 911 CALLER IDENTIFIED AND INTERVIEWED

On 2-4-18, when Investigator Hardiman and I arrived at the Command Post, at approximately 2150 hours, we were advised of the details regarding an anonymous caller reporting a male brandishing a firearm on 107 Street **(Tag # 144).** The details of the call for service indicated the anonymous caller's cell phone number. I called the cell phone from the command post, but was unsuccessful in speaking with the anonymous caller.

During the preceding days, I continued my attempts to identify and speak with the anonymous caller. On 2-12-18, I was able to speak with the anonymous caller by phone. The anonymous caller expressed concern for his safety, as a result of the Deputy Involved Shooting, and feared retaliation from the 107 Street Hoover gang members, who frequently gather on 107 Street. The Anonymous caller agreed to meet us at South Los Angeles Sheriff's Station for an interview.

On 2-12-18, at approximately 1630 hours, we spoke with the anonymous caller at South Los Angeles Sheriff's Station. Our entire contact with the anonymous caller was digitally recorded. We confirmed the anonymous caller's identity and agreed to keep the anonymous caller's identity confidential to protect the caller's safety, as well as protect the caller's future usefulness to law enforcement in detecting criminal activity. The anonymous caller, hereafter referred to as Victim #1, has no criminal record, was not involved in criminal activity, was not under investigation for criminal activity, is gainfully employed, and only called law enforcement on 2-4-18, to report being a victim of a crime involving a gang member brandishing a firearm. The following is a synopsis of our interview with Victim #1:

Upon our initial conversation with Victim #1, Victim #1 commented Victim #1 saw news coverage of the Deputy Involved Shooting which stated no gun was recovered from the scene. Victim #1 lives on [redacted] with relatives, near the location of the shooting. Victim #1 has resided on [redacted] since 2007, and is well aware of 107 Hoover gang members claiming the neighborhood as their territory. Victim #1 drives by the apartment complex at [redacted] W. 107 Street several times a week and almost every time observes gang members congregated in front of the apartment complex. Victim #1 has been confronted by the gang members in front of the apartment complex in the past, when Victim #1 drove past the complex. The gang members flash the 107 Hoover gang signs, while identified themselves as "107 Hoovers." The gang members would yell, "Fuck Napps," and demanded to know which gang Victim #1 was from. Victim #1 always replied Victim #1 was not a gang member and just [redacted] Victim #1 was aware the term "Napps" was a derogatory phrase referring to the Hoover's rival gang, known as the Neighborhoods."

We asked Victim #1 to describe what occurred on 2-4-18. Victim #1 was driving

westbound on W. 107 Street from Budlong Avenue, nearing the apartment complex ([redacted] W. 107 Street) where the 107 Hoovers hang out. Victim #1 saw a male Black exiting the complex gate walking northbound toward the street. Victim #1 believed the male was going to cross the street, in front of Victim #1's vehicle. Victim #1 started to slow down, at which time the male walked across the eastbound lane of 107 Street, directly toward Victim #1's car. The male had a black semi-automatic pistol in his hand. The male pointed the gun (with one hand) at Victim #1, as the male continued walking toward the driver's side of Victim #1's car. The male stopped next to Victim #1's driver's side car door and pointed the gun, with one hand, directly at Victim #1's head. The driver's window of Victim #1's car was up and the male held the gun, within a foot of the closed window, pointed directly at Victim #1's head. Victim #1 feared the male was going to shoot, at which time Victim #1 ducked in an attempt to remove Victim #1's head from the line of sight of gun the male was pointing. Victim #1 accelerated his car at the same time to remove himself from the immediate danger of being shot by the male. As Victim #1 accelerated away from the male, Victim #1 looked in the rear view mirror. Victim #1 could see the male was still standing in the middle of the street, but the male was now facing west pointing the gun at the rear of Victim #1's car. Victim #1 was fearful the male would begin shooting as Victim #1 was driving away. Victim #1 was able to park some distance away from the male pointing the gun and immediately called the Sheriff's Station to report the incident. Victim #1 said the Sheriff's Dispatcher asked for Victim #1's personal information, but Victim #1 did not want to be identified as a Victim, because Victim #1 [redacted] Victim #1 remained inside his vehicle and watched his rear view mirror to ascertain the male's whereabouts, because Victim #1 believed the male was going to continue to approach Victim #1's car and shoot Victim #1. Victim #1 saw the male was no longer visible in the rear view mirror and Victim #1 did not observe where the male with the gun went. Victim #1 went [redacted] and did not believe a Sheriff's Patrol Unit was going to respond to scene.

Victim #1 stated 15-20 minutes later, Victim #1 heard several gunshots coming from the area of the apartment complex where the male had pointed the gun at Victim #1. Victim #1's initial belief was the male who pointed the gun at Victim #1 had shot some else on the street.

Victim #1 could also hear someone from the street screaming. Several minutes later, Victim #1 subsequently accessed Social Media using Victim #1's cell phone. Victim #1 saw several "Instagram" and "Facebook" postings regarding a recent shooting on W. 107 Street involving a male being shot by Deputy Sheriff's. Victim #1 recalled the postings had the text, "RIP AJ" while depicting a young male Black posing with an infant child. Victim #1 immediately recognized the social media postings of "RIP AJ" and the male with the infant. Victim #1 stated the male in the postings was the same male who was previously armed with a black pistol, confronted Victim #1 in the street, and pointed the gun at Victim #1's head.

We asked if Victim #1 had previously seen the male before and Victim #1 replied no.

Victim #1 was uncertain of the male's exact age, but described the male as Black, approximately 508, short curly black hair, wearing a short sleeve black shirt and dark blue jeans.

We asked if Victim #1 saved the social media postings in his cell phone. Victim #1 was uncertain and began searching his cell phone for the postings he saw that night after the gunshots. Victim #1 described the social media postings, Victim #1 saw that night, where Victim #1 recognized the male depicted as the person with the gun in the middle of 107 Street. Victim #1 said it was a photo of the male Black laying down posing with an infant child. We recalled observing a similar social media photo displayed on several news broadcasts in the days following the Deputy Involved Shooting with Anthony Weber. The News Broadcasts identified the social media posting as Anthony Weber, who had been shot and killed by deputies, posing with Weber's [redacted] old daughter.

Victim #1 was unable to find the exact same "Instagram" and "Facebook" postings depicting Weber and the infant. Victim #1 said he also saw the same social media postings on news broadcasts the next day. In our presence, Victim #1 was able to access a video posted to social media. We watched the video on Victim #1's cell phone. The video depicted the entryway to the [redacted] W. 107 Street complex with an obvious impromptu memorial with candles where Weber was shot and killed. There was a large white poster board depicting a collage of photos depicting Anthony Weber. Victim #1 pointed to the photo depicting Antony Weber wearing a white "tank top" shirt and again identified Anthony Weber as the person, who pointed a gun at Victim #1. Victim #1 confirmed Weber was displaying the "107" gang sign in the photo of Weber wearing the white tank top. There was another portion in the video depicting two females and Weber. In that portion of the video, Weber appears to be flashing gang signs. Victim #1 said Weber was flashing "107" for 107 Street Hoovers.

We used a computer terminal inside the station and accessed the internet to search for additional social media posts related to Anthony Weber and the Deputy Involved Shooting. We found a video depicting a female identified as [redacted] Victim #1 was aware [redacted] was interviewed by different news agencies and claimed she was present at the time of the Deputy Involved Shooting and said the deputies were serving a search warrant at the time of the shooting. The video displayed [redacted] dancing to rap music, displaying 107 Hoover gang signs, as well as displaying dance moves that were disparaging to the "Rolling 100's" gang.

Investigator's Note: We were also aware of several news broadcasts involving interviews of [redacted] During interviews, [redacted] claimed to be close friends with Weber. [redacted] also claimed she was present on the apartment complex' staircase at the time Weber was shot by deputies.

SUMMARY

On February 4, 2018, Homicide Investigators Sergeant Chaffey Shepherd and Detective Jon Bailey were dispatched to [redacted] West 107th Street, Los Angeles, to assist Homicide Investigators Sergeant Rick Biddle and Detective Francis Hardiman with an investigation into a deputy involved shooting that occurred at the location. Detectives Shepherd and Bailey were tasked with documenting the crime scene.

While at the scene, Detectives were assisted by Forensic Identification Specialists David Ozeta #[redacted] Frank Cruz #[redacted] Scott Purcell #[redacted] and Antoinette Bravo #[redacted] from the Los Angeles County Sheriff's Department Crime Lab, Latent Prints Section, responded to the scene. They photographed, diagramed the scene and collected evidence at the crime scene as directed by investigators. Additionally, Forensic Identification Specialist Nakia Berry #[redacted] from the Los Angeles County Sheriff's Department Crime Lab, Latent Prints Section, responded to South Los Angeles Station and photographed Deputy Van Hoesen. For further details on their actions, refer to their supplemental reports under this file number.

SCENE

This incident occurred at [redacted] West 107th Street, Los Angeles. West 107th Street was a two lane residential street that runs east and west. It was bordered on the west by Normandie Avenue by a two way stop intersection. It was bordered to the east by Budlong Avenue by a four way stop intersection. There was a cement sidewalk on either side of the street. There were several single family dwellings, as well as multi-family dwellings on both sides of the street.

Investigators noted several vehicles parked along the street, including a Los Angeles County Sheriff's Department Ford Crown Victoria, Vehicle # SD7145. This vehicle was parked on West 107th Street along the northwest side of [redacted] West 107th Street directly north of the driveway of [redacted] West 107th Street facing east. This vehicle was black in color with white colored doors and roof. There were reflective decals on both the drivers and passenger side doors depicting the word "SHERIFF" and the Los Angeles County Sheriff's Department Star logo. On the rear of the vehicle, there were reflective decals depicting SD7145 and "LOS ANGELES COUNTY SHERIFF'S DEPARTMENT". There were two exempt California license plates #1313980 to the front and rear of the vehicle. The roof of the vehicle, several antennas, a red and blue emergency light bar, the

numbers "145" in black lettering to the rear of the vehicle and the number 3 in black lettering on the front of the roof. There was yellow crime scene tape tied to the rear trunk antenna and also tied to the driver's side spot light.

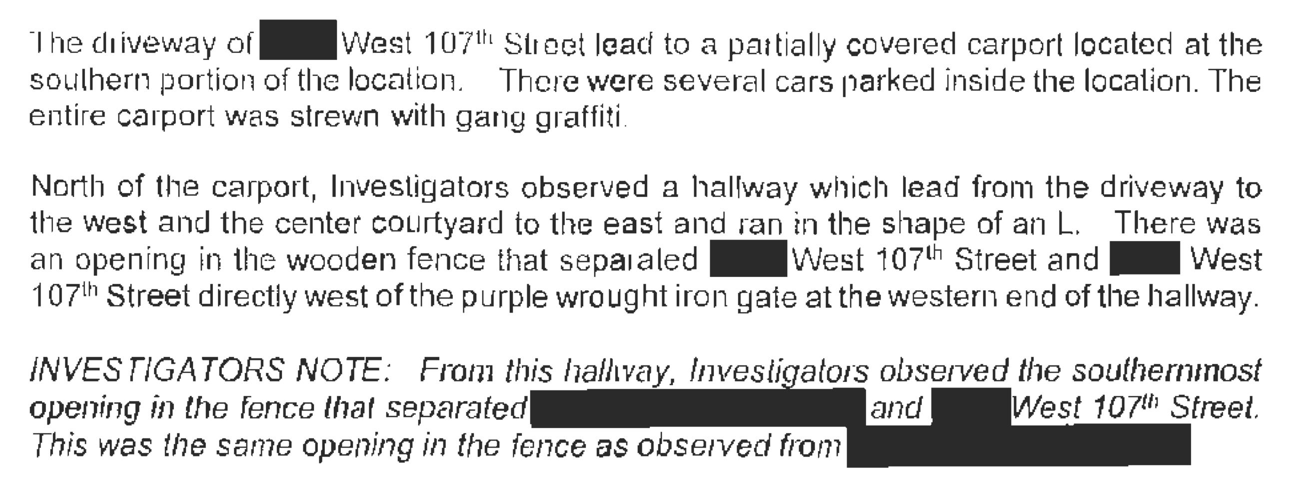
Investigators noted a 2001 GMC Safari van (California License [redacted]) parked in front of [redacted] West 107th Street directly in front of the pedestrian entry gate. Investigators noted an entry hole in the passenger side front fender that was possibly caused by a bullet (**Photographic Evidence Item A**).

[redacted] was a two storied multi-unit dwelling. This location was directly west of [redacted] West 107th Street. Investigators noted a cement driveway along the east side of the property that lead to the rear parking area of [redacted] This driveway had a wooden fence that separated the driveway belonging to [redacted] West 107th Street. There was three openings in this fence, where boards were removed, that lead to the driveway of [redacted] West 107th Street. At the southernmost opening in the fence, investigators had an unobstructed view of a hallway located to the rear of [redacted] West 107th Street. This hallway began at the eastern portion of the complex along the driveway of [redacted] West 107th Street and traveled in a westerly direction towards the center of the complex of [redacted] West 107th Street. There was a purple wrought iron gate located along the eastern opening of the hallway that was open.

INVESTIGATORS NOTE: Investigators noted gang graffiti had been etched into the cement driveway in several locations along the route of this driveway. Investigators also observed additional gang graffiti painted along the rear walls of the complex and along the openings in the fence. There were two large trash dumpsters located in the rear of the complex. One of these trash dumpsters had "Hoover 107" painted on it. The other dumpster had "fuck the cops" painted on it. At the southernmost opening in the fence, investigators observed "fuck the cops" inscribed in the fencing along with other gang graffiti inscribed and/or painted along the sides of the opening.

[redacted] West 107th Street was a two-storied, multi-unit dwelling that had pink colored stone along the street face of the property. There was a large, well lit, pedestrian entry way that had a metal fence with a metal security door that separated the north face of the property from the interior portion of the property. There was a large, well lit, open cement courtyard in the center of the property. Most of the apartment's front doors faced the courtyard. There were 4 stairways that lead to the second floor apartments and the lower apartments opened into this courtyard. There was a driveway on the west side of the property that lead from West 107th Street toward the rear of the property. At the north end of the driveway, there was a black metal gate which was closed.

INVESTIGATORS NOTE: Investigators observed the Los Angeles County Sheriff's Department vehicle that was parked along West 107th Street through the closed black metal gate that was along the driveway.



The driveway of [redacted] West 107th Street lead to a partially covered carport located at the southern portion of the location. There were several cars parked inside the location. The entire carport was strewn with gang graffiti.

North of the carport, Investigators observed a hallway which lead from the driveway to the west and the center courtyard to the east and ran in the shape of an L. There was an opening in the wooden fence that separated [redacted] West 107th Street and [redacted] West 107th Street directly west of the purple wrought iron gate at the western end of the hallway.

INVESTIGATORS NOTE: From this hallway, Investigators observed the southernmost opening in the fence that separated [redacted] and [redacted] West 107th Street. This was the same opening in the fence as observed from [redacted]

There was a storage closet located at the eastern opening of the hallway. The storage closet door was open at this time, however, investigators were informed that this door was closed at the time of the incident. Responding deputies had opened the door to conduct an article search for Subject Weber's weapon.

[redacted] West 107th Street consisted of at least 20 separate apartment units. Several of these units were vacant, some appeared to be in various stages of renovation. There were security bars on the windows that were facing the courtyard and security screens covering the front doors of the units. There were several children's bicycles and children toys lying on the ground within the courtyard.

SHOOTING SCENE

The shooting occurred in the covered pedestrian entryway of [redacted] West 107th Street. There were 12 expended shell casings (**Evidence Item #1 through Evidence Item #12**) lying on the ground west of the west wall of apartment #1. Investigators noted two overhead lights within the covered portion of the entryway. One appeared to be in the center of the entryway and the other was located along the south portion of the ceiling.

INVESTIGATORS NOTE: Responding Deputies had placed body barriers along the northern portion of the entryway, south of the entry gate and the southern opening of the entryway where the entryway opened up to the center courtyard.

SUBJECT ANTHONY WEBER'S BODY

Investigators noted the body was lying on the ground, under the covered entryway, and near the entry gate. He was lying on his back with his head facing north and his feet facing south. His arms were extended to the east and west. He was lying on a black shirt that had been cut open and his chest was exposed. He was wearing blue jeans

that appeared to have been cut, a brown belt that had been severed, and black shoes on his feet. His chest was exposed, showing multiple gunshot wounds.

On February 5, 2018 at 0340 hours Coroner Investigators Raylene Reynolds (#[redacted] and Kristy McCracken (#[redacted] responded and took custody of the body. During their investigation, a fired bullet (**Evidence Item # 13**) was discovered.

His body was lying on a black short sleeved shirt that had been cut open. He also was lying on a black hooded sweatshirt. At the request of investigators, his clothing was removed by Investigator Reynolds and held as evidence (**Evidence Item #15 and Evidence Item #16**).

His clothing was searched by Investigator Reynolds. She recovered a cell phone (**Evidence Item #14**) in his right rear pants pocket and $7.00 (1-$5.00 bill and 2-$1.00 bills) were located in his left rear pants pocket. The cell phone was seized as evidence by investigators at the scene. The money was retained by Investigator Reynolds.

On 02/04/18, at about 2140 hours, Sergeant Rick Biddle and I were detailed to [redacted] W. 107th Street, Los Angeles, CA 90044, regarding a Deputy involved shooting. Upon our arrival, we contacted Deputy Christopher Quinones #[redacted]

Deputy Quinones told us the following: 02/04/18, at about 1940 hours, Deputies Gregory Van Hoesen #[redacted] and [redacted] were detailed to [redacted] W. 107th Street, Los Angeles, CA 90044, regarding a man with a gun call. Upon arrival Deputies Van Hoesen and [redacted] contacted Anthony Weber and [redacted] near the southwest corner of the apartment complex. Upon contacting the

two, Deputies Van Hoesen and [redacted] could see that Weber had a handgun in his waistband.

Deputies Van Hoesen and [redacted] ordered Weber to put his hands up, which he did. Seconds later, Weber turned and fled. Deputies Van Hoesen and [redacted] chased Weber. A Deputy involved shooting occurred.

INTERVIEW OF DEPUTY GREGORY VAN HOESEN

On 02/05/18, at about 0125 hours, Sergeant Biddle and I spoke with LASD Deputy Gregory Van Hoesen #[redacted]. Van Hoesen was represented by attorney Michael Schwartz.

Van Hoesen told us the following: Van Hoesen has been a Deputy Sheriff since [redacted] Van Hoesen has been assigned to patrol at South Los Angeles Station since December of 2015.

Van Hoesen has no prior police or military experience.

Van Hoesen has a [redacted]

On 02/04/18, Van Hoesen was assigned as South LA 34/PM's with Deputy Sheriff [redacted] as his partner. Van Hoesen was driving. At about 1940 hours, Van Hoesen received a call, tag number 144. The call indicated that there was a male black, 19 years old, wearing a black shirt and blue jeans who had pointed a gun at a passing driver. The informant said that the male came out of an apartment building near Budlong and 107th Street.

Van Hoesen does not recall how long the call was waiting prior to them going to the location.

Van Hoesen had been to [redacted] West 107 street on numerous prior occasions. He had responded to the location regarding family disturbances, child abuse reports, incidents of domestic violence, gang related calls for service, and self-initiated gang checks. Van Hoesen had contacted gang members on numerous occasions at the location.

At about 2014 hours, Van Hoesen and [redacted] arrived at [redacted] When they arrived, there was no one on the street.

Van Hoesen and [redacted] walked south down the driveway of [redacted]

There is a wooden fence on the property line that separates [redacted] and [redacted] West 107th Street. About three quarters of the way down the driveway, Van Hoesen saw that there was a large opening in the fence that separated the two properties.

Van Hoesen looked through the opening in the fence and saw a male black and a female black talking to each other. Van Hoesen described the male, later identified as Anthony Weber, as a male black, thin build, black shirt, black sweatshirt, blue jeans.

He described the female black, later identified as [redacted] as short and chubby.

In the waistband of Weber, Van Hoesen could clearly see a handgun. He described the gun as a Smith & Wesson, M&P, semi-automatic pistol with black Talon grips and a red dot sight.

Van Hoesen immediately pointed his gun at Weber and yelled at him, "Let me see your hands!" Weber and [redacted] both raised their hands above their heads. Van Hoesen said something to the effect of, "... If you move I'll shoot you!"

Van Hoesen was 5 to 10 feet away from Weber. He does not remember if [redacted] gave verbal commands.

Almost immediately, Weber turned to the east and began running down a short East/West hallway. Van Hoesen and [redacted] gave chase. When Weber got to the east end of the hallway, he turned north into the apartment complex courtyard. Van Hoesen lost sight of Weber for a few seconds.

When Van Hoesen got to the end of the hallway, he turned north and continued chasing Weber into the apartment complex courtyard. Van Hoesen estimates that Weber was between five and 10 feet away from him.

Weber continued running north with his hands over his head. As Weber continued north, he turned his body towards Van Hoesen. Weber looked directly at Van Hoesen, "as if he were acquiring a target." As he did so, Weber reached towards his front right waistband, where Van Hoesen had seen the gun. Fearing that Weber was going to shoot him, Van Hoesen shot at Weber multiple times.

Weber was between 5-10 feet from Van Hoesen when Van Hoesen shot.

It appeared to Van Hoesen that Weber was hit, because he fell down. Weber fell to the ground on his stomach, and then rolled onto his back with his arms splayed out. Weber's head was facing to the north.

Almost immediately after the shooting, Van Hoesen heard a number of people yelling and screaming. He saw multiple people exiting the apartments in the complex and

coming towards him and [redacted] Van Hoesen and [redacted] ordered the gathering crowd of people to stay away from them. Van Hoesen thought the crowd was so hostile that he and [redacted] were going to be attacked.

Van Hoesen could not make out most of what was being yelled, however he did clearly hear, "fuck the police!"

Van Hoesen looked back over his shoulder and could see [redacted]. [redacted] looked scared. Van Hoesen was scared due to the size of the crowd, the height advantage of the crowd on the balcony, and their hostility.

Due to the hostility of the crowd, the size of the crowd, and that Weber appeared to be alive, Van Hoesen was unable to secure the crime scene. He is unsure if someone was able to take the gun that was in the possession of Weber.

Van Hoesen was unsure if anyone was able to come into the complex through the north gate. He does remember giving orders to people outside of the gate to not come inside. Not only was a very hostile crowd inside the complex, but a hostile crowd was gathering outside of the complex also.

Van Hoesen carries a Glock 17, 9mm pistol, SER: BGEZ848. The pistol is equipped with an X300 Ultra Light with a grip mounted pressure switch. He normally carries the pistol with 1 round in the chamber and 17 rounds in the magazine. He carries 3 additional 17 round magazines on his belt.

Sergeant Biddle and I examined the pistol. There was 1 round in the chamber and 4 in the magazine. Each of the 3 magazines from the belt contained 17 rounds.

Eventually numerous deputies, and police officers from other agencies, arrived and were able to secure the crime scene.

During a search of the scene, detectives were unable to locate the gun described by Van Hoesen.

INTERVIEW OF DEPUTY [redacted]

On 02/05/18, at about 0249 hours Sergeant Biddle and I spoke with LASD Deputy [redacted] #[redacted] [redacted] was represented by attorney Michael Schwartz.

[redacted] told us the following: [redacted] has been a Deputy Sheriff since [redacted] He has been assigned to patrol at South Los

Angeles Station since August of 2017.

02/04/18, [redacted] was assigned to 34/PM's working from [redacted] hours to [redacted] hours. [redacted] partner was Deputy Van Hoesen. Van Hoesen was driving and [redacted] was the book man. The shift that evening was busy.

At an unknown time, [redacted] and Van Hoesen were sent to 207th Street regarding a call of a man with a gun. The suspect was described as a male, black, 19 years old, who had pointed a gun at a person in a car.

[redacted] knew that [redacted] West 107th Street was frequented by gang members. He had been to the location between 20 and 30 times. These prior calls included gang activity, gang loitering, and man with a gun calls. [redacted] has contacted gang members at the location on at least five or six occasions. He did not remember the last time he had been to the location. [redacted] has never arrested anyone at the location with a gun.

When [redacted] and Van Hoesen arrived at the location, they parked their car and walked southbound down the driveway of [redacted] Van Hoesen was on the east side of the driveway and [redacted] was on the west side of the driveway. As [redacted] was about to clear the corner that leads to the western side of the property, he heard Van Hoesen say something.

[redacted] turned and saw Van Hoesen pointing his gun to the east through a very large hole in the fence that divides [redacted] West 107th Street from [redacted] Van Hoesen was pointing his gun at a male black, 18 to 20 years old, with light skin, a tucked in shirt, with a black gun in his waistband (later identified as Anthony Weber). Standing next to the male, was a female black, short and heavy with brown hair.

[redacted] heard Van Hoesen say, among other things, "let me see your hands... Don't move!" As Van Hoesen started to approach Weber, Weber fled with Van Hoesen following. Weber turned to the east, opened the gate, and ran East down a hallway.

As [redacted] was going through the large hole, he told the female, "let me see your hands...!"

[redacted] paused quickly to tell the female to step back. [redacted] then followed Van Hoesen. [redacted] was 12 to 18 feet from Van Hoesen. He was about three seconds behind Van Hoesen. As [redacted] was just about to turn the corner in the hallway leading to the courtyard, he hears about eight gunshots.

[redacted] could also see Weber on the ground. Weber was north of Van Hoesen about 9 feet away from him. Weber was either facedown or laying on his right side.

Almost immediately after the gunshots, [redacted] heard multiple people yelling things

like, "fuck the police!" Multiple people came out of their apartments, on both the upper and lower levels of the apartment. [redacted] was afraid, as he felt he and Van Hoesen were easy targets inside the courtyard of the complex.

[redacted] gave multiple commands to have the people go back inside of their apartments. The people did not comply. [redacted] did not see anyone in the crowd with weapons. [redacted] did see people in the crowd that he believed were gang members, due to their attire and visible tattoos.

Members of the crowd were trying to get near Weber. [redacted] and Van Hoesen were trying to prevent people from getting near him. [redacted] had to change his focus repeatedly away from Weber. He was unable to keep a constant watch on Weber.

[redacted] estimated that the time between the initial contact and the shooting was about 20 seconds.

INTERVIEW OF [redacted]

On 02/05/18, at about 0404 hours Sergeant Biddle and I spoke with [redacted] told us the following: [redacted] is the girlfriend of Anthony Weber. She has been dating Weber for about 3 months. [redacted] lives at [redacted] returned to her home at about 1530 hours on 02/04/18. When she arrived, Weber was at her home. She watched the Super Bowl at her home with Weber.

After the Super Bowl, [redacted] and Weber went to the "New Jacks." This is a neighborhood slang term for the building at [redacted] W. 107th Street. Weber said he needed to go and get his jacket. This was odd to [redacted] because he was already wearing a jacket.

Weber and [redacted] were in the back of the apartment, because Weber had "found (his jacket) on the floor or something." They were the only two back there. Weber had gone to the rear of the complex to get his jacket. His jacket was hanging on a gate on the west end of the hallway.

As Weber and [redacted] were talking, they were surprised by two deputy sheriff's who appeared at a hole in the fence between the two properties. The deputies said, "put your fucking hands up! Don't fucking move or we'll shoot the both of you!" The deputies had guns and flashlights.

They kept telling him, "Don't reach for it! Don't reach for it!" Weber's hands were up the entire time.

[redacted] did not know if Weber had a gun on him or not.

Weber turned around and ran down the hallway. After the deputies chased Weber, [redacted] ran away too.

A few seconds later, [redacted] heard over five gunshots. From the sound of it, [redacted] believes that both of the deputies shot.

[redacted] fled to her house. She did not run into the courtyard or see Weber after he fled.

[redacted] said that she had never seen Weber with a gun before. If Weber did have a gun, he wouldn't show it to [redacted] because her brother had been killed.

[redacted] said that her home is in the area claimed by 107 Hoovers. She claimed that she does not know if Weber was a gang member.

INTERVIEW OF OFFICER [redacted]

On 02/05/18, at about 1200 hours, I spoke with LAPD Officer [redacted] [redacted] told me the following: [redacted] is an LAPD officer assigned to the [redacted] out of LAPD Southeast station. [redacted] is very familiar with the Hoover Criminals Street gang.

On 02/02/18, [redacted] and his fellow [redacted] officers were monitoring the Facebook account of Lorenzo Hall. Hall is a known member of the 107th set of the Hoover Criminals. [redacted] watched a video, posted by Hall, which showed Hall and several other members of the Hoover Criminals, including Anthony Weber, at [redacted] West 107th Street. In the video, Hall can be very clearly seen displaying a black, semiautomatic handgun with a red dot sight attached.

Shortly after viewing the video, [redacted] and his fellow officers went to [redacted] West 107th Street and conducted a parole search. Lorenzo Hall was at the location; however, Anthony Weber was not. [redacted] was unable to locate the handgun he had seen in the video.

HOOVER CRIMINALS

On 02/06/18, at about 2005 hours, Sergeant Biddle and I contacted Los Angeles Police

Department [redacted] Officer [redacted] We inquired about the gang Hoover Criminals. [redacted] told us the following:

The Hoover Criminals is a criminal street gang whose members are primarily African American. The Hoover Criminals first formed in the 1960's. There are well over 1200 members of the Hoover Criminals.

There are currently 9 "sets" of the Hoover Criminals. A "set" is a gang term for subgroup belonging to the larger organization. The sets of Hoover Criminals are based on the geography of Central Los Angeles, and the area that is claimed by the Hoover Criminals. The sets of the Hoovers Criminals are the following: 43, 52, 59, 74, 83, 92, 94, 107, and 112.

Generally, the Hoover Criminals claim the territory bounded by about 41st Street on the north, Imperial Highway on the south, Vermont on the west, and the 110 Freeway on the east. The 107 set of Hoover Criminals claims the territory (generally) bounded by Century Boulevard on the north, 110th Street on the South, Normandie Avenue on the west and Hoover Street on the east. [redacted] W. 107th Street is within the territory claimed by the 107th Hoovers.

The Hoovers Criminals have numerous common signs and symbols. These include: the name Hoover Criminals; HCG (Hoover Criminals Gang); Hoova; 716 (the sum of all of the numbered Hoover sets equals 716); the color orange; Houston Astro's apparel; apparel with the letter H; star (from the Houston Astros team symbol).

Another common symbol for the Hoover Criminals is the numeral 0 (zero) with an X over it. This is commonly called "crossing out." This is common in street gang culture and is meant as a sign of disrespect and contempt for an enemy gang. With respect to the Hoovers, the zero represents all of the sets of the Neighborhood Rolling Crips. Those Crip sets are: Rolling 30's, Rolling 40's, Rolling 60's, Rolling 90's, and Rolling 100's (also known as Blocc Crips). In addition, Oklahoma Thunder apparel will be worn by Hoover Criminals, as there usually appears the letters OKC on the clothing. The Hoovers have adopted the letters OKC to represent 0 (zero) Killer (K) Crips (C), meaning the Hoovers will kill members of the Neighborhood Rolling Crips.

Hoover Criminals use a hand sign that is the index finger and the middle finger formed into a V. The V is pointed down. The thumb is placed in the web of the fingers at the apex of the V. This makes what appears to be an "H." In addition, depending on the set, it is common to see a Hoover using one hand to make the "H" and the other to display their set. For example, extending the index finger pointing towards the ground and extending the thumb perpendicular to the index finger makes what appears to be a "7" is a sign commonly used by members of the 107 Hoovers.

The primary activities of Hoover Criminals include felony vandalism (PC186.22(e)(20)), the prohibited possession of firearms (PC186.22(e)(31)), carrying of concealed firearms

(PC186.22(e)(32)), and the carrying of loaded firearms (PC186.22(e)(33)).

According to Weber's RAP sheet, he has received multiple sustained juvenile petitions for some of the offenses listed above.

INTERVIEW OF [redacted]

On 02/07/18, at about 1002 hours, Sergeant Biddle and I spoke with [redacted] told us the following: [redacted] is a [redacted] at [redacted] On 02/05/08, at about 1600 hours, [redacted] was working the front gate at [redacted] was approached by a [redacted] name [redacted] did not know the student's name, but he identified [redacted] from a photo. [redacted] has talked with [redacted] on numerous occasions. [redacted] feels like [redacted] trusts him and confides in him.

[redacted] told [redacted] the following: On 02/04/18, [redacted] was with Anthony Weber when Weber was shot. [redacted] said, "the homie was doing some dumb stuff with a gun." [redacted] and Weber were at the back of the complex when the police "crept up on them." The police told them to put their hands up, and they did. Weber then fled from the police.

At some point, [redacted] took a gun from Weber and hid it.

Based on the similarities of the statement made to [redacted] by [redacted] it appears that either [redacted] was present during the incident, or he talked to someone who was.

LASD Crime Analyst Romy Haas was able to identify a Facebook account belonging to [redacted] That account is: https://www.facebook.com/profile.php?id=[redacted].
The photo that [redacted] identified as [redacted] was obtained from this account.

INTERVIEW OF [redacted]

On 02/08/18, at about 1118 hours, Sergeant Biddle and I spoke with [redacted] at LASD Homicide. [redacted] told us the following: [redacted] is a [redacted] at [redacted] He knows Anthony Weber. Initially, [redacted] lied to us about Weber's gang affiliation.

[redacted] eventually said that his neighborhood was controlled by "selos." He admitted that "Selos' is another term for 107th Hoovers. I showed the gang sign for 107 Hoovers, and he admitted that it was for 107 Hoovers.

[redacted] said that Weber is a member of 107th Hoovers who goes by the moniker of Tiny Ragger and TR. [redacted] is not a gang member. [redacted] was not present at the shooting of Weber. He only heard about it through friends.

[redacted] said that the apartment complex where Weber was killed was called the New Jacks. He accurately described the apartment complex.

Initially, [redacted] was very relaxed. As we were talking to [redacted] he appeared very nervous His legs were rapidly bouncing up and down and he was repeatedly clenching his jaw.

The story that [redacted] told us was entirely inconsistent with the story as told by [redacted]

[redacted] was in possession of his cellular phone. Sergeant Biddle and I asked [redacted] if we could look through his phone. [redacted] told us that we could not. At that point, I seized [redacted] phone.

I have extensive experience with cellular phones and electronic communications. I have received extensive training in the use of cellular phones and the applications used on phones. It is exceptionally easy for items that are on a cellular phone to be deleted. The only way to prevent the deletion from the phone is to place the phone in "Airplane mode." This prevents the phone from interacting with the internet and receiving commands to delete the contents of the phone.

Due to the ease of deleting items from a phone, and [redacted] statements that were inconsistent with those of [redacted] I believe that it was necessary to seize [redacted] phone, place it in airplane mode and then seek a warrant to search the content of the phone.

After seizing [redacted] phone, he said that he would open the phone. I asked him for the password to the phone, but he refused to give it to me. He said that he would place his thumb on the phone to open the phone. While I was holding the phone, he started to do so, but then he started to repeatedly press the home button. I pulled the phone away from him, as there are applications that will permanently lock the phone, or disable other functions, if the Home button is repeatedly pressed.

Investigation continuing further reports to follow.

In March and April, 2018, I monitored several recorded jails calls of known 107 Hoover gang members currently in custody at Los Angeles County Jail. I discovered recorded jails calls placed by Inmate [redacted], who is a known 107 Hoover gang member with the moniker, [redacted] made recorded jail phone calls on 2-4-18, from his jail cell, which were related to the 2-4-18, Deputy Involved Shooting involving Anthony Weber. The following is a summary of [redacted] recorded jail calls:

2-4-18 @2058 hours call to [redacted]

[redacted] spoke with a fellow 107 Hoover gang member known as, "Bullet." Bullet said "TR" (Anthony Weber) was just shot by deputies. [redacted] asked for details of the shooting and asked if TR had anything at the time of the shooting. Bullet replied TR did in fact have something when confronted by deputies. Bullet said TR was walking with his Baby Momma when confronted by deputies. Bullet said he wished [redacted] was out of custody to observe how TR had turned out and became a "real gunner."

During the conversation Bullet described the chaotic scene at the apartment complex on 107 Street, where Anthony Weber's body remained in the apartment complex entry surrounded by yellow tape. Bullet said the hommies were getting off on the deputies and Bullet could be heard yelling at the deputies. Bullet also yelled for someone to go get his "shit." Bullet then informed [redacted] that people were pulling down the yellow tape.

Investigator's Note: The call between [redacted] and Bullet was placed eight minutes after the DIS occurred and appears to indicate Weber did in fact possess a firearm at the time Weber was confronted by the deputies.

Using Sheriff's Department resources we were able to learn the cellular subscriber for [redacted] was Deandre Hoy (MB/2-18-87), a 107 Hoover gang member with the moniker, "Bullet."

2-4-18 @2114 hours [redacted]

[redacted] spoke with a woman about the Deputy Involved Shooting where Anthony Weber was shot and killed. [redacted] said he just talked with Bullet. [redacted] said Weber was with his Baby Momma and had some shit on him and "One Time started cracking on Weber." [redacted] said he was on the phone with Bullet and heard more shots going off (implied the shots were by gang members at the scene). The woman asked, "for real" and [redacted] replied, "On Westside Hoover, I heard 8 shots."

[redacted] asked for "Infant Box" phone number and the woman replied Infant Box was in Vegas and added Infant Box left that morning. The woman said she had been having dreams that one of them (Infant Box or Weber) was going to be shot. Infant Box called the woman the previous day and talked about the Hommie shooting.

Sheriff's Department resources indicated the subscriber of cellular number [redacted] was [redacted] (FB/[redacted]).

Investigator's Note: We were able to identify "Infant Box" as a Hoover gang member named Lorenzo Hall, the same person with the M&P pistol with threaded barrel and holographic sight in the Facebook video posted on 2-2-18.

2-4-18 @2118 hours [redacted]

[redacted] spoke with an unknown woman. [redacted] asked is it true and the woman replied yes and added, "This shit is crazy." [redacted] said the police shot knocked [redacted]'s "Lil Nigger down." [redacted] said he was on phone with Lil Bullet and heard more shots. Bullet said Tiny Ragger had a lil situation on him and one time started cracking on him. The woman saw Weber's father and brother at the scene. [redacted] asked if there was still a commotion going on at the scene and the woman said no.

An unknown male comes on the line and also speaks with [redacted] about the DIS. [redacted] and the male said Bullet shot at the police, while at the crime scene. The male said Weber was just standing with his Baby Momma when the police pulled up. Weber ran away and the police just started shooting. The male added Bullet had to "bust back" to make the police stop shooting. [redacted] asked if Weber had anything and the male replied no.

Investigator's Note: the above jail call appears to corroborate Weber was in possession of a firearm when confronted by the deputies on 2-4-18.

2-4-18 @2259 hours [redacted]

[redacted] spoke with an unknown woman about the DIS. The woman said Weber was leaving with his Baby Momma in her car, when the police came at Weber. Weber tried to run back inside the apartment complex and the police shot him. The woman added people are saying Weber did not have anything on him. The woman stated when people were telling her that Weber did not have anything on him, Bullet was present. Bullet gave the woman a look and implied Weber did in fact have something on him. The woman said Black Lives Matter and Bullet were at the scene arguing with the police. [redacted] said he could hear Bullet yelling at the police in the background. [redacted] and the woman talk about how Weber was doing his thing, implying putting in work for the gang. [redacted] said he just spoke with Weber the previous day. Bullet told [redacted] they should be proud of Weber, Weber turned out to be "Cold Nigger."

2-4-18 @2347 hours [redacted]

[redacted] spoke with unknown woman. [redacted] said he was stressed out because the police killed [redacted] hommie, Tiny Ragger.

on 2-3-18. We subsequently discovered the following recorded jails calls from [redacted] to Weber:

2-3-18 @ 1743 hours [redacted]

An unknown woman answered the call and [redacted] asked why she answered Tiny Ragger's phone. The woman replied Tiny Ragger was her son. Another woman comes on the line and said [redacted] was the woman previously speaking with [redacted]. The woman asked if [redacted] wanted to speak with Tiny Ragger. Call forwarded to a male and the call was ended.

2-2-18 @2333 hours [redacted]

[redacted] asked the male (Weber) if [redacted]'s uncle called Weber back. Weber said he was just hanging with "TY." [redacted] asked Weber to call [redacted]'s uncle, because [redacted] needs something done. Another male ([redacted]) on line. Talk about [redacted]'s [redacted] case. Talk about possible [redacted]'s case?

[redacted] IDENTIFIED AS WEBER'S GIRLFRIEND

On 2-5-18, we spoke with Anthony Weber's parents a few hours after the Deputy Involved Shooting. Weber's parents informed us Weber had an infant daughter with a woman named [redacted]. [redacted] was Los Angeles County Probation Employee assigned as a guard at a Juvenile Hall. Weber had been arrested for illegal possession of a firearm and was in custody at the Juvenile Hall. [redacted] was one of Weber's Proration Officer Guards and [redacted] and Weber became involved in a romantic/sexual relationship while Weber was in custody at the Juvenile Hall and later at a Probation Placement Home. [redacted] subsequently became pregnant with Weber's daughter. Weber was released from Juvenile Hall and he and [redacted] continued their relationship. Weber's parents told us [redacted]'s cell phone number was [redacted] Weber's parents also told us [redacted] resided in the City of [redacted] with [redacted]'s mother.

We also learned Weber and [redacted] were arrested together by the Los Angeles Police Department on 7-3-17. [redacted] and Weber were together, along with their infant daughter, in an illegally parked rental car in front of Weber's house at [redacted]. There were also two additional Hoover gang members present gathered next to [redacted]'s car. The Police Officers conducted an investigation and found Weber and [redacted] illegally in possession a loaded concealed 9mm pistol within [redacted]'s car. The Officers learned the pistol was registered to [redacted]. [redacted] identified herself as Probation Officer and claimed she possessed the firearm as part of her Los Angeles County Probation Department Employment. [redacted] also claimed she was on maternity leave from the Probation Department at the time. [redacted] and Weber were subsequently arrested for illegal possession of a loaded firearm.

Based on the Los Angeles Police Department arrest and investigation, the Los Angeles District Attorney's Office filed felony charges against [redacted] for unlawful sex with a minor (Case # [redacted]). The Los Angeles Police report documented Weber and the other two males present were known Hoover gang members. The report also documented [redacted] was an associate of the Hoover Street gang.

During the booking process, [redacted] informed the Los Angeles Police Officers she resided at [redacted].

Sheriff's Department resources documented [redacted] driver's license (#[redacted]) address was updated on 2-2-18, to [redacted].

We also learned, that once [redacted]'s criminal prosecution began for unlawful sex with a minor (Case #[redacted]), the court issued a protective order on 1-25-18, prohibiting [redacted] from contacting Weber. [redacted] was in violation of the restraining order, when she was with Weber on W. 107 Street, Los Angeles, on 2-4-18, just prior to the Deputy Involved Shooting.

Investigator's Note: The above call appears to indicate [redacted] is involved in acts of witness intimidation facilitated by other gang members. The call also implied [redacted] was aware Weber was in possession of a firearm during the confrontation with deputies on 2-4-18, and [redacted] is attempting to conceal the true information from the various on-going investigations.

SEARCH WARRANT SERIVCE [redacted]

The South Los Angeles Operation Safe Streets Team (OSS) had conducted an investigation involving several gang related robberies, shootings, and assaults occurring near W 107 Street, Los Angeles, involving 107 Hoover gang.

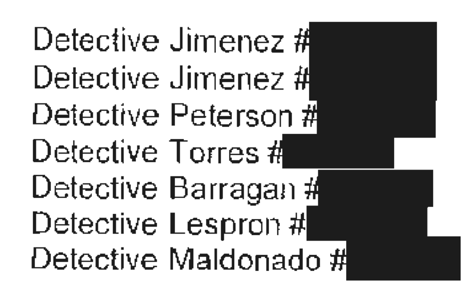
The OSS Detectives obtained search warrants for multiple residences on the 1200 block of West 107 Street. On 3-7-18, at approximately 0600 hours, the search warrants were served at the West 107 Street locations.

The Los Angeles County Sheriff's Special Enforcement Bureau Team (SEB) served the search warrant at [redacted] and detained the following person(s) from inside residence:

Joquan Brown MB/11-5-75 BK #5251020
Titanisha Jiles FB/3-2-88 BK #5251043
Antaijah Williams FB/11-19-97 BK #5251037
Akylah Brown FB/9-22-99 BK #5251045
[redacted] FB/[redacted]
[redacted] MB/[redacted]

The SEB Team secured the location, at which time the following members of the South Los Angeles Detective Bureau began searching the location:

Sergeant Rojas #[redacted]



Detective Jimenez #[redacted]
Detective Jimenez #[redacted]
Detective Peterson #[redacted]
Detective Torres #[redacted]
Detective Barragan #[redacted]
Detective Lespron #[redacted]
Detective Maldonado #[redacted]

Detective Torres found a Raiders back pack **(Item #11)** on the master bathroom shelf. The back pack contained a 38 caliber Colt revolver **(Item #12)** and several different types of ammunition **(Item #22).** Detective Torres also found a 40 caliber Smith & Wesson pistol **(Item #13)** on the shelf underneath the Raider's back pack.

Detective Lespron saw there were three pistols **(Items #4, #5, and #6)** and a box of 9mm ammunition **(Item #7)** on the top shelf of the hallway bathroom.

Detective Maldonado found a tan purse **(Item #2)** on the top closet shelf of the S/W bedroom. Detective Maldonado saw the purse contained a Smith & Wesson 9mm pistol with a red dot hologram sight **(Item #1).** Detective Maldonado recognized the pistol with the hologram sight matched the description of the pistol Anthony Weber was observed possessing moments before an Deputy Involved shooting occurred on 2-4-18. Based on Detective Maldonado's observations, the Detective Bureau Team stopped searching the residence and sought guidance from the Homicide Bureau.

While the South Los Angeles Detective Bureau Team was searching the apartment, **Latanya Sims (FB/3-1-75)** arrived at the location and identified herself as the resident of the location and the parent of [redacted] **(FB/**[redacted] and [redacted] **(MB/**[redacted]. Sims added she was present inside the apartment the previous night and was returning to take her children to school. Based on Sims statements and the fact Sims is the actual resident of apartment #[redacted] she was detained pending further investigation. We (Sergeant Richard Biddle and Investigator Francis Hardiman) subsequently responded to the location and assumed control of the investigation.

We were assisted in completing the search warrant service of [redacted] by Forensic Identification Specialist (FIS) Sue Baker #[redacted] Baker took overall photographs within the apartment, photographed individual evidence items, and assisted in collecting the identified evidence items.

I searched the Master bedroom and collected Evidence Items **(#3, #27, and #28).** Investigator Hardiman searched the S/W bedroom that contained a children's bunk bed set. Investigator Hardiman collected several documents in different person(s) names **(Item #25)** from the S/W bedroom.

Investigator Hardiman and I searched the hallway bathroom and saw there were shelves next to the shower, directly across from the toilet. There was a Glock 9mm

pistol with an extended magazine **(Item #4)**, a Hi Point 9mm pistol **(Item #5)**, a "FEG" 9mm pistol **(Item #6)**, and a box of LAX 9mm ammunition **(Item #7)** in plain view on the top shelf.

We found a large blue bag **(Item #8)** on the living room floor near the hallway entrance along the s/w living room interior wall. There were (2) shirts **(Item #9)** in the living room. The shirts were obviously related to Anthony Weber protests and depicted Webber displaying a 107 Hoover gang sign. There was also a box containing several cellular phones **(Item #10)** on the living room floor. The cell phones were collected by the South Los Angeles Detective Bureau Team from the person(s) initially detained from within the residence, as well as cell phones found throughout the apartment.

We also found a red folder **(Item #19)**, a brown back pack **(Item #18)**, a wallet **(Item #17)**, empty case **(Item #14)** for the Hi-Point pistol **(Item #5)** found in the hallway bathroom, a white styro foam cup **(Item #15)** with 107 Hoover gang graffiti, and a glass vase with notations regarding Anthony Weber **(Item #16)** on top of the dining room table.

We found an Audi vehicle key fob **(Item #21)** on the shelves next to the dining room table and several documents in different person(s) names **(Item #24)** in the living room and dining room area. We also collected two large posters **(Item #20)** from the west interior living room wall. The posters were related to protests regarding Anthony Weber and the Deputy Involved shooting.

Based on the following observations within Apartment [redacted] we requested a representative from the Department of Children and Family Services (DCFS) respond to the location to evaluate the living conditions of Sims' two young children:

Obvious unsafe storage of several loaded firearms, easily accessible to Sims two young children

Gang graffiti and paraphernalia in plain view in the living room and dining room area

Sims left her children in the care of (4) young adults, who appeared to have minimal skills and abilities to care for two young children

DCFS Worker Erasmo Aguilar arrived at the location, conducted an on scene investigation, and placed Sims' two children into protective custody.

Based on the following facts and factors, we formed the opinion there was probable cause to believe Sims, Joquan Brown, Titanisha Jiles, Antaijah Williams, and Akylah Brown were accessories before and after the fact related to on-going 107 Hoover gang crimes:

The firearms found inside apartment [redacted] were stored in such a manner that anyone

present inside the location would likely be aware of the firearms

107 Hoover gang graffiti and paraphernalia were in plain sight in the living room and dining room.

The South Los Angeles OSS Team was conducting several investigations of recent gang related shootings and armed robberies involving several different 107 Hoover gang members

107 Hoover gang members are suspected of committing at least two gang related murders since November 2017, using firearms consistent with the type and caliber of firearms seized from apartment [redacted]

On 2-4-18, Anthony Weber (A 107 Hoover gang member) was involved in an assault with a firearm and a subsequent Deputy Involved Shooting, where Weber was observed possessing the same type of pistol with a Holographic sight as found inside apartment [redacted]

We subsequently arrested Latanya Sims, Joquan Brown, Titanisha Jiles, Antaijah Williams, and Akylah Brown and they were booked for the indicated charges at South Los Angeles Sheriff's Station with the approval of the Watch Commander.

On March 7th, 2018, I assisted in the execution of a search warrant at [redacted] Apartment [redacted] I was assigned to search the southwest bedroom. While searching the closet, I found a light brown "Michael Kors" purse on the shelf. I opened up the purse and saw a black "Smith & Wesson" firearm (Ev-1). While wearing gloves, I removed the firearm from the purse. The firearm was distinct. It had a holographic (reflex) sight, taped grips and a silencer attached to the barrel. This firearm resembled one used by a suspect in a deputy involved shooting that occurred earlier in the year at [redacted] that was not found on the day of the shooting.

I placed the firearm down on a counter in the bedroom and immediately notified Det. [redacted]

On 5-17-18, I was advised by Forensic Identification Specialist Sergio Castellon #[redacted] of corrections necessary to the Supplemental Report documenting the 3-7-18, seizure of evidence from [redacted]

When we (Sergeant Richard Biddle and Investigator Francis Hardiman) seized the evidence on 3-7-18, we did not remove the live ammunition from the firearm's magazines to avoid any potential destruction of finger print or DNA evidence. We merly visually examined the magazines to approximate the number of rounds in each magazine.

FIS Castellon processed the firearms at the Sheriff's Department's Crime Lab for finger print evidence. During the evidence processing FIS Castellon determined the following corrections were needed to the original seizure report:

Item #1	(Prelim #15)	The correct serial number for the M&P pistol is HDH634
Item #4	(Prelim #16)	The correct ammunition count is 33 live rounds
Item #12	(Prelim #20)	The correct ammunition count is 11 live rounds

REASON FOR HEARING

Date/Time	Removed From	Relationship	Removal Reason
3/7/2018 at 8:00 am	Latanya Sims	Mother	General Neglect

The Department of Children and Family Services has developed the Multi Agency Response Team to work in collaboration with various law enforcement agencies to service children identified in homes associated with high levels of illegal gang, narcotic, weapons activity and other specialized investigations. The goal of M.A.R.T. is to provide a more expedited and trained response to law enforcement referrals to minimize the traumatic effect these crimes have on children and families.

On 3/7/2018, Los Angeles Sheriff's Department Operation Safe Streets Task Force conducted a search warrant to the home of Latanya Sims located at [redacted]

A high risk search warrant was executed due to information received that two robbery suspects resided at this home location. Due to the presence of children residing at the home location and concerns were reported that the home was not suitable for children. The DCFS Multi Agency Response Team (MART) was contacted to complete a separate investigation.

On 3/7/2018, MART CSW Saba Habte and SCSW Erasmo Aguilar arrived to the family's home located at [redacted] Upon arrival, CSW and SCSW were greeted by the mother, Latanya Sims who was standing outside of her apartment. SCSW Aguilar made face to face contact with mother and initiated the interview process. Mother was interviewed

in private. SCSW Aguilar presented the allegations to mother. Mother reports that she was not home and that she was at her boyfriend's home. Mother was asked who the children stayed with and she said she had her niece Taysha who is 21 years of age watching the children while she went to spend time with her boyfriend. Mother was asked the name of her boyfriend and she replied, "[redacted]". Mother was asked if she knew his legal name and she said that she thought it was [redacted] but she did not know. Mother was asked if she was aware that 7 firearms were located in her home and she reported that she had no idea about the allegations. Mother appeared to not be worried or concern about the firearms located in her home. Mother was informed that law enforcement reported that all the firearms were located within access to the children in the home. Mother began to explain that she has a lot of friends come over her home and she doesn't know what they brought into her home. Mother was informed who her friends were and she said she did not know because all types of people come to her home. Mother was very evasive and did not appear to be credible as to her statements. Mother then proceeded to explain that she did not like guns because she had been [redacted].

SCSW Aguilar interviewed mother regarding the discipline of the children in the home. Mother reports she will talk to her children. Mother was interviewed regarding domestic violence in the home. Mother stated that she and only her children reside in her home. Mother was interviewed if anyone in the home used drugs or alcohol. Mother informed SCSW Aguilar that she did not use any drugs or alcohol. Mother was inquired as to any criminal history with anyone in the family. Mother stated that she [redacted] Mother did report that she was [redacted] Mother reported that she completed everything that was required of her. Mother was then asked about any mental health issues and she indicated that she [redacted] after she [redacted] because of the [redacted] event. Finally, SCSW Aguilar interviewed mother if she had any concerns of anyone in the home being sexually abused currently or in the past. Mother stated no. SCSW Aguilar asked mother if she had any questions or concerns. Mother stated no. Mother was asked if she was aware of the father's whereabouts and she indicated that she had seen him about 2 months prior but did not know how to get in contact with him.

Mother received a civil rights form and a referral packet with counseling/parenting referrals. Mother signed the language form indicating that English is the primary household language.

SCSW Aguilar was informed that he needed to go to the inside of the home to view several concerning items and complete the home assessment. It should be noted that several friends and family members had begun to gather together in front of the complex. Several people began to follow Detective Magana and SCSW Aguilar. [redacted] began to argue and yell with Detective Magana. At this time the [redacted] began accusing Detective Magana of racism and calling him several degrading and derogatory names while in the presence of SCSW and the children. The [redacted] became verbally abusive towards law enforcement and attempted to approach law enforcement when SCSW Aguilar advised her that she needed to cooperate if she wanted to be considered as a potential caregiver. She was informed that she could not engage in a violent altercation with law enforcement. The children were being removed from the apartment at the same time. SCSW Aguilar observed that several people were taking video with their phones of SCSW Aguilar and law enforcement at the home.

SCSW Aguilar was then escorted into the mother's home and SCSW observed the home to be in complete disarray. SCSW Aguilar was informed of all the firearms located in the home. SCSW Aguilar observed firearms in the dining room table that were kept in a school backpack. In addition, law enforcement showed SCSW a gun in the children's room that was kept in the mother's purse. Law enforcement showed SCSW more firearms in the family's bathroom. It should be noted that all the firearms were kept within access to the children and none were put away. Finally, law enforcement walked SCSW Aguilar to the mother's room where several baggies with cocaine residue were within hands reach and accessible to the children residing in the home.

The home is a two-bedroom and one-bathroom apartment. SCSW Aguilar observed that very minimal food was in the kitchen and law enforcement explained that the conditions of the home were deplorable when they arrived.

SCSW Aguilar walked outside the home and approached [redacted] who indicated that she wanted to care for the children. SCSW Aguilar began to gather the [redacted] information. At this time SCSW made the observation that [redacted] was intoxicated and she emitted a strong pungent odor of alcohol. [redacted] was slurring and had bloodshot eyes. She was informed that instigating a fight with law enforcement was not appropriate especially in front of the children. SCSW Aguilar explained to aunt that it did not look appropriate to verbally attack someone and follow the Detective to keep verbally assaulting him. [redacted] was informed to avoid interacting with law enforcement to avoid getting arrested. The [redacted] was then asked if she had criminal history and she reported that she had been [redacted] At this time SCSW Aguilar terminated the interview as the [redacted] appeared intoxicated.

By this time the mother was arrested for the firearms and child endangerment. Mother was explained the generalities of the detention process and court. Mother was informed as to when the court hearing was and given directions to court.

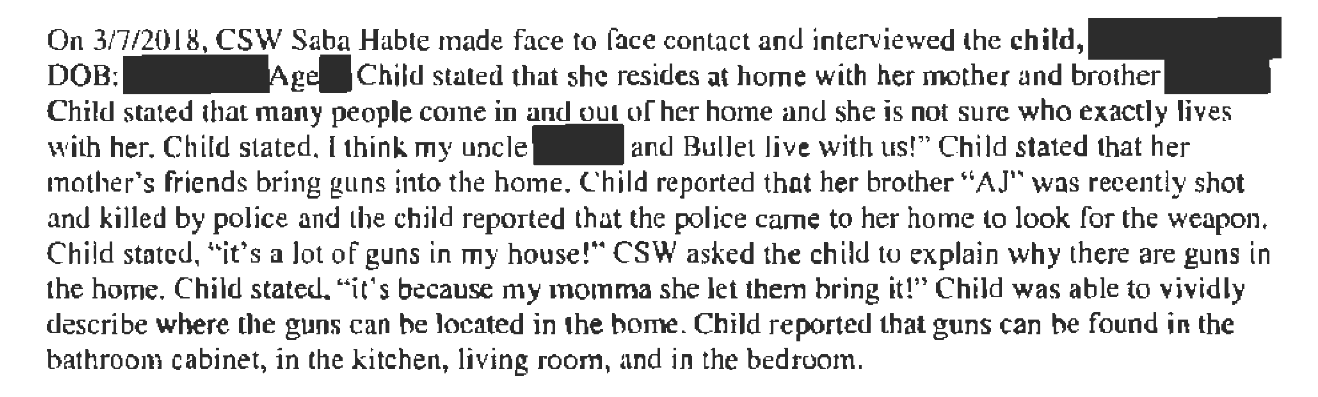
On 3/7/2018, CSW Saba Habte made face to face contact and interviewed the child, [redacted] DOB: [redacted] Age [redacted] Child stated that he resides at home with his mother and sister [redacted] however, multiple people frequent the home. Child also reported that he does not know many of the people that frequent his home. CSW asked the child if he understands why law enforcement is at his home today. Child stated, "yeah, it's because they found all the guns." Child reported, "my mom lets her friends bring guns and hide them at our house." Child reported that his uncle "Bullet" often brings guns to the home. CSW asked the child if he can describe where the guns are in the home. Child vividly and descriptively informed CSW that guns can be found in the bathroom cabinet, kitchen table, and in his bedroom closet. Child stated, "I have toys in my closet that I can't play with because they put guns next to my toys." CSW asked the child if anyone in the home uses or shoots the guns. Child reported that he often hears gunshots at night and has to sleep in the bed with his mother because he is fearful. Child reported that because the family has guns in the home he is fearful that people are shooting at his home.

CSW asked the child if anyone smokes in the home, drinks alcohol, or uses any narcotics. Child reported, "My uncle Bullet smokes blunts with weed. If I'm playing in the living room my mom kicks me out and sends me to my room so all her friends can smoke blunts in the living room." As

child made this statement CSW observed the child to carry a sad demeanor and look down. CSW also observed the child to have tears in his eyes. CSW asked the child to explain why he is sad. Child reported, "Because I know my mom is doing bad things and now she is going to jail." CSW asked the child if his mother smokes "blunts" and child stated, "no she only smokes cigarettes."

CSW asked the child to explain who cares for him and his sister. The child informed CSW that his mother goes to work every night. Child stated that his mother's job is to clean the streets at night. Child stated that his mother is rarely at home at night. Child stated that random relatives often help care for him and his sibling. Please note: mother informed CSW that she is currently unemployed.

CSW assessed for all other forms of abuse and neglect. Child denied all forms of physical abuse, sexual abuse, and denied any domestic violence in the home. Child reported that random people frequent the home and argue but do not engage in physical altercations. Child reported that illicit substances are used in the home. CSW observed the child was appropriately dressed and groomed. The child had no visible marks/ bruises indicative of abuse/ neglect.



On 3/7/2018, CSW Saba Habte made face to face contact and interviewed the child, [redacted] DOB: [redacted] Age [redacted] Child stated that she resides at home with her mother and brother [redacted] Child stated that many people come in and out of her home and she is not sure who exactly lives with her. Child stated, I think my uncle [redacted] and Bullet live with us!" Child stated that her mother's friends bring guns into the home. Child reported that her brother "AJ" was recently shot and killed by police and the child reported that the police came to her home to look for the weapon. Child stated, "it's a lot of guns in my house!" CSW asked the child to explain why there are guns in the home. Child stated, "it's because my momma she let them bring it!" Child was able to vividly describe where the guns can be located in the home. Child reported that guns can be found in the bathroom cabinet, in the kitchen, living room, and in the bedroom.

CSW asked the child if anyone smokes in the home, drinks alcohol, or uses any narcotics. Child reported that many adult men come to the home and smoke "blunts". Child reported that her mother smokes cigarettes. CSW assessed for all other forms of abuse and neglect. Child denied all forms of physical abuse, sexual abuse, and denied any domestic violence in the home. Child reported that random people frequent the home and argue but do not engage in physical altercations. Child reported that illicit substances are used in the home. CSW observed the child was appropriately dressed and groomed. The child had no visible marks/ bruises indicative of abuse/ neglect.

On 3/8/2018, CSW contacted Detective Magana in regards to the allegations. According to the Investigating Officer, Detective Magana of the Los Angeles Sheriff's Department stated that a search warrant was executed at the home due to intel received that robbery suspects reside at the home. Detective Magana reported that there were two separate robbery incidents. The first incident included someone robbing a by standard for their wallet at gunpoint and the second altercation involved the brutal beating of an elderly man and robbing him. Detective Magana reported that when law enforcement arrived to the home they located 7 loaded firearms all accessible to the children. Detective Magana reported that the firearms were located in the bathroom cabinet, kitchen, living room, child's bedroom, and mother's purse. In addition, cocaine residue was located in the mother's

bedroom. Detective Magana reported that the individuals residing in the home are affiliated with the Hoover Crips Gang. In addition, reported that gang paraphernalia was located in the home including clothing attire and graffiti. The mother was taken into police custody and is currently incarcerated at Century Regional Detention Center, Booking number 5251043. Mother was arrested on Child Endangerment Charges. CSW requested the police report and Detective Magana reported that at this time law enforcement is unable to provide a police report due to confidentiality.

On 3/8/2018, CSW attempted to locate the alleged **father,** [redacted] CSW called the father's last known phone number, [redacted] The phone number is disconnected. CSW mailed a letter to the alleged father notifying him of the DCFS investigation. CSW conducted a CWS/CMS search and found the alleged father to be [redacted] DOB: [redacted], last known address: [redacted] phone number: [redacted]

An assessment conducted by ER MART CSW Habte showed that the children [redacted] and [redacted] can be categorized as being "High risk" for future abuse/ neglect. The mother, Latanya Sims has neglected the safety, health, and overall wellbeing of her children by allowing 7 loaded firearms to be within reach of the children. The firearms were found all throughout the home including the bathroom, kitchen, living room, and child's bedroom. The children were able to vividly describe exactly where the firearms can be located. Mother allows multiple people to frequent the home and use illicit narcotics in the presence of the children. During the course of the interview mother did not appear concerned that loaded firearms were found in her home. Law enforcement has arrested mother on child endangerment charges. This conduct endangers the physical and emotional wellbeing of the children such that the children are at risk of suffering emotional or physical harm. Thus, DCFS recommends the continued detention of the children from mother be ordered in order to protect the children from harm.

SUPERIOR COURT • LOS ANGELES COUNTY • CALIFORNIA

AFFIDAVIT

Your affiant, Sergeant Richard Biddle, has been employed by the Los Angeles County Sheriff's Department for [redacted] and is presently assigned to Homicide Bureau. I have been a Homicide Investigator for the pas[redacted] and have investigated at least 50 homicide cases. Prior to my current assignment, I was assigned to patrol duties for at least [redacted], where I participated in the investigation of over 100 gang and non-gang related assaults, shootings and murder cases. I was then assigned as a detective for at least [redacted] at various assignments which included: special assignments, narcotics, gangs, and commercial crimes. Those duties entailed the investigation and prosecutions of various crimes to include: assaults, gang and non-gang shootings, robberies, burglaries, narcotics, and fraud and identity thefts. I also received training at the Los Angeles County Sheriff's Academy, several outside agencies, schools and seminars dealing primarily with gang behavior, homicide investigations, and overall criminal investigations.

[redacted] During this period of time your affiant investigated several deaths, which were the results of natural causes, accidents, suicide and homicide.

On 2-4-18, South Los Angeles Sheriff's Station received a call from a person, who wished to remain anonymous. The caller reported being a victim of an assault with a deadly weapon that had just occurred, as the caller was driving W/B on 107 Street, west of Budlong Ave. The caller said a young male Black walked into the street and pointed a black pistol directly at the caller's head. The caller had to duck and quickly

accelerate away to avoid being shot. The male changed his point of aim and pointed the pistol at the rear of the caller's car, as the caller drove away.

Deputies responded to the scene, as a result of the call. The deputies were aware the location was an area frequented by the 107 Hoover's street gang. The deputies approached the apartment complex described by the anonymous caller. The deputies approached a male and a female standing near the rear parking area. Believing the male was related to the call regarding the assault with a gun upon the anonymous caller, the deputies ordered the male and female to raise their hands.

The male initially complied and raised his hands. The deputies then observed the male had a black pistol in his waistband. One of the deputies was closer to the male and saw the pistol in the male's waistband was unique. The pistol was a S&W M&P with a halo red dot sight. The deputies gave the male commands to walk towards them with his hands raised. However, the male failed to comply and ran away from the deputies.

The deputies chased after the male, but lost sight of the male for a few seconds as the male ran through a hallway and turned into the apartment complex courtyard. When the first deputy entered the courtyard, the deputy saw the male was running N/B with his hands still raised up. The deputy gave the male commands to stop, at which time the male stopped, began turning to face the deputy, as the male lowered his hands to his waistband, the same area of the male's body the deputies had just observed the pistol. The first deputy believed` the male was attempting to retrieve the pistol to shoot the two deputies. The first deputy subsequently shot the male.

The deputies were then immediately confronted by numerous residents from within the apartment complex, as well as confrontational person(s) from the street area. Several of the person(s) confronting the deputies were gang members and they were

verbally threatening the deputies. The deputies were forced to withdraw and request several additional deputies respond to the scene to restore order and render aid to the male, who had been shot. Paramedics arrived at the scene and determined the male, later identified as Anthony Weber, died from his injuries. While treating Webber, the paramedics did not find the pistol in Webber's possession.

The Coroner Investigator later arrived at the scene and conducted a thorough examination of Webber's body and confirmed there was not a firearm on Webber's body or clothing.

The initial investigation revealed Webber may have discarded the pistol while running away from the deputies or someone in the confrontational crowd removed the pistol from the scene.

During the on-going investigation, Investigator Hardiman and I obtained circumstantial evidence, from witness statements and social media postings that Webber was in fact in possession of the unique pistol with a halo sight before the initial encounter with the deputies. The investigation indicated Webber discarded the gun while running away from the deputies, or someone in the crowd removed the gun from the scene.

We were able to identify the anonymous caller and interview the anonymous caller. The anonymous caller presented us with several social media posting and news broadcast that occurred following Webber being shot by the deputy. The anonymous caller pointed out Webber in the news broadcasts and social media postings and identified Webber as the same person, who pointed the pistol at the anonymous caller on 2-4-18.

On 3-7-18, members of the South Los Angeles Operation Safe Streets (OSS) gang unit severed several search warrants on West 107 Street, at the same apartment complex where Webber was shot by the deputy, as well as an apartment complex

SR

west of where Webber was shot. The search warrants were related to an investigation related to several armed robberies involving 107 Hoover Gang Members. One of the targets of the search warrants was [redacted]

When the investigators served the warrant they found (4) adults and two small children (ages [redacted] and [redacted] inside the location. The deputies began searching and discovered several firearms inside the apartment. The firearms were not particularly concealed and readily accessible and likely visible to anyone inside the apartment. There were (2) loaded handguns on the master bedroom bathroom cabinet shelf, there was a loaded pistol inside a purse atop the s/w bedroom, and there were (3) loaded handguns on the hallway bathroom shelf.

The pistol found in the purse on the bedroom closet shelf was a S&W M&P with a halo red dot sight, just as the deputy described Webber possessed on 2-4-18. The pistol also appeared to be the same pistol depicted in social media posts by 107 gang members just (2) days prior to the encounter between Webber and the Deputies, which resulted in Webber being shot by the deputy. There were also several paraphernalia items associated with the 107 Hoover gang found inside the apartment. While the search was being conducted inside apartment [redacted] Latanya Sims arrived at the location and identified she lived at the residence with her [redacted] year old and [redacted] year old children.

Based on the totality of the circumstances and the listed facts, we arrested Sims and the four other adults found inside the apartment for accessory after the fact believing the occupants of the apartment were concealing firearms used in crimes by 107 Hoover gang members:

- The firearms were found in different rooms of the apartment in a manner suggestive that anyone residing there would have knowledge of the firearms
- 107 Hoover gang paraphernalia was found in plain sight within the apartment
- The M&P pistol appears to be the same gun Webber used to assault the anonymous caller
- The M&P pistol appears to be the same gun Webber possessed during the encounter with deputies on 2-4-18
- There were several large posters and flyers related to Webber's death as a result of deputy involved shooting and subsequent protests found inside apartment [redacted]

We subsequently interviewed Sims and the four other adults found inside apartment [redacted] The four other adults stated they were friends with Sims and denied residing inside the apartment. The four adults admitted Sims was friends with 107 Hoover gang members and gang members frequently visited with Sims inside the apartment. The four other adults denied any knowledge of the firearms found inside the apartment and provided DNA swabs to be compared to any DNA samples collected from the seized firearms in an attempt to determine dominion and control of the firearms.

When Sims was interviewed, she admitted Webber and other gang members frequently visited her apartment. Sims also admitted Webber had left her apartment on 2-4-18, just minutes before the confrontation between Webber and the deputies that resulted in a deputy involved shooting. Sims denied any knowledge of the firearms seized from her apartment and refused to voluntarily to provide a DNA swab to assist in determining dominion and control of the seized firearms.

DNA samples will be collected from the firearms seized and an oral swab and or blood sample from Sims will be necessary to compare to swabs from the evidence items.

On March 7th, 2018, I assisted in the execution of a search warrant at [redacted] Apartment [redacted] I was assigned to search the southwest bedroom. While searching the closet, I found a light brown "Michael Kors" purse on the shelf. I opened up the purse and saw a black "Smith & Wesson" firearm (Ev-1). While wearing gloves, I removed the firearm from the purse. The firearm was distinct. It had a holographic (reflex) sight, taped grips and a silencer attached to the barrel. This firearm resembled one used by a suspect in a deputy involved shooting that occurred earlier in the year at [redacted] that was not found on the day of the shooting.

I placed the firearm down on a counter in the bedroom and immediately notified Det. [redacted]

EVIDENCE HELD

Prelim #62: DNA Swab, Lorenzo Hall

On 2-4 18, Subject Anthony Weber was involved in an assault with a deadly weapon incident in front of [redacted] W 107 Street, Los Angeles. Weber was identified as a person who pointed a black pistol at a motorist, who driving past the [redacted] W 107 Street apartment complex. The motorist called 911, reported the crime, and approximately 30 minutes later deputies from the South Los Angeles Sheriff's Station arrived at the scene.

The deputies exited their patrol unit and approached the apartment complex, which they knew was a location frequented by local 107 Hoover gang members. The deputies found Anthony Weber and a female standing together talking in the rear portion of the apartment complex parking area. The deputies believed Weber was the person involved in the earlier assault with a firearm upon the passing motorist and attempted to detain Weber and the female. The deputies gave Weber and the female commands to raise their hands in the air. Weber and female initially complied, at which time one of the deputies observed Weber had a very distinctive type of a semi-automatic pistol in his waistband. The deputy described the pistol as a Smith & Wesson M&P with a red dot holographic sight.

After raising his hands in the air, Weber turned and ran away from the deputies toward the apartment complex court yard. The deputies chased after Weber, but lost sight of Weber as he ran through a hallway and entered the court yard. When the deputies reached the court yard, the first deputy saw Weber running north through the court yard. The deputy gave Weber commands to stop and surrender. Weber stopped running, turned back toward the deputy, while lowering his hands to Weber's waistband area. An Officer Involved Shooting (OIS) then occurred and Weber was shot. Weber fell to ground, at which time a large hostile crowd gathered around the deputies preventing the deputies from immediately securing Weber and providing Weber with aid. Once

additional deputies arrived at the scene and order was restored, paramedics began treating Weber. The paramedics pronounced Weber dead at the scene and the deputies were unable to locate the pistol Weber had when he began running from the deputies. The Coroner Investigator arrived at the scene and conducted a preliminary examination of Weber's body and did not locate a firearm in Weber's possession.

The on-going investigation indicated Weber may have discarded the pistol while running from the deputies or someone in the hostile crowd removed the pistol from the scene, before the deputies were able to secure the scene.

Early in the DIS investigation, we (Sergeant Richard Biddle and Investigator Francis Hardiman) became aware of a "Facebook Live Video" that was streamed on the internet on Friday afternoon, February 2, 2018. The Facebook Live video was from an account associated with Lorenzo Hall, who is a known Hoover gang member with the moniker, "Infant Killa Clock." The video depicted Hall and other Hoover gang members, including Anthony Weber inside apartment [redacted] In the beginning of the video, Hall is depicted facing the camera. Hall could be seen pointing a Smith & Wesson M&P pistol with a silver threaded barrel and holographic red dot sight at the camera, while holding the pistol in Hall's left hand. The video continues and depicted Hall, Weber, and the other gang members dancing and flashing 107 Hoover gang signs, while rapping a gang related song. The video continued for several minutes and recorded Hall, Weber, and the other gang members exit the apartment and gather in the complex court yard. We were able to confirm the video was filmed inside apartment [redacted] and the court yard of [redacted] W 107 Street.

LAPD INVESTIGATION AT [redacted]

On 2-5-18, we became aware members of the Los Angeles Police South East gang Team had monitored Lorenzo Hall's Facebook page on the afternoon of 2-2-18. The LAPD Officers were familiar with 107 Hoover gang members and recognized Hall, Weber, and other Hoover gang members depicted in the video. The LAPD Officers saw Hall was in possession of S&W M&P pistol with a holographic red dot sight in the video. The LAPD Officers also recognized the video was filmed the same afternoon at [redacted] The LAPD Officers subsequently went to [redacted] to investigate further regarding illegal possession of a firearm by known criminal street gang members.

The LAPD Officers contacted Hall and the below listed persons inside apartment [redacted]

Tyre McFadden MB/2-12-95
[redacted] MH/[redacted]
[redacted] MB[redacted]
[redacted] FB[redacted]
[redacted] FB/[redacted]
Akylah Brown FB/9-22-99

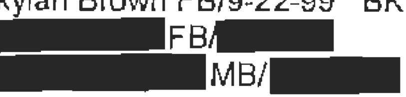
The LAPD Officers determined Anthony Weber was not present inside apartment [redacted] The LAPD Officers conducted a parole compliance search of the apartment, but were unable to locate the Smith & Wesson pistol Hall possessed during the filming of the video just a few hours before.

SEARCH WARRANT SERVICE AT [redacted]

On 3-7-18, South Los Angeles Sheriff's Station Operation Safe Streets Team (OSS) served several search warrants at different residences on W 107 Street regarding various 107 Hoover gang members' participation in recent gang related armed robberies and gang related shootings. A search warrant was served at [redacted] and (6) firearms were seized from within the apartment. One of the seized firearms was a Smith & Wesson M& P pistol with a silver threaded barrel and a red dot holographic sight, just like the pistol the deputy saw in Weber's waistband on 2-4-18 and just like the pistol Hall possessed during the filming of the Facebook Live video on 2-2-18.

Several items of Hoover gang paraphernalia and items associated with Anthony Weber were also seized from inside apartment [redacted] The following person(s) were found inside the apartment and detained at the time of the warrant service:

Joquan Brown MB/11-5-75 BK #5251020
Titanisha Jiles FB/3-2-88 BK #5251043
Antaijah Williams FB/11-19-97 BK #5251037
Akylah Brown FB/9-22-99 BK #5251045



[redacted] FB/[redacted]
[redacted] MB/[redacted]

Investigator's Note: Akylah Brown was also present at [redacted] on 2-2-18, when the LAPD Officers conducted their investigation regarding Hall and other gang members possessing the unique Smith & Wesson pistol in the Facebook Live video.

LORENZO HALL FOLLOW UP

Based on the following facts, we believed Lorenzo Hall likely gave the Smith and Wesson pistol to Weber and Hall had knowledge regarding the gun Weber used to assault the passing motorist and possessed prior to the Officer Involved Shooting:

Lorenzo Hall's Facebook Live video depicted Hall possessing the unique Smith & Wesson pistol, as described by the deputy in Weber's waistband just prior to the Officer Involved Shooting.

Lorenzo Hall is known 107 Hoover gang member.

Anthony Weber was also present and depicted in the video filmed on 2-2-18, with Hall possessing the unique pistol

The video was filmed in the same complex where Weber committed the armed assault upon the passing motorist and was later observed by the deputy in possession of the unique pistol in Weber's waistband

The unique Smith & Wesson M & P pistol with a silver threaded barrel and red dot sight was seized on 3-7-18, in apartment [redacted] of the complex next door to the complex where Hall filmed the 2-2-18 video inside apartment [redacted] and the complex where the DIS occurred on 2-4-18

We subsequently learned Hall has several [redacted] as well as an outstanding felony arrest warrant for 459 PC from the Bakersfield Police Department.

LORENZO HALL ARRESTED

On 4-1-18, we learned Hall was in custody at South Los Angeles Sheriff's Station for his Bakersfield arrest warrant.

On 4-2-18, Hall was transferred to the Los Angeles County Jail Inmate Reception Center (IRC) and we responded to IRC to interview Hall regarding the gun he possessed in the 2-2-18, video, as well as Hall's knowledge regarding Weber and Weber's involvement in the DIS.

LORENZO HALL INTERVIEW

On 4-2-18, at approximately 1145 hours, we interviewed **Lorenzo Hall (MB/10-18-92; BK #5272524)** at an IRC interview room. Investigator Hardiman advised Hall of his rights, which Hall understood and waived. The following is a synopsis of the recorded interview:

Hall admitted he was a Hoover gang member, but claimed he currently was not actively involved with the gang. We saw Hall had various tattoos on his face, neck, and arms consistent with Hoover gang membership. Hall admitted several of his tattoos were in fact Hoover gang tattoos that indicated Hall is a Hoover gang member. Hall also admitted his gang moniker is "Infant Killa Clock."

Hall said he was friends with Anthony Weber, but denied knowing if Weber was a Hoover gang member. We played the 2-2-18, video from Hall's Facebook account and Hall identified himself in the video pointing the Smith & Wesson pistol with a red dot sight and silver threaded barrel at the camera. Hall confirmed the video was filmed on 2-2-18, at [redacted] Hall knew the pistol was a real firearm. Hall said he

possessed the pistol that day but refused to state who gave him the pistol. Hall said he had the pistol because he was at the apartment complex with other Hoover gang members and he need to have a gun to be on "patrol and posted" in case rival gang members confronted the Hoover gang members at the complex. Hall described the pistol as a "Hood gun" that various Hoover gang members share and possess. Hall gave us an example of how different Hoover gang members shared the pistol. Hall said it was similar to COPs at a police station. Hall said when COPS begin their shift, they are assigned a gun to use during their shift and at the end of the shift the same gun is assigned to a different officer for the next shift. Hall said he had the pistol that day because he took over the shift of "Posting" and protecting the gang from a different gang member. Hall refused to tell us who gave him the gun that day, or who Hall gave the gun to later that night, because Hall could provide information about fellow gang members.

Hall further confirmed LAPD Officers arrived at [redacted] a few hours after the video was filmed. Hall and other Hoover gang members were detained, the LAPD Officers searched the apartment, but did not find the pistol Hall possessed earlier during the video filming.

Hall said he was not present in Los Angeles on 2-4-18, at the time Weber was shot by the deputy. Hall claimed he took a bus to Las Vegas on 2-4-18, at 0500 hours to watch the Super Bowl game with relatives. A few minutes after the game ended, Hall received a phone call from someone on W 107 Street informing Hall that Weber had been shot by a Deputy Sheriff. We asked if hall was aware if anyone witnessed the deputy shooting Weber. Hall replied no and added he believed there were no witnesses to the shooting and only Weber and the deputy knew what actually happened.

We showed Hall a photo of the Smith & Wesson pistol with the red dot sight and silver threaded barrel seized from [redacted] on 3-7-18. Hall said the gun in the photo was similar to the gun Hall possessed in the video on 2-2-18. We concluded our interview and escorted Hall to a holding cell. Refer to submitted recording for complete content of the interview.

LORENZO HALL DNA SAMPLE

After Hall was placed in the holding cell, we re-contacted Hall and asked if he would consent to provide a DNA swab to determine if his DNA was any guns seized during our investigation. Hall agreed and provided a DNA swab (Prelim #)

While driving northbound on Normandie Avenue in our marked black and white patrol vehicle in the #2 lane, just south of 91st Street. We immediately noticed a vehicle (2008, black, Dodge Charger, 4dr, Calif Lic. plate# [redacted] just one vehicle length directly in front of us in #1 lane. The vehicle began to straddle both #1 and #2 lanes (violation of 21658(a) CVC) for almost a block distance. As we switched lanes to get behind the vehicle, the vehicle made a left turn without signaling (violation of 22107 CVC) into the "Mc Donalds" parking lot and into the drive-thru where we conducted a traffic stop to warn/cite the driver for the above.

I approached the driver's side of the vehicle while Deputy Partida approached the passenger side. I contacted the driver (S/Burise) and asked if he had a valid driver's license. S/Burise stated, "It's suspended." I detained him in the backseat of our patrol vehicle pending a driving on a suspended/revoked driver's license investigation. I conducted an inquiry of S/Burise's name and it was revealed that his driver's license was in fact suspended as of 08-13-16.

I contacted Mr. Garbutt, Ludrick (MB/10-27-1992) who was seated on the rear driver's side of the vehicle and not wearing his seatbelt (violation of 27315 CVC). Upon contacting Mr. Garbutt, he spontaneously stated, "I'm on probation." I conducted an inquiry of his name and it later revealed that he was on active probation for 25850(A)P.C. I detained him pending a probation compliance check.

As I approached the vehicle, Deputy Partida informed me that the rear passenger (Mr. Deandre Hoy, MB/02-18-87) was on active parole. I detained Mr. Hoy pending a parole/ probation compliance check. An inquiry of Mr. Hoy's name revealed that he was currently on active parole for 2125(c) P.C.

Due to Mr. Hoy and Mr. Garbutt being on active parole/probation, We also detained S/Risin (who was seated in the front passenger seat) pending a probation/parole compliance check.

Deputy Partida conducted a gang and parole/ probation compliance search of the vehicle where he recovered a loaded black semi-automatic pistol (9mm, Hi-point, Ser# P163605) (Ev-1), which contained 7 live rounds with 1 live round in the chamber from under the front passenger seat where S/Risin was seated. We conducted an inquiry of the loaded firearm which revealed it was stolen.

I read S/Risin his Miranda rights per shad-477. S/Risin waived his rights and agreed to speak with us without an attorney being present. While under Miranda, S/Risin told us he carries the firearm for protection because the Los Angeles streets are dangerous and he is scared. S/Risin also provided us with a signed written statement (Ev-2).

S/Burise was later cited and released in the field with the approval of Sergeant Lopez under cite# AB255886. S/Burise told me he was an active member of the criminal street gang "92 (Nine Deuce) Hoover Criminal gang and he goes by the moniker of "Dreads." The vehicle was towed and impounded at Kelmark tow.

Mr. Hoy stated he was an active member of the criminal street gang "107 Hoover Criminal gang and goes by the moniker of "Lil bullet." Mr. Hoy was positively identified and was released in the field .

It was later revealed that Mr. Garbutt was indeed S/Hall. An inquiry of S/Hall's name revealed he was a wanted person out of Bakersfield and he had multiple outstanding warrants out of Los Angeles County as well as San Bernardino county. S/Hall stated he was an active member of the criminal street gang "107 Hoover Criminal gang and goes by the moniker of "Infant killa box."

S/Risin also stated he was an active member of the criminal street gang "92 Hoover Criminal gang" and goes by the moniker of "Desi."

Based on the evidence recovered and S/Risin's statements, we arrested S/Risin for a gang member in possession of a loaded firearm (violation of 25850(C)(3) P.C. and additionally charged S/Risin with possession of a stolen firearm (violation of 25850(C)(2) P.C.).

Based on the personal information that S/Hall provided me which belonged to an actual person who could have been cited for not wearing a seatbelt, we arrested S/Hall for false impersonation (violation of 529(3) P.C.). S/Hall was also additionally charged for his outstanding warrants.

We transported and booked S/Risin and S/Hall at South Los Angeles station with approval of the A/Watch Commander, Sergeant Vallozzi.

While at South Los Angeles station, Deputy Partida took photographs of the firearm and placed them onto a compact disc which was booked into evidence at South Los Angeles station(Ev-3). S/Hall's cellphone (Ev-4) was also booked into evidence at South Los Angeles station as well as the additional evidence.

On 02/04/18, at about 2140 hours, Sergeant Rick Biddle and I (Francis X. Hardiman) were detailed to [redacted] W. 107th Street, Los Angeles, CA 90044, regarding a Deputy involved shooting. During the interview of the involved deputies, Sergeant Biddle and I learned the the decedent in the shooting, Anthony Weber, was in possession of a unique looking firearm when he was shot. Deputy Greg Van Hoesen described the gun as a Smith & Wesson, M&P, semi-automatic pistol with black Talon grips and a red dot sight.

INDEPENDENT STUDIO SERVICES

On 04/09/18, at about 1400 hours, Sergeant Biddle and I went to Independent Studio

Services (ISS) located in Sunland, CA. ISS is a prop business that rents prop items for film and television. Amongst the props that they rent are firearms. ISS has over 15,000 firearms at their shop.

At ISS, Sergeant Biddle and I contacted [redacted] is a California certified firearms instructor. He has worked at ISS for 21 years, 18 of those years in the firearms section. He has examined in excess of 20,000 guns in his time at ISS. He is exceptionally familiar with all makes and models of firearms.

Sergeant Biddle and I showed [redacted] the video IMG_1804, which depicts Lorenzo Hall in possession of a unique looking firearm. At five seconds into the video, Hall displays a firearm. Upon seeing the firearm, [redacted] immediately said, "that is a Trijicon sight." He explained he was able to tell because of the unique shape of the frame of the site, and the unique shape of the glass viewport.

[redacted] also immediately noticed that the muzzle of the barrel was silver and threaded. He said that it was likely an after-market barrel.

[redacted] said the gun in the video could be a Smith & Wesson M&P, however it was difficult to tell due to the short length of time the gun is visible in the video.

Sergeant Biddle and I then showed [redacted] the photo IMG_0353, which is a photo of a Smith & Wesson M&P with a Trijicon sight and an after-market barrell, serial number HDH663 which was recovered by LASD on 03/07/18. Upon seeing the photo, [redacted] exclaimed, "that is the same gun!"

Investigation continuing, further reports to follow.

PRELIM #65: Miscellaneous papers collected from a 2016 Chevrolet Cruze Lic #[redacted] consisting of the Following items:

Utility bill for [redacted]
County Jail Inmate deposit receipt, 4-16-18, $50, Lorenzo Hall
Western Union receipt, 2-25-18, $190
ATM receipt, 4-10-18
Western Union receipt, 4-8-18, $200

As part of our (Sergeant Richard Biddle and Investigator Francis Hardiman) on-going investigation regarding Anthony Weber's involvement in an assault with a deadly weapon, as well as a subsequent Deputy Involved Shooting, we obtained a search warrant for the person of [redacted], [redacted] vehicle, and [redacted] residence for evidence related to the assault with a deadly weapon, Weber's involvement in gang activity, and the Deputy Involved Shooting.

We were aware [redacted] was Weber's girlfriend and they had a child together. We were further aware [redacted] and Weber were recently arrested together by the Los Angeles Police Department for illegal possession of loaded handgun, which was registered to [redacted], in a vehicle [redacted] was driving. Our on-going investigation documented [redacted] and Weber were involved in gang related activities associated with the Hoover street gang.

Based on our knowledge of [redacted] close association with various Hoover gang members, we requested the assistance of the Operation Safe Streets Bureau Gang

Surveillance Unit (GSU) to detain [redacted] (FH/[redacted]) so we could safely serve the search warrant with minimal incontinence to [redacted].

On 4-18-18, the GSU Team conducted surveillance and determined [redacted]'s vehicle (Chevy Cruze Lic #[redacted]) was parked at Pedro Alfonso Special Education Center at 4540 Michigan Ave, Los Angeles. The GSU Team believed [redacted] was at her place of employment and continued their surveillance.

At approximately 1345 hours, Det [redacted] and other members of the GSU Team observed [redacted] driving the Chevrolet Cruze from the parking lot. The GSU Team members stopped [redacted] a short distance from the location. The GSU Team members contacted [redacted] and explained the existence of the search warrant for [redacted]'s person and her vehicle. The GSU Team members subsequently detained [redacted] seized her cellular phone **(Prelim #63)** and transported her and her vehicle to East Los Angeles Sheriff's Station, so we could serve the search warrant and subsequently search [redacted]'s vehicle, and her person, as well as obtain her DNA sample as authorized by the search warrant.

We meet the GSU Team and [redacted] at East Los Angeles Sheriff's Station. We initially searched [redacted]'s vehicle and seized the listed evidence items **(Prelim #65).**

We next contacted [redacted] who was detained in a Sheriff's Patrol Unit. We had a female Deputy search [redacted] and determined she was not in possession of anything remarkable. We explained [redacted] was not under arrest, but was detained regarding the search warrant service.

Our entire contact with [redacted] was recorded. We escorted [redacted] to an interview room inside the station and told [redacted] she was not under arrest, she did not have to speak with us, and she was free to leave if she did not wish to talk with us. We added, we would also answer any questions [redacted] had of us.

We introduced ourselves and told [redacted] we believed she was a potential witness regarding Anthony Weber's shooting. We said we were in search of the truth and would like to speak with her. We then asked [redacted] questions regarding her personal identification information and she freely replied. [redacted] added she has been employed the last six months as a behavioral instructor for children with autism.

We asked [redacted] to tell us what happened the night Anthony Weber was shot. [redacted] replied she had two questions and asked why we had to detain her to conduct the interview. [redacted] said we could have called her, at which time there were reasons why we initially detained her and said we would inform her why. [redacted] then said she would like to speak with her civil attorney retained for the pending law suit before speaking with us. We replied that was fine and [redacted] said she would have to access her phone to retrieve the attorney's phone number. I asked for [redacted]'s cell number and she replied [redacted]. We asked for the attorney's name and phone

number. [redacted] said, "Yates" and added she did not know the phone number and would need to access her cell phone.

We had previously taken possession of [redacted]'s cell phone **(Prelim #63)** from the GSU Team and stored [redacted]s cell phone in our vehicle. Investigator Hardiman then left the interview room to retrieve [redacted]'s cell phone.

I then informed [redacted] that we had a search warrant and that was the reason she had been detained. I further explained the search warrant authorized the collection of a DNA sample from [redacted], as well as the seizure and examination of [redacted]'s cell phone. I provided [redacted] a copy of the search warrant, she read it, and asked why we were seizing her cell phone. I replied, we believed [redacted]'s phone may contain evidence related to the incident the night Anthony Weber was shot. [redacted] replied, "It does not."

I asked for the unlock code for [redacted]'s cell phone and she asked how long we would have her cell phone. I replied as soon as the download of [redacted]'s phone was complete we would release her back to her. [redacted] asked to see where in the search warrant she was compelled to provide her unlock code. I pointed out the portion of the search warrant authorizing the seizure and download of her cell phone. I further explained if [redacted] did not comply that was a potential violation of a court order.

[redacted] read the portions of the search warrant and I added if [redacted] provided her unlock code, we would be able to return her phone in a shorter period of time. [redacted] asked why the search warrant authorized the collection of her DNA sample. I explained we believed she had handled evidence related to our investigation and [redacted]'s DNA sample would assist in eliminating or include her as a person who handled the items.

[redacted] said she would have to comply, but wished to talk with her attorney. We explained [redacted] did not need to speak with her attorney before she complied with the search warrant and added [redacted] could speak with her attorney, if she wished before answering questions. I added we were not going to coerce [redacted] and force her answer questions.

[redacted] then asked if we could get her some phone numbers from her cell phone and we replied yes. We asked for the unlock code and [redacted] replied, "[redacted]" I entered the unlock code into [redacted]'s phone and she asked for several different phone numbers, which we made a list on a piece of paper.

[redacted] was asked if she wanted to talk with us and she said she wanted to speak with her attorney first. [redacted] then said we did not need a search warrant, because she would have come in and cooperated with an interview. We provided [redacted] with the following reasons why we were uncertain she would have cooperated without the search warrant:

- [redacted] frequently communicates with various Hoover gang members, who are in custody at the County Jail

- [redacted] associates with various active gang members

- [redacted] has been depositing funds to Hoover gang members Los Angeles County Jail Inmate's accounts

We asked who Lady Leto was and [redacted] confirmed Lady Leto was one of Anthony Weber's friends from the W 107 Street Hoover neighborhood. [redacted] added she was aware Lady Leto's first name was Kayla and Kayla had red hair. We asked how to pronounce Lady Leto and [redacted] answered she was uncertain, because [redacted]'s knows her actual name is "Akylah."

Investigator's Note: We were aware of a female Hoover Street gang associate with red hair by the name of Akylah Brown (FB/9-22-99). Brown was present inside [redacted] on 2-2-18, when the LAPD Southeast Gang Team went to the location investigating Lorenzo Hall's Facebook video filmed earlier in the afternoon. The video depicted Hall in possession of a M&P pistol with a threaded barrel and a holographic sight with several other 107 Hoover gang members, including Anthony Weber. Brown was also present at [redacted] on 3-7-18, when a M&P pistol (believed to be the same pistol in the Facebook video from 2-2-18) with a threaded barrel and holographic sight was seized.

We next asked about Leto, if Lady Leto was someone from 107 Hoover gang. [redacted] said she only knew of Leto and was unaware of any details regarding Leto. We inquired regarding a juvenile, who frequently calls [redacted]'s cell phone from within Juvenile Hall. [redacted] stated that was [redacted], one of Weber's friends, who is 17 years old, and is also a gang member.

[redacted] asked when she could call the attorney and I began retrieving the attorney's phone number to dial on my phone for [redacted]. I asked if [redacted] had threatened anyone and she said no. I asked who were the "Locs" and [redacted] replied the "Locs" were a group of various gang members who she was very close with. I again asked if [redacted] was threating anyone with the "Locs" and she said no. We asked if [redacted] contacted any witnesses to Weber's shooting, at which time [redacted] said she spoke with Akylah. [redacted] said she was friends with Akylah and Akylah witnessed the shooting. We asked what Akylah told [redacted] regarding the shooting and [redacted] said we would have to ask Akylah. [redacted] confirmed she brought the attorney's investigator to Akylah for an interview about the shooting. [redacted] was present when the investigator first spoke with Akylah and then the investigator privately spoke with Akylah and recorded the interview.

We asked if [redacted] had a conversation with [redacted], over the recorded Juvenile Hall phone system, where [redacted] told [redacted] about Akylah's statement to the lawyer's investigator. [redacted] agreed she had spoken with [redacted] about Akylah's statement regarding Weber's shooting.

We again told [redacted] we were in search of the truth and added we were aware of [redacted]'s recorded jail calls with Hoover gang members. We discussed the recorded jail call where [redacted] said she pulled up with Weber before the shooting and told Leto "One Time" was coming. [redacted] denied making the statement and we offered to allow [redacted] to listen to the recorded call. [redacted] refused and said she wanted to speak with the attorney. I continued dialing the phone number and told [redacted] we did not wish to talk about her pending prosecution, we only wished to talk about what happened regarding Weber's shooting.

I handed my phone to [redacted] and also told her she was free to leave, but could not leave with my phone. [redacted] spoke with the receptionist and was placed on hold. I described the recorded jail call where [redacted] said Leto and Weber were together and Leto had the gun. Leto and Weber ran from the police and [redacted] initially believed the deputies shot Leto, because Leto had the gun. [redacted] answered she recalled the conversation, but denied that was her exact statement. We replied, [redacted] said Leto had the "burner" during the conversation. [redacted] denied making that statement and we again offered to play the call for [redacted]. [redacted] did not respond and began talking with Attorney Yates.

[redacted] explained she was at the Sheriff's Station regarding a search warrant for [redacted]'s cell phone and DNA sample. While [redacted] was speaking with the attorney, I began preparing to take [redacted]'s DNA sample. We told [redacted] she was free to leave once we collected her DNA sample.

[redacted] allowed me to collect her DNA sample and then asked us to retrieve some additional phone numbers from her cell phone, since we were maintaining custody of her cell phone pending the forensic examination. We subsequently added the additional phone numbers to the list for [redacted].

We asked how long [redacted] had known Weber and she replied for at least four years, since Weber was 12 years old. [redacted] confirmed Weber frequently hung out at TT's (Latanya Sims; [redacted] apartment and added Weber was at that apartment to watch the Super Bowl game.

Just before the shooting, [redacted] parked her car in front of [redacted] and walked to the front of [redacted] W 107 Street with Weber. Weber remained in front of [redacted] W 107 Street and [redacted] walked back towards her car. When [redacted] walked back to her car, Weber was alone in front of the apartment complex wearing a shirt and jeans. We asked for additional details regarding the shooting and [redacted] replied she was done talking, while standing up to leave the room. We subsequently escorted

[redacted] to her vehicle and she left the Sheriff's facility. Refer to submitted recording for complete content of the recorded interview.

A cursory examination of text messages stored in [redacted]'s phone indicated Weber was in possession of at least one firearm on the morning of 2-4-18. The text messages further implicate [redacted] in providing Weber ammunition for two different types of firearms. The following is a portion of the text communications between Weber and [redacted] on the morning of 2-4-18:

- 2-4-18 Weber sent text to [redacted] "Can you bring me a box of 38 shells, not 380 38"
- 2-4-18 [redacted] replied- "I got you. Where are you watching the Super Bowl? We still going to eat after."
- 2-4-18 Weber sent text- "I'm probably TT house any yea we're u gone b at while I watch the game and yea after the game we going to eat u buster but I need them shells ASAP like rocky."
- 2-4-18 [redacted] replied- Probably my uncle in Compton so I'll be close by! I'll head to you house before the end of the game so I can be that way. Ok baby I'll head straight to the shells!"

There were additional text messages between Weber and [redacted] later that day, where Weber asked [redacted] to bring [redacted] some 22 shells. Weber added not 22 shorts like last time.

Investigator's Note: On 3-7-18, the South Los Angeles OSS Team served a search warrant at [redacted] and seized numerous rounds of live ammunition, including 22 shorts and 38 special; which appears to corroborate [redacted] provided ammunition to Weber.

We briefly viewed the contacts listed in [redacted]'s cell phone and saw an entry for "Leto" with a phone number of [redacted] We recognized the number [redacted] as associated with a Hoover gang member known as, "Bullet."

On 2-4-18, at 2058 hours, (eight minutes after the Deputy Involved Shooting) a Hoover gang member ([redacted], who was in custody at the Los Angeles County Jail, used a recorded jail phone and placed a call to [redacted] [redacted] spoke with a male, who [redacted] referred to as a fellow Hoover gang member known as "Bullet." During the conversation, Bullet spoke about Weber being an active Hoover gang member, who had become a "real gunner." Bullet implied Weber had a gun when confronted by the deputies just before the Deputy Involved Shooting.

Using Sheriff's Department resources we were able to learn the cellular subscriber for [redacted] was Deandre Hoy (MB/2-18-87), a 107 Hoover gang member with the moniker, "Bullet."

We also learned the following additional information regarding Deandre Hoy (Bullet):

Hoy has a California Driver's License # [redacted] that lists his DOB as 2-18-87 and his address as [redacted]

On 3-7-18, Erasmo Aguilar, who is Department of Children and Family Services Supervisor assigned to the Mart Team responded to [redacted] regarding the search warrant service at the residence related to various violent crimes committed by various Hoover gang members associated with the residence. At the time of the search warrant service several adults (Suspect #1 thru Suspect #5) were detained along with Latanya Sims' two children ([redacted] (FB/[redacted] and [redacted] MB/[redacted]). There were several firearms seized from within the apartment that were found in areas easily accessible by the children.

Aguilar conducted an on-scene investigation, determined the circumstance of the living conditions was detrimental to the childrens' wellbeing, and took the children into protective custody.

On 4-26-18, we (Sergeant Richard Biddle and Investigator Francis Hardiman) spoke with Erasmo Aguilar. Aguilar provided us with a copy of the DCFS reported regarding Sim's children placement in foster care. The DCFS report documented the following subsequent interviews of Sim's children by Children Services Worker (CSW) Saba Habte:

[redacted] INTERVIEW

On 3-7-18, Habte spoke with [redacted]. [redacted] confirmed he resided at [redacted] along with his Mother (Latanya Sims) and sister ([redacted]. [redacted] added his mother allows multiple people to frequent the home, many of whom [redacted] does not know. [redacted] reported the search warrant was served at his residence because, "They found all the guns." [redacted] further said, "My mom lets her

friends bring guns and hide them at our house." [redacted] also stated his uncle (Bullet) often brings guns to the home.

Investigator's Note: We were aware Bullet is actually Deandre Lavell Hoy, who is a documented Hoover gang member and is currently on parole.

[redacted] said the guns were kept in the bathroom cabinet, kitchen table, and his bedroom closet. [redacted] added, "I have toys in my closet that I can't play with because they put guns next to my toys." [redacted] said he hears gunshots at night and is in fear when he sleeps because his family have guns in the home and he is fearful people are shooting at his home.

[redacted] was asked additional questions regarding his living conditions. [redacted] said, "My uncle Bullet smokes blunts with weed. If I am playing in the living room my mom kicks me out and sends me to my room so all of her friends can smoke blunts in the living room."

During the interview, [redacted] had tears in his eyes. [redacted] said he was sad because, "I know my mom is doing bad things and now she is going to jail."

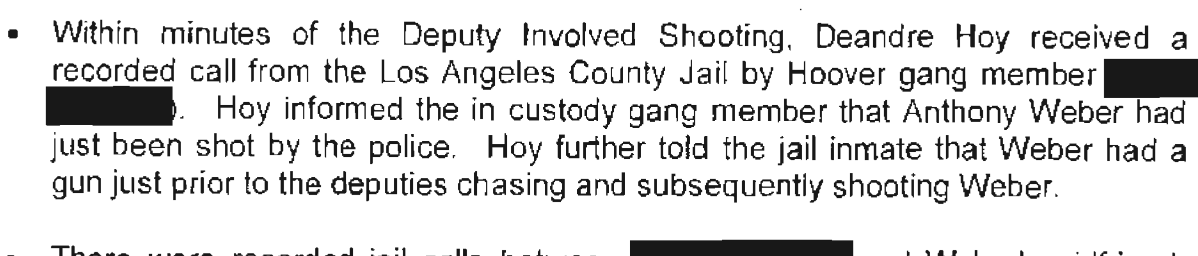
[redacted] INTERVIEW

On 3-7-18, CSW Habte spoke with [redacted] [redacted] confirmed she resided at [redacted] with her mother (Latanya Sims) and her brother. [redacted] added several people come in and out of the residence and [redacted] was uncertain who actually lived in her apartment. [redacted] believed her Uncle [redacted] and Uncle Bullet live in the apartment. [redacted] also stated he mother's friends bring guns into the home. [redacted] said her brother` "AJ" was recently shot and killed by the police and that was the reason the police came to her home looking for the weapon. [redacted] said. "It's a lot of guns in my house." Habte asked why there were guns in her home and [redacted] replied, "It's because my momma, she let them bring it." [redacted] said the guns were kept in the bathroom cabinet, kitchen, living room, and in the bedroom.

Investigator's Note: Anthony Weber was involved in a Deputy Involved Shooting on 2-4-18. Weber was a known Hoover gang member, with the moniker of "AJ."

[redacted] said many young men come to her apartment to smoke blunts There are occasions when random people visit the apartment and argue, but they do not engage in physical altercations.

The fact both children identified Uncle Bullet and "AJ" also resided at [redacted] appear corroborate the following previous investigative leads in the on-going investigation regarding the 2-4-18, Deputy Involved Shooting, where Anthony Weber was shot and killed:



- Within minutes of the Deputy Involved Shooting, Deandre Hoy received a recorded call from the Los Angeles County Jail by Hoover gang member [redacted]. Hoy informed the in custody gang member that Anthony Weber had just been shot by the police. Hoy further told the jail inmate that Weber had a gun just prior to the deputies chasing and subsequently shooting Weber.

- There were recorded jail calls between [redacted] and Weber's girlfriend, [redacted]. [redacted] told the [redacted] she was present at the scene and witnessed portions of the Deputy Involved Shooting. [redacted] stated "Leto" and Weber were together and "Leto" had the gun. The deputies chased Leto and Weber, at which time [redacted] heard gunshots. [redacted] initially believed the deputies shot Leto, because Leto had the gun. [redacted] later learned Weber was the one shot.

- One of the contacts listed in [redacted]'s cell phone has the title of "Leto" with the phone number [redacted] The same number called by the in custody jail inmate on 2-4-18, minutes before the Deputy Involved Shooting. During that conversation, the jail Inmate referred to the person who answered the phone as, "Bullet."

- During the investigation, we seized [redacted] cell phone and observed text messages between [redacted] and Weber hours before the Deputy Involved Shooting. The text messages indicated [redacted] provided Weber with 38 caliber and 22 caliber ammunition sometime before the Deputy Involved Shooting. On 3-7-18, 38 caliber and 22 caliber ammunition was seized from within [redacted]

On 02/04/18, at about 2140 hours, Sergeant Rick Biddle and I (Francis X. Hardiman) were detailed to [redacted] W. 107th Street, Los Angeles, CA 90044, regarding a Deputy involved shooting.

On 05/08/18, Deandre Hoy (BKG: 5306007) was arrested pursuant to an arrest warrant obtained by Sergeant Biddle.

On 05/09/18, at about 1834 hours, I interviewed Hoy at IRC. Prior to the interview, I read Hoy his rights. Hoy said that he understood his rights and agreed to talk to me. Hoy told me the following: Hoy used to be a 107 Hoover. He identified the hand sign of the index finger pointing down with the thumb perpendicular to it as the gang hand sign

for 107 Hoovers. He agreed that they were also called Selos. He goes by the moniker Lil Thumbs. He denied ever being called Bullet. He has never heard of a 107 Hoover called Bullet.

Hoy said that he was not sure of his cell phone number. He later admitted that [redacted] belonged to him. He thinks that the phone was a "Obama phone" when he was first released from prison.

Hoy identified a photo of Anthony Weber as "the boy who got killed." Hoy said that he knew Weber as AJ. He did not know him by any other monikers. Hoy said he had never heard Weber called Tiny Ragger.

Hoy identified a photo of Latonya Simms as a person whom he had seen in the neighborhood, but he could not name her. Hoy does not have any type of relationship with Simms.

Hoy identified a photo of [redacted] as [redacted]. He said that [redacted] was a 107 Hoover but did not know his moniker. Hoy claimed he was only acquaintances with [redacted]. Hoy admitted that he talked with [redacted] a few times on the phone while [redacted] was in custody. Hoy says that [redacted] was calling seeking money.

Hoy identified a photo of Lorenzo Hall as "Lonzo." Hoy said "he thinks" Hall is from 107 Hoovers.

Hoy said that he knows Weber from playing basketball. He doesn't think that Weber is from 107 Hoovers. He says that he never talked with Weber about being a gang member. Hoy only knew him from playing basketball.

I played Hoy a call dated 02/04/18 at 2058 hours. The call was from inmate [redacted] BKG: [redacted] was housed in MCJ module 2200 at the time. [redacted] was calling [redacted]. This call occurred approximately 40 minutes after the shooting incident.

Hoy admitted that it was [redacted] and him on the phone together. The call begins with Hoy telling [redacted] the TR was dead. Hoy initially said that the call was about another TR, and not Weber. Hoy admitted that the "New Jacks" is the apartment where the shooting occurred. Hoy identified Weber's girlfriend as "[redacted]."

Hoy said that he did not witness the shooting. On 02/04/18, at about 2017 hours, Hoy was at a pink apartment complex talking with a girl. Using Google Maps, Hoy identified that he was standing in the driveway between [redacted] and [redacted] Hoy heard a bunch of gunshots, so he began running towards them. He ran east, and then crossed to the north side of the street. He stopped just east of the N/S alley where he could see to the south into the courtyard of [redacted] W. 107th Street. Hoy said that he could see Weber laying on the ground in the courtyard.

Hoy tells [redacted] that he would have been proud of TR, "on gunness." Hoy claimed that this was an oath based upon his loyalty to the Hoovers. Hoy said that [redacted] would be proud of Weber's ability to fight, attract women, and play basketball. And that he was out there "locing."

In the conversation, [redacted] asks Hoy, "Did he have something on him?" Hoy immediately responds, "Yup." Hoy was unable to explain this answer. Eventually, Hoy said he got the information as "word on the street." When confronted with the proximity, time wise, to the shooting, he admitted that he heard it from a girl named [redacted] Detectives previously identified [redacted] as [redacted] a witness to the incident.

At 50:36 into the interview with Hoy, he says that immediately after the shooting he saw [redacted], who was running. She was screaming that Weber had been shot. [redacted] said, "They shot AJ!" Hoy responded, "Why the fuck they shoot him?" [redacted] responded, "He had a gun... they seen a gun..."

Hoy believes that [redacted] was with Weber when he was shot. He believes this because of what she told him.

Hoy remembered that he was watching the Super Bowl, on 02/04/18, at [redacted] the apartment of [redacted] Hoy does not remember Simms being at the location when he was watching the Super Bowl.

I showed Hoy several photos of guns (S&W M&P 9mm, Browning High-Power clone 9mm, Hi-Point 9mm, Glock) located at [redacted]. Hoy denied having had access to any of the guns.

RECORDED CELL

While Deandre Hoy (DH) was in custody at IRC, on 05/09/18 from 1735 hours until 2159 hours, he was in a recorded cell with another inmate (IM). During that time, the following conversations occurred:

17.44.36 DH says he's Bullet from Hoover. Talks about having been booked for having a gun when he wasn't caught with a gun.

18.29.12 DH out of cell.

20.25.45 DH back into cell.

20.29.50 DH admits he knows "somebody" in [redacted] When they raided the house, they found 5 guns.

20.43.09 IM asks DH if any of the other homies could have touched the pistol after he touched it? DH doesn't respond. The two talk at length about DH's prints being on one of the guns. He never denies.

20.47.10 DH tells IM that he only arrived at the deputy involved shooting the day after.

21.25.45 IM out of cell.

Investigation continuing, further reports to follow.

RECORDED JAIL CALLS REGARDING LATANYA SIMS

As part of our (Sergeant Richard Biddle and Investigator Francis Hardiman) on-going investigation, we discovered the following recorded jail phone calls related to Latanya Sims and her association with 107 Hoover gang members and firearms found inside her apartment:

3-8-18 @1122 [redacted] Antaijah Williams/woman

Williams called from South Los Angeles Sheriff's Station and asked about her cell phone left inside Sims' apartment during the search warrant service

Woman replied she went to Sims' apartment that day and found Bullet inside Sims' apartment getting Bullet's personal property

Bullet said there were no cell phones found inside Sims' apartment, police took all the phones

Investigator's Note: William was present at the time of 3-7-18, search warrant service and was arrested. The call corroborates Bullet (Deandre Hoy) had access to Sims' apartment and associated with Sims.

3-13-18 @1035 [redacted] Sims/woman (sister)

Woman said Sims' son made statement to DCFS about guns in apartment closet
Sister read the DCFS report yesterday about son's statement

Talk about Uncle Bullet being inside Sims' apartment smoking weed
Talk about sister being drunk at search warrant scene with DCFS
Sister admitted she went off at DCFS Worker
Sims said her son told DCFS that Uncle Bullet (Deandre Hoy) carries guns inside Sims' apartment

3-14-18 @1515 [redacted] Deandre Hoy/ Latanya Sims

Hoy and [redacted] talk about TT (Sims) getting arrested
Hoy said they found 5 things (guns) in apartment
Sims trying to get kids back
Hoy happy he was not there at the time
Hoy said guy grabbed bag of guns and tried to hop out window, but COPs were there
Gang talking
Sims with Hoy and talks with [redacted]
Sims getting lawyer to get kids back. she was not booked for stuff in apartment, just warrants
Sims complains about giving DNA sample
Obvious Sims' association with gang members
Sims refers to Hoy as her brother

Investigator's Note: The above jail calls appears to confirm Sims and Hoy's association with each other and other gang members, as well as access to firearms

DEANDRE HOY RECORDED JAIL CALL

We also found the following recorded jail call to Deandre Hoy that appears to corroborate Hoy's possession of firearms:

4-26-18 @1955 [redacted] #[redacted] Deandre Hoy

Both exchange 107 Hoover gang greetings
Hoy said he had a pistol, when he was arrested and had to bail out

Investigator's Note: Deandre Hoy was arrested on 4-20-18, for loitering while involved in gang activity. Hoy was booked at the Sheriff's Station and later released with a citation.

HOY'S CONTACT WITH DEPUTIES ON 4-1-18

We were also aware Deandre Hoy was a passenger in a vehicle stopped by South Los Angeles Sheriff's Station Deputies on 4-1-18. at approximately 0343 hours. The following 107 Hoover gang members were inside the vehicle:

- Driver-Demond Burise MB/12-17-95
- Front passenger-Shaquille Risin MB/6-27-93
- Left rear passenger-Lorenzo Hall MB/10-18-92
- Right rear passenger-Deandre Hoy MB/2-18-87

Hoy was on parole and Hall had felony arrest warrants. During a subsequent search of the vehicle a loaded 9mm pistol was found underneath the front passenger seat. The front passenger (Shaquille Risin) and the right rear passenger (Deandre Hoy) both had easy access to the loaded pistol.

During interviews, Risin claimed possession of the loaded pistol and Hoy denied any knowledge of the loaded pistol.

Investigator's Note: The above described contact with deputies appears to corroborate Hoy's association with gang members and access to loaded firearms.

In July 2017, we (Sergeant Richard Biddle and Investigator Francis Hardiman) received the digit forensic downloads from Anthony Weber and [redacted]'s cellular phones.

Upon examining the content of Weber's cell phone ([redacted] we discovered the following:

- Photos depicting Weber posing with other gang members
- A note dated 6-26-17 titled 32 caliber automatic 2 boxes

Upon examining the content of [redacted]'s cellular phone ([redacted], we discovered the following:

- Text communications between [redacted] and [redacted] dated 2-5-18. [redacted] told [redacted], "[redacted] take down the photos with all the banging. The police trying to tie him (Anthony Weber) as a gang member. [redacted] replied, "I'm on it already. [redacted] replied, "Ok facebook too." [redacted] then text back, "I'm working on getting back into facebook."

Investigator's Note: The above text communication appears to document [redacted] concealing and or destroying evidence related to the Deputy Involved Shooting involving Weber, as well as potentially preparing false evidence regarding a potential civil law suit

- On 1-26-18, Anthony Weber's cell phone took photographs of (4) handguns and sent the photos to [redacted]s cell phone as a text message with the photos as an attachment. The (4) photos appear to be (4) of the same guns seized from Latanya Sims' apartment ([redacted] on 3-7-18.

Investigator's Note: The fact that Weber's cell phone took pictures of the (4) guns on 1-26-18, that were later seized on 3-7-18, appears to confirm Weber had access and was previously in possession of the Smith and Wesson M&P pistol as described by Deputy Van Hoesen in Weber's waistband on 2-4-18.

Text messages between [redacted] and Weber on the morning of 2-4-18. The text communication is as described:

- 2-4-17 @1032 Weber-"Can you bring me a box of 38 shells not 380 38."

- 2-4-18 @3032 [redacted]"I got you. Where are you watching the super bowl? We still going to eat after?"

- 2-4-18 @3034 Weber-"I'm probably tt house and yea we're u gone b at while I watch the game and yea after the game we going to eat u buster but I need them shells ASAP like rocky."

- 2-4-18 @1054 hours [redacted]"Probably my uncles in Compton so I'll be close by! I'll head to you house before the end of the game so I can be that way. Ok baby I'll head straight to get the shell!"

- 2-4-18 @1222 hours Weber- "I need some 22 baby them ones u got at first not short

- 2-4-18 @1239 hours [redacted] "Ok baby you need them today?"

- 2-4-18 @1244 hours Weber- "Yea lil ASAP."

Investigator's Note: The above text communication appears to document Weber's access and possession of various firearms. The communication also appears to document [redacted] is aware Weber has access to and possession of various firearms, as well as document [redacted] has provided Weber with ammunition in the past and was proving Weber with ammunition on 2-4-18, hours before the Deputy Involved Shooting.

Subject:

On March 12, 2018, Detective Biddle requested the comparison of fired bullet evidence to a revolver to determine whether the bullets were fired from the revolver.

Examination Conclusions

The five (5) fired bullets under file number 017-10781-0372-011, items C-1, EV-7, EV-8, EV-11 and EV-12, were identified as having been fired from the Colt revolver submitted as EV-12 under file number 018-00965-0375-013. The barrel of the Colt revolver had been cut, and possibly broken off.

The fired bullet under file number 017-10781-0372-011, EV-9, was compared to the Colt revolver, EV-12, and to the fired bullets, C-1, EV-7, EV-8, EV-11 and EV-12, with inconclusive results. These items exhibited agreement of class characteristics and some agreement of individual characteristics, however, due to damage, the items lacked sufficient agreement of individual characteristics for identification purposes.

Laboratory Examinations

- Caliber and General Rifling Characteristics Determination

Background on Laboratory Examinations Performed

- The physical characteristics of a bullet can be used for caliber determination. Additionally, the rifling characteristics that are imparted to the bullet during the firing process may be used to further discriminate the particular caliber designation and to provide a list of manufacturers known to have produced firearms that exhibit similar rifling characteristics.

Laboratory notes and supporting documentation exist in the case file at the laboratory and will be retained indefinitely.

Subject: Webber, Anthony / Sims, Latanya

This report is supplemental to reports previously issued under the above listed file number.

On March 12, 2018, Detective Biddle requested function check examinations of the following submitted pistols.

Examination Conclusions

The Smith and Wesson pistol, FA-1, was examined, test fired, and determined to be functional. This pistol meets the criteria of an "assault weapon" as defined in section 30515 of the California Penal Code as it a semiautomatic pistol that does not have a fixed magazine, but has a threaded barrel, capable of accepting a flash suppressor, forward handgrip, or silencer.

The Glock pistol, FA-4, was examined. As received, the inside of the slide and frame were covered in a heavy viscous residue, resulting in light firing pin strikes (i.e. failure to fire). The slide was thoroughly cleaned with a cleaning solvent and was subsequently test fired and determined to be functional.

The Hi-Point Firearms pistol, FA-5, the FEG pistol, FA-6, and the Smith & Wesson pistol, FA-13, were each examined, test fired, and determined to be functional.

Laboratory Examinations

- Comparison Microscopy

Background on Laboratory Examinations Performed

- When a firearm is fired, microscopic marks can be imparted onto the fired ammunition components from the various parts of the firearm that they come into contact with. Depending on the type of firearm and ammunition used, microscopic marks may be imparted onto live ammunition by the cycling process alone. Comparison microscopy permits the evaluation of the microscopic marks present on ammunition components to determine how many firearms were used to fire them. If a firearm is submitted for examination, test fire specimens may be produced for the purpose of determining whether or not that particular firearm was used to fire the ammunition components.

Laboratory notes and supporting documentation exist in the case file at the laboratory and will be retained indefinitely.

Laboratory Case #: 18-007381
Victim: None listed
Subject: Anthony Webber

On February 5, 2018, Sergeant Biddle of the Los Angeles County Sheriff's Department Homicide Bureau requested the analysis of pants for the presence of gunshot residue.

Examination Conclusions

Numerous particles characteristic of gunshot primer residue and numerous particles consistent with gunshot primer residue were detected on the samples collected from the interior waistband of the pants. The presence of these particles is consistent with the interior waistband of the pants having been in an environment of gunshot primer residue. No statement can be made regarding the time of particle deposition.

Evidence Submission and Disposition

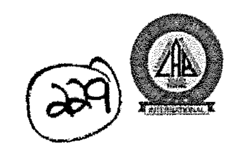
The following items were received on February 13, 2018 from the Evidence Control Section of the Laboratory in a large paper bag:

EV-15 a paper bag containing blue pants with belt, black underwear, and gray gloves; and
EV-16 a paper bag reportedly containing black shoes, two black socks, black t-shirt, and a black hooded sweatshirt.

The eight disks used to sample the blue pants and gloves were assigned to be PRELIMS item 13. On completion of the examination, all of the items of evidence will be returned to the Evidence Control Section.

Laboratory Examinations

The blue pants were photographed as received with a digital imaging workstation in the Trace Evidence Section. Four disks were used the sample the interior waist area of the pants. The four disk samples were examined for gunshot primer residue using a scanning electron microscope with energy dispersive spectroscopy (SEM/EDS).



Two disks were used to sample the interior of the front pockets of the blue pants. The gloves were photographed as received with a digital imaging workstation in the Trace Evidence Section. Two disks were used to sample the exterior surfaces of the gray gloves. The disks used to sample the pants pockets and the gloves were not examined at this time.

The black underwear was not examined at this time.

The paper bag containing the clothing submitted as item EV-16 was not opened and not examined at this time.

Background on Laboratory Examinations Performed

Gunshot residue analysis is an investigative tool which may place an individual or item in an environment of gunshot residue. Samples collected from hands, clothing, vehicles, or other items are examined for microscopic particles that are created from the discharge of a firearm.

Analysis of gunshot residue by scanning electron microscopy with energy dispersive spectroscopy (SEM/EDS) is a non-destructive technique that provides both morphological information and the elemental profiles of individual particles.

Particles classified as characteristic of gunshot primer residue contain the elements lead, antimony, and barium. Characteristic particles are primer residue from a discharged firearm.

Particles classified as consistent with gunshot primer residue generally contain the elements lead/barium, lead/antimony, barium/antimony, barium/aluminum, or lead. Consistent particles are found in primer residue, but also may originate from other sources.

Laboratory examination notes and supporting data exist in the case file and are maintained at the laboratory.

On March 12, 2018, Detective Biddle requested function check examinations of the following submitted pistols.

Examination Conclusions

The Smith and Wesson pistol, FA-1, was examined, test fired, and determined to be functional. This pistol meets the criteria of an "assault weapon" as defined in section 30515 of the California Penal Code as it a semiautomatic pistol that does not have a fixed magazine, but has a threaded barrel, capable of accepting a flash suppressor, forward handgrip, or silencer.

The Glock pistol, FA-4, was examined. As received, the inside of the slide and frame were covered in a heavy viscous residue, resulting in light firing pin strikes (i.e. failure to fire). The slide was thoroughly cleaned with a cleaning solvent and was subsequently test fired and determined to be functional.

The Hi-Point Firearms pistol, FA-5, the FEG pistol, FA-6, and the Smith & Wesson pistol, FA-13, were each examined, test fired, and determined to be functional.

On April 10, 2018, Detective Biddle requested an inter-comparison of fired cartridge cases and a caliber and general rifling characteristics determination of submitted fired bullets.

Examination Conclusions

The nine (9) fired 9mm Luger caliber cartridge cases, EV1 and EV10 through EV17, were identified as having been fired in the same firearm.

The eight (8) fired 9mm Luger caliber cartridge cases, EV2 through EV9, were identified as having been fired in a second firearm.

The fired bullet and bullet jacket, EV18 and EV20, respectively, are most consistent with bullets commonly loaded in 9mm Luger caliber cartridges. Firearms manufactured with general rifling characteristics similar to these items include, but are not limited to: Hi-Point Firearms.

The fired bullet, EV26, is most consistent with bullets commonly loaded in 38 Special caliber cartridges, which can be fired in 38 Special or 357 Magnum caliber firearms. Firearms manufactured with general rifling characteristics similar to these items include, but are not limited to, the following:

38 Special: Armscor, Colt, EIG Importers, and Miroku

357 Magnum: Colt and Coonan Arms

EV19 is a fired bullet core fragment and is of no comparison value.

CASE NO.: 2:18-cv-03684-FMO-AGR
[Assigned to Honorable Fernando M. Olguin, Courtroom 6D]

DECLARATION OF DETECTIVE RICHARD BIDDLE IN SUPPORT OF DEFENDANT COUNTY OF LOS ANGELES' EX PARTE APPLICATION TO QUASH PLAINTIFFS' SUBPOENA TO PRODUCE DOCUMENTS TO LOS ANGELES COUNTY DEPARTMENT OF MEDICAL EXAMINER-CORONER

DECLARATION OF DETECTIVE RICHARD BIDDLE

I, DETECTIVE RICHARD BIDDLE, declare and state as follows:

1. I am a detective with the Los Angeles Sheriff's Department Homicide Bureau. The foregoing facts are within my personal knowledge and, if called as a witness herein, I can and will competently testify thereto.

2. This case involves a deputy-involved shooting incident that occurred on February 4, 2018. One of my responsibilities as a detective with the Los

Angeles Sheriff's Department Homicide Bureau.is it to investigate the circumstances of the incident for witnesses, evidence, etc.

3. My investigation revealed that on Sunday, February 4, 2018 at approximately 7:40 p.m. Los Angeles Sheriff's Department ("LASD") deputies responded to a citizen's call for service of a black male, approximately 19 years old, wearing black shirt and blue jeans walking into the middle of 107th St. and Budlong Ave. in Los Angeles, CA 90044 and pointing a black handgun at the citizen.

4. I understand that Los Angeles County Sheriff's Department deputies arrived at the scene and encountered an armed individual fitting the description, the Decedent, in between the adjoining apartment complexes located at [redacted] and [redacted] After the deputies gave orders to "show his hands" and detained the Decedent at gunpoint, the Decedent ran further into the courtyard of the apartment complex. During the pursuit, the Decedent had a firearm tucked into his waistband and reached towards the firearm as if to attempt to shoot the deputies, which resulted in a deputy-involved shooting. I have been one of the main homicide investigators assigned to this case. Accordingly, my bureau has been collecting and is continuing to collect the evidentiary material and holding it in confidence to preserve the integrity of the investigation at this juncture. I have reviewed the material gathered thus far.

5. My investigation revealed that immediately after the shooting, several hostile residents exited their respective apartments and began to surround and harass the deputies, which resulted in the deputies' inability to adequately secure the scene until further backup arrived. During our investigation of this incident, we discovered information that lead us to believe that during this melee, a resident or bystander stole and hid the Decedent's firearm, and the Decedent's and Plaintiffs' Hoover street gang affiliations are being used to manipulate and intimidate

witnesses to the incident from testifying truthfully or at all.

6. I understand that the investigation as to the whereabouts of the Decedent's firearm, potential evidence tampering with the scene, gang intimidation of witnesses facilitated by the Plaintiffs, and the shooting deputy's conduct by my bureau, Los Angeles Sheriff's Department Internal Affairs Bureau ("IAB"), and the Los Angeles County District Attorney's Justice System Integrity Division ("JSID") are in the early stages, ongoing and continuing. Due to the ongoing nature of the investigation (which may involve possible criminal prosecution of third-parties believed to have tampered with the evidence), the circumstances of the incident, and in order to protect the investigation's integrity, I am unable to fully state each and every specific fact discovered in support of our belief that during this melee, a resident or bystander stole and hid the Decedent's firearm at this time.

7. However, I am of the firm belief based on the aforementioned circumstances that premature disclosure of the Los Angeles County Department of Medical Examiner-Coroner's documents and materials, which also include gun-shot residue and other reports requested by Homicide, JSID and/or the IAB in order to further the administrative and criminal investigations, requested by the Plaintiffs' subpoena to Plaintiffs who I have information have been using their gang-ties to intimidate and/or threaten witnesses may result in further spoliation of evidence, witness/evidence tampering and/or degradation of the integrity of the investigation.

8. Accordingly, I request that this Court quash the current subpoena and preclude disclosure of the request materials until the completion of the IAB, Homicide and JSID investigations for the aforementioned reasons.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. This Declaration was executed on July 6, 2018 in Los Angeles, California.

INITIAL INCISION:

The body cavities are entered through the standard coronal and standard Y-shaped incisions. Additional incisions were made in the back in order to recover multiple projectiles.

NECK:

The neck organs are removed en bloc with the tongue. There are no lesions to the lips or oral mucosa. There is no edema of the larynx. Both hyoid bone and larynx are intact and without fractures. There is no hemorrhage in the neck muscles or thyroid. The tongue when sectioned shows no trauma.

CHEST/ABDOMINAL CAVITY:

Left pleural cavity contains approximately 500 cc of blood. The left lung is partly collapsed. Soft tissues of the thoracic and abdominal walls are relatively well preserved. The subcutaneous fat of the abdominal wall measures 1 inch. The organs of the abdominal cavity have a normal arrangement and none are absent. There is blood collection in the peritoneal cavity.

CARDIOVASCULAR SYSTEM:

The aorta is fairly elastic. There are transverse lacerations of the abdominal aorta caused by gunshot wound. There is laceration of the pericardium caused by gunshot wound. There is a small amount of bloody fluid inside the pericardial cavity. The weight of the heart is 300 grams. It has normal configuration. Information Sources:

(1) LASD Homicide Bureau (323)890-5500

Investigation:

On Sunday 02/04/2018 at 2220 hours, Dispatcher Argumedo #[redacted] from the Los Angeles Sheriff Homicide made a first call to the Los Angeles County Medical Examiner-Coroner's Office to report a homicide of a 16 year-old Black male who apparently had a firearm and reached out to get it from his waist band until a Deputy fired his firearm at the decedent. On 02/05/2018 at 0300 hours, Lieutenant Larry Dietz assigned this case to me. I arrived on-scene at 0334 hours and I cleared the scene at 0525 hours. Forensic Attendant Michael Sanchez transported the decedent from the scene to the Decedent Services Unit. The decedent sustained multiple gunshot wounds. There are no suspect(s) or weapon(s) in custody. The decedent's firearm was not found at the scene.

Location:

The incident occurred and the decedent died at [redacted] West 107th Street Los Angeles, CA 90047.

Informant/Witness Statements:

The following information is preliminary pending further investigation.

I spoke with Detective Shepherd and Detective Baley at the scene and they told me the following:

On Sunday 02/04/2018 at 1940 hours, 911 was called into the Los Angeles Sheriff's Department of a Black male who was pointing a firearm at a vehicle while a female was driving. At approximately 2015 hours, Deputies were driving eastbound on west 107th street, but did not see the decedent or a vehicle. Deputies got out of their vehicle and walked in an access alleyway southbound. While the Deputies were in the alleyway, they spotted the decedent matching the description, and also saw a female through a broken fence on the southeast portion. Deputies saw a firearm in the decedent's waist band. Deputies gave him commands to stop. The decedent was cooperative at first, but took off running eastbound through a walkway, and went northbound through a walkway of an apartment complex. The female fled the scene. The decedent went into an apartment walkway and stopped by the gated entryway of the apartment complex. He turned around and reached for his firearm. One of the Deputies shot his firearm 13 times. The people from the apartment complex and people from the street rushed towards the Deputies and the decedent. It is believed one of the residents removed the decedent's gun. The decedent was unresponsive. The Los Angeles County Fire Department Engine #14 arrived on-scene. On Sunday 02/04/2018 Paramedic Burke determined death at 2029 hours. There were 12 9mm casings found at the scene

Scene Description:

The incident occurred in a walkway apartment complex located at [redacted] West 107th Street in Los Angeles. The walkway was located in the north central portion of the building. Located in the north portion were gates to the entry way of the courtyard. Located on the east and west portion were walls. Located in south portion were apartments. Located southwest was an alleyway entrance. The decedent was lying supine in the north portion of the walkway entrance. Located a couple feet south east of the decedent were multiple casings on the ground. Located a couple feet south of the decedent was a casing found on the ground.

* The reporting employee's supervisor determines that a separate complete Property Report would be a expeditious means of booking the evidence under the given circumstances.

AFFIDAVIT

Your affiant, Sergeant Richard Biddle, has been employed by the Los Angeles County Sheriff's Department for 36 years and is presently assigned to Homicide Bureau. I have been a Homicide Investigator for the past [redacted] and have investigated at least 80 homicide cases. Prior to my current assignment, [redacted] where I participated in the investigation of over 100 gang and non-gang related assaults, shootings and murder cases. I was then assigned as a detective for at least [redacted]

During my career, I have received extensive training and experience related to the field of narcotics, to include possession, possession for sales, sales, under the influence, and manufacturing of narcotics. [redacted] I have been assigned to [redacted] in the past and conducted hundred, if not over a thousand investigations and arrests for possession, possession for sale, sales, under the influence, and manufacture of narcotics. I have written and served hundreds of search warrants related to narcotics investigations. I have arrested and interviewed hundreds of suspects regarding narcotics charges. [redacted] I have testified as an expert numerous times regarding all aspects of narcotics in Municipal, Superior, and Federal Courts in Los Angeles County, Orange County, San Bernardino County, and San Diego County.

During my career, I also have received extensive [redacted]

[redacted] I have written and served hundreds of search warrants related to various fraud, forgeries, and identity thefts. I have also arrested and interviewed hundreds of suspects for various frauds, forgeries, and identity thefts. I have testified numerous times in Superior Court, as well as Federal court on the subject of various frauds, forgeries, and identity thefts.

[redacted]

I am aware of past studies and documentation from the Cellular Telephone Industry Association that there are at least 270,300,000 cellular phone subscriptions in the United States reaching 87% of the total population. It has been my experience that regardless of the crime, it is likely the suspect used a cell phone before, during, or after the commission of the crime. I am also aware that courts have recognized that cell phone are ubiquitous and in People v. Blair (1979 25 Cal. 3d 640,653) the court stated, "It is virtually impossible for an individual or business to function in the modern economy without a telephone, and a record of telephone calls provides a virtual current biography."

I am also aware of the Seventh Circuit Court ruling in U.S. vs. Seiver (7th Cir. 2012; 692 F.3rd 7774). In the Seiver decision, the court ruled regarding the staleness of digitally stored information on computers and or cellular phones. The court ruled probable cause to search a place or thing can exist only if there is a fair probability that the sought after evidence will be there when the search occurs. The issue in Seiver was whether it was reasonable to believe that data would remain stored on a computer for seven months.

The Seventh Circuit Court concluded that if officers have probable cause to believe evidence of a crime had been stored on a computer, it is unlikely that a delay of several months in seeking a warrant will render the probable cause "stale." There are two reasons for this. First, unlike drugs, computer data is not the type of evidence that rapidly dissipates or degrades. Second, even though a user can easily "delete" data on his computer, he cannot easily destroy the data.

The court explained:
When you delete a file, it goes into a "trash" folder, and when you direct the computer to "empty" the trash folder the contents of the folder, including the deleted file, disappear. But the file hasn't left the computer. The file seems to have vanished only because the computer has removed it from the user interface and so the user can't see it any more. But it's still there, and normally is recoverable by computer experts until it is overwritten because there is no longer unused space in the computer's hard drive. The court added that, although people can now purchase software that overwrites the data stored on a computer's hard drive, "the use of such software is surprisingly rare."

Lo.

I am also aware from training and experience that digital information is stored in cellular phones and that information is frequently is critical relevant evidence related to dominion and control of the actual cellular phone. In order to prove the relevance of a piece of evidence, it is necessary to prove from whom the evidence was seized. In order to do so, dominion and control over the location where that evidence was recovered is critical. This theory is true not only with respect to places (homes, businesses, vehicles) but also to digital locations (social media sites, email addresses, cellular phones, digital media storage devices).

This affidavit is intended to show only that there is sufficient probable cause for the requested warrant and does not set forth all of my knowledge about this matter.

On 2-4-18, your Affiant, Sergeant Richard Biddle and Investigator Francis Hardiman were assign to investigate a Deputy Involved Shooting that occurred on 2-4-18, at approximately 2017 hours at an apartment complex located at [redacted] 107 Street, Los Angeles.

We were informed Deputies Van Hoessen #[redacted] and [redacted] responded to a call for service at the [redacted] 107 Street apartment complex. An anonymous caller reported a young Male Black wearing a black shirt and jeans exited the apartment complex black gate and pointed a black handgun at the passing anonymous motorist.

Deputies Van Hoesen and [redacted] had been assigned to patrol duties in the neighborhood for several months and were familiar with the apartment complex in question. The deputies were aware members of the 107 Hoover gang frequent the apartment complex and surrounding area, specifically the rear parking area. The deputies had conducted several previous investigations involving gang activity in the area and knew the gang members frequently gathered in the rear parking area to avoid contact with deputies patrolling the neighborhood.

When Deputies Van Hoesen and [redacted] arrived at the location they did not observe anyone gathered in front of the complex. Deputies Van Hoesen and [redacted] walked south in the driveway directly west of the [redacted] 107 Street complex. As the deputies neared the middle of the driveway, they observed a large hole in the wooden fence allowing access to the rear parking area of [redacted] 107 Street. The deputies could further observe a young male Black and a young female Black standing on the other side of the hole in the fence near the rear parking area of [redacted] 107 Street.

The deputies shinned their flashlights at the two individuals and saw the male matched the physical and clothing description provided in the call of the male reported to be pointing a firearm at the passing motorist. Believing the male was the suspect involved in the man with a gun call, Deputy Van Hoesen pointed his pistol at the two person(s) and ordered them to stop and raise their hands. Both people complied, at which time Deputy Van Hoesen and Deputy [redacted] saw the male (Suspect Anthony Weber) had a black semi-auto pistol tucked in his front waistband between his undershirt and the actual waistband of the male's pants. Deputy Van Hoesen was close enough to

Weber to observe the pistol was a Smith & Wesson M&P pistol with "Talon" grips and a red dot holograph type sight.

Weber initially complied with Deputy Van Hoesen's commands to stand still and keep his hands up, but Weber then turned and ran eastbound away from the deputies. The female remained standing still with her hands raised up. Weber's actions and the deputies observations of Weber in possession of a pistol furthered their belief Weber was the person described in the man with a gun call.

Weber ran toward a hallway that allowed access to the south portion of the apartment complex from the rear parking area. Deputies Van Hoesen and [redacted] went through the hole in the wooden fence to access the rear. Deputy Van Hoesen followed Weber, while Deputy [redacted] briefly spoke with female and instructed her to not interfere with the deputies' investigation. Deputy [redacted] then began to follow Deputy Van Hoesen toward the apartment complex court yard. Weber reached the end of the hallway and turned north into the court yard.

Deputy Van Hoesen was leading the way toward the court yard and Deputy [redacted] followed Van Hoesen. When Deputy Van Hoesen reached the end of the hallway, Deputy Van Hoesen tactically looked into the court yard and saw Weber. Weber was running northbound with Weber's hands still raised in the air, with Weber's back towards Deputy Van Hoesen. Deputy Van Hoesen yelled commands for Weber to stop. Weber stopped running, started to turn around to face Deputy Van Hoesen, while lower his right hand toward Weber's waistband, the same area where Deputy Van Hoesen saw the pistol in Weber's waistband. Deputy Van Hoesen believed Weber was attempting to retrieve the pistol from Weber's waistband and attempt to shoot Deputy Van Hoesen and or Deputy [redacted] Deputy Van Hoesen fired several shots at Weber to stop Weber's violent actions.

Weber was struck by Deputy Van Hoesen's gunfire and fell face down on the ground. Deputy Van Hoesen was unable to observe Weber's hands and believed Weber still posed a threat to the deputies. During the shooting, the deputies saw several residents exiting their front doors from both the upstairs and downstairs apartments. The residents began entering the court yard, surrounding the deputies, while yelling obscenities, and threatening the deputies with physical violence. The deputies also observed a crowd of angry people approaching the north entry gate to the complex, while also yelling obscenities and threatening the deputies with physical violence. The crowds continued to approach the deputies from directions. The deputies were forced to direct their attention from Weber lying on the ground to the approaching crowd. The deputies used their radios and requested additional sheriff's Units respond to the location. Deputy Van Hoesen and Deputy [redacted] were forced to confront the hostile crowd by pointing their handguns at the approaching crowd, while giving the crowd commands to disperse and back away from the deputies. The deputies remained in the volatile position of confronting the crowd for several minutes until assisting Sheriff's Units arrived at the scene. While waiting for the assisting Sheriff's Units, Deputy Van Hoesen was forced to direct his complete attention away from

Weber.

Additional Sheriff's Units and Fire Department personnel arrived and were successful in gaining the crowd's compliance to back away from the deputies and Weber. The paramedics began treating Weber for his injuries; however crowd continued to be boisterous and threatening toward the deputies and paramedics. Additional Law enforcement resources were requested and required to maintain order and prevent the crowd from engaging with the deputies and paramedics.

The paramedics determined Weber had died from his injuries, at which time the crowd became even more contentious and threatening. While the paramedics were attempting to treat Weber, the paramedics did not find Weber in possession of a firearm. It was believed Weber discarded the firearm during the shooting and someone in the hostile crowd took the gun from the scene or the firearm was concealed underneath Weber's body. Because the paramedics pronounced Weber dead at the scene, the deputies were prevented by California State Law from searching Weber's body for the firearm until the Corner Investigator conducted a scene investigation related to the disposition of Weber's body.

The Corner Investigator arrived at the scene several hours later and conducted an initial investigation and examination of Weber's body. The Corner Investigator determined there not a firearm concealed underneath Weber's body or inside clothing. While the Coroner Investigator was conducting her examination at the scene, there were several upstairs residents within the apartment complex yelling obscenities and threats of physical violence toward the deputies and Coroner Investigators.

The Coroner Investigators also saw Weber had various tattoos that were consistent with Weber's membership in the Hoover Street gang.

As the investigation continued, a search warrant was served at [redacted] The facts of the search warrant service were documented in a supplemental report, which is attached and incorporated to this Affidavit as Exhibit #1.

Based on the information contained in this Affidavit and Exhibit #1, I formed the opinion the cellular phones seized from [redacted] contain digital evidence related to the following crimes:

- 107 Hoover gang members illegal possession of firearms
- 107 Hoover gang members involvement in robberies, gang related shootings, and murders
- 107 Hoover gang members involvement in gang activities
- Anthony Weber's possession of a Smith &Wesson 9mm pistol with a hologram sight just prior to the Deputy Involved Shooting

I believe the digital evidenced from cellular phones seized from Apartment [redacted] will consist of the following items:

- Dominion and control evidence regarding ownership and primary user of the cell phones collected from apartment [redacted]

- Dominion and control evidence related to the evidence items seized from apartment [redacted]

- Text messages/email communications between Weber and others relating to or indicative of gang activities and crimes

- Text messages/Email communications between Weber and others regarding Weber and or other gang members possessing firearms

- Text messages/Email communications between Weber and others that would provide investigative leads regarding the identity of potential witnesses to the Deputy Involved shooting as well as potential witnesses or victims related to gang related activities/crimes involving Weber and or other 107 Hoover gang members

- Photos or videos depicting Weber and or gang members in possession of firearms

- Photos or videos depicting Weber and other gang members' involvement in gang activity

- Text messages/Emails/Photos/Videos that may corroborate or exonerate Weber's possession and or access to firearms

I further believe the cell phones seized as evidence from apartment [redacted] were used to communicate with other individuals and as such **I am seeking evidence of ownership, use, and identification**. I know that ownership and control of a digital device can be placed at issue through a simple denial, "that is not my phone." In my training and experience some of the best ways to establish control are by searching the calendar, contacts, photo gallery, communications, settings, and social networking activity. The calendar often contains appointments specific to an individual such as birthdays and doctor's appointments. Contacts often contain friends and associates specific to an individual such as mom, dad, dentist, etc... A photo gallery often contains selfie photos that clearly depict the owner/holder of the phone. Communications via text messages, emails, and voicemails often identify the sender/recipient by name, additionally the context of the communications often identify the sender and/or recipient. Settings often contain user names, addresses, and phone numbers, wi-fi network tables, associated wireless devices (such as known wi-fi networks and Bluetooth devices), associated connected devices (such as for backup and syncing), stored passwords, and user dictionaries that can identify the owner/user of the device.

I am seeking evidence of communication. In my training and experience associates

communicate together via phone calls, text messages emails, and social network posts. These communications often contain direct and indirect statements about crimes. Furthermore, I know that communications rarely explicitly mention an intent to commit a crime. Instead they often allude to such an intent: "gunna go hustle" for instance may be a declaration of an intent to commit a theft crime, but without context it is meaningless. In my training and experience individuals often use digital devices and cellular devices to post messages to others on social networking applications. In my training and experience it is possible for cellular phone users to use a variety of messaging platforms including SMS, MMS, iChat, WhatsApp, call logs, and others. Therefore I seek to search all the communications evidence on the device to understand not only what was said, but what was intended and to whom it was said.

I am seeking evidence of location. In my training and experience cellular devices track historical locations in multiple ways, GPS location, wi-fi transmissions, metadata attached to files, cellular tower connections, and application data.

I am seeking evidence of association. I know that establishing the association of co-conspirators is important in proving a concert of action between multiple persons. In my training and experience some of the best ways of linking co-conspirators together is by searching the calendar, contacts, photo gallery, communications, application data, call logs, and social networking connections. In my training and experience a comparison of the calendars of multiple individuals can show an intent to act together and dispel the notion of an accidental meeting. In my training and experience when two or more individuals are in photographs together it demonstrates a mutual relationship. In my training and experience associates communicate together via phone calls, text messages and emails, therefore I am seeking the communications evidence to demonstrate the associations of the individuals in this case. In my training and experience a user's "connections," "buddies," and/or "friends," on social networking sites is indicative of who their associates are. Because this evidence is intended to be used to show associations of the user/owner of the device and co-participants I am seeking the above items regardless of the dates the information was created.

I am seeking specific evidence related to this case. In addition to the previous information, I believe the GPS location, financial information, cookies, bookmarks, web history, search terms and internet search history on digital devices and cellular devices may contain relevant evidence. Therefore, by this warrant I am seeking permission to search all the metadata, file data, setting data, photographic and video data, and communication data on any digital device.

DIGITAL FORENSIC EXAMINATION

Based on my knowledge, training, and experience, I know that digital files or remnants of such files can be recovered months or even years after they have been downloaded onto a hard drive or other storage device, deleted or viewed via the Internet. Digital files downloaded to a storage device can be stored for years and remains on the storage device until it is overwritten by new data.

Therefore, deleted files, or remnants of deleted files, may reside in free space or slack space—that is, in space on the storage device that is not currently being used by an active file—for long periods of time before they are overwritten. In addition, device's operating system may also keep a record of deleted data in a "swap" or "recovery" file.

Similarly, files that have been viewed via the Internet are typically automatically downloaded into a temporary Internet directory or "cache." The browser often maintains a fixed amount of space devoted to these files, and the files are only overwritten as they are replaced with more recently viewed Internet pages or if a user takes steps to delete them.

Based upon my knowledge, training and experience, I know that searching for information stored in cellular devices often requires that the device be accessed and searched using specialized programs or tools by a qualified expert in a controlled environment. This is often necessary to ensure the accuracy and completeness of such data, and to prevent the loss of the data either from accidental or intentional destruction. Data search processes are designed to recover even "hidden," erased, compressed, password protected, or encrypted files. Because digital evidence is vulnerable to inadvertent or intentional modification or destruction (both from external sources or from destructive code imbedded in the system as a "booby trap"), a controlled environment may be necessary to complete an accurate analysis.

In light of these concerns, I hereby request the Court's permission to conduct an off-site search of the hardware for the evidence described and to employ the use of outside experts who will use whatever data analysis techniques appear necessary to locate and retrieve the evidence described.

As required by Penal Code § 1546.1 (d); those items that are within the scope of this warrant will be copied and retained by investigative agents. Investigating agents will then seal any information from the device that is unrelated to the objective of the warrant and will not further review the information absent an order from the Court.

If no evidence of criminal activity is discovered relating to the seized property and associated peripherals, the devices will be returned promptly.

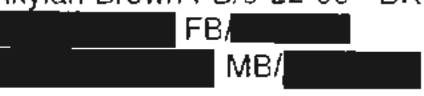
SEARCH WARRANT SERIVCE [redacted]

The South Los Angeles Operation Safe Streets Team (OSS) had conducted an investigation involving several gang related robberies, shootings, and assaults occurring near W 107 Street, Los Angeles, involving 107 Hoover gang.

The OSS Detectives obtained search warrants for multiple residences on the 1200 block of West 107 Street. On 3-7-18, at approximately 0600 hours, the search warrants were severed at the West 107 Street locations.

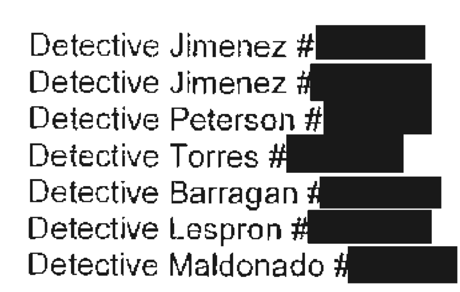
The Los Angeles County Sheriff's Special Enforcement Bureau Team (SEB) served the search warrant at [redacted] and detained the following person(s) from inside residence:

Joquan Brown MB/11-5-75 BK #5251020
Titanisha Jiles FB/3-2-88 BK #5251043
Antaijah Williams FB/11-19-97 BK #5251037
Akylah Brown FB/9-22-99 BK #5251045


[redacted] FB/[redacted]
[redacted] MB/[redacted]

The SEB Team secured the location, at which time the following members of the South Los Angeles Detective Bureau began searching the location:

Sergeant Rojas #[redacted]



Detective Jimenez #[redacted]
Detective Jimenez #[redacted]
Detective Peterson #[redacted]
Detective Torres #[redacted]
Detective Barragan #[redacted]
Detective Lespron #[redacted]
Detective Maldonado #[redacted]

Detective Torres found a Raiders back pack **(Item #11)** on the master bathroom shelf. The back pack contained a 38 caliber Colt revolver **(Item #12)** and several different types of ammunition **(Item #22).** Detective Torres also found a 40 caliber Smith & Wesson pistol **(Item #13)** on the shelf underneath the Raider's back pack.

Detective Lespron saw there were three pistols **(Items #4, #5, and #6)** and a box of 9mm ammunition **(Item #7)** on the top shelf of the hallway bathroom.

Detective Maldonado found a tan purse **(Item #2)** on the top closet shelf of the S/W bedroom. Detective Maldonado saw the purse contained a Smith & Wesson 9mm pistol with a red dot hologram sight **(Item #1).** Detective Maldonado recognized the pistol with the hologram sight matched the description of the pistol Anthony Weber observed possessing moments before an Deputy Involved shooting occurred on 2-4-18. Based on Detective Maldonado's observations, the Detective Bureau Team stopped searching the residence and sought guidance from the Homicide Bureau.

While the South Los Angeles Detective Bureau Team was searching the apartment, **Latanya Sims (FB/3-1-75)** arrived at the location and identified herself as the resident of the location and the parent of [redacted] **(FB/**[redacted] and [redacted] **(MB/**[redacted]**.** Sims added she was present inside the apartment the previous night and was returning to take her children to school. Based on Sims statements and the fact Sims is the actual resident of apartment [redacted] she was detained pending further investigation. We (Sergeant Richard Biddle and Investigator Francis Hardiman) subsequently responded to the location and assumed control of the investigation.

We were assisted in completing the search warrant service of [redacted] by Forensic Identification Specialist (FIS) Sue Baker [redacted] Baker took overall photographs within the apartment, photographed individual evidence items, and assisted in collecting the identified evidence items.

I searched the Master bedroom and collected Evidence Items **(#3, #27, and #28).** Investigator Hardiman searched the S/W bedroom that contained a children's bunk bed set. Investigator Hardiman collected several documents in different person(s) names **(Item #25)** from the S/W bedroom.

Investigator Hardiman and I searched the hallway bathroom and saw there were shelves next to the shower, directly across from the toilet. There was a Glock 9mm

pistol with an extended magazine **(Item #4)**, a Hi Point 9mm pistol **(Item #5)**, a "FEG" 9mm pistol **(Item #6)**, and a box of LAX 9mm ammunition **(Item #7)** in plain view on the top shelf.

We found a large blue bag **(Item #8)** on the living room floor near the hallway entrance along the s/w living room interior wall. There were (2) shirts **(Item #9)** in the living room. The shirts were obviously related to Anthony Weber protests and depicted Webber displaying a 107 Hoover gang sign. There was also a box containing several cellular phones **(Item #10)** on the living room floor. The cell phones were collected by the South Los Angeles Detective Bureau Team from the person(s) initially detained from within the residence, as well as cell phones found throughout the apartment.

We also found a red folder **(Item #19)**, a brown back pack **(Item #18)**, a wallet **(Item #17)**, empty case **(Item #14)** for the Hi-Point pistol **(Item #5)** found in the hallway bathroom, a white styro foam cup **(Item #15)** with 107 Hoover gang graffiti, and a glass vase with notations regarding Anthony Weber **(Item #16)** on top of the dining room table.

We found an Audi vehicle key fob **(Item #21)** on the shelves next to the dining room table and several documents in different person(s) names **(Item #24)** in the living room and dining room area. We also collected two large posters **(Item #20)** from the west interior living room wall. The posters were related to protests regarding Anthony Weber and the Deputy Involved shooting.

Based on the following observations within Apartment [redacted] we requested a representative from the Department of Children and Family Services (DCFS) respond to the location to evaluate the living conditions of Sims' two young children:

Obvious unsafe storage of several loaded firearms, easily accessible to Sims two young children

Gang graffiti and paraphernalia in plain view in the living room and dining room area

Sims left her children in the care of (4) young adults, who appeared to have minimal skills and abilities to care for two young children

DCFS Worker Erasmo Aguilar arrived at the location, conducted an on scene investigation, and placed Sims' two children into protective custody.

Based on the following facts and factors, we formed the opinion there was probable cause to believe Sims, Joquan Brown, Titanisha Jiles, Antaijah Williams, and Akylah Brown were accessories before and after the fact related to on-going 107 Hoover gang crimes:

The firearms found inside apartment [redacted] were stored in such a manner that anyone

present inside the location would likely be aware of the firearms

107 Hoover gang graffiti and paraphernalia were in plain sight in the living room and dining room.

The South Los Angeles OSS Team was conducting several investigations of recent gang related shootings and armed robberies involving several different 107 Hoover gang members

107 Hoover gang members are suspected of committing at least two gang related murders since November 2017, using firearms consistent with the type and caliber of firearms seized from apartment [redacted]

On 2-4-18, Anthony Weber (A 107 Hoover gang member) was involved in an assault with a firearm and a subsequent Deputy Involved Shooting, where Weber was observed possessing the same type of pistol with a Holographic sight as found inside apartment [redacted]

We subsequently arrested Latanya Sims, Joquan Brown, Titanisha Jiles, Antaijah Williams, and Akylah Brown and they were booked for the indicated charges at South Los Angeles Sheriff's Station with the approval of the Watch Commander.

Law enforcement may monitor the signals broadcast by the **Subject Telephone Number(s)** and use that information to determine the **Subject Telephone Number(s)**'s location, even if it is located inside a house, apartment, or other building. The investigative device may briefly interrupt cellular service of phones or other cellular devices within its immediate vicinity. Any service disruption to

non-target devices will be brief and temporary, and all operations will attempt to limit the interference with such devices. In order to connect with the **Subject Telephone Number(s)**, the device may briefly exchange signals with all phones or other cellular devices in its vicinity. These signals may include cell phone identifiers. The device will not complete a connection with cellular devices determined not to be the **Subject Telephone Number(s)**, and law enforcement will limit collection of information from devices other than the **Subject Telephone Number(s)**. To the extent that any information from a cellular device other than the **Subject Telephone Number(s)** is collected by the law enforcement device, law enforcement will delete that information, and law enforcement will make no investigative use of it absent further order of the court, other than distinguishing the **Subject Telephone Number(s)** from all other cellular devices.

The following paragraph only pertains to information and services which shall be provided within **24 hours** of request for the time period beginning the date this Search Warrant was signed by the court and continuing for a **30-day-period (Pursuant to 1534(b)(1))** from the date this Search Warrant was signed by the Court, as it pertains to real time GPS precision location information:

- **GPS Precision Location Information:** Service Provider shall initiate a signal to determine the location of the Target Telephone Number(s) mobile device on the Service Provider's network or with such other reference points as may be reasonably available at five (5) minute intervals for a **30-day-period,** from the date this Search Warrant was signed by the Court. Service Provider shall provide this information over the telephone upon demand and/or send the information to the e-mail addresses provided by **Los Angeles County Sheriff's Department (LASD) and/or the United States Secret Service (USSS).**

IT IS ORDERED that Service Provider shall notify the Los Angeles County Sheriff's Department of any changes to the Target Telephone Number(s) and/or the account associated with the Target Telephone Number(s) during the time period covered by this Search Warrant.

IT IS ORDERED that the Target Telephone Number(s) account remain active during the time period covered by this Search Warrant even if it has been scheduled for deactivation due to non-payment or breach of contract. The law enforcement agency executing the Search Warrant will incur future billing costs at the point of deactivation and compensate Service Provider for such additional billing costs from the date of deactivation and continuing through the time authorized by this Search Warrant.

IT IS ORDERED that the Service Provider upon the direction of any law enforcement agent, shall conduct an IMEI inquiry of the corresponding Subject Telephone Number(s) IMEI to determine all IMSI/cellular telephone numbers utilized with the aforementioned devices from the time period starting **Thirty (30) days prior to the signing of this warrant**, up through the date this warrant is signed. Any and all related wireless carriers shall then provide account information, subscriber information, call detail records with cell sites, SMS history and content, data sessions with IP addresses for logins, PCMD, RTT, historical GPS, and NELOS data for the IMSI/cellular telephone numbers identified from the aforementioned IMEI inquiry for the time period starting **Thirty (30) days prior** to the signing of this warrant, through the date this warrant is signed. That the Service Provider(s) upon the direction of any law enforcement agent conduct a search of the IMSI information corresponding to Target Telephone Number(s) beginning **Thirty (30) days prior** to the signing of this warrant, until present to determine if that IMSI was used in any other devices and the respective Service Provider shall provide IMEI history information for all devices identified to include all associated IMSI/cellular telephone numbers for those devices beginning **Thirty (30) days prior to 01/01/2018** and continuing **Thirty (30) days after** the signing of this warrant, as authorized. Service Provider(s) shall provide account information, subscriber information, call detail records with cell sites, SMS history and content, data sessions with IP addresses for logins, PCMD, RTT, historical GPS, and NELOS data, for the identified IMSI/cellular telephone numbers for a period beginning **Thirty (30) days prior to 01/01/2018** and continuing for **Thirty (30) days from the signing date of this Warrant**, as authorized.

IT IS ORDERED that Service Provider shall furnish information, facilities, and technical assistance 24 hours a day, 7 days a week, necessary to accomplish the installation and operation of the pen register/trap-and-trace unobtrusively and within minimum disruption of normal telephone service.

IT IS FURTHER ORDERED, that the Los Angeles County Sheriff's Department, or any other law enforcement department/agency, including, the United States Secret Service (USSS), the Federal Bureau of Investigation (FBI), the Los Angeles Police Department (LAPD), the Los Angeles Regional Criminal Information Clearinghouse (LACLEAR), and any other local, state or federal agency, working in conjunction with the Los Angeles County Sheriff's Department, is authorized to utilize any lawful means and/or equipment to further analyze the requested data received from the respective telephone company(s) in an effort to ascertain the current location of said cellular device at any time of the duration of this Search Warrant.

FURTHERMORE, I find there is probable cause to believe the information sought by way of this Search Warrant could aid in the lawful use of a "Tracking Device" and/or Cell Site Simulator which could assist law enforcement in locating and/or identifying the individual(s) described and/or responsible for the crime(s) described in this Search Warrant and authorize the use of any lawfully possessed "Tracking Device" and/or Cell Site Simulator in conjunction with the records sought by this Search Warrant.

"Tracking Device" defined pursuant to California Penal Code §1534(b)(6): As used herein, the term "Tracking Device" means any electronic or mechanical device that permits the tracking of the movement of a person or object.

IT IS FURTHER ORDERED, that, based on the details described within the Probable Cause of this Search Warrant, the **Service Provider(s)** is ordered to execute/provision the Target Telephone(s) "Forthwith" and begin sending/providing the requesting agency the information authorized pursuant to this Search Warrant, upon receiving this Order, regardless of the time of day or night, or **Service Provider(s)** "normal" business hours.

NON-DISCLOSURE ORDER / DELAYED NOTICE OF SERVICE OF WARRANT REQUEST (Pursuant to Penal Code § 1534(b)(4)): IT IS HEREBY ORDERED, good cause having been established in the affidavit filed herewith, that Service Provider, including any of their representatives, agents and employees, shall not disclose in any manner, directly or indirectly, by any action or inaction, the existence of this Search Warrant or the existence of this investigation to the subscriber(s) of the Target Telephone Number(s) or the subscriber(s) of the incoming calls to or outgoing calls from the Target Telephone Number(s), nor are law enforcement officers required to serve a copy of this warrant or notify the person who was tracked or whose property was tracked for a period of **90 days**, as doing so would impede the investigation.

STATEMENT OF PROBABLE CAUSE

Your affiant, Detective Richard Biddle has been a Peace Officer in California since [redacted] I am currently assigned to the Los Angeles County Sheriff's Department Homicide Bureau. My duties include the investigation of murders and deputy/officer involved shootings in Los Angeles County.

This affidavit is made in support of a Search Warrant requesting the following telephone related information: **Subscriber/Account Information, Call Detail Records with Cellular Site Location, GPS Precision Location Information, PEN Register/Trap-and-Trace with Cellular Site Location for the Target Telephone Number(s)** and **Use of a Cell Site Stimulator** related to violations of **California Penal Code Section 664/245 PC, Attempt Assault with a Deadly Weapon and 32 PC Accessory, as well as determine the whereabouts of Deandre Hoy for the purpose of arresting him for an arrest warrant for illegal possession of firearms.**

INVESTIGATION

This affidavit is intended to show only that there is sufficient probable cause for the requested warrant and does not set forth all of my knowledge about this matter.

On 2-4-18, your Affiant, Sergeant Richard Biddle and Investigator Francis Hardiman were assign to investigate a Deputy Involved Shooting that occurred on 2-4-18, at approximately 2017 hours at an apartment complex located at [redacted] 107 Street, Los Angeles.

On 2-4-18, Subject Anthony Weber was involved in an assault with a deadly weapon incident in front of [redacted] W 107 Street, Los Angeles. Weber was identified as a person who pointed a black pistol at a motorist, who was driving past the [redacted] W 107 Street apartment complex. The motorist called 911, reported the crime, and approximately 20

minutes later deputies from the South Los Angeles Sheriff's Station arrived at the scene.

The deputies exited their patrol unit and approached the apartment complex, which they knew was a location frequented by local 107 Hoover gang members. The deputies found Anthony Weber and a female standing together talking in the rear portion of the apartment complex parking area. The deputies believed Weber was the person involved in the earlier assault with a firearm upon the passing motorist and attempted to detain Weber and the female. The deputies gave Weber and the female commands to raise their hands in the air. Weber and female initially complied, at which time one of the deputies observed Weber had a very distinctive type of a semi-automatic pistol in his waistband. The deputy described the pistol as a Smith & Wesson M&P with a red dot holographic sight.

After raising his hands in the air, Weber turned and ran away from the deputies toward the apartment complex court yard. The deputies chased after Weber, but lost sight of Weber as he ran through a hallway and entered the court yard. When the deputies reached the court yard, the first deputy saw Weber running north through the court yard. The deputy gave Weber commands to stop and surrender. Weber stopped running, turned back toward the deputy, while lowering his hands to Weber's waistband area. An Officer Involved Shooting (OIS) then occurred and Weber was shot. Weber fell to ground, at which time a large hostile crowd gathered around the deputies preventing the deputies from immediately securing Weber and providing Weber with aid. Once additional deputies arrived at the scene and order was restored, paramedics began treating Weber. The paramedics pronounced Weber dead at the scene and the deputies were unable to locate the pistol Weber had when he began running from the deputies. The Coroner Investigator arrived at the scene and conducted a preliminary examination of Weber's body and did not locate a firearm in Weber's possession.

The on-going investigation indicated Weber may have discarded the pistol while running from the deputies or someone in the hostile crowd removed the pistol from the scene, before the deputies were able to secure the scene.

Early in the DIS investigation, we (Sergeant Richard Biddle and Investigator Francis Hardiman) became aware of a "Facebook Live Video" that was streamed on the internet on Friday afternoon, February 2, 2018. The Facebook Live video was from an account associated with Lorenzo Hall, who is a known Hoover gang member with the moniker, "Infant Killa Box." The video depicted Hall and other Hoover gang members, including Anthony Weber inside apartment [redacted] at [redacted] W 107 Street. In the beginning of the video, Hall is depicted facing the camera. Hall could be seen pointing a Smith & Wesson M&P pistol with a silver threaded barrel and holographic red dot sight at the camera, while holding the pistol in Hall's left hand. The video continues and depicted Hall, Weber, and the other gang members dancing and flashing 107 Hoover gang

signs, while rapping a gang related song. The video continued for several minutes and recorded Hall, Weber, and the other gang members exit the apartment and gather in the complex court yard. We were able to confirm the video was filmed inside apartment [redacted] and the court yard of [redacted] W 107 Street.

LAPD INVESTIGATION AT [redacted] W 107 STREET [redacted]

On 2-5-18, we became aware members of the Los Angeles Police South East gang Team had monitored Lorenzo Hall's Facebook page on the afternoon of 2-2-18. The LAPD Officers were familiar with 107 Hoover gang members and recognized Hall, Weber, and other Hoover gang members depicted in the video. The LAPD Officers saw Hall was in possession of S&W M&P pistol with a holographic red dot sight in the video. The LAPD Officers also recognized the video was filmed the same afternoon at [redacted] W 107 Street [redacted] The LAPD Officers subsequently went to [redacted] W 107 Street [redacted] to investigate further regarding illegal possession of a firearm by known criminal street gang members.

The LAPD Officers contacted Hall and the below listed persons inside apartment [redacted]:

Tyre McFadden MB/2-12-95
[redacted] MH/[redacted]
[redacted] MB/[redacted]
[redacted] FB/[redacted]
[redacted] FB/[redacted]
Akylah Brown FB/9-22-99

The LAPD Officers determined Anthony Weber was not present inside apartment [redacted] The LAPD Officers conducted a parole compliance search of the apartment, but were unable to locate the Smith & Wesson pistol Hall possessed during the filming of the video just a few hours before.

SEARCH WARRANT SERVICE AT [redacted]

On 3-7-18, South Los Angeles Sheriff's Station Operation Safe Streets Team (OSS) served several search warrants at different residences on W 107 Street regarding various 107 Hoover gang members' participation in recent gang related armed robberies and gang related shootings. A search warrant was served at [redacted] and (6) firearms were seized from within the apartment. One of the seized firearms was a Smith & Wesson M& P pistol with a silver threaded barrel and a red dot holographic sight, just like the pistol the deputy saw in Weber's waistband on 2-4-18 and just like the pistol Hall possessed during the filming of the Facebook Live video on 2-2-18.

Several items of Hoover gang paraphernalia and items associated with Anthony Weber were also seized from inside apartment [redacted] The following person(s) were found inside the apartment and detained at the time of the warrant service:

Joquan Brown MB/11-5-75 BK #5251020
Titanisha Jiles FB/3-2-88 BK #5251043
Antaijah Williams FB/11-19-97 BK #5251037
Akylah Brown FB/9-22-99 BK #5251045
[redacted] FB/[redacted]
[redacted] MB/[redacted]

Investigator's Note: Akylah Brown was also present at [redacted] on 2-2-18, when the LAPD Officers conducted their investigation regarding Hall and other gang members possessing the unique Smith & Wesson pistol in the Facebook Live video.

LORENZO HALL FOLLOW UP

Based on the following facts, we believed Lorenzo Hall likely gave the Smith and Wesson pistol to Weber and Hall had knowledge regarding the gun Weber used to assault the passing motorist and possessed prior to the Officer Involved Shooting:

- Lorenzo Hall's Facebook Live video depicted Hall possessing the unique Smith & Wesson pistol, as described by the deputy in Weber's waistband just prior to the Officer Involved Shooting

- Lorenzo Hall is known 107 Hoover gang member

- Anthony Weber was also present and depicted in the video filmed on 2-2-18, with Hall possessing the unique pistol

- The video was filmed in the same complex where Weber committed the armed assault upon the passing motorist and was later observed by the deputy in possession of the unique pistol in Weber's waistband

- The unique Smith & Wesson M & P pistol with a silver threaded barrel and red dot sight was seized on 3-7-18, in apartment [redacted] of the complex next door to the complex where Hall filmed the 2-2-18 video inside apartment [redacted] and the complex where the DIS occurred on 2-4-18

We subsequently learned Hall has several felony arrests and prior felony convictions, as well as an outstanding felony arrest warrant for 459 PC from the Bakersfield Police Department.

LORENZO HALL ARRESTED

On 4-1-18, we learned Hall was in custody at South Los Angeles Sheriff's Station for his Bakersfield arrest warrant.

On 4-2-18, Hall was transferred to the Los Angeles County Jail Inmate Reception Center (IRC) and we responded to IRC to interview Hall regarding the gun he possessed in the 2-2-18, video, as well as Hall's knowledge regarding Weber and Weber's involvement in the DIS.

LORENZO HALL INTERVIEW

On 4-2-18, at approximately 1145 hours, we interviewed **Lorenzo Hall (MB/10-18-92; BK #5272524)** at an IRC interview room. Investigator Hardiman advised Hall of his rights, which Hall understood and waived. The following is a synopsis of the recorded interview:

Hall admitted he was a Hoover gang member, but claimed he currently was not actively involved with the gang. We saw Hall had various tattoos on his face, neck, and arms consistent with Hoover gang membership. Hall admitted several of his tattoos were in fact Hoover gang tattoos that indicated Hall is a Hoover gang member. Hall also admitted his gang moniker is "Infant Killa Box."

Hall said he was friends with Anthony Weber, but denied knowing if Weber was a Hoover gang member. We played the 2-2-18, video from Hall's Facebook account and Hall identified himself in the video pointing the Smith & Wesson pistol with a red dot sight and silver threaded barrel at the camera. Hall confirmed the video was filmed on 2-2-18, at [redacted] Hall knew the pistol was a real firearm. Hall said he possessed the pistol that day but refused to state who gave him the pistol. Hall said he had the pistol because he was at the apartment complex with other Hoover gang members and he need to have a gun to be on "patrol and posted" in case rival gang members confronted the Hoover gang members at the complex. Hall described the pistol as a "Hood gun" that various Hoover gang members shared and possessed. Hall gave us an example of how different Hoover gang members shared the pistol. Hall said it was similar to COPs at a police station. Hall said when COPS begin their shift, they are assigned a gun to use during their shift and at the end of the shift the same gun is assigned to a different officer for the next shift. Hall said he had the pistol that day because he took over the shift of "Posting" and protecting the gang from a different gang member. Hall refused to tell us who gave him the gun that day, or who Hall gave the gun to later that night, because Hall could not provide information about fellow gang members.

Hall further confirmed LAPD Officers arrived at [redacted] a few hours after the video was filmed. Hall and other Hoover gang members were detained; the LAPD Officers searched the apartment, but did not find the pistol Hall possessed earlier during the video filming.

Hall said he was not present in Los Angeles on 2-4-18, at the time Weber was shot by the deputy. Hall claimed he took a bus to Las Vegas on 2-4-18, at 0500 hours to watch the Super Bowl game with relatives.

We showed Hall a photo of the Smith & Wesson pistol with the red dot sight and silver threaded barrel seized from [redacted] on 3-7-18. Hall said the gun in the photo was similar to the gun Hall possessed in the video on 2-2-18.

RECORDED JAIL CALLS

As part of the on-going investigation, we reviewed recorded jail calls from known Hoover gang members incarcerated in the Los Angeles County Jail that were related to Anthony Weber and the Deputy Involved Shooting. The information regarding the jails calls was documented in a Sheriff's Department Supplemental Report, which is attached and incorporated to this Affidavit as Exhibit #1.

[redacted] SEARCH WARRANT SERVICE

The investigation identified [redacted] as Anthony Weber's girlfriend and we became aware of information implicating [redacted]s involvement with Weber's gang activities and evidence related to the Deputy Involved Shooting. We subsequently obtained a search warrant for [redacted]s cell phone and seized her phone. The search warrant service was documented in a Supplemental report, which attached and incorporated to this Affidavit as Exhibit #2.

DCFS REPORT RELATED TO SEARCH WARRANT SERVICE AT [redacted]

On 4-26-18, we obtained a copy of the Department of Children and Family Services report related to the search warrant service at [redacted] The report regarding the DCFS interviews is attached and incorporated to Affidavit as Exhibit #3.

Based on the information contained in this Affidavit, as well as Exhibits #1, #2, and #3, I formed the opinion evidence related to the following will be found within Deandre Hoy's residence, Hoy's vehicle, and Hoy's cell phone:

- Anthony Weber's involvement and membership in the 107 Street Hoover gang
- Anthony Weber's illegal possession of firearms

- Anthony Weber's previous use of firearms in gang related crimes
- Anthony Weber and "Leto's" (Deandre Hoy) possession of a S&W M&P pistol with a red dot holographic sight on 2-4-18
- The illegal possession of a S&W M&P pistol with a holographic sight by Lorenzo Hall in the Facebook Video, with Anthony Weber on 2-2-18
- Deandre Hoy's membership and involvement in gang activities related with the Hoover street gang
- Deandre Hoy's illegal possession of firearms stored in [redacted]

I believe the evidence from Hoy's residence, vehicle, computers, and cell phone will consist of the following items:

- Dominion and control evidence regarding ownership of Hoy's cell phone, vehicle, and residence

- Text messages/email communications between Weber, [redacted] Hoy, and others relating to or indicative of gang activities and crimes and illegal possession of firearms

- Text messages/Email communications between Weber, Hoy, [redacted] and others regarding Weber and Hoy and or other gang members possessing firearms

- Text messages/Email communications between Weber, Hoy, [redacted] and others that would provide investigative leads regarding the identity of potential witnesses to the Deputy Involved shooting as well as potential witnesses or victims related to gang related activities/crimes involving Weber and or other 107 Hoover gang members

- Photos or videos depicting Weber, Hoy, and or gang members in possession of firearms

- Photos or videos depicting Weber, Hoy, [redacted] and other gang members' involvement in gang activity

- Text messages/Emails/Photos/Videos that may corroborate or exonerate Weber and Hoy's possession and or access to firearms

- Text messages/Emails/Digital photos that would provide investigative leads regarding the identity of potential witnesses, who may have been threatened or intimidated by [redacted] or other gang member regarding the DIS or other gang crimes

- Hoover gang paraphernalia, such as photos, distinctive Hoover clothing, and graffiti

I am aware Hoy is currently on parole. I spoke with Hoy's Parole Officer and the parole officer confirmed Hoy resides at [redacted] with relatives. However, I have monitored several recorded jail calls between Inmates at the County Jail and Hoy in the month of April. Several of the recorded calls had conversations that clearly indicated Hoy frequently travels to Las Vegas with other Hoover gang members and stays in Las Vegas for undetermined time periods.

Also as documented in Exhibit #3, the children who live at [redacted] stated Hoy is their Uncle and also said resides and hides guns inside the apartment.

Based on the information contained in this affidavit, I believe that accessing the information for the target phone will allow me to determine Hoy's actual residence and whereabouts to assist in arresting Hoy for the arrest warrant.

SEALING

I am seeking a sealing order for the below portions of the warrant.

Penal Code section1546.2(a) requires a copy of this warrant be provided to the "target" of the warrant upon execution of the warrant.

I am asking that notification be delayed pursuant to PC1546. I believe that an adverse result would occur (pursuant to 1546(a)(2), 1546(a)(3), and 1546(a)(5)) should

the parties to this warrant be notified contemporaneously the service of the warrant. Should the targets of this investigation become aware that they are under investigation, I believe, based on prior experience with compromised investigations that the suspects of that investigation will flee, destroy or tamper with evidence, all of which would cause jeopardy to the effective conclusion of the investigation.

I am seeking this sealing order under the provisions laid out for delayed notification in Penal Code Section 1546. The sealing will remain in effect until ordered by a court of competent jurisdiction, or until 90 days after the date of this warrant. The delayed notification will last for 90 days from the date of this order, unless an extension is granted.

The parties will be notified that a warrant was served and they will be provided with all portions of the warrant, once a court of competent jurisdiction determines that the requested sealing is no longer necessary, OR as each of the targets of this order have been contacted by law enforcement.

CELLULAR PHONE INFORMATION

I have a basic understanding of how the cellular telephone network operates. I know that when any person makes or receives a phone call on their cellular phone, the following information for each call is stored by their respective phone company for at least one year: date, time, duration, phone number dialed or received numbers (even if caller identification is blocked by the calling party), text message transaction data, IP packet data session logs, and cellular tower location/sector at the beginning and

ending of the call/data session. This is very basic information and does not provide an exact location of the person nor does it identify the other party.

I am aware that cellular towers are strategically placed throughout the world by phone companies in an attempt to provide a seamless operation so people can travel virtually anywhere and make or receive a call. Usually, a typical cellular phone tower will be mounted up high on a large pole, building, or other structure which provides an unobstructed view of the population below. Cellular towers are divided into sectors, depending on the cellular provider. Each individual sector is mounted on the tower and faces a specific direction to provide maximum cellular coverage for the people in the area. The range of the tower depends on environmental factors and whether it is located in a highly populated urban environment or desolate rural area. Cellular towers do not provide an exact location of the suspect; they can only provide the physical location of the tower itself and a direction from the tower which can cover an area anywhere from 0-20 miles.

I am aware some cellular companies offer GPS capabilities and/or cellular tower triangulation to law enforcement after receiving a Search Warrant, while other cellular companies do not offer either of these services and can only provide cellular tower locations. Utilizing GPS and/or cellular tower triangulation gives a much smaller area to search and greatly increases the likelihood that law enforcement will be able to locate the suspect and/or Target Telephone(s). Cellular companies typically provide GPS and/or cellular tower triangulation at fifteen-minute intervals, not on a real-time basis. Indeed, this location information is beneficial and definitely helps law

enforcement get into an area where the suspect may be; however, traditional and non-traditional investigative techniques are still required to locate the suspect and/or Target Telephone(s) exact location.

I am aware of the ease of being able to purchase a pre-paid phone has caused law enforcement problems when attempting to locate wanted felons because it becomes very difficult, sometimes impossible, to determine the identity of a subscriber when it is allowable to use a false name, such as "Mickey Mouse" or "John Doe," when obtaining/purchasing a pre-paid cellular phone account.

I have personally encountered many false subscriber names and addresses associated to cellular telephone subscriptions during past investigations. It seems to be a growing trend for suspects to list false information on their pre-paid cellular phone accounts.

I am aware that cellular telephones communicate wirelessly across the cellular infrastructure, including towers which route and connect individual communications. When sending or receiving a communication, a cellular telephone broadcasts certain signals to the cellular tower which is routing its communication. Law enforcement may monitor these signals when cellular telephones initiate or receive calls, and may also initiate a communication with the Target Cellular Telephone in order to cause it to emit signals. By collecting and analyzing these signals, law enforcement can, sometimes, precisely determine the location of the cellular telephone itself.

I am aware that cellular phones and other cellular devices communicate wirelessly across a network of cellular infrastructure, including towers that route and

connect individual communications. When sending or receiving a communication, a cellular device broadcasts certain signals to the cellular tower that is routing its communication. These signals include a cellular device's unique identifiers.

To facilitate execution of this warrant, law enforcement may use an investigative device that sends signals to nearby cellular devices, including the Target Cellular Device, and in reply, the nearby cellular devices will broadcast signals that include their unique identifiers. The investigative device may function in some respects like a cellular tower, except that it will not be connected to the cellular network and cannot be used by a cell to communicate with others. Law enforcement will use this investigative device when they have reason to believe that fugitive is present. Law enforcement will collect the identifiers emitted by cellular devices in the immediate vicinity of the Target Cellular Device when the subject is in multiple locations and/or multiple times at a common location and use this information to identify the Target Cellular Device, as only the Target Cellular Device's unique identifiers will be present in all or nearly all locations. Once investigators ascertain the identity of the Target Cellular Device, they will cease using the investigative technique. Because there is probable cause to determine the identity of the Target Cellular Device, there is probable cause to use the investigative technique described by the warrant to determine the identity of the Target Cellular Device.

The investigative device may interrupt cellular service of cellular devices within its immediate vicinity. Any service disruption will be brief and temporary, and all operations will attempt to limit the interference cellular devices. Once law enforcement

has identified the Target Cellular Device, it will delete all information concerning non-targeted cellular devices. Absent further order of the court, law enforcement will make no investigative use of information concerning non-targeted cellular devices other than distinguishing the Target Cellular Device from all other devices.

I am aware that obtaining and preserving historical telephone records could also prove to be fruitful, as such records could assist Investigators not only with identifying those who may have been in contact with potential co-conspirators, but may also allow Investigators many other opportunities, including, but not limited to, confirmation or the disproving of alibis, statements, and other observations.

I know that records such as those associated with telephones, specifically cellular telephones, are not kept or preserved indefinitely by the service providers. Obtaining and preserving these records at this point in the investigation will assure the Investigators assigned to the case now will have them available and if the case were to go "cold", future Investigators will have access to the records which would otherwise likely not be obtainable.

NIGHT SEARCH REQUEST

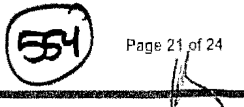
I request night service be authorized allowing service of the Search Warrant to Service Provider Subpoena Compliance at any time, day or night, within ten days of issuance. Based on my training and experience, I know that most Service Providers have Law Enforcement Compliance Analysts on duty 24 hours a days, 7 days a week to process requests. I know it is common for law enforcement to send Search

Warrants to the telecommunication companies via e-mail or FAX after midnight for billing purposes if they know they will not be able to monitor the PEN register/trap-and-trace and/or GPS location information until the following day. Over the years, I have learned that utilizing this method serves two important functions: 1. It reduces unnecessary costs because Service Provider can charge up to $100.00 per day for their services, 2. Our request will be processed quicker because it will be at the top of Service Provider's list for that particular day. Moreover, the authorization of night service is no more intrusive than serving Service Provider during business hours because this request will be sent via e-mail or FAX to their Subpoena Compliance Unit; <u>I will not be making entry into a business or any other structure to serve this Search Warrant.</u>

Therefore, by way of this Search Warrant, I am requesting the authorization to receive the following information from the respective telecommunications company(s); **Subscriber/Account Information, Call Detail Records with Cellular Site Location, GPS Precision Location Information, PEN Register/Trap-and-Trace with Cellular Site Location for the Target Telephone Number(s) and Use of a Cell Site Stimulator**, outlined in this Search Warrant.

I am **NOT** requesting to monitor or intercept any aural communications or any other communications such as text (SMS) messages, emails, BBM messages, Instant Messages, web browsing, etc.

Pursuant to Penal Code § 1534(b)(4), I am requesting Non-Disclosure of this Search Warrant as well as authorization for a Delayed Notice of Service of



this Search Warrant and that Service Provider, including any of their representatives, agents and employees, not disclose in any manner, directly or indirectly, by any action or inaction, the existence of this Search Warrant or the existence of this investigation to the subscriber(s) of the Target Telephone Number(s) or the subscriber(s) of the incoming calls to or outgoing calls from the Target Telephone Number(s), pending further order of the Court. Your Affiant believes this delay is justified because there is reasonable cause to believe that providing immediate notification of the warrant may have an adverse result. Providing immediate notice to the subscriber or user of the Target Telephone(s) could seriously jeopardize the ongoing investigation, as such disclosure would give that person an opportunity to destroy evidence, change patterns of behavior, notify coconspirators, and flee from apprehension and prosecution.

It is further requested that pursuant to the delayed notification provisions of Penal Code § 1546.2 and 18 U.S.C. § 2703(b), the listed service providers be ordered not to notify any person (including the subscriber, customer or owner of the electronic communication or device information to which the materials relate) of the existence of this warrant for Ninety (90) days.

I am aware that Penal Code § 1546.2 mandates that the law enforcement agency serving this warrant notify the target of the warrant contemporaneously with the service of the warrant unless an order delaying notification is granted. It is further requested, pursuant to the delayed notice provisions of Penal Code § 1546.2(b), an order delaying any notification to the target / party that may be required by § 1546.2(b) about this warrant, for a period of Ninety (90) days.

As required by California Penal Code § 1524.3 ([illegible]), any information obtained through the execution of this warrant that is unrelated to the objective of the warrant shall be sealed and shall not be subject to further review, use, or disclosure absent an order from the Court.

In March and April, 2018, I monitored several recorded jails calls of known 107 Hoover gang members currently in custody at Los Angeles County Jail. I discovered recorded jails calls placed by Inmate [redacted] (BK #[redacted]), who is a known 107 Hoover gang member with the moniker, "[redacted]" [redacted] made recorded jail phone calls on 2-4-18, from his jail cell, which were related to the 2-4-18, Deputy Involved Shooting involving Anthony Weber. The following is a summary of [redacted]s recorded jail calls:

2-4-18 @2058 hours call to [redacted]

[redacted] spoke with a fellow 107 Hoover gang member known as, "Bullet." Bullet said "TR" (Anthony Weber) was just shot by deputies. [redacted] asked for details of the shooting and asked if TR had anything at the time of the shooting. Bullet replied TR did in fact have something when confronted by deputies. Bullet said TR was walking with his Baby Momma when confronted by deputies. Bullet said he wished Jackson was out of custody to observe how TR had turned out and became a "real gunner."

During the conversation Bullet described the chaotic scene at the apartment complex on 107 Street, where Anthony Weber s body remained in the apartment complex entry surrounded by yellow tape. Bullet said the hommies were getting off on the deputies and Bullet could be heard yelling at the deputies. Bullet also yelled for someone to go get his "shit." Bullet then informed [redacted] that people were pulling down the yellow tape.

Investigator's Note: The call between [redacted] and Bullet was placed eight minutes after the DIS occurred and appears to indicate Weber did in fact possess a firearm at the time Weber was confronted by the deputies.

Using Sheriff's Department resources we were able to learn the cellular subscriber for [redacted] was Deandre Hoy (MB/2-16-87), a 107 Hoover gang member with the moniker, "Bullet."

2-4-18 @2114 hours [redacted]

[redacted] spoke with a woman about the Deputy Involved Shooting where Anthony Weber was shot and killed. [redacted] said he just talked with Bullet. [redacted] said Weber was with his Baby Momma and had some shit on him and "One Time started cracking on Weber." [redacted] said he was on the phone with Bullet and heard more shots going off (implied the shots were by gang members at the scene). The woman asked, "for real" and [redacted] replied, "On Westside Hoover, I heard 8 shots."

[redacted] asked for "Infant Box" phone number and the woman replied Infant Box was in Vegas and added Infant Box left that morning. The woman said she had been having dreams that one of them (Infant Box or Weber) was going to be shot. Infant Box called the woman the previous day and talked about the Hommie shooting.

Sheriff's Department resources indicated the subscriber of cellular number [redacted] was [redacted] (FB/[redacted]).

Investigator's Note: We were able to identify "Infant Box" as a Hoover gang member named Lorenzo Hall, the same person with the M&P pistol with threaded barrel and holographic sight in the Facebook video posted on 2-2-18.

2-4-18 @2118 hours [redacted]

[redacted] spoke with an unknown woman. [redacted] asked is it true and the woman replied yes and added, "This shit is crazy." [redacted] said the police shot knocked [redacted]'s "Lil Nigger down." [redacted] said he was on phone with Lil Bullet and heard more shots. Bullet said Tiny Ragger had a lil situation on him and one time started cracking on him. The woman saw Weber's father and brother at the scene. [redacted] asked if there was still a commotion going on at the scene and the woman said no.

An unknown male comes on the line and also speaks with [redacted] about the DIS. [redacted] and the male said Bullet shot at the police, while at the crime scene. The male said Weber was just standing with his Baby Momma when the police pulled up. Weber ran away and the police just started shooting. The male added Bullet had to "bust back" to make the police stop shooting. [redacted] asked if Weber had anything and the male replied no.

Investigator's Note: the above jail call appears to corroborate Weber was in possession of a firearm when confronted by the deputies on 2-4-18.

2-4-18 @2259 hours [redacted]

[redacted] spoke with an unknown woman about the DIS. The woman said Weber was leaving with his Baby Momma in her car, when the police came at Weber. Weber tried to run back inside the apartment complex and the police shot him. The woman added people are saying Weber did not have anything on him. The woman stated when people were telling her that Weber did not have anything on him, Bullet was present. Bullet gave the woman a look and implied Weber did in fact have something on him. The woman said Black Lives Matter and Bullet were at the scene arguing with the police. [redacted] said he could hear Bullet yelling at the police in the background. [redacted] and the woman talk about how Weber was doing his thing, implying putting in work for the gang. [redacted] said he just spoke with Weber the previous day. Bullet told [redacted] they should be proud of Weber, Weber turned out to be "Cold Nigger."

2-4-18 @2347 hours [redacted]

[redacted] spoke with unknown woman. [redacted] said he was stressed out because the police killed [redacted]'s hommie, Tiny Ragger.

RECORDED JAIL CALLS BETWEEN [redacted] AND ANTHONY WEBER

During our interview with Anthony Weber's mother on 2-4-18, she provided us with Anthony Weber's cell phone number, [redacted]. During [redacted]'s recorded jail call on 2-4-18 ([redacted]@2259 hours), he indicated he had called Weber from jail

on 2-3-18. We subsequently discovered the following recorded jails calls from [redacted] to Weber:

2-3-18 @ 1743 hours [redacted]

An unknown woman answered the call and [redacted] asked why she answered Tiny Ragger's phone. The woman replied Tiny Ragger was her son. Another woman comes on the line and said [redacted] was the woman previously speaking with [redacted] The woman asked if [redacted] wanted to speak with Tiny Ragger. Call forwarded to a male and the call was ended.

2-2-18 @2333 hours [redacted]

[redacted] asked the male (Weber) if [redacted]s uncle called Weber back. Weber said he was just hanging with "TY." [redacted] asked Weber to call [redacted]s uncle, because [redacted] needs something done. Another male ([redacted]) on line. Talk about [redacted]'s [redacted] case. Talk about possible [redacted]s case?

Weber back on line. [redacted] said he needs something done and Weber replied, "On Hoover." Talk about someone against [redacted] in the prosecution. Weber said Lil Bullet and Infant Box were with Weber. [redacted] complains Infant Box left [redacted] for dead. [redacted] said he would ax Infant Box. [redacted] said he asked Weber to do something and Weber did not come through. Both [redacted] and Weber repeatedly state, "On Hoover." [redacted] refers to Weber as Tiny.

[redacted] IDENTIFIED AS WEBER'S GIRLFRIEND

On 2-5-18, we spoke with Anthony Weber's parents a few hours after the Deputy Involved Shooting. Weber's parents informed us Weber had an infant daughter with a woman named [redacted] was Los Angeles County Probation Employee assigned as a guard at a Juvenile Hall. Weber had been arrested for illegal possession of a firearm and was in custody at the Juvenile Hall. [redacted] was one of Weber's Proration Officer Guards and [redacted] and Weber became involved in a romantic/sexual relationship while Weber was in custody at the Juvenile Hall and later at a Probation Placement Home. [redacted] subsequently became pregnant with Weber's daughter. Weber was released from Juvenile Hall and he and [redacted] continued their relationship. Weber's parents told us [redacted]'s cell phone number was [redacted]. Weber's parents also told us [redacted] resided in the City of [redacted] with [redacted]'s mother.

We also learned Weber and [redacted] were arrested together by the Los Angeles Police Department on 7-3-17. [redacted] and Weber were together, along with their infant daughter, in an illegally parked rental car in front of Weber's house at [redacted] There were also two additional Hoover gang members present gathered next to [redacted]'s car. The Police Officers conducted an investigation and found Weber and [redacted] illegally in possession a loaded concealed 9mm pistol within [redacted]'s car. The Officers learned the pistol was registered to [redacted]. [redacted] identified herself as Probation Officer and claimed she possessed the firearm as part of her Los Angeles County Probation Department Employment. [redacted] also claimed she was on maternity leave from the Probation Department at the time. [redacted] and Weber were subsequently arrested for illegal possession of a loaded firearm.

Based on the Los Angeles Police Department arrest and investigation, the Los Angeles District Attorney's Office filed felony charges against [redacted] for unlawful sex with a minor (Case # [redacted]). The Los Angeles Police report documented Weber and the other two males present were known Hoover gang members. The report also documented [redacted] was an associate of the Hoover Street gang.

During the booking process, [redacted] informed the Los Angeles Police Officers she resided at [redacted]

Sheriff's Department resources documented [redacted] driver's license (# [redacted] address was updated on 2-2-18, to [redacted]

We also learned, that once [redacted]s criminal prosecution began for unlawful sex with a minor (Case # [redacted]), the court issued a protective order on 1-25-18, prohibiting [redacted] from contacting Weber. [redacted] was in violation of the restraining order, when she was with Weber on W. 107 Street, Los Angeles, on 2-4-18, just prior to the Deputy Involved Shooting.

Talk about future law suit
Juv said he had been dreaming about AJ, but would not tell [redacted] the details

Investigator's Note: The above call appears to indicate [redacted] is involved in acts of witness intimidation facilitated by other gang members. The call also implied [redacted] was aware Weber was in possession of a firearm during the confrontation with deputies on 2-4-18, and [redacted] is attempting to conceal the true information from the various on-going investigations.

ATM receipt, 4-10-18
Western Union receipt, 4-8-18, $200

As part of our (Sergeant Richard Biddle and Investigator Francis Hardiman) on-going investigation regarding Anthony Weber's involvement in an assault with a deadly weapon, as well as a subsequent Deputy Involved Shooting, we obtained a search warrant for the person of [redacted], [redacted]s vehicle, and [redacted]'s residence for evidence related to the assault with a deadly weapon, Weber's involvement in gang activity, and the Deputy Involved Shooting.

We were aware [redacted] was Weber's girlfriend and they had a child together. We were further aware [redacted] and Weber were recently arrested together by the Los Angeles Police Department for illegal possession of loaded handgun, which was registered to [redacted] in a vehicle [redacted] was driving. Our on-going investigation documented [redacted] and Weber were involved in gang related activities associated with the Hoover street gang.

Based on our knowledge of [redacted]'s close association with various Hoover gang members, we requested the assistance of the Operation Safe Streets Bureau Gang

Surveillance Unit (GSU) to detain [redacted] so we could safely serve the search warrant with minimal incontinence to [redacted].

On 4-18-18, the GSU Team conducted surveillance and determined Valencia's vehicle (Chevy Cruze Lic #[redacted]) was parked at Pedro Alfonso Special Education Center at 4540 Michigan Ave, Los Angeles. The GSU Team believed [redacted] was at her place of employment and continued their surveillance.

At approximately 1345 hours, Det Castaneda and other members of the GSU Team observed [redacted] driving the Chevrolet Cruze from the parking lot. The GSU Team members stopped [redacted] a short distance from the location. The GSU Team members contacted [redacted] and explained the existence of the search warrant for [redacted]'s person and her vehicle. The GSU Team members subsequently detained [redacted] seized her cellular phone **(Prelim #63)** and transported her and her vehicle to East Los Angeles Sheriff's Station, so we could serve the search warrant and subsequently search [redacted]'s vehicle, and her person, as well as obtain her DNA sample as authorized by the search warrant.

We meet the GSU Team and [redacted] at East Los Angeles Sheriff's Station. We initially searched [redacted]s vehicle and seized the listed evidence items **(Prelim #65).**

We next contacted [redacted] who was detained in a Sheriff's Patrol Unit. We had a female Deputy search [redacted] and determined she was not in possession of anything remarkable. We explained [redacted] was not under arrest, but was detained regarding the search warrant service.

Our entire contact with [redacted] was recorded. We escorted [redacted] to an interview room inside the station and told [redacted] she was not under arrest, she did not have to speak with us, and she was free to leave if she did not wish to talk with us. We added, we would also answer any questions [redacted] had of us.

We introduced ourselves and told [redacted] we believed she was a potential witness regarding Anthony Weber's shooting. We said we were in search of the truth and would like to speak with her. We then asked [redacted] questions regarding her personal identification information and she freely replied. [redacted] added she has been employed the last six months as a behavioral instructor for children with autism.

We asked [redacted] to tell us what happened the night [redacted] was shot. [redacted] replied she had two questions and asked why we had to detain her to conduct the interview. [redacted] said we could have called her, at which time there were reasons why we initially detained her and said we would inform her why. [redacted] then said she would like to speak with her civil attorney retained for the pending law suit before speaking with us. We replied that was fine and [redacted] said she would have to access her phone to retrieve the attorney's phone number. I asked for [redacted]s cell number and she replied [redacted] We asked for the attorney's name and phone

number. [redacted] said, "Yates" and added she did not know the phone number and would need to access her cell phone.

We had previously taken possession of [redacted]'s cell phone **(Prelim #63)** from the GSU Team and stored [redacted]'s cell phone in our vehicle. Investigator Hardiman then left the interview room to retrieve [redacted]'s cell phone.

I then informed [redacted] that we had a search warrant and that was the reason she had been detained. I further explained the search warrant authorized the collection of a DNA sample from [redacted] as well as the seizure and examination of [redacted]'s cell phone. I provided [redacted] a copy of the search warrant, she read it, and asked why we were seizing her cell phone. I replied, we believed [redacted]'s phone may contain evidence related to the incident the night Anthony Weber was shot. [redacted] replied, "It does not."

I asked for the unlock code for [redacted]'s cell phone and she asked how long we would have her cell phone. I replied as soon as the download of [redacted]'s phone was complete we would release her back to her. [redacted] asked to see where in the search warrant she was compelled to provide her unlock code. I pointed out the portion of the search warrant authorizing the seizure and download of her cell phone. I further explained if [redacted] did not comply that was a potential violation of a court order.

[redacted] read the portions of the search warrant and I added if [redacted] provided her unlock code, we would be able to return her phone in a shorter period of time. [redacted] asked why the search warrant authorized the collection of her DNA sample. I explained we believed she had handled evidence related to our investigation and [redacted]'s DNA sample would assist in eliminating or include her as a person who handled the items.

[redacted] said she would have to comply, but wished to talk with her attorney. We explained [redacted] did not need to speak with her attorney before she complied with the search warrant and added [redacted] could speak with her attorney, if she wished before answering questions. I added we were not going to coerce [redacted] and force her answer questions.

[redacted] then asked if we could get her some phone numbers from her cell phone and we replied yes. We asked for the unlock code and [redacted] replied, "[redacted]" I entered the unlock code into [redacted]'s phone and she asked for several different phone numbers, which we made a list on a piece of paper.

[redacted] was asked if she wanted to talk with us and she said she wanted to speak with her attorney first. [redacted] then said we did not need a search warrant, because she would have come in and cooperated with an interview. We provided [redacted] with the following reasons why we were uncertain she would have cooperated without the search warrant:

- [redacted] frequently communicates with various Hoover gang members, who are in custody at the County Jail

- [redacted] associates with various active gang members

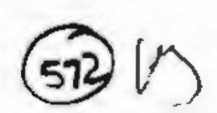
- [redacted] has been depositing funds to Hoover gang members Los Angeles County Jail Inmate's accounts

We asked who Lady Leto was and [redacted] confirmed Lady Leto was one of Anthony Weber's friends from the W 107 Street Hoover neighborhood. [redacted] added she was aware Lady Leto's first name was Kayla and Kayla had red hair. We asked how to pronounce Lady Leto and [redacted] answered she was uncertain, because [redacted]s knows her actual name is "Akylah."

Investigator's Note: We were aware of a female Hoover Street gang associate with red hair by the name of Akylah Brown (FB/9-22-99). Brown was present inside [redacted] on 2-2-18, when the LAPD Southeast Gang Team went to the location investigating Lorenzo Hall's Facebook video filmed earlier in the afternoon. The video depicted Hall in possession of a M&P pistol with a threaded barrel and a holographic sight with several other 107 Hoover gang members, including Anthony Weber. Brown was also present at [redacted] on 3-7-18, when a M&P pistol (believed to be the same pistol in the Facebook video from 2-2-18) with a threaded barrel and holographic sight was seized.

We next asked about Leto, if Lady Leto was someone from 107 Hoover gang. [redacted] said she only knew of Leto and was unaware of any details regarding Leto. We inquired regarding a juvenile, who frequently calls [redacted]'s cell phone from within Juvenile Hall. [redacted] stated that was [redacted], one of Weber's friends, who is 17 years old, and is also a gang member.

[redacted] asked when she could call the attorney and I began retrieving the attorney's phone number to dial on my phone for [redacted]. I asked if [redacted] had threatened anyone and she said no. I asked who were the "Locs" and [redacted] replied the "Locs" were a group of various gang members who she was very close with. I again asked if [redacted] was threating anyone with the "Locs" and she said no. We asked if [redacted] contacted any witnesses to Weber's shooting, at which time [redacted] said she spoke with Akylah. [redacted] said she was friends with Akylah and Akylah witnessed the shooting. We asked what Akylah told [redacted] regarding the shooting and [redacted] said we would have to ask Akylah. [redacted] confirmed she brought the attorney's investigator to Akylah for an interview about the shooting. [redacted] was present when the investigator first spoke with Akylah and then the investigator privately spoke with Akylah and recorded the interview.



We asked if [redacted] had a conversation with [redacted] over the recorded Juvenile Hall phone system, where [redacted] told [redacted] about Akylah's statement to the lawyer's investigator. [redacted] agreed she had spoken with [redacted] about Akylah's statement regarding Weber's shooting.

We again told [redacted] we were in search of the truth and added we were aware of [redacted]s recorded jail calls with Hoover gang members. We discussed the recorded jail call where [redacted] said she pulled up with Weber before the shooting and told Leto "One Time" was coming. [redacted] denied making the statement and we offered to allow [redacted] to listen to the recorded call. [redacted] refused and said she wanted to speak with the attorney. I continued dialing the phone number and told [redacted] we did not wish to talk about her pending prosecution, we only wished to talk about what happened regarding Weber's shooting.

I handed my phone to [redacted] and also told her she was free to leave, but could not leave with my phone. [redacted] spoke with the receptionist and was placed on hold. I described the recorded jail call where [redacted] said Leto and Weber were together and Leto had the gun. Leto and Weber ran from the police and [redacted] initially believed the deputies shot Leto, because Leto had the gun. [redacted] answered she recalled the conversation, but denied that was her exact statement. We replied, [redacted] said Leto had the "burner" during the conversation. [redacted] denied making that statement and we again offered to play the call for [redacted] [redacted] did not respond and began talking with Attorney Yates.

[redacted] explained she was at the Sheriff's Station regarding a search warrant for [redacted]s cell phone and DNA sample. While [redacted] was speaking with the attorney, I began preparing to take [redacted]s DNA sample. We told [redacted] she was free to leave once we collected her DNA sample.

[redacted] allowed me to collect her DNA sample and then asked us to retrieve some additional phone numbers from her cell phone, since we were maintaining custody of her cell phone pending the forensic examination We subsequently added the additional phone numbers to the list for [redacted]

We asked how long [redacted] had known Weber and she replied for at least four years, since Weber was 12 years old. [redacted] confirmed Weber frequently hung out at TT's (Latanya Sims; [redacted]) apartment and added Weber was at that apartment to watch the Super Bowl game.

Just before the shooting, [redacted] parked her car in front of [redacted] and walked to the front of [redacted] W 107 Street with Weber. Weber remained in front of [redacted] W 107 Street and [redacted] walked back towards her car. When [redacted] walked back to her car, Weber was alone in front of the apartment complex wearing a shirt and jeans. We asked for additional details regarding the shooting and [redacted] replied she was done talking, while standing up to leave the room. We subsequently escorted

[redacted] to her vehicle and she left the Sheriff's facility. Refer to submitted recording for complete content of the recorded interview.

A cursory examination of text messages stored in [redacted]s phone indicated Weber was in possession of at least one firearm on the morning of 2-4-18. The text messages further implicate [redacted] in providing Weber ammunition for two different types of firearms. The following is a portion of the text communications between Weber and [redacted] on the morning of 2-4-18:

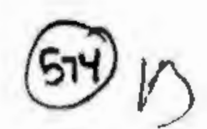
- 2-4-18 Weber sent text to [redacted]- "Can you bring me a box of 38 shells, not 380 38"
- 2-4-18 [redacted] replied- "I got you. Where are you watching the Super Bowl? We still going to eat after."
- 2-4-18 Weber sent text- "I'm probably TT house any yea we're u gone b at while I watch the game and yea after the game we going to eat u buster but I need them shells ASAP like rocky."
- 2-4-18 [redacted] replied- Probably my uncle in Compton so I'll be close by! I'll head to you house before the end of the game so I can be that way. Ok baby I'll head straight to the shells!"

There were additional text messages between Weber and [redacted] later that day, where Weber asked [redacted] to bring Weber some 22 shells. Weber added not 22 shorts like last time.

Investigator's Note: On 3-7-18, the South Los Angeles OSS Team served a search warrant at [redacted] and seized numerous rounds of live ammunition, including 22 shorts and 38 special; which appears to corroborate [redacted] provided ammunition to Weber.

We briefly viewed the contacts listed in [redacted]s cell phone and saw an entry for "Leto" with a phone number of [redacted]. We recognized the number [redacted] as associated with a Hoover gang member known as, "Bullet."

On 2-4-18, at 2058 hours, (eight minutes after the Deputy Involved Shooting) a Hoover gang member ([redacted]), who was in custody at the Los Angeles County Jail, used a recorded jail phone and placed a call to [redacted] [redacted] spoke with a male, who [redacted] referred to as a fellow Hoover gang member known as "Bullet." During the conversation, Bullet spoke about Weber being an active Hoover gang member, who had become a "real gunner." Bullet implied Weber had a gun when confronted by the deputies just before the Deputy Involved Shooting.



Using Sheriff's Department resources we were able to learn the cellular subscriber for [redacted] was Deandre Hoy (MB/2-18-87), a 107 Hoover gang member with the moniker, "Bullet."

We also learned the following additional information regarding Deandre Hoy (Bullet):

Hoy has a California Driver's License # [redacted] that lists his DOB as [redacted] and his address as [redacted]

- In 2008, Hoy was served with a Court Injunction regarding Hoy's involvement with the Hoover Gang

On 3-7-18, Erasmo Aguilar, who is Department of Children and Family Services Supervisor assigned to the Mart Team responded to [redacted] Los Angeles regarding the search warrant service at the residence related to various violent crimes committed by various Hoover gang members associated with the residence. At the time of the search warrant service several adults (Suspect #1 thru Suspect #5) were detained along with Latanya Sims' two children ([redacted] (FB/[redacted] and [redacted] MB/[redacted]). There were several firearms seized from within the apartment that were found in areas easily accessible by the children.

Aguilar conducted an on-scene investigation, determined the circumstance of the living conditions was detrimental to the childrens' wellbeing, and took the children into protective custody.

On 4-26-18, we (Sergeant Richard Biddle and Investigator Francis Hardiman) spoke with Erasmo Aguilar. Aguilar provided us with a copy of the DCFS reported regarding Sim's children placement in foster care. The DCFS report documented the following subsequent interviews of Sim's children by Children Services Worker (CSW) Saba Habte:

[redacted] INTERVIEW

On 3-7-18, Habte spoke with [redacted] confirmed he resided at [redacted] along with his Mother (Latanya Sims) and sister [redacted]. [redacted] added his mother allows multiple people to frequent the home, many of whom [redacted] does not know. [redacted] reported the search warrant was served at his residence because, "They found all the guns." [redacted] further said, "My mom lets her

friends bring guns and hide them at our house." [redacted] also stated his uncle (Bullet) often brings guns to the home.

Investigator's Note: We were aware Bullet is actually Deandre Lavell Hoy, who is a documented Hoover gang member and is currently on parole.

[redacted] said the guns were kept in the bathroom cabinet, kitchen table, and his bedroom closet. [redacted] added, "I have toys in my closet that I can't play with because they put guns next to my toys." [redacted] said he hears gunshots at night and is in fear when he sleeps because his family have guns in the home and he is fearful people are shooting at his home.

[redacted] was asked additional questions regarding his living conditions. [redacted] said, "My uncle Bullet smokes blunts with weed. If I am playing in the living room my mom kicks me out and sends me to my room so all of her friends can smoke blunts in the living room."

During the interview, [redacted] had tears in his eyes. [redacted] said he was sad because, "I know my mom is doing bad things and now she is going to jail."

[redacted] INTERVIEW

On 3-7-18, CSW Habte spoke with [redacted] [redacted] confirmed she resided at [redacted] with her mother [redacted] and her brother. [redacted] added several people come in and out of the residence and [redacted] was uncertain who actually lived in her apartment. [redacted] believed her Uncle [redacted] and Uncle Bullet live in the apartment. [redacted] also stated he mother's friends bring guns into the home. [redacted] said her brother` "AJ" was recently shot and killed by the police and that was the reason the police came to her home looking for the weapon. [redacted] said. "It's a lot of guns in my house." Habte asked why there were guns in her home and [redacted] replied, "It's because my momma, she let them bring it." [redacted] said the guns were kept in the bathroom cabinet, kitchen, living room, and in the bedroom.

Investigator's Note: Anthony Weber was involved in a Deputy Involved Shooting on 2-4-18. Weber was a known Hoover gang member, with the moniker of "AJ."

[redacted] said many young men come to her apartment to smoke blunts. There are occasions when random people visit the apartment and argue, but they do not engage in physical altercations.

The fact both children identified Uncle Bullet and "AJ" also resided at [redacted] appear corroborate the following previous investigative leads in the on-going investigation regarding the 2-4-18, Deputy Involved Shooting, where Anthony Weber was shot and killed:

- Within minutes of the Deputy Involved Shooting, Deandre Hoy received a recorded call from the Los Angeles County Jail by Hoover gang member [redacted]. Hoy informed the in custody gang member that Anthony Weber had just been shot by the police. Hoy further told the jail inmate that Weber had a gun just prior to the deputies chasing and subsequently shooting Weber.

- There were recorded jail calls between [redacted] and Weber's girlfriend, [redacted] [redacted] told the [redacted] she was present at the scene and witnessed portions of the Deputy Involved Shooting. [redacted] stated "Leto" and Weber were together and "Leto" had the gun. The deputies chased Leto and Weber, at which time [redacted] heard gunshots. [redacted] initially believed the deputies shot Leto, because Leto had the gun. [redacted] later learned Weber was the one shot.

- One of the contacts listed in [redacted]s cell phone has the title of "Leto" with the phone number [redacted] The same number called by the in custody jail inmate on 2-4-18, minutes before the Deputy Involved Shooting. During that conversation, the jail Inmate referred to the person who answered the phone as, "Bullet."

- During the investigation, we seized [redacted]'s cell phone and observed text messages between [redacted] and Weber hours before the Deputy Involved Shooting. The text messages indicated [redacted] provided Weber with 38 caliber and 22 caliber ammunition sometime before the Deputy Involved Shooting. On 3-7-18, 38 caliber and 22 caliber ammunition was seized from within [redacted]

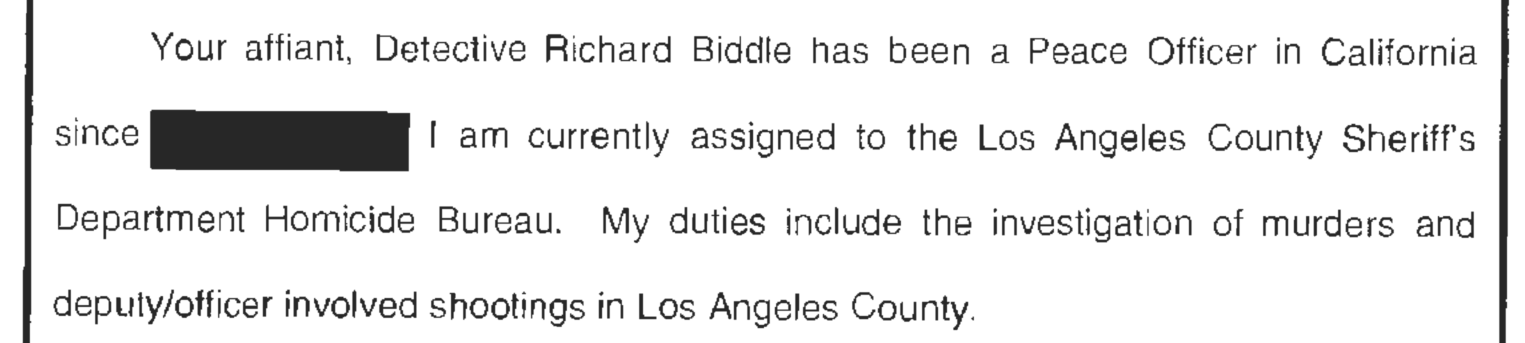
Rev. 10-06-16 MM

STATEMENT OF PROBABLE CAUSE



Your affiant, Detective Richard Biddle has been a Peace Officer in California since [redacted] I am currently assigned to the Los Angeles County Sheriff's Department Homicide Bureau. My duties include the investigation of murders and deputy/officer involved shootings in Los Angeles County.

INVESTIGATION

This affidavit is intended to show only that there is sufficient probable cause for the requested warrant and does not set forth all of my knowledge about this matter.

On 2-4-18, your Affiant, Sergeant Richard Biddle and Investigator Francis Hardiman were assign to investigate a Deputy Involved Shooting that occurred on 2-4-18, at approximately 2017 hours at an apartment complex located at [redacted] 107 Street, Los Angeles.

On 2-4-18, Subject Anthony Weber was involved in an assault with a deadly weapon incident in front of [redacted] W 107 Street, Los Angeles. Weber was identified as a person who pointed a black pistol at a motorist, who was driving past the [redacted] W 107 Street apartment complex. The motorist called 911, reported the crime, and approximately 20 minutes later deputies from the South Los Angeles Sheriff's Station arrived at the scene.

The deputies exited their patrol unit and approached the apartment complex, which they knew was a location frequented by local 107 Hoover gang members. The deputies found Anthony Weber and a female standing together talking in the rear portion of the apartment complex parking area. The deputies believed Weber was the person involved in the earlier assault with a firearm upon the passing motorist and attempted to detain Weber and the female. The deputies gave Weber and the female commands to raise their hands in the air. Weber and female initially complied, at which time one of the deputies observed Weber had a very distinctive type of a semi-automatic pistol in his waistband. The deputy described the pistol as a Smith & Wesson M&P with a red dot holographic sight.

After raising his hands in the air, Weber turned and ran away from the deputies toward the apartment complex court yard. The deputies chased after Weber, but lost sight of

Weber as he ran through a hallway and entered the court yard. When the deputies reached the court yard, the first deputy saw Weber running north through the court yard. The deputy gave Weber commands to stop and surrender. Weber stopped running, turned back toward the deputy, while lowering his hands to Weber's waistband area. An Officer Involved Shooting (OIS) then occurred and Weber was shot. Weber fell to ground, at which time a large hostile crowd gathered around the deputies preventing the deputies from immediately securing Weber and providing Weber with aid. Once additional deputies arrived at the scene and order was restored, paramedics began treating Weber. The paramedics pronounced Weber dead at the scene and the deputies were unable to locate the pistol Weber had when he began running from the deputies. The Coroner Investigator arrived at the scene and conducted a preliminary examination of Weber's body and did not locate a firearm in Weber's possession.

The on-going investigation indicated Weber may have discarded the pistol while running from the deputies or someone in the hostile crowd removed the pistol from the scene, before the deputies were able to secure the scene.

Early in the DIS investigation, we (Sergeant Richard Biddle and Investigator Francis Hardiman) became aware of a "Facebook Live Video" that was streamed on the internet on Friday afternoon, February 2, 2018. The Facebook Live video was from an account associated with Lorenzo Hall, who is a known Hoover gang member with the moniker, "Infant Killa Box." The video depicted Hall and other Hoover gang members, including Anthony Weber inside apartment [redacted] at [redacted] In the beginning of the video, Hall is depicted facing the camera. Hall could be seen pointing a Smith & Wesson M&P pistol with a silver threaded barrel and holographic red dot sight at the camera, while holding the pistol in Hall's left hand. The video continues and depicted Hall, Weber, and the other gang members dancing and flashing 107 Hoover gang signs, while rapping a gang related song. The video continued for several minutes and recorded Hall, Weber, and the other gang members exit the apartment and gather in the complex court yard. We were able to confirm the video was filmed inside apartment [redacted] and the court yard of [redacted]

LAPD INVESTIGATION AT [redacted]

On 2-5-18, we became aware members of the Los Angeles Police South East gang Team had monitored Lorenzo Hall's Facebook page on the afternoon of 2-2-18. The LAPD Officers were familiar with 107 Hoover gang members and recognized Hall, Weber, and other Hoover gang members depicted in the video. The LAPD Officers saw Hall was in possession of S&W M&P pistol with a holographic red dot sight in the video. The LAPD Officers also recognized the video was filmed the same afternoon at [redacted] The LAPD Officers subsequently went to [redacted] to investigate further regarding illegal possession of a firearm by known criminal street gang members.

The LAPD Officers contacted Hall and the below listed persons inside apartment [redacted]

Tyre McFadden MB/2-12-95
[redacted] MH/[redacted]
[redacted] MB/[redacted]
[redacted] FB/[redacted]
[redacted] FB/[redacted]
Akylah Brown FB/9-22-99

The LAPD Officers determined Anthony Weber was not present inside apartment [redacted] The LAPD Officers conducted a parole compliance search of the apartment, but were unable to locate the Smith & Wesson pistol Hall possessed during the filming of the video just a few hours before.

SEARCH WARRANT SERVICE AT [redacted]

On 3-7-18, South Los Angeles Sheriff's Station Operation Safe Streets Team (OSS) served several search warrants at different residences on W 107 Street regarding various 107 Hoover gang members' participation in recent gang related armed robberies and gang related shootings. A search warrant was served at [redacted] and (6) firearms were seized from within the apartment. One of the seized firearms was a Smith & Wesson M& P pistol with a silver threaded barrel and a red dot holographic sight, just like the pistol the deputy saw in Weber's waistband on 2-4-18 and just like the pistol Hall possessed during the filming of the Facebook Live video on 2-2-18.

Several items of Hoover gang paraphernalia and items associated with Anthony Weber were also seized from inside apartment [redacted] The following person(s) were found inside the apartment and detained at the time of the warrant service:

Joquan Brown MB/11-5-75 BK #5251020
Titanisha Jiles FB/3-2-88 BK #5251043
Antaijah Williams FB/11-19-97 BK #5251037
Akylah Brown FB/9-22-99 BK #5251045
[redacted] FB/[redacted]
[redacted] MB/[redacted]

Investigator's Note: Akylah Brown was also present at [redacted] on 2-2-18, when the LAPD Officers conducted their investigation regarding Hall and other gang members possessing the unique Smith & Wesson pistol in the Facebook Live video.

LORENZO HALL FOLLOW UP

Based on the following facts, we believed Lorenzo Hall likely gave the Smith and Wesson pistol to Weber and Hall had knowledge regarding the gun Weber used to assault the passing motorist and possessed prior to the Officer Involved Shooting:

- Lorenzo Hall's Facebook Live video depicted Hall possessing the unique Smith & Wesson pistol, as described by the deputy in Weber's waistband just prior to the Officer Involved Shooting

- Lorenzo Hall is known 107 Hoover gang member

- Anthony Weber was also present and depicted in the video filmed on 2-2-18, with Hall possessing the unique pistol

- The video was filmed in the same complex where Weber committed the armed assault upon the passing motorist and was later observed by the deputy in possession of the unique pistol in Weber's waistband

- The unique Smith & Wesson M & P pistol with a silver threaded barrel and red dot sight was seized on 3-7-18, in apartment [redacted] of the complex next door to the complex where Hall filmed the 2-2-18 video inside apartment [redacted] and the complex where the DIS occurred on 2-4-18

We subsequently learned Hall has several felony arrests and prior felony convictions, as well as an outstanding felony arrest warrant for 459 PC from the Bakersfield Police Department.

LORENZO HALL ARRESTED

On 4-1-18, we learned Hall was in custody at South Los Angeles Sheriff's Station for his Bakersfield arrest warrant.

On 4-2-18, Hall was transferred to the Los Angeles County Jail Inmate Reception Center (IRC) and we responded to IRC to interview Hall regarding the gun he possessed in the 2-2-18, video, as well as Hall's knowledge regarding Weber and Weber's involvement in the DIS.

LORENZO HALL INTERVIEW

On 4-2-18, at approximately 1145 hours, we interviewed **Lorenzo Hall (MB/10-18-92; BK #5272524)** at an IRC interview room. Investigator Hardiman advised Hall of his

rights, which Hall understood and waived. The following is a synopsis of the recorded interview:

Hall admitted he was a Hoover gang member, but claimed he currently was not actively involved with the gang. We saw Hall had various tattoos on his face, neck, and arms consistent with Hoover gang membership. Hall admitted several of his tattoos were in fact Hoover gang tattoos that indicated Hall is a Hoover gang member. Hall also admitted his gang moniker is "Infant Killa Box."

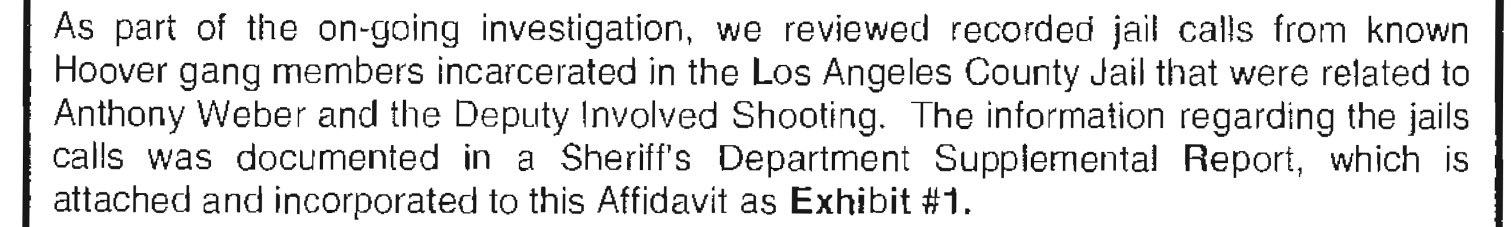
Hall said he was friends with Anthony Weber, but denied knowing if Weber was a Hoover gang member. We played the 2-2-18, video from Hall's Facebook account and Hall identified himself in the video pointing the Smith & Wesson pistol with a red dot sight and silver threaded barrel at the camera. Hall confirmed the video was filmed on 2-2-18, at [redacted] Hall knew the pistol was a real firearm. Hall said he possessed the pistol that day but refused to state who gave him the pistol. Hall said he had the pistol because he was at the apartment complex with other Hoover gang members and he need to have a gun to be on "patrol and posted" in case rival gang members confronted the Hoover gang members at the complex. Hall described the pistol as a "Hood gun" that various Hoover gang members shared and possessed. Hall gave us an example of how different Hoover gang members shared the pistol. Hall said it was similar to COPs at a police station. Hall said when COPS begin their shift, they are assigned a gun to use during their shift and at the end of the shift the same gun is assigned to a different officer for the next shift. Hall said he had the pistol that day because he took over the shift of "Posting" and protecting the gang from a different gang member. Hall refused to tell us who gave him the gun that day, or who Hall gave the gun to later that night, because Hall could not provide information about fellow gang members.

Hall further confirmed LAPD Officers arrived at [redacted] a few hours after the video was filmed. Hall and other Hoover gang members were detained; the LAPD Officers searched the apartment, but did not find the pistol Hall possessed earlier during the video filming.

Hall said he was not present in Los Angeles on 2-4-18, at the time Weber was shot by the deputy. Hall claimed he took a bus to Las Vegas on 2-4-18, at 0500 hours to watch the Super Bowl game with relatives.

We showed Hall a photo of the Smith & Wesson pistol with the red dot sight and silver threaded barrel seized from [redacted] on 3-7-18. Hall said the gun in the photo was similar to the gun Hall possessed in the video on 2-2-18.

RECORDED JAIL CALLS



As part of the on-going investigation, we reviewed recorded jail calls from known Hoover gang members incarcerated in the Los Angeles County Jail that were related to Anthony Weber and the Deputy Involved Shooting. The information regarding the jails calls was documented in a Sheriff's Department Supplemental Report, which is attached and incorporated to this Affidavit as **Exhibit #1.**

[redacted] SEARCH WARRANT SERVICE

The investigation identified [redacted] as Anthony Weber's girlfriend and we became aware of information implicating [redacted]s involvement with Weber's gang activities and evidence related to the Deputy Involved Shooting. We subsequently obtained a search warrant for [redacted]'s cell phone and seized her phone. The search warrant 'service was documented in a Supplemental report, which attached and incorporated to this Affidavit as **Exhibit #2.**

DCFS REPORT RELATED TO SEARCH WARRANT SERVICE AT [redacted]

On 4-26-18, we obtained a copy of the Department of Children and Family Services report related to the search warrant service at [redacted] The report regarding the DCFS interviews is attached and incorporated to Affidavit as **Exhibit #3.**

Based on the information contained in this Affidavit, as well as Exhibits #1, #2, and #3, I formed the opinion evidence related to the following will be found within Deandre Hoy's residence, Hoy's vehicle, and Hoy's cell phone:

- Anthony Weber's involvement and membership in the 107 Street Hoover gang
- Anthony Weber's illegal possession of firearms
- Anthony Weber's previous use of firearms in gang related crimes
- Anthony Weber and "Leto's" (Deandre Hoy) possession of a S&W M&P pistol with a red dot holographic sight on 2-4-18
- The illegal possession of a S&W M&P pistol with a holographic sight by Lorenzo Hall in the Facebook Video, with Anthony Weber on 2-2-18
- Deandre Hoy's membership and involvement in gang activities related with the Hoover street gang
- Deandre Hoy's illegal possession of firearms stored in [redacted]

I believe the evidence from Hoy's residence, vehicle, computers, and cell phone will consist of the following items:

- Dominion and control evidence regarding ownership of Hoy's cell phone, vehicle,

and residence

- Text messages/email communications between Weber, [redacted] Hoy, and others relating to or indicative of gang activities and crimes and illegal possession of firearms

- Text messages/Email communications between Weber, Hoy, [redacted] and others regarding Weber and Hoy and or other gang members possessing firearms

- Text messages/Email communications between Weber, Hoy, [redacted] and others that would provide investigative leads regarding the identity of potential witnesses to the Deputy Involved shooting as well as potential witnesses or victims related to gang related activities/crimes involving Weber and or other 107 Hoover gang members

- Photos or videos depicting Weber, Hoy, and or gang members in possession of firearms

- Photos or videos depicting Weber, Hoy, [redacted] and other gang members' involvement in gang activity

- Text messages/Emails/Photos/Videos that may corroborate or exonerate Weber and Hoy's possession and or access to firearms

- Text messages/Emails/Digital photos that would provide investigative leads regarding the identity of potential witnesses, who may have been threatened or intimidated by [redacted] or other gang member regarding the DIS or other gang crimes

- Hoover gang paraphernalia, such as photos, distinctive Hoover clothing, and graffiti

I further believe any cell phones seized as evidence from Hoy were used to communicate with other individuals regarding Hoover gang crimes and activities, and as such **I am seeking evidence of ownership, use, and identification**. I know that ownership and control of a digital device can be placed at issue through a simple denial, "that is not my phone." In my training and experience some of the best ways to establish control are by searching the calendar, contacts, photo gallery, communications, settings, and social networking activity. The calendar often contains appointments specific to an individual such as birthdays and doctor's appointments. Contacts often contain friends and associates specific to an individual such as mom, dad, dentist, etc... A photo gallery often contains selfie photos that clearly depict the owner/holder of the phone. Communications via text messages, emails, and voicemails often identify the sender/recipient by name, additionally the context of the communications often identify the sender and/or recipient. Settings often contain user names, addresses, and phone numbers, wi-fi network tables, associated wireless devices (such as

known wi-fi networks and Bluetooth devices), associated connected devices (such as for backup and syncing), stored passwords, and user dictionaries that can identify the owner/user of the device.

I am seeking evidence of communication. In my training and experience associates communicate together via phone calls, text messages emails, and social network posts. These communications often contain direct and indirect statements about crimes. Furthermore, I know that communications rarely explicitly mention an intent to commit a crime. Instead they often allude to such an intent: "gunna go hustle" for instance may be a declaration of an intent to commit a theft crime, but without context it is meaningless. In my training and experience individuals often use digital devices and cellular devices to post messages to others on social networking applications. In my training and experience it is possible for cellular phone users to use a variety of messaging platforms including SMS, MMS, iChat, WhatsApp, call logs, and others. Therefore I seek to search all the communications evidence on the device to understand not only what was said, but what was intended and to whom it was said.

I am seeking evidence of location. In my training and experience cellular devices track historical locations in multiple ways, GPS location, wi-fi transmissions, metadata attached to files, cellular tower connections, and application data.

I am seeking evidence of association. I know that establishing the association of co-conspirators is important in proving a concert of action between multiple persons. In my training and experience some of the best ways of linking co-conspirators together is by searching the calendar, contacts, photo gallery, communications, application data, call logs, and social networking connections. In my training and experience a comparison of the calendars of multiple individuals can show an intent to act together and dispel the notion of an accidental meeting. In my training and experience when two or more individuals are in photographs together it demonstrates a mutual relationship. In my training and experience associates communicate together via phone calls, text messages and emails, therefore I am seeking the communications evidence to demonstrate the associations of the individuals in this case. In my training and experience a user's "connections," "buddies," and/or "friends," on social networking sites is indicative of who their associates are. Because this evidence is intended to be used to show associations of the user/owner of the device and co-participants I am seeking the above items regardless of the dates the information was created.

I am seeking specific evidence related to this case. In addition to the previous information, I believe the GPS location, financial information, cookies, bookmarks, web history, search terms and internet search history on digital devices and cellular devices may contain relevant evidence. Therefore, by this warrant I am seeking permission to search all the metadata, file data, setting data, photographic and video data, and communication data on any digital device.

DIGITAL FORENSIC EXAMINATION

Based on my knowledge, training, and experience, I know that digital files or remnants of such files can be recovered months or even years after they have been downloaded onto a hard drive or other storage device, deleted or viewed via the Internet. Digital files downloaded to a storage device can be stored for years and remains on the storage device until it is overwritten by new data.

Therefore, deleted files, or remnants of deleted files, may reside in free space or slack space—that is, in space on the storage device that is not currently being used by an active file—for long periods of time before they are overwritten. In addition, device's operating system may also keep a record of deleted data in a "swap" or "recovery" file.

Similarly, files that have been viewed via the Internet are typically automatically downloaded into a temporary Internet directory or "cache." The browser often maintains a fixed amount of space devoted to these files, and the files are only overwritten as they are replaced with more recently viewed Internet pages or if a user takes steps to delete them.

Based upon my knowledge, training and experience, I know that searching for information stored in cellular devices often requires that the device be accessed and searched using specialized programs or tools by a qualified expert in a controlled environment. This is often necessary to ensure the accuracy and completeness of such data, and to prevent the loss of the data either from accidental or intentional destruction. Data search processes are designed to recover even "hidden," erased, compressed, password protected, or encrypted files. Because digital evidence is vulnerable to inadvertent or intentional modification or destruction (both from external sources or from destructive code imbedded in the system as a "booby trap"), a controlled environment may be necessary to complete an accurate analysis.

In light of these concerns, I hereby request the Court's permission to conduct an off-site search of the hardware for the evidence described and to employ the use of outside experts who will use whatever data analysis techniques appear necessary to locate and retrieve the evidence described.

As required by Penal Code § 1546.1 (d); those items that are within the scope of this warrant will be copied and retained by investigative agents. Investigating agents will then seal any information from the device that is unrelated to the objective of the warrant and will not further review the information absent an order from the Court.

In March and April, 2018, I monitored several recorded jails calls of known 107 Hoover gang members currently in custody at Los Angeles County Jail. I discovered recorded jails calls placed by Inmate [redacted] **(BK #5066310)**, who is a known 107 Hoover gang member with the moniker, "[redacted]." [redacted] made recorded jail phone calls on 2-4-18, from his jail cell, which were related to the 2-4-18, Deputy Involved Shooting involving Anthony Weber. The following is a summary of [redacted] recorded jail calls:

SR M

2-4-18 @2058 hours call to [redacted]

[redacted] spoke with a fellow 107 Hoover gang member known as, "Bullet." Bullet said "TR" (Anthony Weber) was just shot by deputies. [redacted] asked for details of the shooting and asked if TR had anything at the time of the shooting. Bullet replied TR did in fact have something when confronted by deputies. Bullet said TR was walking with his Baby Momma when confronted by deputies. Bullet said he wished [redacted] was out of custody to observe how TR had turned out and became a "real gunner."

During the conversation Bullet described the chaotic scene at the apartment complex on 107 Street, where Anthony Weber's body remained in the apartment complex entry surrounded by yellow tape. Bullet said the hommies were getting off on the deputies and Bullet could be heard yelling at the deputies. Bullet also yelled for someone to go get his "shit." Bullet then informed [redacted] that people were pulling down the yellow tape.

Investigator's Note: The call between [redacted] and Bullet was placed eight minutes after the DIS occurred and appears to indicate Weber did in fact possess a firearm at the time Weber was confronted by the deputies.

Using Sheriff's Department resources we were able to learn the cellular subscriber for [redacted] was Deandre Hoy (MB/2-18-87), a 107 Hoover gang member with the moniker, "Bullet."

2-4-18 @2114 hours [redacted]

[redacted] spoke with a woman about the Deputy Involved Shooting where Anthony Weber was shot and killed. [redacted] said he just talked with Bullet. [redacted] said Weber was with his Baby Momma and had some shit on him and "One Time started cracking on Weber." [redacted] said he was on the phone with Bullet and heard more shots going off (implied the shots were by gang members at the scene). The woman asked, "for real" and [redacted] replied, "On Westside Hoover, I heard 8 shots."

[redacted] asked for "Infant Box" phone number and the woman replied Infant Box was in Vegas and added Infant Box left that morning. The woman said she had been having dreams that one of them (Infant Box or Weber) was going to be shot. Infant Box called the woman the previous day and talked about the Hommie shooting.

Sheriff's Department resources indicated the subscriber of cellular number [redacted] was [redacted] (FB/[redacted]).

Investigator's Note: We were able to identify "Infant Box" as a Hoover gang member named Lorenzo Hall, the same person with the M&P pistol with threaded barrel and holographic sight in the Facebook video posted on 2-2-18.

2-4-18 @2118 hours [redacted]

[redacted] spoke with an unknown woman. [redacted] asked is it true and the woman replied yes and added, "This shit is crazy." [redacted] said the police shot knocked [redacted]'s "Lil Nigger down." [redacted] said he was on phone with Lil Bullet and heard more shots. Bullet said Tiny Ragger had a lil situation on him and one time started cracking on him. The woman saw Weber's father and brother at the scene. [redacted] asked if there was still a commotion going on at the scene and the woman said no.

An unknown male comes on the line and also speaks with [redacted] about the DIS. [redacted] and the male said Bullet shot at the police, while at the crime scene. The male said Weber was just standing with his Baby Momma when the police pulled up Weber ran away and the police just started shooting. The male added Bullet had to "bust back" to make the police stop shooting. [redacted] asked if Weber had anything and the male replied no.

Investigator's Note: the above jail call appears to corroborate Weber was in possession of a firearm when confronted by the deputies on 2-4-18.

2-4-18 @2259 hours [redacted]

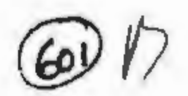
[redacted] spoke with an unknown woman about the DIS. The woman said Weber was leaving with his Baby Momma in her car, when the police came at Weber. Weber tried to run back inside the apartment complex and the police shot him. The woman added people are saying Weber did not have anything on him. The woman stated when people were telling her that Weber did not have anything on him, Bullet was present. Bullet gave the woman a look and implied Weber did in fact have something on him. The woman said Black Lives Matter and Bullet were at the scene arguing with the police. [redacted] said he could hear Bullet yelling at the police in the background. [redacted] and the woman talk about how Weber was doing his thing, implying putting in work for the gang. [redacted] said he just spoke with Weber the previous day. Bullet told [redacted] they should be proud of Weber, Weber turned out to be "Cold Nigger."

2-4-18 @2347 hours [redacted]

[redacted] spoke with unknown woman. [redacted] said he was stressed out because the police killed [redacted]'s hommie, Tiny Ragger.

RECORDED JAIL CALLS BETWEEN [redacted] **AND ANTHONY WEBER**

During our interview with Anthony Weber's mother on 2-4-18, she provided us with Anthony Weber's cell phone number, [redacted] During [redacted]'s recorded jail call on 2-4-18 ([redacted] @2259 hours), he indicated he had called Weber from jail



on 2-3-18. We subsequently discovered the following recorded jails calls from [redacted] to Weber:

An unknown woman answered the call and [redacted] asked why she answered Tiny Ragger's phone. The woman replied Tiny Ragger was her son. Another woman comes on the line and said [redacted] was the woman previously speaking with [redacted] The woman asked if [redacted] wanted to speak with Tiny Ragger. Call forwarded to a male and the call was ended.

2-2-18 @2333 hours [redacted]

[redacted] asked the male (Weber) if [redacted]s uncle called Weber back. Weber said he was just hanging with "[redacted]" [redacted] asked Weber to call [redacted]s uncle, because [redacted] needs something done. Another male ([redacted] on line. Talk about [redacted]'s [redacted]case. Talk about possible [redacted]'s case?

[redacted] IDENTIFIED AS WEBER'S GIRLFRIEND

On 2-5-18, we spoke with Anthony Weber's parents a few hours after the Deputy Involved Shooting. Weber's parents informed us Weber had an infant daughter with a woman named [redacted] was Los Angeles County Probation Employee assigned as a guard at a Juvenile Hall. Weber had been arrested for illegal possession of a firearm and was in custody at the Juvenile Hall. [redacted] was one of Weber's Proration Officer Guards and [redacted] and Weber became involved in a romantic/sexual relationship while Weber was in custody at the Juvenile Hall and later at a Probation Placement Home. [redacted] subsequently became pregnant with Weber's daughter. Weber was released from Juvenile Hall and he and [redacted] continued their relationship. Weber's parents told us [redacted]'s cell phone number was [redacted] Weber's parents also told us [redacted] resided in the City of [redacted] with [redacted]'s mother.

We also learned Weber and [redacted] were arrested together by the Los Angeles Police Department on 7-3-17. [redacted] and Weber were together, along with their infant daughter, in an illegally parked rental car in front of Weber's house at [redacted] There were also two additional Hoover gang members present gathered next to [redacted]'s car. The Police Officers conducted an investigation and found Weber and [redacted] illegally in possession a loaded concealed 9mm pistol within [redacted]'s car. The Officers learned the pistol was registered to [redacted] identified herself as Probation Officer and claimed she possessed the firearm as part of her Los Angeles County Probation Department Employment. [redacted] also claimed she was on maternity leave from the Probation Department at the time. [redacted] and Weber were subsequently arrested for illegal possession of a loaded firearm.

Based on the Los Angeles Police Department arrest and investigation, the Los Angeles District Attorney's Office filed felony charges against [redacted] for unlawful sex with a minor (Case # [redacted]. The Los Angeles Police report documented Weber and the other two males present were known Hoover gang members. The report also documented [redacted] was an associate of the Hoover Street gang.

During the booking process, [redacted] informed the Los Angeles Police Officers she resided at [redacted]

Sheriff's Department resources documented [redacted] driver's license (# [redacted] address was updated on 2-2-18, to [redacted]

We also learned, that once [redacted]'s criminal prosecution began for unlawful sex with a minor (Case # [redacted]), the court issued a protective order on 1-25-18, prohibiting [redacted] from contacting Weber. [redacted] was in violation of the restraining order, when she was with Weber on W. 107 Street, Los Angeles, on 2-4-18, just prior to the Deputy Involved Shooting.

PRELIM #65: Miscellaneous papers collected from a 2016 Chevrolet Cruze Lic #[redacted] consisting of the Following items:

Utility bill for [redacted]
County Jail Inmate deposit receipt, 4-16-18, $50, Lorenzo Hall
Western Union receipt, 2-25-18, $190
ATM receipt, 4-10-18
Western Union receipt, 4-8-18, $200

As part of our (Sergeant Richard Biddle and Investigator Francis Hardiman) on-going investigation regarding Anthony Weber's involvement in an assault with a deadly weapon, as well as a subsequent Deputy Involved Shooting, we obtained a search warrant for the person of [redacted] [redacted]s vehicle, and [redacted]s residence for evidence related to the assault with a deadly weapon, Weber's involvement in gang activity, and the Deputy Involved Shooting.

We were aware [redacted] was Weber's girlfriend and they had a child together. We were further aware [redacted] and Weber were recently arrested together by the Los Angeles Police Department for illegal possession of loaded handgun, which was registered to [redacted] in a vehicle [redacted] was driving. Our on-going investigation documented [redacted] and Weber were involved in gang related activities associated with the Hoover street gang.

Based on our knowledge of [redacted]'s close association with various Hoover gang members, we requested the assistance of the Operation Safe Streets Bureau Gang

Surveillance Unit (GSU) to detain [redacted] (FH/[redacted]) so we could safely serve the search warrant with minimal incontinence to [redacted].

On 4-18-18, the GSU Team conducted surveillance and determined [redacted]s vehicle (Chevy Cruze Lic #[redacted]) was parked at Pedro Alfonso Special Education Center at 4540 Michigan Ave, Los Angeles. The GSU Team believed [redacted] was at her place of employment and continued their surveillance.

At approximately 1345 hours, Det [redacted] and other members of the GSU Team observed [redacted] driving the Chevrolet Cruze from the parking lot. The GSU Team members stopped [redacted] a short distance from the location. The GSU Team members contacted [redacted] and explained the existence of the search warrant for [redacted]s person and her vehicle. The GSU Team members subsequently detained [redacted] seized her cellular phone **(Prelim #63)** and transported her and her vehicle to East Los Angeles Sheriffs Station so we could serve the search warrant and subsequently search [redacted]s vehicle, and her person, as well as obtain her DNA sample as authorized by the search warrant.

We meet the GSU Team and [redacted] at East Los Angeles Sheriff's Station. We initially searched Valencia's vehicle and seized the listed evidence items **(Prelim #65).**

We next contacted [redacted] who was detained in a Sheriff's Patrol Unit. We had a female Deputy search [redacted] and determined she was not in possession of anything remarkable. We explained [redacted] was not under arrest, but was detained regarding the search warrant service.

Our entire contact with [redacted] was recorded. We escorted [redacted] to an interview room inside the station and told [redacted] she was not under arrest, she did not have to speak with us, and she was free to leave if she did not wish to talk with us. We added, we would also answer any questions [redacted] had of us.

We introduced ourselves and told [redacted] we believed she was a potential witness regarding Anthony Weber's shooting. We said we were in search of the truth and would like to speak with her. We then asked [redacted] questions regarding her personal identification information and she freely replied. [redacted] added she has been employed the last six months as a behavioral instructor for children with autism.

We asked [redacted] to tell us what happened the night Anthony Weber was shot. [redacted] replied she had two questions and asked why we had to detain her to conduct the interview [redacted] said we could have called her, at which time there were reasons why we initially detained her and said we would inform her why. [redacted] then said she would like to speak with her civil attorney retained for the pending law suit before speaking with us. We replied that was fine and [redacted] said she would have to access her phone to retrieve the attorney's phone number. I asked for [redacted]s cell number and she replied [redacted] We asked for the attorney's name and phone

number. [redacted] said, "Yates" and added she did not know the phone number and would need to access her cell phone.

We had previously taken possession of [redacted]'s cell phone **(Prelim #63)** from the GSU Team and stored [redacted]s cell phone in our vehicle. Investigator Hardiman then left the interview room to retrieve [redacted]s cell phone.

I then informed [redacted] that we had a search warrant and that was the reason she had been detained. I further explained the search warrant authorized the collection of a DNA sample from [redacted] as well as the seizure and examination of [redacted]'s cell phone. I provided [redacted] a copy of the search warrant, she read it, and asked why we were seizing her cell phone. I replied, we believed [redacted]s phone may contain evidence related to the incident the night Anthony Weber was shot. [redacted] replied, "It does not."

I asked for the unlock code for [redacted]s cell phone and she asked how long we would have her cell phone. I replied as soon as the download of [redacted]s phone was complete we would release her back to her. [redacted] asked to see where in the search warrant she was compelled to provide her unlock code. I pointed out the portion of the search warrant authorizing the seizure and download of her cell phone. I further explained if [redacted] did not comply that was a potential violation of a court order.

[redacted] read the portions of the search warrant and I added if [redacted] provided her unlock code, we would be able to return her phone in a shorter period of time. [redacted] asked why the search warrant authorized the collection of her DNA sample. I explained we believed she had handled evidence related to our investigation and [redacted]s DNA sample would assist in eliminating or include her as a person who handled the items.

[redacted] said she would have to comply, but wished to talk with her attorney. We explained [redacted] did not need to speak with her attorney before she complied with the search warrant and added [redacted] could speak with her attorney, if she wished before answering questions. I added we were not going to coerce [redacted] and force her answer questions.

[redacted] then asked if we could get her some phone numbers from her cell phone and we replied yes. We asked for the unlock code and [redacted] replied, "[redacted]." I entered the unlock code into [redacted]s phone and she asked for several different phone numbers, which we made a list on a piece of paper

[redacted] was asked if she wanted to talk with us and she said she wanted to speak with her attorney first. [redacted] then said we did not need a search warrant, because she would have come in and cooperated with an interview. We provided [redacted] with the following reasons why we were uncertain she would have cooperated without the search warrant:

- [redacted] frequently communicates with various Hoover gang members, who are in custody at the County Jail
- [redacted] associates with various active gang members
- [redacted] has been depositing funds to Hoover gang members Los Angeles County Jail Inmate's accounts

We asked who Lady Leto was and [redacted] confirmed Lady Leto was one of Anthony Weber's friends from the W 107 Street Hoover neighborhood. [redacted] added she was aware Lady Leto's first name was Kayla and Kayla had red hair. We asked how to pronounce Lady Leto and [redacted] answered she was uncertain, because Valencia's knows her actual name is "Akylah."

Investigator's Note: We were aware of a female Hoover Street gang associate with red hair by the name of Akylah Brown (FB/9-22-99). Brown was present inside [redacted] on 2-2-18, when the LAPD Southeast Gang Team went to the location investigating Lorenzo Hall's Facebook video filmed earlier in the afternoon. The video depicted Hall in possession of a M&P pistol with a threaded barrel and a holographic sight with several other 107 Hoover gang members, including Anthony Weber. Brown was also present at [redacted] on 3-7-18, when a M&P pistol (believed to be the same pistol in the Facebook video from 2-2-18) with a threaded barrel and holographic sight was seized.

We next asked about Leto, if Lady Leto was someone from 107 Hoover gang. [redacted] said she only knew of Leto and was unaware of any details regarding Leto. We inquired regarding a juvenile, who frequently calls [redacted]s cell phone from within Juvenile Hall. [redacted] stated that was [redacted], one of Weber's friends, who is 17 years old, and is also a gang member.

[redacted] asked when she could call the attorney and I began retrieving the attorney's phone number to dial on my phone for [redacted] I asked if [redacted] had threatened anyone and she said no. I asked who were the "Locs" and [redacted] replied the "Locs" were a group of various gang members who she was very close with. I again asked if [redacted] was threating anyone with the "Locs" and she said no. We asked if [redacted] contacted any witnesses to Weber's shooting, at which time [redacted] said she spoke with Akylah. [redacted] said she was friends with Akylah and Akylah witnessed the shooting. We asked what Akylah told [redacted] regarding the shooting and [redacted] said we would have to ask Akylah. [redacted] confirmed she brought the attorney's investigator to Akylah for an interview about the shooting. [redacted] was present when the investigator first spoke with Akylah and then the investigator privately spoke with Akylah and recorded the interview.

We asked if [redacted] had a conversation with [redacted] over the recorded Juvenile Hall phone system, where [redacted] told Anderson about Akylah's statement to the lawyer's investigator. [redacted] agreed she had spoken with [redacted] about Akylah's statement regarding Weber's shooting.

We again told [redacted] we were in search of the truth and added we were aware of [redacted]'s recorded jail calls with Hoover gang members. We discussed the recorded jail call where [redacted] said she pulled up with Weber before the shooting and told Leto "One Time" was coming. [redacted] denied making the statement and we offered to allow [redacted] to listen to the recorded call. [redacted] refused and said she wanted to speak with the attorney. I continued dialing the phone number and told [redacted] we did not wish to talk about her pending prosecution, we only wished to talk about what happened regarding Weber's shooting.

I handed my phone to [redacted] and also told her she was free to leave, but could not leave with my phone. [redacted] spoke with the receptionist and was placed on hold. I described the recorded jail call where [redacted] said Leto and Weber were together and Leto had the gun. Leto and Weber ran from the police and [redacted] initially believed the deputies shot Leto, because Leto had the gun. [redacted] answered she recalled the conversation, but denied that was her exact statement. We replied, [redacted] said Leto had the "burner" during the conversation. [redacted] denied making that statement and we again offered to play the call for [redacted] [redacted] did not respond and began talking with Attorney Yates.

[redacted] explained she was at the Sheriff's Station regarding a search warrant for [redacted]s cell phone and DNA [redacted] While [redacted] was speaking with the attorney, I began preparing to tak[redacted]DNA sample. We told [redacted] she was free to leave once we collected her DNA sample.

[redacted] allowed me to collect her DNA sample and then asked us to retrieve some additional phone numbers from her cell phone, since we were maintaining custody of her cell phone pending the forensic examination. We subsequently added the additional phone numbers to the list for [redacted]

We asked how long [redacted] had known Weber and she replied for at least four years, since Weber was 12 years old. [redacted] confirmed Weber frequently hung out at TT's (Latanya Sims; [redacted]) apartment and added Weber was at that apartment to watch the Super Bowl game.

Just before the shooting, [redacted] parked her car in front of [redacted] and walked to the front of [redacted] W 107 Street with Weber. Weber remained in front of [redacted] W 107 Street and [redacted] walked back towards her car. When [redacted] walked back to her car, Weber was alone in front of the apartment complex wearing a shirt and jeans. We asked for additional details regarding the shooting and [redacted] replied she was done talking, while standing up to leave the room. We subsequently escorted

[redacted] to her vehicle and she left the Sheriff's facility. Refer to submitted recording for complete content of the recorded interview.

A cursory examination of text messages stored in [redacted]'s phone indicated Weber was in possession of at least one firearm on the morning of 2-4-18. The text messages further implicate [redacted] in providing Weber ammunition for two different types of firearms. The following is a portion of the text communications between Weber and [redacted] on the morning of 2-4-18:

- 2-4-18 Weber sent text to [redacted]- "Can you bring me a box of 38 shells, not 380 38"
- 2-4-18 [redacted] replied- "I got you. Where are you watching the Super Bowl? We still going to eat after."
- 2-4-18 Weber sent text- "I'm probably TT house any yea we're u gone b at while I watch the game and yea after the game we going to eat u buster but I need them shells ASAP like rocky."
- 2-4-18 [redacted] replied- Probably my uncle in Compton so I'll be close by! I'll head to you house before the end of the game so I can be that way. Ok baby I'll head straight to the shells!"

There were additional text messages between Weber and [redacted] later that day, where Weber asked [redacted] to bring Weber some 22 shells. Weber added not 22 shorts like last time.

Investigator's Note: On 3-7-18, the South Los Angeles OSS Team served a search warrant at [redacted] and seized numerous rounds of live ammunition, including 22 shorts and 38 special which appears to corroborate [redacted] provided ammunition to Weber.

We briefly viewed the contacts listed in [redacted]'s cell phone and saw an entry for "Leto" with a phone number of [redacted] We recognized the number [redacted] as associated with a Hoover gang member known as, "Bullet."

On 2-4-18, at 2058 hours, (eight minutes after the Deputy Involved Shooting) a Hoover gang member ([redacted]), who was in custody at the Los Angeles County Jail, used a recorded jail phone and placed a call to [redacted]. [redacted] spoke with a male, who [redacted] referred to as a fellow Hoover gang member known as "Bullet." During the conversation, Bullet spoke about Weber being an active Hoover gang member, who had become a "real gunner." Bullet implied Weber had a gun when confronted by the deputies just before the Deputy Involved Shooting.

Using Sheriff's Department resources we were able to learn the cellular subscriber for [redacted] was Deandre Hoy (MB/2-18-87), a 107 Hoover gang member with the moniker, "Bullet."

We also learned the following additional information regarding Deandre Hoy (Bullet):

Hoy has a California Driver's License #[redacted] that lists his DOB as 2-18-87 and his address as [redacted]

- In 2008, Hoy was served with a Court Injunction regarding Hoy's involvement with the Hoover Gang

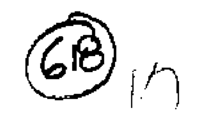
On 3-7-18, Erasmo Aguilar, who is Department of Children and Family Services Supervisor assigned to the Mart Team responded to [redacted] regarding the search warrant service at the residence related to various violent crimes committed by various Hoover gang members associated with the residence. At the time of the search warrant service several adults (Suspect #1 thru Suspect #5) were detained along with Latanya Sims' two children ([redacted] (FB/[redacted] and [redacted] MB/[redacted]). There were several firearms seized from within the apartment that were found in areas easily accessible by the children.

Aguilar conducted an on-scene investigation, determined the circumstance of the living conditions was detrimental to the childrens' wellbeing, and took the children into protective custody.

On 4-26-18, we (Sergeant Richard Biddle and Investigator Francis Hardiman) spoke with Erasmo Aguilar. Aguilar provided us with a copy of the DCFS reported regarding Sim's children placement in foster care. The DCFS report documented the following subsequent interviews of Sim's children by Children Services Worker (CSW) Saba Habte:

[redacted] INTERVIEW

On 3-7-18, Habte spoke with [redacted] [redacted] confirmed he resided at [redacted] along with his Mother (Latanya Sims) and sister ([redacted]. [redacted] added his mother allows multiple people to frequent the home, many of whom [redacted] does not know. [redacted] reported the search warrant was served at his residence because, "They found all the guns." [redacted] further said, "My mom lets her



friends bring guns and hide them at our house." [redacted] also stated his uncle (Bullet) often brings guns to the home.

Investigator's Note: We were aware Bullet is actually Deandre Lavell Hoy, who is a documented Hoover gang member and is currently on parole.

[redacted] said the guns were kept in the bathroom cabinet, kitchen table, and his bedroom closet. [redacted] added, "I have toys in my closet that I can't play with because they put guns next to my toys." [redacted] said he hears gunshots at night and is in fear when he sleeps because his family have guns in the home and he is fearful people are shooting at his home.

[redacted] was asked additional questions regarding his living conditions. [redacted] said, "My uncle Bullet smokes blunts with weed. If I am playing in the living room my mom kicks me out and sends me to my room so all of her friends can smoke blunts in the living room."

During the interview, [redacted] had tears in his eyes. [redacted] said he was sad because, "I know my mom is doing bad things and now she is going to jail."

[redacted] INTERVIEW

On 3-7-18, CSW Habte spoke with [redacted]. [redacted] confirmed she resided at [redacted] with her mother (Latanya Sims) and her brother. [redacted] added several people come in and out of the residence and [redacted] was uncertain who actually lived in her apartment. [redacted] believed her Uncle [redacted] and Uncle Bullet live in the apartment. [redacted] also stated he mother's friends bring guns into the home. [redacted] said her brother "AJ" was recently shot and killed by the police and that was the reason the police came to her home looking for the weapon. [redacted] said, "It's a lot of guns in my house." Habte asked why there were guns in her home and [redacted] replied, "It's because my momma, she let them bring it." [redacted] said the guns were kept in the bathroom cabinet, kitchen, living room, and in the bedroom.

Investigator's Note: Anthony Weber was involved in a Deputy Involved Shooting on 2-4-18. Weber was a known Hoover gang member, with the moniker of "AJ."

[redacted] said many young men come to her apartment to smoke blunts. There are occasions when random people visit the apartment and argue, but they do not engage in physical altercations.

The fact both children identified Uncle Bullet and "AJ" also resided at [redacted] appear corroborate the following previous investigative leads in the on-going investigation regarding the 2-4-18, Deputy Involved Shooting, where Anthony Weber was shot and killed:

- Within minutes of the Deputy Involved Shooting, Deandre Hoy received a recorded call from the Los Angeles County Jail by Hoover gang member [redacted]. Hoy informed the in custody gang member that Anthony Weber had just been shot by the police. Hoy further told the jail inmate that Weber had a gun just prior to the deputies chasing and subsequently shooting Weber.

- There were recorded jail calls between [redacted] and Weber's girlfriend, [redacted] told the [redacted] she was present at the scene and witnessed portions of the Deputy Involved Shooting. [redacted] stated "Leto" and Weber were together and "Leto" had the gun. The deputies chased Leto and Weber, at which time [redacted] heard gunshots. [redacted] initially believed the deputies shot Leto, because Leto had the gun. [redacted] later learned Weber was the one shot.

- One of the contacts listed in [redacted]s cell phone has the title of "Leto" with the phone number [redacted] The same number called by the in custody jail inmate on 2-4-18, minutes before the Deputy Involved Shooting. During that conversation, the jail Inmate referred to the person who answered the phone as, "Bullet."

- During the investigation, we seized [redacted]'s cell phone and observed text messages between [redacted] and Weber hours before the Deputy Involved Shooting. The text messages indicated [redacted] provided Weber with 38 caliber and 22 caliber ammunition sometime before the Deputy Involved Shooting. On 3-7-18, 38 caliber and 22 caliber ammunition was seized from within [redacted]

I have testified numerous times in Superior Court, as well as Federal court on the subject of various frauds, forgeries, and identity thefts.

[redacted]

I am aware of past studies and documentation from the Cellular Telephone Industry Association that there are at least 270,300,000 cellular phone subscriptions in the United States reaching 87% of the total population. It has been my experience that regardless of the crime, it is likely the suspect used a cell phone before, during, or after the commission of the crime. I am also aware that courts have recognized that cell phone are ubiquitous and in People v. Blair (1979 25 Cal. 3d 640,653) the court stated, "It is virtually impossible for an individual or business to function in the modern economy without a telephone, and a record of telephone calls provides a virtual current biography."

I am also aware of the Seventh Circuit Court ruling in **U.S.** vs. Seiver (7th Cir. 2012; 692 F.3rd 7774). In the Seiver decision, the court ruled regarding the staleness of digitally stored information on computers and or cellular phones. The court ruled probable cause to search a place or thing can exist only if there is a fair probability that the sought after evidence will be there when the search occurs. The issue in Seiver was whether it was reasonable to believe that data would remain stored on a computer for seven months.

The Seventh Circuit Court concluded that if officers have probable cause to believe evidence of a crime had been stored on a computer, it is unlikely that a delay of several months in seeking a warrant will render the probable cause "stale." There are two reasons for this. First, unlike drugs, computer data is not the type of evidence that rapidly dissipates or degrades. Second, even though a user can easily "delete" data on his computer, he cannot easily destroy the data.

The court explained:
When you delete a file, it goes into a "trash" folder, and when you direct the computer to "empty" the trash folder the contents of the folder, including the deleted file, disappear. But the file hasn't left the computer. The file seems to have vanished only because the computer has removed it from the user interface and so the user can't see it any more. But it's still there, and normally is recoverable by computer experts until it is overwritten because there is no longer unused space in the computer's hard drive. The court added that, although people can now purchase software that overwrites the data stored on a computer's hard drive, "the use of such software is surprisingly rare."

I am also aware from training and experience that digital information is stored in cellular phones and that information is frequently is critical relevant evidence related to dominion and control of the actual cellular phone. In order to prove the relevance of a piece of evidence, it is necessary to prove from whom the evidence was seized. In order to do so, dominion and control over the location where that evidence was recovered is critical. This theory is true not only with respect to places (homes, businesses, vehicles) but also to digital locations (social media sites, email addresses, cellular phones, digital media storage devices).

This affidavit is intended to show only that there is sufficient probable cause for the requested warrant and does not set forth all of my knowledge about this matter.

On 2-4-18, your Affiant, Sergeant Richard Biddle and Investigator Francis Hardiman were assign to investigate a Deputy Involved Shooting that occurred on 2-4-18, at approximately 2017 hours at an apartment complex located at [redacted] 107 Street, Los Angeles.

On 2-4-18, Subject Anthony Weber was involved in an assault with a deadly weapon incident in front of [redacted] W 107 Street, Los Angeles. Weber was later identified as the person who pointed a black pistol at a motorist, who was driving past the [redacted] W 107 Street apartment complex. The motorist called 911, reported the crime, and approximately 20 minutes later deputies from the South Los Angeles Sheriff's Station arrived at the scene.

The deputies exited their patrol unit and approached the apartment complex, which they knew was a location frequented by local 107 Hoover gang members. The deputies found Anthony Weber and a female standing together talking in the rear portion of the apartment complex parking area. The deputies believed Weber was the person involved in the earlier assault with a firearm upon the passing motorist and attempted to detain Weber and the female. The deputies gave Weber and the female commands to raise their hands in the air. Weber and female initially complied, at which time one of the deputies observed Weber had a very distinctive type of a semi-automatic pistol in his waistband. The deputy described the pistol as a Smith & Wesson M&P with a red dot holographic sight.

After raising his hands in the air, Weber turned and ran away from the deputies toward the apartment complex court yard. The deputies chased after Weber, but lost sight of Weber as he ran through a hallway and entered the court yard. When the deputies reached the court yard, the first deputy saw Weber running north through the court yard. The deputy gave Weber commands to stop and surrender. Weber stopped running, turned back toward the deputy, while lowering his hands to Weber's waistband area. An Officer Involved Shooting (OIS) then occurred and Weber was shot. Weber fell to ground, at which time a large hostile crowd gathered around the deputies preventing the deputies from immediately securing Weber and providing Weber with aid. Once additional deputies arrived at the scene and order was restored, paramedics began treating Weber. The paramedics pronounced Weber dead at the scene and the

deputies were unable to locate the pistol Weber had when he began running from the deputies. The Coroner Investigator arrived at the scene and conducted a preliminary examination of Weber's body and did not locate a firearm in Weber's possession.

The on-going investigation indicated Weber may have discarded the pistol while running from the deputies or someone in the hostile crowd removed the pistol from the scene, before the deputies were able to secure the scene. We were able to interview the passing motorist and the motorist identified Anthony Weber as the person who confronted the motorist in the street and pointed a pistol at the motorist's head.

Early in the DIS investigation, we (Sergeant Richard Biddle and Investigator Francis Hardiman) became aware of a "Facebook Live Video" that was streamed on the internet on Friday afternoon, February 2, 2018. The Facebook Live video was from an account associated with Lorenzo Hall, who is a known Hoover gang member with the moniker, "Infant Killa Box." The video depicted Hall and other Hoover gang members, including Anthony Weber inside apartment [redacted] at [redacted] In the beginning of the video, Hall is depicted facing the camera. Hall could be seen pointing a Smith & Wesson M&P pistol with a silver threaded barrel and holographic red dot sight at the camera, while holding the pistol in Hall's left hand. The video continues and depicted Hall, Weber, and the other gang members dancing and flashing 107 Hoover gang signs, while rapping a gang related song. The video continued for several minutes and recorded Hall, Weber, and the other gang members exit the apartment and gather in the complex court yard. We were able to confirm the video was filmed inside apartment [redacted] and the court yard of [redacted]

LAPD INVESTIGATION AT [redacted]

On 2-5-18, we became aware members of the Los Angeles Police South East gang Team had monitored Lorenzo Hall's Facebook page on the afternoon of 2-2-18. The LAPD Officers were familiar with 107 Hoover gang members and recognized Hall, Weber, and other Hoover gang members depicted in the video. The LAPD Officers saw Hall was in possession of S&W M&P pistol with a holographic red dot sight in the video. The LAPD Officers also recognized the video was filmed the same afternoon at [redacted] The LAPD Officers subsequently went to [redacted] to investigate further regarding illegal possession of a firearm by known criminal street gang members.

The LAPD Officers contacted Hall and the below listed persons inside apartment [redacted]

[redacted] MB/[redacted]
[redacted] FB/[redacted]
[redacted] FB/[redacted]
Akylah Brown FB/9-22-99

The LAPD Officers determined Anthony Weber was not present inside apartment [redacted] The LAPD Officers conducted a parole compliance search of the apartment, but were unable to locate the Smith & Wesson pistol Hall possessed during the filming of the video just a few hours before.

HOOVER CRIMINALS GANG INFORMATION

On 02/06/18, at about 2005 hours, we (Sergeant Biddle and Investigator Hardiman) contacted Los Angeles Police Department [redacted] Officer [redacted] # [redacted] We inquired about the gang Hoover Criminals. [redacted] told us the following:

The Hoover Criminals is a criminal street gang whose members are primarily African American. The Hoover Criminals first formed in the 1960's. There are well over 1200 members of the Hoover Criminals.

There are currently 9 "sets" of the Hoover Criminals. A "set" is a gang term for subgroup belonging to the larger organization. The sets of Hoover Criminals are based on the geography of Central Los Angeles, and the area that is claimed by the Hoover Criminals. The sets of the Hoovers Criminals are the following: 43, 52, 59, 74, 83, 92, 94, 107, and 112.

Generally, the Hoover Criminals claim the territory bounded by about 41st Street on the north, Imperial Highway on the south, Vermont on the west, and the 110 Freeway on the east. The 107 set of Hoover Criminals claims the territory (generally) bounded by Century Boulevard on the north, 110th Street on the South, Normandie Avenue on the west and Hoover Street on the east. 1212 W. 107th Street is within the territory claimed by the 107th Hoovers.

The Hoovers Criminals have numerous common signs and symbols. These include: the name Hoover Criminals; HCG (Hoover Criminals Gang); Hoova; 716 (the sum of all of the numbered Hoover sets equals 716); the color orange; Houston Astro's apparel; apparel with the letter H; star (from the Houston Astros team symbol).

Another common symbol for the Hoover Criminals is the numeral 0 (zero) with an X over it. This is commonly called "crossing out." This is common in street gang culture and is meant as a sign of disrespect and contempt for an enemy gang. With respect to the Hoovers, the zero represents all of the sets of the Neighborhood Rolling Crips. Those Crip sets are: Rolling 30's, Rolling 40's, Rolling 60's, Rolling 90's, and Rolling 100's (also known as Blocc Crips). In addition, Oklahoma Thunder apparel will be worn by Hoover Criminals, as there usually appears the letters OKC on the clothing. The Hoovers have adopted the letters OKC to represent 0 (zero) Killer (K) Crips (C), meaning the Hoovers will kill members of the Neighborhood Rolling Crips.

Hoover Criminals use a hand sign that is the index finger and the middle finger formed into a V. The V is pointed down. The thumb is placed in the web of the fingers at the apex of the V. This makes what appears to be an "H." In addition, depending on the

set, it is common to see a Hoover using one hand to make the "H" and the other to display their set. For example, extending the index finger pointing towards the ground and extending the thumb perpendicular to the index finger makes what appears to be a "7" is a sign commonly used by members of the 107 Hoovers.

The primary activities of Hoover Criminals include felony vandalism (PC186.22(e)(20)), the prohibited possession of firearms (PC186.22(e)(31)), carrying of concealed firearms (PC186.22(e)(32)), and the carrying of loaded firearms (PC186.22(e)(33)).

Officer [redacted] is aware of the following members of Hoover Criminals:

Anthony Weber, aka: Tiny Rag, received a sustained Juvenile petition on or about 08/25/15 for robbery, 211PC, under case [redacted] a crime listed in PC186.22(e)(2), which occurred on 05/23/15.

[redacted] was convicted on 04/04/16 of carrying a concealed firearm, 25400(a)(3)PC, a felony, under case [redacted] a crime listed in PC186.22(e)(32), which occurred on 10/24/15.

[redacted] was convicted on 05/18/17, of grand theft person, 487(c)PC, a felony, under case [redacted] a crime listed in PC186.22(e)(9), which occurred on 02/14/17.

ANTHONY WEBER PRIOR LAW ENFORCEMENT CONTACTS

Anthony Weber has been contacted by law enforcement on numerous occasions.

Weber has been contacted by the LAPD on at least four occasions. The LAPD documented those occasions on field identification cards. The dates of those contacts were 04/09/17, 05/20/17, 05/27/17 and 07/08/17. On each of those occasions Weber was with other 107 Hoovers and he admitted to gang membership.
Weber is listed in the following LAPD crime reports:

1518-11170. Report dated 05/25/15. Weber was identified as a suspect in a robbery.

1699-11224. Report dated 03/10/16. LAPD officers were in the area of 106 and Budlong. Weber fled from them and threw a handgun. Weber was arrested and the gun was recovered.

1718-00851. Report dated 07/02/17. LAPD's officers arrested [redacted] the mother of Weber's child. [redacted] was arrested for possession of a firearm in a vehicle. Weber was present at the scene.

1718-14414. Report dated 07/03/17. Weber is listed as a victim of child sexual abuse. The suspect is identified as [redacted], a probation officer.

Weber is listed in the following LASD crime reports:

915-02056-0377-147. Report dated 03/05/15. Weber assaulted security guards at a school, and made gang related threats to them, including that he would "get the Homie's and shoot up the school."

915-04355-0377-733. Report dated 05/22/15. Weber was arrested in a stolen car. Weber admitted to stealing the car.

According to Weber's RAP sheet, he has received multiple sustained juvenile petitions for some of the offenses listed above.

SEARCH WARRANT SERVICE AT [redacted]

On 3-7-18, South Los Angeles Sheriff's Station Operation Safe Streets Team (OSS) served several search warrants at different residences on W 107 Street regarding various 107 Hoover gang members' participation in recent gang related armed robberies and gang related shootings. A search warrant was served at [redacted] and (6) firearms were seized from within the apartment. One of the seized firearms was a Smith & Wesson M& P pistol with a silver threaded barrel and a red dot holographic sight, just like the pistol the deputy saw in Weber's waistband on 2-4-18 and just like the pistol Hall possessed during the filming of the Facebook Live video on 2-2-18.

Several items of Hoover gang paraphernalia and items associated with Anthony Weber were also seized from inside apartment #4. The following person(s) were found inside the apartment and detained at the time of the warrant service:

Joquan Brown MB/11-5-75 BK #5251020
Titanisha Jiles FB/3-2-88 BK #5251043
Antaijah Williams FB/11-19-97 BK #5251037
Akylah Brown FB/9-22-99 BK #5251045
[redacted] FB/[redacted]
[redacted] MB/[redacted]

Investigator's Note: Akylah Brown was also present at [redacted] on 2-2-18, when the LAPD Officers conducted their investigation regarding Hall and other gang members possessing the unique Smith & Wesson pistol in the Facebook Live video.

LORENZO HALL FOLLOW UP

Based on the following facts, we believed Lorenzo Hall likely gave the Smith and Wesson pistol to Weber and Hall had knowledge regarding the gun Weber used to assault the passing motorist and possessed prior to the Officer Involved Shooting:

- Lorenzo Hall's Facebook Live video depicted Hall possessing the unique Smith & Wesson pistol, as described by the deputy in Weber's waistband just prior to the Officer Involved Shooting

- Lorenzo Hall is known 107 Hoover gang member

- Anthony Weber was also present and depicted in the video filmed on 2-2-18, with Hall possessing the unique pistol

- The video was filmed in the same complex where Weber committed the armed assault upon the passing motorist and was later observed by the deputy in possession of the unique pistol in Weber's waistband

- The unique Smith & Wesson M & P pistol with a silver threaded barrel and red dot sight was seized on 3-7-18, in apartment [redacted] of the complex next door to the complex where Hall filmed the 2-2-18 video inside apartment [redacted] and the complex where the DIS occurred on 2-4-18

We subsequently learned Hall has several felony arrests and prior felony convictions, as well as an outstanding felony arrest warrant for 459 PC from the Bakersfield Police Department.

LORENZO HALL ARRESTED

On 4-1-18, we learned Hall was in custody at South Los Angeles Sheriff's Station for his Bakersfield arrest warrant. Hall was found possession of a LG cellular phone at the time of his arrest. Hall's cell phone was subsequently booked into evidence at the South Los Angeles Sheriff's as Prelim #4, under file number 918-02537-0370-151.

On 4-2-18, Hall was transferred to the Los Angeles County Jail Inmate Reception Center (IRC) and we responded to IRC to interview Hall regarding the gun he possessed in the 2-2-18, video, as well as Hall's knowledge regarding Weber and Weber's involvement in the DIS.

LORENZO HALL INTERVIEW

On 4-2-18, at approximately 1145 hours, we interviewed **Lorenzo Hall (MB/10-18-92; BK #5272524)** at an IRC interview room. Investigator Hardiman advised Hall of his rights, which Hall understood and waived. The following is a synopsis of the recorded interview:

Hall admitted he was a Hoover gang member, but claimed he currently was not actively involved with the gang. We saw Hall had various tattoos on his face, neck, and arms consistent with Hoover gang membership. Hall admitted several of his tattoos were in fact Hoover gang tattoos that indicated Hall is a Hoover gang member. Hall also admitted his gang moniker is "Infant Killa Box."

Hall said he was friends with Anthony Weber, but denied knowing if Weber was a Hoover gang member. We played the 2-2-18, video from Hall's Facebook account and Hall identified himself in the video pointing the Smith & Wesson pistol with a red dot sight and silver threaded barrel at the camera. Hall confirmed the video was filmed on 2-2-18, at [redacted] Hall knew the pistol was a real firearm. Hall said he possessed the pistol that day but refused to state who gave him the pistol. Hall said he had the pistol because he was at the apartment complex with other Hoover gang members and he need to have a gun to be on "patrol and posted" in case rival gang members confronted the Hoover gang members at the complex. Hall described the pistol as a "Hood gun" that various Hoover gang members shared and possessed. Hall gave us an example of how different Hoover gang members shared the pistol. Hall said it was similar to COPS at a police station. Hall said when COPS begin their shift, they are assigned a gun to use during their shift and at the end of the shift the same gun is assigned to a different officer for the next shift. Hall said he had the pistol that day because he took over the shift of "Posting" and protecting the gang from a different gang member. Hall refused to tell us who gave him the gun that day, or who Hall gave the gun to later that night, because Hall could not provide information about fellow gang members.

Hall further confirmed LAPD Officers arrived at [redacted] a few hours after the video was filmed. Hall and other Hoover gang members were detained, the LAPD Officers searched the apartment, but did not find the pistol Hall possessed earlier during the video filming.

Hall said he was not present in Los Angeles on 2-4-18, at the time Weber was shot by the deputy. Hall claimed he took a bus to Las Vegas on 2-4-18, at 0500 hours to watch the Super Bowl game with relatives.

We showed Hall a photo of the Smith & Wesson pistol with the red dot sight and silver threaded barrel seized from [redacted], on 3-7-18. Hall said the gun in the photo was similar to the gun Hall possessed in the video on 2-2-18.

Based on the information contained in this Affidavit, I formed the opinion evidence related to the following will be found digitally stored within Lorenzo Hall's cell phone:

- Anthony Weber and Lorenzo Hall's involvement and membership in the 107 Street Hoover gang
- Anthony Weber and Lorenzo Hall's illegal possession of firearms
- Anthony Weber and Lorenzo Hall's previous use of firearms in gang related crimes
- Anthony Weber and Lorenzo Hall's possession of a S&W M&P pistol with a red dot holographic sight on 2-4-18
- The illegal possession of a S&W M&P pistol with a holographic sight by Lorenzo Hall in the Facebook Video, with Anthony Weber on 2-2-18

I believe the evidence from Lorenzo Hall's cell phone will consist of the following items:

- Dominion and control evidence regarding ownership of Lorenzo Hall's cell phone
- Text messages/email communications between Weber, Hall, and others relating to or indicative of gang activities and crimes
- Text messages/Email communications between Weber, Hall, and others regarding Weber and or other gang members possessing firearms
- Text messages/Email communications between Weber, Hall, and others that would provide investigative leads regarding the identity of potential witnesses to the Deputy Involved shooting as well as potential witnesses or victims related to gang related activities/crimes involving Weber and or other 107 Hoover gang members
- Photos or videos depicting Weber and Hall or gang members in possession of firearms
- Photos or videos depicting Weber, Hall and other gang members' involvement in gang activity
- Text messages/Emails/Photos/Videos that may corroborate or exonerate Weber's possession and or access to firearms
- Text messages/Emails/Digital photos that would provide investigative leads regarding how Weber came to be in possession of the S&W pistol during the encounter that led to the Deputy Involved Shooting

I further believe Lorenzo Hall's cell phone seized as evidence was used to communicate with other individuals regarding Hoover gang crimes and activities, and as such **I am seeking evidence of ownership, use, and identification**. I know that ownership and control of a digital device can be placed at issue through a simple denial, "that is not my phone." In my training and experience some of the best ways to establish control are by searching the calendar, contacts, photo gallery, communications, settings, and social networking activity. The calendar often contains appointments specific to an individual such as birthdays and doctor's appointments. Contacts often contain friends and associates specific to an individual such as mom, dad, dentist, etc... A photo gallery often contains selfie photos that clearly depict the owner/holder of the phone. Communications via text messages, emails, and voicemails often identify the sender/recipient by name, additionally the context of the communications often identify the sender and/or recipient. Settings often contain user names, addresses, and phone numbers, wi-fi network tables, associated wireless devices (such as known wi-fi networks and Bluetooth devices), associated connected devices (such as for backup and syncing), stored passwords, and user dictionaries that

can identify the owner/user of the device.

I am seeking evidence of communication. In my training and experience associates communicate together via phone calls, text messages emails, and social network posts. These communications often contain direct and indirect statements about crimes. Furthermore, I know that communications rarely explicitly mention an intent to commit a crime. Instead they often allude to such an intent: "gunna go hustle" for instance may be a declaration of an intent to commit a theft crime, but without context it is meaningless. In my training and experience individuals often use digital devices and cellular devices to post messages to others on social networking applications. In my training and experience it is possible for cellular phone users to use a variety of messaging platforms including SMS, MMS, iChat, WhatsApp, call logs, and others. Therefore I seek to search all the communications evidence on the device to understand not only what was said, but what was intended and to whom it was said.

I am seeking evidence of location. In my training and experience cellular devices track historical locations in multiple ways, GPS location, wi-fi transmissions, metadata attached to files, cellular tower connections, and application data.

I am seeking evidence of association. I know that establishing the association of co-conspirators is important in proving a concert of action between multiple persons. In my training and experience some of the best ways of linking co-conspirators together is by searching the calendar, contacts, photo gallery, communications, application data, call logs, and social networking connections. In my training and experience a comparison of the calendars of multiple individuals can show an intent to act together and dispel the notion of an accidental meeting. In my training and experience when two or more individuals are in photographs together it demonstrates a mutual relationship. In my training and experience associates communicate together via phone calls, text messages and emails, therefore I am seeking the communications evidence to demonstrate the associations of the individuals in this case. In my training and experience a user's "connections," "buddies," and/or "friends," on social networking sites is indicative of who their associates are. Because this evidence is intended to be used to show associations of the user/owner of the device and co-participants I am seeking the above items regardless of the dates the information was created.

I am seeking specific evidence related to this case. In addition to the previous information, I believe the GPS location, financial information, cookies, bookmarks, web history, search terms and internet search history on digital devices and cellular devices may contain relevant evidence. Therefore, by this warrant I am seeking permission to search all the metadata, file data, setting data, photographic and video data, and communication data on any digital device.

DIGITAL FORENSIC EXAMINATION

Based on my knowledge, training, and experience, I know that digital files or remnants of such files can be recovered months or even years after they have been downloaded onto a hard drive or other storage device, deleted or viewed via the Internet. Digital files downloaded to a storage device can be stored for years and remains on the storage device until it is overwritten by new data.

Therefore, deleted files, or remnants of deleted files, may reside in free space or slack space—that is, in space on the storage device that is not currently being used by an active file—for long periods of time before they are overwritten. In addition, device's operating system may also keep a record of deleted data in a "swap" or "recovery" file.

Similarly, files that have been viewed via the Internet are typically automatically downloaded into a temporary Internet directory or "cache." The browser often maintains a fixed amount of space devoted to these files, and the files are only overwritten as they are replaced with more recently viewed Internet pages or if a user takes steps to delete them.

Based upon my knowledge, training and experience, I know that searching for information stored in cellular devices often requires that the device be accessed and searched using specialized programs or tools by a qualified expert in a controlled environment. This is often necessary to ensure the accuracy and completeness of such data, and to prevent the loss of the data either from accidental or intentional destruction. Data search processes are designed to recover even "hidden," erased, compressed, password protected, or encrypted files. Because digital evidence is vulnerable to inadvertent or intentional modification or destruction (both from external sources or from destructive code imbedded in the system as a "booby trap"), a controlled environment may be necessary to complete an accurate analysis.

In light of these concerns, I hereby request the Court's permission to conduct an off-site search of the hardware for the evidence described and to employ the use of outside experts who will use whatever data analysis techniques appear necessary to locate and retrieve the evidence described.

As required by Penal Code § 1546.1 (d); those items that are within the scope of this warrant will be copied and retained by investigative agents. Investigating agents will then seal any information from the device that is unrelated to the objective of the warrant and will not further review the information absent an order from the Court.

If no evidence of criminal activity is discovered relating to the seized property and associated peripherals, the devices will be returned promptly.

FOR THE FOLLOWING TARGET TELEPHONE NUMBER(S):

[redacted]

Hereafter referred to as "**Target Telephone Number(s).**"

THE LOS ANGELES COUNTY SHERIFF'S DEPARTMENT, hereby applies for a Search Warrant authorizing the producing of and disclosure of the following information and services pursuant to Penal Code Section 1524(a)(12), and has certified that the information likely to be obtained is relevant to an ongoing joint criminal investigation being conducted by the **Los Angeles County Sheriff's Department (LASD)**, the **Federal Bureau of Investigation (FBI)**, the **Los Angeles Police Department (LAPD), the United States Secret Service (USSS)** and the **Los Angeles Regional Criminal Information Clearinghouse (LA CLEAR)**, in connection with possible violations of California Penal Code section 32,

IT IS HEREBY ORDERED that, based upon probable cause, Service Provider shall provide the following information and services for the account associated with the Target Telephone Number(s). The information and services requested within this Search Warrant not only applies to the original Target Telephone Number(s), but also includes any telephone number(s) subsequently assigned to the same handset, SIM card, and/or subscriber. Additionally, the information and

services requested in this Search Warrant not only applies to Service Provider, but to any other telecommunications carrier that provides service to the Target Telephone Number(s) due to roaming agreements and/or changes in service.

The following information and services shall be provided within 24 hours of request for the time period beginning 02/01/18 and continuing for a **Thirty (30) day period** from the date this Search Warrant was signed by the Court:

- **Subscriber/Registration/Account Information/Pairing Report**, to include: Name, address, date of birth, driver's license number, employment information, social security number and any other identifying customer information, activation/suspension dates, billing information, payment method (to include any credit card and/or bank account numbers), account notes, additional telephone numbers/persons listed on the account, make/model of handset, information as to where the target telephone was purchased, the pin number, unlock code or key, Electronic Serial Number (ESN), International Mobile Equipment Identifier (IMEI), International Mobile Subscriber Identity (IMSI), Mobile Station Identifier (MSID), Mobile Identification Number (MIN), and Mobile Equipment Identifier (MEID). Additionally, if the Target Telephone Number(s) is a "Pre-Paid" account, Service Provider shall supply information as to the amount of minutes remaining on the account and most recent date any monies, including the amount, were credited to the Subscriber Account.

- **Call Detail Records with Cellular Site Location**, to include: Originating date and time and ending date and time of cell site/sector, beginning and ending location for each call, Location Area Code (LAC), Cellular Identification (CID), Voice Over LTE (VOLTE) Call Detail Records, VOIP Call Detail Records, Per Call Measurement Data (PCMD), Range To Tower (RTT-EVDO) Data, Network Event Location System (NELOS) switch information, latitude, longitude, orientation, sector, azimuth, beam width, direction and strength of signal from the cellular tower. The Call Detail Records should include all inbound and outbound calls, direct dispatched number(s), whether published or non-published, blocked or un-blocked, including SMS and MMS text message history with content and cell sites which have been accessed, sent, stored and received, all Voicemail, text and data content stored on the server, direct connect record with cell sites, picture detail and picture content, historical GPS with latitude and longitude coordinates, IP address login information for data sessions and Source and Destination Port Information for those logins, to include cell site/sectors (physical address), orientation, facing, offsets, and period of telephone activation and or registration for the Target Telephone(s).

- **PEN Register / Trap-and-Trace with Cellular Site Location:** The installation and use of a pen register/trap-and-trace device with cellular site location information, including text message and data activity/transaction information (no content), the "caller identification feature" without geographical limitations, and dialed digits after connection (post-cut-through digits) for a **10-day-period,** from the date this Search Warrant was signed by the Court. The installation and use of a pen register on the Target Telephone Number(s) registers numbers dialed or otherwise transmitted from the Target Telephone Number(s) and records the date and time of such transmission and length of time the call was connected for outgoing calls. The installation and use of a trap-and-trace device on the Target Telephone Number(s), including the "caller identification feature" without geographical limitations, captures the incoming electronic or other impulses which identifies the originating numbers of wire or electronic communications and records the date, time, and duration of calls created by such incoming impulses. Service Provider shall provide, on an ongoing and/or real time basis, the location of cell site/sector (physical address) at call origination and termination, direction of signal, strength of signal, Automated Message Accounting (AMA) data, dialed digit extraction, extended digit dialing, and a listing of control channels/PN offsets and their corresponding cell sites;

- **Use of a Cell Site Stimulator:** To authorize the use of a cell site simulator which will help reveal the general geographical position and movement of the cellular phone handset subscribed to the **Subject Telephone Number(s).** A cell site simulator refers to an investigative device or devices capable of broadcasting signals that will be received by the **Subject Telephone Number(s)** or receiving signals from nearby cellular devices, including the **Subject Telephone Number(s).** Such a device may function in some respects like a cellular tower, except that it will not be connected to the cellular network and cannot be used by a cell phone to communicate with others. The device may send a signal to the **Subject Telephone Number(s)** and thereby prompt it to send signals that include the unique identifier of the device. Law enforcement may monitor the signals broadcast by

the **Subject Telephone Number(s)** and use that information to determine the **Subject Telephone Number(s)**'s location, even if it is located inside a house, apartment, or other building. The investigative device may briefly interrupt cellular service of phones or other cellular devices within its immediate vicinity. Any service disruption to non-target devices will be brief and temporary, and all operations will attempt to limit the interference with such devices. In order to connect with the **Subject Telephone Number(s)**, the device may briefly exchange signals with all phones or other cellular devices in its vicinity. These signals may include cell phone identifiers. The device will not complete a connection with cellular devices determined not to be the **Subject Telephone Number(s)**, and law enforcement will limit collection of information from devices other than the **Subject Telephone Number(s)**. To the extent that any information from a cellular device other than the **Subject Telephone Number(s)** is collected by the law enforcement device, law enforcement will delete that information, and law enforcement will make no investigative use of it absent further order of the court, other than distinguishing the **Subject Telephone Number(s)** from all other cellular devices.

The following paragraph only pertains to information and services which shall be provided within **24 hours** of request for the time period beginning the date this Search Warrant was signed by the court and continuing for a **30-day-period (Pursuant to 1534(b)(1))** from the date this Search Warrant was signed by the Court, as it pertains to real time GPS precision location information:

- **GPS Precision Location Information:** Service Provider shall initiate a signal to determine the location of the Target Telephone Number(s) mobile device on the Service Provider's network or with such other reference points as may be reasonably available at five (5) minute intervals for a **30-day-period**, from the date this Search Warrant was signed by the Court. Service Provider shall provide this information over the telephone upon demand and/or send the information to the e-mail addresses provided by **Los Angeles County Sheriff's Department (LASD) and/or the United States Secret Service (USSS).**

IT IS ORDERED that Service Provider shall notify the Los Angeles County Sheriff's Department of any changes to the Target Telephone Number(s) and/or the account associated with the Target Telephone Number(s) during the time period covered by this Search Warrant.

IT IS ORDERED that the Target Telephone Number(s) account remain active during the time period covered by this Search Warrant even if it has been scheduled for deactivation due to non-payment or breach of contract. The law enforcement agency executing the Search Warrant will incur future billing costs at the point of deactivation and compensate Service Provider for such additional billing costs from the date of deactivation and continuing through the time authorized by this Search Warrant.

IT IS ORDERED that the Service Provider upon the direction of any law enforcement agent, shall conduct an IMEI inquiry of the corresponding Subject Telephone Number(s) IMEI to determine all IMSI/cellular telephone numbers utilized with the aforementioned devices from the time period starting **Thirty (30) days prior to the signing of this warrant**, up through the date this warrant is signed. Any and all related wireless carriers shall then provide account information, subscriber information, call detail records with cell sites, SMS history and content, data sessions with IP addresses for logins, PCMD, RTT, historical GPS, and NELOS data for the IMSI/cellular telephone numbers identified from the aforementioned IMEI inquiry for the time period starting **Thirty (30) days prior** to the signing of this warrant, through the date this warrant is signed. That the Service Provider(s) upon the direction of any law enforcement agent conduct a search of the IMSI information corresponding to Target Telephone Number(s) beginning **Thirty (30) days prior** to the signing of this warrant, until present to determine if that IMSI was used in any other devices and the respective Service Provider shall provide IMEI history information for all devices identified to include all associated IMSI/cellular telephone numbers for those devices beginning **Thirty (30) days prior to 02/01/2018** and continuing **Thirty (30) days after** the signing of this warrant, as authorized. Service Provider(s) shall provide account information, subscriber information, call detail records with cell sites, SMS history and content, data sessions with IP addresses for logins, PCMD, RTT, historical GPS, and NELOS data, for the identified IMSI/cellular telephone numbers for a period beginning **Thirty (30) days prior to 02/01/2018** and continuing for **Thirty (30) days from the signing date of this warrant**, as authorized.

IT IS ORDERED that Service Provider shall furnish information, facilities, and technical assistance 24 hours a day, 7 days a week, necessary to accomplish the installation and operation of the pen register/trap-and-trace unobtrusively and within minimum disruption of normal telephone service.

IT IS FURTHER ORDERED, that the Los Angeles County Sheriff's Department, or any other law enforcement department/agency, including, the United States Secret Service (USSS), the Federal Bureau of Investigation (FBI), the Los Angeles Police Department (LAPD), the Los Angeles Regional Criminal Information Clearinghouse (LACLEAR), and any other local, state or federal agency, working in conjunction with the Los Angeles County Sheriff's Department, is authorized to utilize any lawful means and/or equipment to further analyze the requested data received from the respective telephone company(s) in an effort to ascertain the current location of said cellular device at any time of the duration of this Search Warrant.

FURTHERMORE, I find there is probable cause to believe the information sought by way of this Search Warrant could aid in the lawful use of a "Tracking Device" and/or Cell Site Simulator which could assist law enforcement in locating and/or identifying the individual(s) described and/or responsible for the crime(s) described in this Search Warrant and authorize the use of any lawfully possessed "Tracking Device" and/or Cell Site Simulator in conjunction with the records sought by this Search Warrant.

"Tracking Device" defined pursuant to California Penal Code §1534(b)(6): As used herein, the term "Tracking Device" means any electronic or mechanical device that permits the tracking of the movement of a person or object.

IT IS FURTHER ORDERED, that no law enforcement agency acting on behalf of this warrant, utilize any equipment or device to intercept any "aural transfer" as defined in PC 629.51(a)(4), or other electronic communications, including text (SMS) messages, multi-media messages, writings, sounds, images, web addresses, or any other communication not expressed and authorized by this order.

IT IS FURTHER ORDERED, that, based on the details described within the Probable Cause of this Search Warrant, the **Service Provider(s)** is ordered to execute/provision the Target Telephone(s) "Forthwith" and begin sending/providing the requesting agency the information authorized pursuant to this Search Warrant, upon receiving this Order, regardless of the time of day or night, or **Service Provider(s)** "normal" business hours.

NON-DISCLOSURE ORDER / DELAYED NOTICE OF SERVICE OF WARRANT REQUEST (Pursuant to Penal Code § 1534(b)(4)): IT IS HEREBY ORDERED, good cause having been established in the affidavit filed herewith, that Service Provider, including any of their representatives, agents and employees, shall not disclose in any manner, directly or indirectly, by any action or inaction, the existence of this Search Warrant or the existence of this investigation to the subscriber(s) of the Target Telephone Number(s) or the subscriber(s) of the incoming calls to or outgoing calls from the Target Telephone Number(s), nor are law enforcement officers required to serve a copy of this warrant or notify the person who was tracked or whose property was tracked for a period of **90 days**, as doing so would impede the investigation.

AND TO SEIZE IT / THEM IF FOUND and bring it / them forthwith before me, or this Court, at the courthouse of this Court. This **Search Warrant** and **Affidavit,** and attached and incorporated **Statement of Probable Cause** were sworn to as true and subscribed before me on this 11 day of Apr, 2018, at 9:20 **A.M.** / **P.M.** Wherefore, I find probable cause for the issuance of this Search Warrant and do issue it.

Rev. 10-06-16 MM

STATEMENT OF PROBABLE CAUSE

Your affiant, Detective Richard Biddle has been a Peace Officer in California since [redacted] I am currently assigned to the Los Angeles County Sheriff's Department Homicide Bureau. My duties include the investigation of murders and deputy/officer involved shootings in Los Angeles County.

This affidavit is made in support of a Search Warrant requesting the following telephone related information: **Subscriber/Account Information, Call Detail Records with Cellular Site Location, GPS Precision Location Information, PEN Register/Trap-and-Trace with Cellular Site Location for the Target Telephone Number(s)** and **Use of a Cell Site Stimulator** related to violations of **California Penal Code Section 664/245 PC, Attempt Assault with a Deadly Weapon and 32 PC Accessory.**

INVESTIGATION

This affidavit is intended to show only that there is sufficient probable cause for the requested warrant and does not set forth all of my knowledge about this matter.

On 2-4-18, your Affiant, Sergeant Richard Biddle and Investigator Francis Hardiman were assign to investigate a Deputy Involved Shooting that occurred on 2-4-18, at approximately 2017 hours at an apartment complex located at [redacted] 107 Street, Los Angeles.

On 2-4-18, Subject Anthony Weber was involved in an assault with a deadly weapon incident in front of [redacted] W 107 Street, Los Angeles. Weber was identified as a person who pointed a black pistol at a motorist, who was driving past the [redacted] W 107 Street apartment complex. The motorist called 911, reported the crime, and approximately 20 minutes later deputies from the South Los Angeles Sheriff's Station arrived at the scene.

The deputies exited their patrol unit and approached the apartment complex, which they knew was a location frequented by local 107 Hoover gang members. The deputies found Anthony Weber and a female standing together talking in the rear portion of the apartment complex parking area. The deputies believed Weber was the person involved in the earlier assault with a firearm upon the passing motorist and attempted to detain Weber and the female. The deputies gave Weber and the female commands to raise their hands in the air. Weber and female initially complied, at which time one of the deputies observed Weber had a very distinctive type of a semi-automatic pistol in his waistband. The deputy described the pistol as a Smith & Wesson M&P with a red dot holographic sight.

After raising his hands in the air, Weber turned and ran away from the deputies toward the apartment complex court yard. The deputies chased after Weber, but lost sight of Weber as he ran through a hallway and entered the court yard. When the deputies reached the court yard, the first deputy saw Weber running north through the court yard. The deputy gave Weber commands to stop and surrender. Weber stopped running, turned back toward the deputy, while lowering his hands to Weber's waistband area. An Officer Involved Shooting (OIS) then occurred and Weber was shot. Weber fell to ground, at which time a large hostile crowd gathered around the deputies preventing the deputies from immediately securing Weber and providing Weber with aid. Once additional deputies arrived at the scene and order was restored, paramedics began treating Weber. The paramedics pronounced Weber dead at the scene and the deputies were unable to locate the pistol Weber had when he began running from the deputies. The Coroner Investigator arrived at the scene and conducted a preliminary examination of Weber's body and did not locate a firearm in Weber's possession.

The on-going investigation indicated Weber may have discarded the pistol while running from the deputies or someone in the hostile crowd removed the pistol from the scene, before the deputies were able to secure the scene.

Early in the DIS investigation, we (Sergeant Richard Biddle and Investigator Francis Hardiman) became aware of a "Facebook Live Video" that was streamed on the internet on Friday afternoon, February 2, 2018. The Facebook Live video was from an account associated with Lorenzo Hall, who is a known Hoover gang member with the moniker, "Infant Killa Box." The video depicted Hall and other Hoover gang members, including Anthony Weber inside apartment [redacted] at [redacted] In the beginning of the video, Hall is depicted facing the camera. Hall could be seen pointing a Smith & Wesson M&P pistol with a silver threaded barrel and holographic red dot sight at the camera, while holding the pistol in Hall's left hand. The video continues and depicted Hall, Weber, and the other gang members dancing and flashing 107 Hoover gang signs, while rapping a gang related song. The video continued for several minutes and recorded Hall, Weber, and the other gang members exit the apartment and gather in

the complex court yard. We were able to confirm the video was filmed inside apartment [redacted] and the court yard of [redacted]

LAPD INVESTIGATION AT [redacted]

On 2-5-18, we became aware members of the Los Angeles Police South East gang Team had monitored Lorenzo Hall's Facebook page on the afternoon of 2-2-18. The LAPD Officers were familiar with 107 Hoover gang members and recognized Hall, Weber, and other Hoover gang members depicted in the video. The LAPD Officers saw Hall was in possession of S&W M&P pistol with a holographic red dot sight in the video. The LAPD Officers also recognized the video was filmed the same afternoon at [redacted] The LAPD Officers subsequently went to [redacted] to investigate further regarding illegal possession of a firearm by known criminal street gang members.

The LAPD Officers contacted Hall and the below listed persons inside apartment [redacted]

Tyre McFadden MB/2-12-95
[redacted] MH/[redacted]
[redacted] MB/[redacted]
[redacted] FB/[redacted]
[redacted] FB/[redacted]
Akylah Brown FB/9-22-99

The LAPD Officers determined Anthony Weber was not present inside apartment [redacted] The LAPD Officers conducted a parole compliance search of the apartment, but were unable to locate the Smith & Wesson pistol Hall possessed during the filming of the video just a few hours before.

SEARCH WARRANT SERVICE AT [redacted]

On 3-7-18, South Los Angeles Sheriff's Station Operation Safe Streets Team (OSS) served several search warrants at different residences on W 107 Street regarding various 107 Hoover gang members' participation in recent gang related armed robberies and gang related shootings. A search warrant was served at [redacted] and (6) firearms were seized from within the apartment. One of the seized firearms was a Smith & Wesson M& P pistol with a silver threaded barrel and a red dot holographic sight, just like the pistol the deputy saw in Weber's waistband on 2-4-18 and just like the pistol Hall possessed during the filming of the Facebook Live video on 2-2-18.

Several items of Hoover gang paraphernalia and items associated with Anthony Weber were also seized from inside apartment [redacted] The following person(s) were found inside the apartment and detained at the time of the warrant service:

Joquan Brown MB/11-5-75 BK #5251020
Titanisha Jiles FB/3-2-88 BK #5251043
Antaijah Williams FB/11-19-97 BK #5251037
Akylah Brown FB/9-22-99 BK #5251045
[redacted] FB/[redacted]
[redacted] MB/[redacted]

Investigator's Note: Akylah Brown was also present at [redacted] on 2-2-18, when the LAPD Officers conducted their investigation regarding Hall and other gang members possessing the unique Smith & Wesson pistol in the Facebook Live video.

LORENZO HALL FOLLOW UP

Based on the following facts, we believed Lorenzo Hall likely gave the Smith and Wesson pistol to Weber and Hall had knowledge regarding the gun Weber used to assault the passing motorist and possessed prior to the Officer Involved Shooting:

- Lorenzo Hall's Facebook Live video depicted Hall possessing the unique Smith & Wesson pistol, as described by the deputy in Weber's waistband just prior to the Officer Involved Shooting
- Lorenzo Hall is known 107 Hoover gang member
- Anthony Weber was also present and depicted in the video filmed on 2-2-18, with Hall possessing the unique pistol
- The video was filmed in the same complex where Weber committed the armed assault upon the passing motorist and was later observed by the deputy in possession of the unique pistol in Weber's waistband
- The unique Smith & Wesson M & P pistol with a silver threaded barrel and red dot sight was seized on 3-7-18, in apartment [redacted] of the complex next door to the complex where Hall filmed the 2-2-18 video inside apartment [redacted] and the complex where the DIS occurred on 2-4-18

We subsequently learned Hall has several felony arrests and prior felony convictions, as well as an outstanding felony arrest warrant for 459 PC from the Bakersfield Police Department.

LORENZO HALL ARRESTED

On 4-1-18, we learned Hall was in custody at South Los Angeles Sheriff's Station for his Bakersfield arrest warrant.

On 4-2-18, Hall was transferred to the Los Angeles County Jail Inmate Reception Center (IRC) and we responded to IRC to interview Hall regarding the gun he possessed in the 2-2-18, video, as well as Hall's knowledge regarding Weber and Weber's involvement in the DIS.

LORENZO HALL INTERVIEW

On 4-2-18, at approximately 1145 hours, we interviewed **Lorenzo Hall (MB/10-18-92; BK #5272524)** at an IRC interview room. Investigator Hardiman advised Hall of his rights, which Hall understood and waived. The following is a synopsis of the recorded interview:

Hall admitted he was a Hoover gang member, but claimed he currently was not actively involved with the gang. We saw Hall had various tattoos on his face, neck, and arms consistent with Hoover gang membership. Hall admitted several of his tattoos were in fact Hoover gang tattoos that indicated Hall is a Hoover gang member. Hall also admitted his gang moniker is "Infant Killa Box."

Hall said he was friends with Anthony Weber, but denied knowing if Weber was a Hoover gang member. We played the 2-2-18, video from Hall's Facebook account and Hall identified himself in the video pointing the Smith & Wesson pistol with a red dot sight and silver threaded barrel at the camera. Hall confirmed the video was filmed on 2-2-18, at [redacted] Hall knew the pistol was a real firearm. Hall said he possessed the pistol that day but refused to state who gave him the pistol. Hall said he had the pistol because he was at the apartment complex with other Hoover gang members and he need to have a gun to be on "patrol and posted" in case rival gang members confronted the Hoover gang members at the complex. Hall described the pistol as a "Hood gun" that various Hoover gang members shared and possessed. Hall gave us an example of how different Hoover gang members shared the pistol. Hall said it was similar to COPs at a police station. Hall said when COPS begin their shift, they are assigned a gun to use during their shift and at the end of the shift the same gun is assigned to a different officer for the next shift. Hall said he had the pistol that day because he took over the shift of "Posting" and protecting the gang from a different gang member. Hall refused to tell us who gave him the gun that day, or who Hall gave the gun to later that night, because Hall could not provide information about fellow gang members.

Hall further confirmed LAPD Officers arrived at [redacted] a few hours after the video was filmed. Hall and other Hoover gang members were detained; the LAPD Officers searched the apartment, but did not find the pistol Hall possessed earlier during the video filming.

Hall said he was not present in Los Angeles on 2-4-18, at the time Weber was shot by the deputy. Hall claimed he took a bus to Las Vegas on 2-4-18, at 0500 hours to watch the Super Bowl game with relatives.

We showed Hall a photo of the Smith & Wesson pistol with the red dot sight and silver threaded barrel seized from [redacted] on 3-7-18. Hall said the gun in the photo was similar to the gun Hall possessed in the video on 2-2-18.

INVESTIGATION OF RECORDED JAIL CALLS

As part of the on-going investigation, we reviewed recorded jail calls from known Hoover gang members incarcerated in the Los Angeles County Jail that were related to Anthony Weber and the Deputy Involved Shooting. The information regarding the jails calls was documented in a Sheriff's Department Supplemental Report, which is attached and incorporated to this Affidavit as Exhibit #1.

Based on the information in Exhibit #1, I formed the opinion [redacted] was Weber's girlfriend and believed the following regarding [redacted]

- [redacted] was a witness to events leading up to the Deputy Involved Shooting
- [redacted] was aware Weber was an active Hoover gang member
- [redacted] told [redacted] a known Hoover gang leader, that Weber was with a person known as Leto when chased by the deputies
- [redacted] reported Leto was armed with a firearm, as Leto and Weber ran from the deputies
- [redacted] initially believed the deputies shot Leto because he possessed a gun, but later learned the deputies shot Weber
- [redacted] and [redacted] spoke about Weber's previous gang activities and implied Weber had previously committed gang related crimes
- [redacted] is at least an associate of the Hoover gang and frequently conversed with active Hoover gang members about Hoover gang activities

There were additional recorded jail calls between [redacted] a known Hoover gang leader, and other Hoover gang members within minutes and hours of the DIS.

The Hoover gang members informed [redacted] that Weber was in fact armed with a gun when Weber was confronted by the deputies.

Based on the information contained in this Affidavit and Exhibit #1, I formed the opinion evidence related to the following will be found within [redacted]'s residence, [redacted]'s vehicle, and [redacted]'s cell phone:

- Anthony Weber's involvement and membership in the 107 Street Hoover gang
- Anthony Weber's illegal possession of firearms
- Anthony Weber's previous use of firearms in gang related crimes
- Anthony Weber and "Leto's" possession of a S&W M&P pistol with a red dot holographic sight on 2-4-18
- The illegal possession of a S&W M&P pistol with a holographic sight by Lorenzo Hall in the Facebook Video, with Anthony Weber on 2-2-18
- [redacted] involvement in intimidating and coercing potential witnesses regarding the 2-4-18, Deputy Involved Shooting

I believe the evidence from [redacted]'s residence, vehicle, computers, and cell phone will consist of the following items:

- Dominion and control evidence regarding ownership of [redacted]'s cell phone, vehicle, and residence

- Text messages/email communications between Weber, [redacted] and others relating to or indicative of gang activities and crimes

- Text messages/Email communications between Weber, [redacted], and others regarding Weber and or other gang members possessing firearms

- Text messages/Email communications between Weber, [redacted], and others that would provide investigative leads regarding the identity of potential witnesses to the Deputy Involved shooting as well as potential witnesses or victims related to gang related activities/crimes involving Weber and or other 107 Hoover gang members

- Photos or videos depicting Weber and or gang members in possession of firearms

- Photos or videos depicting Weber, [redacted] and other gang members' involvement in gang activity

- Text messages/Emails/Photos/Videos that may corroborate or exonerate Weber's possession and or access to firearms

- Text messages/Emails/Digital photos that would provide investigative leads regarding the identity of potential witnesses, who may have been threatened or intimidated by [redacted] regarding the DIS or other gang crimes

- Hoover gang paraphernalia, such as photos, distinctive Hoover clothing, and graffiti

However as indicated in Exhibit #1, [redacted] provided a [redacted] address for her residence when she was arrested in late 2017 and [redacted] updated her Driver's license to a different [redacted] address in February 2018, and I am unable to determine [redacted]'s actual residence address.

Based on the information contained in this affidavit, I believe that accessing the information for the target phone will allow me to determine [redacted]'s actual residence and assist in identifying her vehicle, which would then allow me to seek a search warrant for [redacted]s residence and vehicle to seize evidence related to the on-going Deputy Involved Shooting and other crimes documented in the affidavit and Exhibit #1.

SEALING

I am seeking a sealing order for the below portions of the warrant.

Penal Code section1546.2(a) requires a copy of this warrant be provided to the "target" of the warrant upon execution of the warrant.

I am asking that notification be delayed pursuant to PC1546. I believe that an adverse result would occur (pursuant to 1546(a)(2), 1546(a)(3), and 1546(a)(5)) should

the parties to this warrant be notified contemporaneously to the service of the warrant. Should the targets of this investigation become aware that they are under investigation, I believe, based on prior experience with compromised investigations that the suspects of that investigation will flee, destroy or tamper with evidence, all of which would cause jeopardy to the effective conclusion of the investigation.

I am seeking this sealing order under the provisions laid out for delayed notification in Penal Code Section 1546. The sealing will remain in effect until ordered by a court of competent jurisdiction, or until 90 days after the date of this warrant. The delayed notification will last for 90 days from the date of this order, unless an extension is granted.

The parties will be notified that a warrant was served and they will be provided with all portions of the warrant, once a court of competent jurisdiction determines that the requested sealing is no longer necessary, OR as each of the targets of this order have been contacted by law enforcement.

CELLULAR PHONE INFORMATION

I have a basic understanding of how the cellular telephone network operates. I know that when any person makes or receives a phone call on their cellular phone, the following information for each call is stored by their respective phone company for at least one year: date, time, duration, phone number dialed or received numbers (even if caller identification is blocked by the calling party), text message transaction data, IP packet data session logs, and cellular tower location/sector at the beginning and

ending of the call/data session. This is very basic information and does not provide an exact location of the person nor does it identify the other party.

I am aware that cellular towers are strategically placed throughout the world by phone companies in an attempt to provide a seamless operation so people can travel virtually anywhere and make or receive a call. Usually, a typical cellular phone tower will be mounted up high on a large pole, building, or other structure which provides an unobstructed view of the population below. Cellular towers are divided into sectors, depending on the cellular provider. Each individual sector is mounted on the tower and faces a specific direction to provide maximum cellular coverage for the people in the area. The range of the tower depends on environmental factors and whether it is located in a highly populated urban environment or desolate rural area. Cellular towers do not provide an exact location of the suspect; they can only provide the physical location of the tower itself and a direction from the tower which can cover an area anywhere from 0-20 miles.

I am aware some cellular companies offer GPS capabilities and/or cellular tower triangulation to law enforcement after receiving a Search Warrant, while other cellular companies do not offer either of these services and can only provide cellular tower locations. Utilizing GPS and/or cellular tower triangulation gives a much smaller area to search and greatly increases the likelihood that law enforcement will be able to locate the suspect and/or Target Telephone(s). Cellular companies typically provide GPS and/or cellular tower triangulation at fifteen-minute intervals, not on a real-time basis. Indeed, this location information is beneficial and definitely helps law

enforcement get into an area where the suspect may be; however, traditional and non-traditional investigative techniques are still required to locate the suspect and/or Target Telephone(s) exact location.

I am aware of the ease of being able to purchase a pre-paid phone has caused law enforcement problems when attempting to locate wanted felons because it becomes very difficult, sometimes impossible, to determine the identity of a subscriber when it is allowable to use a false name, such as "Mickey Mouse" or "John Doe," when obtaining/purchasing a pre-paid cellular phone account.

I have personally encountered many false subscriber names and addresses associated to cellular telephone subscriptions during past investigations. It seems to be a growing trend for suspects to list false information on their pre-paid cellular phone accounts.

I am aware that cellular telephones communicate wirelessly across the cellular infrastructure, including towers which route and connect individual communications. When sending or receiving a communication, a cellular telephone broadcasts certain signals to the cellular tower which is routing its communication. Law enforcement may monitor these signals when cellular telephones initiate or receive calls, and may also initiate a communication with the Target Cellular Telephone in order to cause it to emit signals. By collecting and analyzing these signals, law enforcement can, sometimes, precisely determine the location of the cellular telephone itself.

I am aware that cellular phones and other cellular devices communicate wirelessly across a network of cellular infrastructure, including towers that route and

connect individual communications. When sending or receiving a communication, a cellular device broadcasts certain signals to the cellular tower that is routing its communication. These signals include a cellular device's unique identifiers.

To facilitate execution of this warrant, law enforcement may use an investigative device that sends signals to nearby cellular devices, including the Target Cellular Device, and in reply, the nearby cellular devices will broadcast signals that include their unique identifiers. The investigative device may function in some respects like a cellular tower, except that it will not be connected to the cellular network and cannot be used by a cell to communicate with others. Law enforcement will use this investigative device when they have reason to believe that fugitive is present. Law enforcement will collect the identifiers emitted by cellular devices in the immediate vicinity of the Target Cellular Device when the subject is in multiple locations and/or multiple times at a common location and use this information to identify the Target Cellular Device, as only the Target Cellular Device's unique identifiers will be present in all or nearly all locations. Once investigators ascertain the identity of the Target Cellular Device, they will cease using the investigative technique. Because there is probable cause to determine the identity of the Target Cellular Device, there is probable cause to use the investigative technique described by the warrant to determine the identity of the Target Cellular Device.

The investigative device may interrupt cellular service of cellular devices within its immediate vicinity. Any service disruption will be brief and temporary, and all operations will attempt to limit the interference cellular devices. Once law enforcement

has identified the Target Cellular Device, it will delete all information concerning non-targeted cellular devices. Absent further order of the court, law enforcement will make no investigative use of information concerning non-targeted cellular devices other than distinguishing the Target Cellular Device from all other devices.

I am aware that obtaining and preserving historical telephone records could also prove to be fruitful, as such records could assist Investigators not only with identifying those who may have been in contact with potential co-conspirators, but may also allow Investigators many other opportunities, including, but not limited to, confirmation or the disproving of alibis, statements, and other observations.

I know that records such as those associated with telephones, specifically cellular telephones, are not kept or preserved indefinitely by the service providers. Obtaining and preserving these records at this point in the investigation will assure the Investigators assigned to the case now will have them available and if the case were to go "cold", future Investigators will have access to the records which would otherwise likely not be obtainable.

NIGHT SEARCH REQUEST

I request night service be authorized allowing service of the Search Warrant to Service Provider Subpoena Compliance at any time, day or night, within ten days of issuance. Based on my training and experience, I know that most Service Providers have Law Enforcement Compliance Analysts on duty 24 hours a days, 7 days a week to process requests. I know it is common for law enforcement to send Search

Warrants to the telecommunication companies via e-mail or FAX after midnight for billing purposes if they know they will not be able to monitor the PEN register/trap-and-trace and/or GPS location information until the following day. Over the years, I have learned that utilizing this method serves two important functions: 1. It reduces unnecessary costs because Service Provider can charge up to $100.00 per day for their services, 2. Our request will be processed quicker because it will be at the top of Service Provider's list for that particular day. Moreover, the authorization of night service is no more intrusive than serving Service Provider during business hours because this request will be sent via e-mail or FAX to their Subpoena Compliance Unit; I will not be making entry into a business or any other structure to serve this Search Warrant.

Therefore, by way of this Search Warrant, I am requesting the authorization to receive the following information from the respective telecommunications company(s); **Subscriber/Account Information, Call Detail Records with Cellular Site Location, GPS Precision Location Information, PEN Register/Trap-and-Trace with Cellular Site Location for the Target Telephone Number(s) and Use of a Cell Site Stimulator**, outlined in this Search Warrant.

I am **NOT** requesting to monitor or intercept any aural communications or any other communications such as text (SMS) messages, emails, BBM messages, Instant Messages, web browsing, etc.

Pursuant to Penal Code § 1534(b)(4), I am requesting Non-Disclosure of this Search Warrant as well as authorization for a Delayed Notice of Service of

this Search Warrant and that Service Provider, including any of their representatives, agents and employees, not disclose in any manner, directly or indirectly, by any action or inaction, the existence of this Search Warrant or the existence of this investigation to the subscriber(s) of the Target Telephone Number(s) or the subscriber(s) of the incoming calls to or outgoing calls from the Target Telephone Number(s), pending further order of the Court. Your Affiant believes this delay is justified because there is reasonable cause to believe that providing immediate notification of the warrant may have an adverse result. Providing immediate notice to the subscriber or user of the Target Telephone(s) could seriously jeopardize the ongoing investigation, as such disclosure would give that person an opportunity to destroy evidence, change patterns of behavior, notify coconspirators, and flee from apprehension and prosecution.

It is further requested that pursuant to the delayed notification provisions of Penal Code § 1546.2 and 18 U.S.C. § 2703(b), the listed service providers be ordered not to notify any person (including the subscriber, customer or owner of the electronic communication or device information to which the materials relate) of the existence of this warrant for Ninety (90) days.

I am aware that Penal Code § 1546.2 mandates that the law enforcement agency serving this warrant notify the target of the warrant contemporaneously with the service of the warrant unless an order delaying notification is granted. It is further requested, pursuant to the delayed notice provisions of Penal Code § 1546.2(b), an order delaying any notification to the target / party that may be required by § 1546.2(b) about this warrant, for a period of Ninety (90) days.

As required by California Penal Code § 1524.3 (c); any information obtained through the execution of this warrant that is unrelated to the objective of the warrant shall be sealed and shall not be subject to further review, use, or disclosure absent an order from the Court.

****

In March and April, 2018, I monitored several recorded jails calls of known 107 Hoover gang members currently in custody at Los Angeles County Jail. I discovered recorded jails calls placed by Inmate [redacted] (BK #[redacted], who is a known 107 Hoover gang member with the moniker, "[redacted]" [redacted] made recorded jail phone calls on 2-4-18, from his jail cell, which were related to the 2-4-18, Deputy Involved Shooting involving Anthony Weber The following is a summary of [redacted]'s recorded jail calls:

2-4-18 @2058 hours call to [redacted]

[redacted] spoke with a fellow 107 Hoover gang member known as, "Bullet." Bullet informed "TR" (Anthony Weber" was just shot by deputies. [redacted] asked for details of the shooting and asked if TR had anything at the time of the shooting. Bullet replied TR did in fact have something when confronted by deputies. Bullet said TR was walking with his Baby Momma when confronted by deputies. Bullet said he wished [redacted] was out of custody to observe how TR had turned out and became a "real gunner."

During the conversation Bullet described the chaotic scene at the apartment complex on 107 Street, where Anthony Weber's body remained in the apartment complex entry surrounded by yellow tape. Bullet said the hommies were getting off on the deputies and Bullet could be heard yelling at the deputies. Bullet also yelled for someone to go get his "shit." Bullet then informed [redacted] that people were pulling down the yellow tape.

Investigator's Note: The call between [redacted] and Bullet was placed eight minutes after the DIS occurred and appears to indicate Weber did in fact possess a firearm at the time Weber was confronted by the deputies.

Using Sheriff's Department resources we were able to learn the cellular subscriber for [redacted] was Deandre Hoy (MB/2-18-87), a 107 Hoover gang member with the moniker, "Bullet."

2-4-18 @2114 hours [redacted]

[redacted] spoke with a woman about the Deputy Involved Shooting where Anthony Weber was shot and killed. [redacted] said he just talked with Bullet. [redacted] said Weber was with his Baby Momma and had some shit on him and "One Time started cracking on Weber." [redacted] said he was on the phone with Bullet and heard more shots going off (implied the shots were by gang members at the scene). The woman asked, "for real" and [redacted] replied, "On Westside Hoover, I heard 8 shots."

[redacted] asked for "Infant Box" phone number and the woman replied Infant Box was in Vegas and added Infant Box left that morning. The woman said she had been having dreams that one of them (Infant Box or Weber) was going to be shot. Infant Box called the woman the previous day and talked about the Hommie shooting.

Sheriff's Department resources indicated the subscriber of cellular number [redacted] was [redacted] (FB/[redacted].

Investigator's Note: We were able to identify "Infant Box" as a Hoover gang member named Lorenzo Hall, the person with the M&P pistol with threaded barrel and holographic sight in the Facebook video posted on 2-2-18.

2-4-18 @2118 hours [redacted]

[redacted] spoke with an unknown woman. [redacted] asked is it true and the woman replied yes and added, "This shit is crazy." [redacted] said the police shot knocked [redacted]s "Lil Nigger down." [redacted] said he was on phone with Lil Bullet and heard more shots. Bullet said Tiny Ragger had a lil situation on him and one time started cracking on him. The woman saw Weber's father and brother at the scene. [redacted] asked if there was still a commotion going on at the scene and the woman said no.

An unknown male comes on the line and also speaks with [redacted] about the DIS. [redacted] and the male said Bullet shot at the police, while at the crime scene. The male said Weber was just standing with his Baby Momma when the police pulled up Weber ran away and the police just started shooting. The male added Bullet had to "bust back" to make the police stop shooting. [redacted] asked if Weber had anything and the male replied no.

Investigator's Note: the above jail call appears to corroborate Weber was in possession of a firearm when confronted by the deputies on 2-4-18.

2-4-18 @2259 hours [redacted]

[redacted] spoke with an unknown woman about the DIS. The woman said Weber was leaving with his Baby Momma in her car, when the police came at Weber. Weber tried to run back inside the apartment complex and the police shot him. The woman added people are saying Weber did not have anything on him. The woman stated when people were telling her that Weber did not have anything on him, Bullet was present. Bullet gave the woman a look and implied Weber did in fact have something on him. The woman said Black Lives Matter and Bullet were at the scene arguing with the police. [redacted] said he could hear Bullet yelling at the police in the background. [redacted] and the woman talk about how Weber was doing his thing, implying putting in work for the gang. [redacted] said he just spoke with Weber the previous day. Bullet told [redacted] they should be proud of Weber, Weber turned out to be "Cold Nigger."

2-4-18 @2347 hours [redacted]

[redacted] spoke with unknown woman. [redacted] said he was stressed out because the police killed [redacted]s hommie, Tiny Ragger.

RECORDED JAIL CALLS BETWEEN [redacted] AND ANTHONY WEBER

During our interview with Anthony Weber's mother on 2-4-18, she provided us with Anthony Weber's cell phone number, [redacted] During [redacted]s recorded jail call on 2-4-18 ([redacted] @2259 hours), he indicated he had called Weber from jail on 2-3-18. We subsequently discovered the following recorded jails calls from [redacted] to Weber:

2-3-18 @ 1743 hours [redacted]

An unknown woman answered the call and [redacted] asked why she answered Tiny Ragger's phone. The woman replied Tiny Ragger was her son. Another woman comes on the line and said [redacted] was the woman previously speaking with [redacted]. The woman asked if [redacted] wanted to speak with Tiny Ragger. Call forwarded to a male and the call was ended.

2-2-18 @2333 hours [redacted]

[redacted] asked the male (Weber) if [redacted]s uncle called Weber back. Weber said he was just hanging with "TY." [redacted] asked [redacted] to call [redacted]s uncle, because [redacted] needs something done. Another male ([redacted]) on line. Talk about [redacted]s [redacted] case. Talk about possible [redacted]s case?

[redacted] IDENTIFIED AS WEBER'S GIRLFRIEND

On 2-5-18, we spoke with Anthony Weber's parents a few hours after the Deputy Involved Shooting. Weber's parents informed us Weber had an infant daughter with a woman named [redacted] [redacted] was Los Angeles County Probation Employee assigned as a guard at a Juvenile Hall. Weber had been arrested for illegal possession of a firearm and was in custody at the Juvenile Hall. [redacted] was one of Weber's Proration Officer Guards and [redacted] and Weber became involved in a romantic/sexual relationship while Weber was in custody at the Juvenile Hall and later at a Probation Placement Home. [redacted] subsequently became pregnant with Weber's daughter. Weber was released from Juvenile Hall and he and [redacted] continued their relationship. Weber's parents told us Valencia's cell phone number was [redacted] Weber's parents also told us [redacted] resided in the City of Downey with [redacted]'s mother.

We also learned Weber and [redacted] were arrested together by the Los Angeles Police Department on 7-3-17. [redacted] and Weber were together, along with their infant daughter, in an illegally parked rental car in front of Weber's house at [redacted] There were also two additional Hoover gang members present gathered next to [redacted]s car. The Police Officers conducted an investigation and found Weber and [redacted] illegally in possession a loaded concealed 9mm pistol within [redacted]s car. The Officers learned the pistol was registered to [redacted]. [redacted] identified herself as Probation Officer and claimed she possessed the firearm as part of her Los Angeles County Probation Department Employment. [redacted] also claimed she was on maternity leave from the Probation Department at the time. [redacted] and Weber were subsequently arrested for illegal possession of a loaded firearm.

Based on the Los Angeles Police Department arrest and investigation, the Los Angeles District Attorney's Office filed felony charges against [redacted] for unlawful sex with a minor (Case #[redacted]). The Los Angeles Police report documented Weber and the other two males present were known Hoover gang members. The report also documented [redacted] was an associate of the Hoover Street gang.

During the booking process, [redacted] informed the Los Angeles Police Officers she resided at [redacted]

Sheriff's Department resources documented [redacted] driver's license (#[redacted]) address was updated on 2-2-18, to [redacted]

We also learned, that once [redacted]s criminal prosecution began for unlawful sex with a minor (Case #[redacted], the court issued a protective order on 1-25-18, prohibiting [redacted] from contacting Weber. [redacted] was in violation of the restraining order, when she was with Weber on W. 107 Street, Los Angeles, on 2-4-18, just prior to the Deputy Involved Shooting.

Talk about future law suit
Juv said he had been dreaming about AJ, but would not tell [redacted] the details

Investigator's Note: The above call appears to indicate [redacted] is involved in acts of witness intimidation facilitated by other gang members. The call also implied [redacted] was aware Weber was in possession of a firearm during the confrontation with deputies on 2-4-18, and [redacted] is attempting to conceal the true information from the various on-going investigations.

AFFIDAVIT

Your affiant, Sergeant Richard Biddle, has been employed by the Los Angeles County Sheriff's Department for [redacted] and is presently assigned to Homicide Bureau. I have been a Homicide Investigator for the past twelve years and have investigated at least 80 homicide cases. Prior to my current assignment, I was assigned to patrol duties for at least [redacted] where I participated in the investigation of over 100 gang and non-gang related assaults, shootings and murder cases. I was then assigned as a detective for at least [redacted] at various assignments which included: special assignments, narcotics, gangs, and commercial crimes. Those duties entailed the investigation and prosecutions of various crimes to include: assaults, gang and non-gang shootings, robberies, burglaries, narcotics, and fraud and identity thefts. I also received training at the Los Angeles County Sheriff's Academy, several outside agencies, schools and seminars dealing primarily with gang behavior, homicide investigations, and overall criminal investigations.

Association, and various financial and retail corporations. I have written and served hundreds of search warrants related to various fraud, forgeries, and identity thefts. I have also arrested and interviewed hundreds of suspects for various frauds, forgeries, and identity thefts. I have testified numerous times in Superior Court, as well as Federal court on the subject of various frauds, forgeries, and identity thefts.

[redacted]

I am aware of past studies and documentation from the Cellular Telephone Industry Association that there are at least 270,300,000 cellular phone subscriptions in the United States reaching 87% of the total population. It has been my experience that regardless of the crime, it is likely the suspect used a cell phone before, during, or after the commission of the crime. I am also aware that courts have recognized that cell phone are ubiquitous and in People v. Blair (1979 25 Cal. 3d 640,653) the court stated, "It is virtually impossible for an individual or business to function in the modern economy without a telephone, and a record of telephone calls provides a virtual current biography."

I am also aware of the Seventh Circuit Court ruling in U.S. vs. Seiver (7th Cir. 2012; 692 F.3rd 7774). In the Seiver decision, the court ruled regarding the staleness of digitally stored information on computers and or cellular phones. The court ruled probable cause to search a place or thing can exist only if there is a fair probability that the sought after evidence will be there when the search occurs. The issue in Seiver was whether it was reasonable to believe that data would remain stored on a computer for seven months.

The Seventh Circuit Court concluded that if officers have probable cause to believe evidence of a crime had been stored on a computer, it is unlikely that a delay of several months in seeking a warrant will render the probable cause "stale." There are two reasons for this. First, unlike drugs, computer data is not the type of evidence that rapidly dissipates or degrades. Second, even though a user can easily "delete" data on his computer, he cannot easily destroy the data.

The court explained:
When you delete a file, it goes into a "trash" folder, and when you direct the computer to "empty" the trash folder the contents of the folder, including the deleted file, disappear. But the file hasn't left the computer. The file seems to have vanished only because the computer has removed it from the user interface and so the user can't see it any more. But it's still there, and normally is recoverable by computer experts until it is overwritten because there is no longer unused space in the computer's hard drive. The court added that, although people can now purchase software that overwrites the data stored on a computer's hard drive, "the use of such software is surprisingly rare."

I am also aware from training and experience that digital information is stored in cellular phones and that information is frequently is critical relevant evidence related to dominion and control of the actual cellular phone. In order to prove the relevance of a piece of evidence, it is necessary to prove from whom the evidence was seized. In order to do so, dominion and control over the location where that evidence was recovered is critical. This theory is true not only with respect to places (homes, businesses, vehicles) but also to digital locations (social media sites, email addresses, cellular phones, digital media storage devices).

This affidavit is intended to show only that there is sufficient probable cause for the requested warrant and does not set forth all of my knowledge about this matter.

On 2-4-18, your Affiant, Sergeant Richard Biddle and Investigator Francis Hardiman were assign to investigate a Deputy Involved Shooting that occurred on 2-4-18, at approximately 2017 hours at an apartment complex located at [redacted] 107 Street, Los Angeles.

We (Sergeant Biddle and Investigator Hardiman) arrived at the command post near the crime scene on 2-4-18, at approximately 2150 hours. We received an initial preliminary briefing regarding the known facts and circumstances regarding the Deputy Involved Shooting (DIS), from Deputy Quinones #[redacted]

We were informed Deputies Van Hoesen #[redacted] and [redacted] responded to a call for service at the [redacted] 107 Street apartment complex. An anonymous caller reported a young Male Black wearing a black shirt and jeans exited the apartment complex black gate and pointed a black handgun at the passing anonymous motorist.

Deputies Van Hoesen and [redacted] had been assigned to patrol duties in the neighborhood for several months and were familiar with the apartment complex in question. The deputies were aware members of the 107 Hoover gang frequent the apartment complex and surrounding area, specifically the rear parking area. The deputies had conducted several previous investigations involving gang activity in the area and knew the gang members frequently gathered in the rear parking area to avoid contact with deputies patrolling the neighborhood.

When Deputies Van Hoesen and [redacted] arrived at the location they did not observe anyone gathered in front of the complex. Deputies Van Hoesen and [redacted] walked south in the driveway directly west of the [redacted] 107 Street complex. As the deputies neared the middle of the driveway, they observed a large hole in the wooden fence allowing access to the rear parking area of [redacted] 107 Street. The deputies could further observe a young male Black and a young female Black standing on the other side of the hole in the fence near the rear parking area of [redacted] 107 Street.

The deputies shinned their flashlights at the two individuals and saw the male matched the physical and clothing description provided in the call of the male reported to be pointing a firearm at the passing motorist. Believing the male was the suspect involved

in the man with a gun call. Deputy Van Hoesen pointed his pistol at the two person(s) and ordered them to stop and raise their hands. Both people complied, at which time Deputy Van Hoesen and Deputy [redacted] saw the male (Suspect Anthony Weber) had a black semi-auto pistol tucked in his front waistband between his undershirt and the actual waistband of the male's pants. Deputy Van Hoesen was close enough to Weber to observe the pistol was a Smith & Wesson M&P pistol with "Talon" grips and a red dot type sight.

Weber initially complied with Deputy Van Hoesen's commands to stand still and keep his hands up, but Weber then turned and ran eastbound away from the deputies. The female remained standing still with her hands raised up. Weber's actions and the deputies observations of Weber in possession of a pistol furthered their belief Weber was the person described in the man with a gun call.

Weber ran toward a hallway that allowed access to the south portion of the apartment complex from the rear parking area. Deputies Van Hoesen and [redacted] went through the hole in the wooden fence to access the rear parking area. Deputy Van Hoesen followed Weber, while Deputy [redacted] briefly spoke with female and instructed her to not interfere with the deputies' investigation. Deputy [redacted] then began to follow Deputy Van Hoesen toward the apartment complex court yard. Weber reached the end of the hallway and turned north into the court yard.

Deputy Van Hoesen was leading the way toward the court yard and Deputy [redacted] followed Van Hoesen. When Deputy Van Hoesen reached the end of the hallway, Deputy Van Hoesen tactically looked into the court yard and saw Weber. Weber was running northbound with Weber's hands still raised in the air. Weber's back was towards Deputy Van Hoesen. Deputy Van Hoesen yelled commands for Weber to stop. Weber stopped running, started to turn around to face Deputy Van Hoesen, while lower his right hand toward Weber's waistband, the same area where Deputy Van Hoesen saw the pistol in Weber's waistband. Deputy Van Hoesen believed Weber was attempting to retrieve the pistol from Weber's waistband to shoot Deputy Van Hoesen and or Deputy [redacted]. Deputy Van Hoesen fired several shots at Weber to stop Weber's violent actions.

Weber was struck by Deputy Van Hoesen's gunfire and fell face down on the ground. Deputy Van Hoesen was unable to observe Weber's hands and believed Weber still posed a threat to the deputies. During the shooting, the deputies saw several residents exiting their front doors from both the upstairs and downstairs apartments. The residents began entering the court yard, surrounding the deputies, while yelling obscenities, and threatening the deputies with physical violence. The deputies also observed a crowd of angry people approaching the north entry gate to the complex, while also yelling obscenities and threatening the deputies with physical violence. The crowds continued to approach the deputies from different directions. The deputies were forced to direct their attention from Weber lying on the ground to the approaching crowd. The deputies used their radios and requested additional sheriff's Units respond to the location. Deputy Van Hoesen and Deputy [redacted] were forced to confront the

hostile crowd by pointing their handguns at the approaching crowd, while giving the crowd commands to disperse and back away from the deputies. The deputies remained in the volatile position of confronting the crowd for several minutes until assisting Sheriff's Units arrived at the scene. While waiting for the assisting Sheriff's Units, Deputy Van Hoesen was forced to direct his complete attention away from Weber.

Additional Sheriff's Units and Fire Department personnel arrived and were successful in gaining the crowd's compliance to back away from the deputies and Weber. The paramedics began treating Weber for his injuries; however crowd continued to be boisterous and threatening toward the deputies and paramedics. Additional Law enforcement resources were requested and required to maintain order and prevent the crowd from engaging with the deputies and paramedics.

The paramedics determined Weber had died from his injuries, at which time the crowd became even more contentious and threatening. While the paramedics were attempting to treat Weber, the paramedics did not find Weber in possession of a firearm. It was believed Weber discarded the firearm during the shooting and someone in the hostile crowd took the gun from the scene or the firearm was concealed underneath Weber's body. Because the paramedics pronounced Weber dead at the scene, the deputies were prevented by California State Law from searching Weber's body for the firearm until the Corner Investigator conducted a scene investigation related to the disposition of Weber's body.

The Corner Investigator arrived at the scene several hours later and conducted an initial investigation and examination of Weber's body. The Corner Investigator determined there not a firearm concealed underneath Weber's body or inside clothing. While the Coroner Investigator was conducting her examination at the scene, there were several upstairs residents within the apartment complex yelling obscenities and threats of physical violence toward the deputies and Coroner Investigators.

The Corner Investigators did find Weber had a black Apple cellular phone in his pants pocket, which was seized and subsequently booked into the Homicide Bureau Evidence Locker. The Coroner Investigators also saw Weber had various tattoos that were consistent with Weber's membership in the Hoover Street gang.

Based on the information contained in this affidavit, I formed the opinion the digital contents of Weber's cell phone contains evidence directly related to the investigation regarding Weber's possession of firearm and the subsequent Deputy Involved Shooting. I believe the evidence will consist of the following items:

- Dominion and control evidence regarding ownership and primary user of the cell phone collected from Weber's body

- Text messages/email communications between Weber and others relating to or indicative of gang activities

- Text messages/Email communications between Weber and others regarding Weber possessing firearms

- Text messages/Email communications between Weber and others that would provide investigative leads regarding the identity of potential witnesses to the Deputy Involved shooting as well as potential witnesses or victims related to gang related activities involving Weber

- Photos or videos depicting Weber and or gang members in possession of firearms

- Photos or videos depicting Weber's involvement in gang activity

- Text messages/Emails/Photos/Videos that may corroborate or exonerate Weber's possession and or access to firearms

I further believe Weber's cellular phone was used to communicate with other individuals and such **I am seeking evidence of ownership, use, and identification**. I know that ownership and control of a digital device can be placed at issue through a simple denial, "that is not my phone." In my training and experience some of the best ways to establish control are by searching the calendar, contacts, photo gallery, communications, settings, and social networking activity. The calendar often contains appointments specific to an individual such as birthdays and doctor's appointments. Contacts often contain friends and associates specific to an individual such as mom, dad, dentist, etc... A photo gallery often contains selfie photos that clearly depict the owner/holder of the phone. Communications via text messages, emails, and voicemails often identify the sender/recipient by name, additionally the context of the communications often identify the sender and/or recipient. Settings often contain user names, addresses, and phone numbers, wi-fi network tables, associated wireless devices (such as known wi-fi networks and Bluetooth devices), associated connected devices (such as for backup and syncing), stored passwords, and user dictionaries that can identify the owner/user of the device.

I am seeking evidence of communication. In my training and experience associates communicate together via phone calls, text messages emails, and social network posts. These communications often contain direct and indirect statements about crimes. Furthermore, I know that communications rarely explicitly mention an intent to commit a crime. Instead they often allude to such an intent: "gunna go hustle" for instance may be a declaration of an intent to commit a theft crime, but without context it is meaningless. In my training and experience individuals often use digital devices and cellular devices to post messages to others on social networking applications. In my training and experience it is possible for cellular phone users to use a variety of messaging platforms including SMS, MMS, iChat, WhatsApp, call logs, and others. Therefore I seek to search all the communications evidence on the device to understand not only what was said, but what was intended and to whom it was said.

I am seeking evidence of location. In my training and experience cellular devices track historical locations in multiple ways, GPS location, wi-fi transmissions, metadata attached to files, cellular tower connections, and application data.

I am seeking evidence of association. I know that establishing the association of co-conspirators is important in proving a concert of action between multiple persons. In my training and experience some of the best ways of linking co-conspirators together is by searching the calendar, contacts, photo gallery, communications, application data, call logs, and social networking connections. In my training and experience a comparison of the calendars of multiple individuals can show an intent to act together and dispel the notion of an accidental meeting. In my training and experience when two or more individuals are in photographs together it demonstrates a mutual relationship. In my training and experience associates communicate together via phone calls, text messages and emails, therefore I am seeking the communications evidence to demonstrate the associations of the individuals in this case. In my training and experience a user's "connections," "buddies," and/or "friends," on social networking sites is indicative of who their associates are. Because this evidence is intended to be used to show associations of the user/owner of the device and co-participants I am seeking the above items regardless of the dates the information was created.

I am seeking specific evidence related to this case. In addition to the previous information, I believe the GPS location, financial information, cookies, bookmarks, web history, search terms and internet search history on digital devices and cellular devices may contain relevant evidence. Therefore, by this warrant I am seeking permission to search all the metadata, file data, setting data, photographic and video data, and communication data on any digital device.

DIGITAL FORENSIC EXAMINATION

Based on my knowledge, training, and experience, I know that digital files or remnants of such files can be recovered months or even years after they have been downloaded onto a hard drive or other storage device, deleted or viewed via the Internet. Digital files downloaded to a storage device can be stored for years and remains on the storage device until it is overwritten by new data.

Therefore, deleted files, or remnants of deleted files, may reside in free space or slack space—that is, in space on the storage device that is not currently being used by an active file—for long periods of time before they are overwritten. In addition, device's operating system may also keep a record of deleted data in a "swap" or "recovery" file.

Similarly, files that have been viewed via the Internet are typically automatically downloaded into a temporary Internet directory or "cache." The browser often maintains a fixed amount of space devoted to these files, and the files are only overwritten as they are replaced with more recently viewed Internet pages or if a user takes steps to delete them.

Based upon my knowledge, training and experience, I know that searching for information stored in cellular devices often requires that the device be accessed and searched using specialized programs or tools by a qualified expert in a controlled environment. This is often necessary to ensure the accuracy and completeness of such data, and to prevent the loss of the data either from accidental or intentional destruction. Data search processes are designed to recover even "hidden," erased, compressed, password protected, or encrypted files. Because digital evidence is vulnerable to inadvertent or intentional modification or destruction (both from external sources or from destructive code imbedded in the system as a "booby trap"), a controlled environment may be necessary to complete an accurate analysis.

In light of these concerns, I hereby request the Court's permission to conduct an off-site search of the hardware for the evidence described and to employ the use of outside experts who will use whatever data analysis techniques appear necessary to locate and retrieve the evidence described.

As required by Penal Code § 1546.1 (d); those items that are within the scope of this warrant will be copied and retained by investigative agents. Investigating agents will then seal any information from the device that is unrelated to the objective of the warrant and will not further review the information absent an order from the Court.

If no evidence of criminal activity is discovered relating to the seized property and associated peripherals, the device will be returned promptly.

In order to do so, dominion and control over the location where that evidence was recovered is critical. This theory is true not only with respect to places (homes, businesses, vehicles) but also to digital locations (social media sites, email addresses, cellular phones, digital media storage devices).

This affidavit is intended to show only that there is sufficient probable cause for the requested warrant and does not set forth all of my knowledge about this matter.

On 2-4-18, your Affiant, Sergeant Richard Biddle and Investigator Francis Hardiman were assign to investigate a Deputy Involved Shooting that occurred on 2-4-18, at approximately 2017 hours at an apartment complex located at [redacted] 107 Street, Los Angeles.

We (Sergeant Biddle and Investigator Hardiman) arrived at the command post near the crime scene on 2-4-18, at approximately 2150 hours. We received an initial preliminary briefing regarding the known facts and circumstances regarding the Deputy Involved Shooting (DIS), from Deputy Quinones #[redacted]

We were informed Deputies Van Hoesen #[redacted] and [redacted] responded to a call for service at the [redacted] 107 Street apartment complex. An anonymous caller reported a young Male Black wearing a black shirt and jeans exited the apartment complex black gate and pointed a black handgun at the passing anonymous motorist.

Deputies Van Hoesen and [redacted] had been assigned to patrol duties in the neighborhood for several months and were familiar with the apartment complex in question. The deputies were aware members of the 107 Hoover gang frequent the apartment complex and surrounding area, specifically the rear parking area. The deputies had conducted several previous investigations involving gang activity in the area and knew the gang members frequently gathered in the rear parking area to avoid contact with deputies patrolling the neighborhood.

When Deputies Van Hoesen and [redacted] arrived at the location they did not observe anyone gathered in front of the complex. Deputies Van Hoesen and [redacted] walked south in the driveway directly west of the [redacted] 107 Street complex. As the deputies neared the middle of the driveway, they observed a large hole in the wooden fence allowing access to the rear parking area of [redacted] 107 Street. The deputies could further observe a young male Black and a young female Black standing on the other side of the hole in the fence near the rear parking area of [redacted] 107 Street.

The deputies shinned their flashlights at the two individuals and saw the male matched the physical and clothing description provided in the call of the male reported to be pointing a firearm at the passing motorist. Believing the male was the suspect involved

in the man with a gun call, Deputy Van Hoesen pointed his pistol at the two person(s) and ordered them to stop and raise their hands. Both people complied, at which time Deputy Van Hoesen and Deputy [redacted] saw the male (Suspect Anthony Weber) had a black semi-auto pistol tucked in his front waistband between his undershirt and the actual waistband of the male's pants. Deputy Van Hoesen was close enough to Weber to observe the pistol was a Smith & Wesson M&P pistol with "Talon" grips and a red dot type sight.

Weber initially complied with Deputy Van Hoesen's commands to stand still and keep his hands up, but Weber then turned and ran eastbound away from the deputies. The female remained standing still with her hands raised up. Weber's actions and the deputies observations of Weber in possession of a pistol furthered their belief Weber was the person described in the man with a gun call.

Weber ran toward a hallway that allowed access to the south portion of the apartment complex from the rear parking area. Deputies Van Hoesen and [redacted] went through the hole in the wooden fence to access the rear parking area. Deputy Van Hoesen followed Weber, while Deputy [redacted] briefly spoke with female and instructed her to not interfere with the deputies' investigation. Deputy [redacted] then began to follow Deputy Van Hoesen toward the apartment complex court yard. Weber reached the end of the hallway and turned north into the court yard.

Deputy Van Hoesen was leading the way toward the court yard and Deputy [redacted] followed Van Hoesen. When Deputy Van Hoesen reached the end of the hallway, Deputy Van Hoesen tactically looked into the court yard and saw Weber. Weber was running northbound with Weber's hands still raised in the air. Weber's back was towards Deputy Van Hoesen. Deputy Van Hoesen yelled commands for Weber to stop. Weber stopped running, started to turn around to face Deputy Van Hoesen, while lower his right hand toward Weber's waistband, the same area where Deputy Van Hoesen saw the pistol in Weber's waistband. Deputy Van Hoesen believed Weber was attempting to retrieve the pistol from Weber's waistband to shoot Deputy Van Hoesen and or Deputy [redacted] Deputy Van Hoesen fired several shots at Weber to stop Weber's violent actions.

Weber was struck by Deputy Van Hoesen's gunfire and fell face down on the ground. Deputy Van Hoesen was unable to observe Weber's hands and believed Weber still posed a threat to the deputies. During the shooting, the deputies saw several residents exiting their front doors from both the upstairs and downstairs apartments. The residents began entering the court yard, surrounding the deputies, while yelling obscenities, and threatening the deputies with physical violence. The deputies also observed a crowd of angry people approaching the north entry gate to the complex, while also yelling obscenities and threatening the deputies with physical violence. The crowds continued to approach the deputies from different directions. The deputies were forced to direct their attention from Weber lying on the ground to the approaching crowd. The deputies used their radios and requested additional sheriff's Units respond to the location. Deputy Van Hoesen and Deputy [redacted] were forced to confront the

hostile crowd by pointing their handguns at the approaching crowd, while giving the crowd commands to disperse and back away from the deputies. The deputies remained in the volatile position of confronting the crowd for several minutes until assisting Sheriff's Units arrived at the scene. While waiting for the assisting Sheriff's Units, Deputy Van Hoesen was forced to direct his complete attention away from Weber.

Additional Sheriff's Units and Fire Department personnel arrived and were successful in gaining the crowd's compliance to back away from the deputies and Weber. The paramedics began treating Weber for his injuries; however crowd continued to be boisterous and threatening toward the deputies and paramedics. Additional Law enforcement resources were requested and required to maintain order and prevent the crowd from engaging with the deputies and paramedics.

The paramedics determined Weber had died from his injuries, at which time the crowd became even more contentious and threatening. While the paramedics were attempting to treat Weber, the paramedics did not find Weber in possession of a firearm. It was believed Weber discarded the firearm during the shooting and someone in the hostile crowd took the gun from the scene or the firearm was concealed underneath Weber's body. Because the paramedics pronounced Weber dead at the scene, the deputies were prevented by California State Law from searching Weber's body for the firearm until the Corner Investigator conducted a scene investigation related to the disposition of Weber's body.

The Corner Investigator arrived at the scene several hours later and conducted an initial investigation and examination of Weber's body. The Corner Investigator determined there not a firearm concealed underneath Weber's body or inside clothing. While the Coroner Investigator was conducting her examination at the scene, there were several upstairs residents within the apartment complex yelling obscenities and threats of physical violence toward the deputies and Coroner Investigators.

The Corner Investigators did find Weber had a black Apple cellular phone in his pants pocket, which was seized and subsequently booked into the Homicide Bureau Evidence Locker. The Coroner Investigators also saw Weber had various tattoos that were consistent with Weber's membership in the Hoover Street gang.

Based on the information contained in this affidavit, I formed the opinion the digital contents of Weber's cell phone contains evidence directly related to the investigation regarding Weber's possession of firearm and the subsequent Deputy Involved Shooting. I believe the evidence will consist of the following items:

- Dominion and control evidence regarding ownership and primary user of the cell phone collected from Weber's body

- Text messages/email communications between Weber and others relating to or indicative of gang activities

- Text messages/Email communications between Weber and others regarding Weber possessing firearms
- Text messages/Email communications between Weber and others that would provide investigative leads regarding the identity of potential witnesses to the Deputy Involved shooting as well as potential witnesses or victims related to gang related activities involving Weber
- Photos or videos depicting Weber and or gang members in possession of firearms
- Photos or videos depicting Weber's involvement in gang activity
- Text messages/Emails/Photos/Videos that may corroborate or exonerate Weber's possession and or access to firearms

I further believe Weber's cellular phone was used to communicate with other individuals and such **I am seeking evidence of ownership, use, and identification**. I know that ownership and control of a digital device can be placed at issue through a simple denial, "that is not my phone." In my training and experience some of the best ways to establish control are by searching the calendar, contacts, photo gallery, communications, settings, and social networking activity. The calendar often contains appointments specific to an individual such as birthdays and doctor's appointments. Contacts often contain friends and associates specific to an individual such as mom, dad, dentist, etc... A photo gallery often contains selfie photos that clearly depict the owner/holder of the phone. Communications via text messages, emails, and voicemails often identify the sender/recipient by name, additionally the context of the communications often identify the sender and/or recipient. Settings often contain user names, addresses, and phone numbers, wi-fi network tables, associated wireless devices (such as known wi-fi networks and Bluetooth devices), associated connected devices (such as for backup and syncing), stored passwords, and user dictionaries that can identify the owner/user of the device.

I am seeking evidence of communication. In my training and experience associates communicate together via phone calls, text messages emails, and social network posts. These communications often contain direct and indirect statements about crimes. Furthermore, I know that communications rarely explicitly mention an intent to commit a crime. Instead they often allude to such an intent: "gunna go hustle" for instance may be a declaration of an intent to commit a theft crime, but without context it is meaningless. In my training and experience individuals often use digital devices and cellular devices to post messages to others on social networking applications. In my training and experience it is possible for cellular phone users to use a variety of messaging platforms including SMS, MMS, iChat, WhatsApp, call logs, and others. Therefore I seek to search all the communications evidence on the device to understand not only what was said, but what was intended and to whom it was said.

I am seeking evidence of location. In my training and experience cellular devices track historical locations in multiple ways, GPS location, wi-fi transmissions, metadata attached to files, cellular tower connections, and application data.

I am seeking evidence of association. I know that establishing the association of co-conspirators is important in proving a concert of action between multiple persons. In my training and experience some of the best ways of linking co-conspirators together is by searching the calendar, contacts, photo gallery, communications, application data, call logs, and social networking connections. In my training and experience a comparison of the calendars of multiple individuals can show an intent to act together and dispel the notion of an accidental meeting. In my training and experience when two or more individuals are in photographs together it demonstrates a mutual relationship. In my training and experience associates communicate together via phone calls, text messages and emails, therefore I am seeking the communications evidence to demonstrate the associations of the individuals in this case. In my training and experience a user's "connections," "buddies," and/or "friends," on social networking sites is indicative of who their associates are. Because this evidence is intended to be used to show associations of the user/owner of the device and co-participants I am seeking the above items regardless of the dates the information was created.

I am seeking specific evidence related to this case. In addition to the previous information, I believe the GPS location, financial information, cookies, bookmarks, web history, search terms and internet search history on digital devices and cellular devices may contain relevant evidence. Therefore, by this warrant I am seeking permission to search all the metadata, file data, setting data, photographic and video data, and communication data on any digital device.

DIGITAL FORENSIC EXAMINATION

Based on my knowledge, training, and experience, I know that digital files or remnants of such files can be recovered months or even years after they have been downloaded onto a hard drive or other storage device, deleted or viewed via the Internet. Digital files downloaded to a storage device can be stored for years and remains on the storage device until it is overwritten by new data.

Therefore, deleted files, or remnants of deleted files, may reside in free space or slack space—that is, in space on the storage device that is not currently being used by an active file—for long periods of time before they are overwritten. In addition, device's operating system may also keep a record of deleted data in a "swap" or "recovery" file.

Similarly, files that have been viewed via the Internet are typically automatically downloaded into a temporary Internet directory or "cache." The browser often maintains a fixed amount of space devoted to these files, and the files are only overwritten as they are replaced with more recently viewed Internet pages or if a user takes steps to delete them.

Based upon my knowledge, training and experience, I know that searching for information stored in cellular devices often requires that the device be accessed and searched using specialized programs or tools by a qualified expert in a controlled environment. This is often necessary to ensure the accuracy and completeness of such data, and to prevent the loss of the data either from accidental or intentional destruction. Data search processes are designed to recover even "hidden," erased, compressed, password protected, or encrypted files. Because digital evidence is vulnerable to inadvertent or intentional modification or destruction (both from external sources or from destructive code imbedded in the system as a "booby trap"), a controlled environment may be necessary to complete an accurate analysis.

In light of these concerns, I hereby request the Court's permission to conduct an off-site search of the hardware for the evidence described and to employ the use of outside experts who will use whatever data analysis techniques appear necessary to locate and retrieve the evidence described.

As required by Penal Code § 1546.1 (d); those items that are within the scope of this warrant will be copied and retained by investigative agents. Investigating agents will then seal any information from the device that is unrelated to the objective of the warrant and will not further review the information absent an order from the Court.

If no evidence of criminal activity is discovered relating to the seized property and associated peripherals, the device will be returned promptly.

STATEMENT OF PROBABLE CAUSE

Your affiant, Detective Richard Biddle has been a Peace Officer in California since [redacted] I am currently assigned to the Los Angeles County Sheriff's Department Homicide Bureau. My duties include the investigation of murders and deputy/officer involved shootings in Los Angeles County.

This affidavit is made in support of an 817 PC Arrest Warrant (Ramey) regarding Deandre Lavell Hoy illegal possession of a firearm between the dates of 2-2-18 and 3-7-18, in the City of Los Angeles, County of Los Angeles.

INVESTIGATION

This affidavit is intended to show only that there is sufficient probable cause for the requested warrant and does not set forth all of my knowledge about this matter.

On 2-4-18, your Affiant, Sergeant Richard Biddle and Investigator Francis Hardiman were assign to investigate a Deputy Involved Shooting that occurred on 2-4-18, at approximately 2017 hours at an apartment complex located at [redacted] 107 Street, Los Angeles.

On 2-4-18, Subject Anthony Weber was involved in an assault with a deadly weapon incident in front of [redacted] W 107 Street, Los Angeles. Weber was identified as a person who pointed a black pistol at a motorist, who was driving past the [redacted] W 107 Street apartment complex. The motorist called 911, reported the crime, and approximately 20 minutes later deputies from the South Los Angeles Sheriff's Station arrived at the scene.

The deputies exited their patrol unit and approached the apartment complex, which they knew was a location frequented by local 107 Hoover gang members. The deputies found Anthony Weber and a female standing together talking in the rear portion of the apartment complex parking area. The deputies believed Weber was the person involved in the earlier assault with a firearm upon the passing motorist and attempted to detain Weber and the female. The deputies gave Weber and the female commands to raise their hands in the air. Weber and female initially complied, at

which time one of the deputies observed Weber had a very distinctive type of a semi-automatic pistol in his waistband. The deputy described the pistol as a Smith & Wesson M&P with a red dot holographic sight.

After raising his hands in the air, Weber turned and ran away from the deputies toward the apartment complex court yard. The deputies chased after Weber, but lost sight of Weber as he ran through a hallway and entered the court yard. When the deputies reached the court yard, the first deputy saw Weber running north through the court yard. The deputy gave Weber commands to stop and surrender. Weber stopped running, turned back toward the deputy, while lowering his hands to Weber's waistband area. An Officer Involved Shooting (OIS) then occurred and Weber was shot. Weber fell to ground, at which time a large hostile crowd gathered around the deputies preventing the deputies from immediately securing Weber and providing Weber with aid. Once additional deputies arrived at the scene and order was restored, paramedics began treating Weber. The paramedics pronounced Weber dead at the scene and the deputies were unable to locate the pistol Weber had when he began running from the deputies. The Coroner Investigator arrived at the scene and conducted a preliminary examination of Weber's body and did not locate a firearm in Weber's possession.

The on-going investigation indicated Weber may have discarded the pistol while running from the deputies or someone in the hostile crowd removed the pistol from the scene, before the deputies were able to secure the scene.

Early in the DIS investigation, we (Sergeant Richard Biddle and Investigator Francis Hardiman) became aware of a "Facebook Live Video" that was streamed on the internet on Friday afternoon, February 2, 2018. The Facebook Live video was from an account associated with Lorenzo Hall, who is a known Hoover gang member with the moniker, "Infant Killa Box." The video depicted Hall and other Hoover gang members, including Anthony Weber inside apartment [redacted] at [redacted] In the beginning of the video, Hall is depicted facing the camera. Hall could be seen pointing a Smith & Wesson M&P pistol with a silver threaded barrel and holographic red dot sight at the camera, while holding the pistol in Hall's left hand. The video continues and depicted Hall, Weber, and the other gang members dancing and flashing 107 Hoover gang signs, while rapping a gang related song. The video continued for several minutes and recorded Hall, Weber, and the other gang members exit the apartment and gather in the complex court yard. We were able to confirm the video was filmed inside apartment [redacted] and the court yard of [redacted]

LAPD INVESTIGATION AT [redacted]

On 2-5-18, we became aware members of the Los Angeles Police South East gang Team had monitored Lorenzo Hall's Facebook page on the afternoon of 2-2-18. The LAPD Officers were familiar with 107 Hoover gang members and recognized Hall,

699 15

Weber, and other Hoover gang members depicted in the video. The LAPD Officers saw Hall was in possession of S&W M&P pistol with a holographic red dot sight in the video. The LAPD Officers also recognized the video was filmed the same afternoon at [redacted] The LAPD Officers subsequently went to [redacted] to investigate further regarding illegal possession of a firearm by known criminal street gang members.

The LAPD Officers contacted Hall and the below listed persons inside apartment #20:

Tyre McFadden MB/2-12-95
[redacted] MH/[redacted]
[redacted] MB/[redacted]
[redacted] FB/[redacted]
[redacted] FB/[redacted]
Akylah Brown FB/9-22-99

The LAPD Officers determined Anthony Weber was not present inside apartment [redacted] The LAPD Officers conducted a parole compliance search of the apartment, but were unable to locate the Smith & Wesson pistol Hall possessed during the filming of the video just a few hours before.

SEARCH WARRANT SERVICE AT [redacted]

On 3-7-18, South Los Angeles Sheriff's Station Operation Safe Streets Team (OSS) served several search warrants at different residences on W 107 Street regarding various 107 Hoover gang members' participation in recent gang related armed robberies and gang related shootings. A search warrant was served at [redacted] and (6) firearms were seized from within the apartment. One of the seized firearms was a Smith & Wesson M& P pistol with a silver threaded barrel and a red dot holographic sight, just like the pistol the deputy saw in Weber's waistband on 2-4-18 and just like the pistol Hall possessed during the filming of the Facebook Live video on 2-2-18.

Several items of Hoover gang paraphernalia and items associated with Anthony Weber were also seized from inside apartment [redacted] The following person(s) were found inside the apartment and detained at the time of the warrant service:

Joquan Brown MB/11-5-75 BK #5251020
Titanisha Jiles FB/3-2-88 BK #5251043
Antaijah Williams FB/11-19-97 BK #5251037
Akylah Brown FB/9-22-99 BK #5251045
[redacted] FB/[redacted]
[redacted] MB/[redacted]

Investigator's Note: Akylah Brown was also present at [redacted] on 2-2-18, when the LAPD Officers conducted their investigation regarding Hall and other gang members possessing the unique Smith & Wesson pistol in the Facebook Live video.

LORENZO HALL FOLLOW UP

Based on the following facts, we believed Lorenzo Hall likely gave the Smith and Wesson pistol to Weber and Hall had knowledge regarding the gun Weber used to assault the passing motorist and possessed prior to the Officer Involved Shooting:

- Lorenzo Hall's Facebook Live video depicted Hall possessing the unique Smith & Wesson pistol, as described by the deputy in Weber's waistband just prior to the Officer Involved Shooting

- Lorenzo Hall is known 107 Hoover gang member

- Anthony Weber was also present and depicted in the video filmed on 2-2-18, with Hall possessing the unique pistol

- The video was filmed in the same complex where Weber committed the armed assault upon the passing motorist and was later observed by the deputy in possession of the unique pistol in Weber's waistband

- The unique Smith & Wesson M & P pistol with a silver threaded barrel and red dot sight was seized on 3-7-18, in apartment [redacted] of the complex next door to the complex where Hall filmed the 2-2-18 video inside apartment [redacted] and the complex where the DIS occurred on 2-4-18

We subsequently learned Hall has several felony arrests and prior felony convictions, as well as an outstanding felony arrest warrant for 459 PC from the Bakersfield Police Department.

LORENZO HALL ARRESTED

On 4-1-18, we learned Hall was in custody at South Los Angeles Sheriff's Station for his Bakersfield arrest warrant.

On 4-2-18, Hall was transferred to the Los Angeles County Jail Inmate Reception Center (IRC) and we responded to IRC to interview Hall regarding the gun he possessed in the 2-2-18, video, as well as Hall's knowledge regarding Weber and Weber's involvement in the DIS.

LORENZO HALL INTERVIEW

On 4-2-18, at approximately 1145 hours, we interviewed **Lorenzo Hall (MB/10-18-92; BK #5272524)** at an IRC interview room. Investigator Hardiman advised Hall of his rights, which Hall understood and waived. The following is a synopsis of the recorded interview:

Hall admitted he was a Hoover gang member, but claimed he currently was not actively involved with the gang. We saw Hall had various tattoos on his face, neck, and arms consistent with Hoover gang membership. Hall admitted several of his tattoos were in fact Hoover gang tattoos that indicated Hall is a Hoover gang member. Hall also admitted his gang moniker is "Infant Killa Box."

Hall said he was friends with Anthony Weber, but denied knowing if Weber was a Hoover gang member. We played the 2-2-18, video from Hall's Facebook account and Hall identified himself in the video pointing the Smith & Wesson pistol with a red dot sight and silver threaded barrel at the camera. Hall confirmed the video was filmed on 2-2-18, at [redacted] Hall knew the pistol was a real firearm. Hall said he possessed the pistol that day but refused to state who gave him the pistol. Hall said he had the pistol because he was at the apartment complex with other Hoover gang members and he need to have a gun to be on "patrol and posted" in case rival gang members confronted the Hoover gang members at the complex. Hall described the pistol as a "Hood gun" that various Hoover gang members shared and possessed. Hall gave us an example of how different Hoover gang members shared the pistol. Hall said it was similar to COPs at a police station. Hall said when COPS begin their shift, they are assigned a gun to use during their shift and at the end of the shift the same gun is assigned to a different officer for the next shift. Hall said he had the pistol that day because he took over the shift of "Posting" and protecting the gang from a different gang member. Hall refused to tell us who gave him the gun that day, or who Hall gave the gun to later that night, because Hall could not provide information about fellow gang members.

Hall further confirmed LAPD Officers arrived at [redacted] a few hours after the video was filmed. Hall and other Hoover gang members were detained; the LAPD Officers searched the apartment, but did not find the pistol Hall possessed earlier during the video filming.

Hall said he was not present in Los Angeles on 2-4-18, at the time Weber was shot by the deputy. Hall claimed he took a bus to Las Vegas on 2-4-18, at 0500 hours to watch the Super Bowl game with relatives.

We showed Hall a photo of the Smith & Wesson pistol with the red dot sight and silver threaded barrel seized from [redacted] on 3-7-18. Hall said the gun in the photo was similar to the gun Hall possessed in the video on 2-2-18.

RECORDED JAIL CALLS

As part of the on-going investigation, we reviewed recorded jail calls from known Hoover gang members incarcerated in the Los Angeles County Jail that were related to Anthony Weber and the Deputy Involved Shooting. The information regarding the jails calls was documented in a Sheriff's Department Supplemental Report, which is attached and incorporated to this Affidavit as Exhibit #1.

[redacted] SEARCH WARRANT SERVICE

The investigation identified [redacted] as Anthony Weber's girlfriend and we became aware of information implicating [redacted]'s involvement with Weber's gang activities and evidence related to the Deputy Involved Shooting. We subsequently obtained a search warrant for [redacted]'s cell phone and seized her phone. The search warrant service was documented in a Supplemental report, which attached and incorporated to this Affidavit as Exhibit #2.

DENADRE HOY IN VEHICLE WITH GANG MEMBERS AND ACCESS TO A FIREARM

On 4-1-18, Deputy from the South Los Angeles Sheriff's Station stopped a car with occupants, who were Hoover gang members. Deandre Hoy was one of the occupants and a loaded firearm was seized from within the vehicle. The incident was documented in a Sheriff's Department report, which is attached and incorporated to this Affidavit as **Exhibit #4**.

DCFS REPORT RELATED TO SEARCH WARRANT SERVICE AT [redacted]

On 4-26-18, we obtained a copy of the Department of Children and Family Services report related to the search warrant service at [redacted] The report regarding the DCFS interviews is attached and incorporated to Affidavit as Exhibit #3.

Based on the information contained in this Affidavit, as well as Exhibits #1, #2, #3, and #4, I formed the opinion Deandre Hoy was in illegal possession of some or all of the firearms seized from [redacted] on 3-7-18.

I also formed the opinion Deandre Hoy was in a vehicle with (3) Hoover gang members, on 4-1-18, and had access to a loaded firearm that was recovered from within the vehicle.

In March and April, 2018, I monitored several recorded jails calls of known 107 Hoover gang members currently in custody at Los Angeles County Jail. I discovered recorded jails calls placed by Inmate [redacted] (BK #[redacted]), who is a known 107 Hoover gang member with the moniker [redacted] [redacted] made recorded jail phone calls on 2-4-18 from his jail cell, which were related to the 2-4-18, Deputy Involved Shooting involving Anthony Weber. The following is a summary of [redacted]'s recorded jail calls.

2-4-18 @2058 hours call to [redacted]

[redacted] spoke with a fellow 107 Hoover gang member known as, "Bullet." Bullet said "TR" (Anthony Weber) was just shot by deputies. [redacted] asked for details of the shooting and asked if TR had anything at the time of the shooting. Bullet replied TR did in fact have something when confronted by deputies. Bullet said TR was walking with his Baby Momma when confronted by deputies. Bullet said he wished [redacted] was out of custody to observe how TR had turned out and became a "real gunner."

During the conversation Bullet described the chaotic scene at the apartment complex on 107 Street, where Anthony Weber's body remained in the apartment complex entry surrounded by yellow tape. Bullet said the hommies were getting off on the deputies and Bullet could be heard yelling at the deputies. Bullet also yelled for someone to go get his "shit." Bullet then informed [redacted] that people were pulling down the yellow tape.

Investigator's Note: The call between [redacted] and Bullet was placed eight minutes after the DIS occurred and appears to indicate Weber did in fact possess a firearm at the time Weber was confronted by the deputies.

Using Sheriff's Department resources we were able to learn the cellular subscriber for [redacted] was Deandre Hoy (MB/2-18-87), a 107 Hoover gang member with the moniker, "Bullet."

2-4-18 @2114 hours [redacted]

[redacted] spoke with a woman about the Deputy Involved Shooting where Anthony Weber was shot and killed. [redacted] said he just talked with Bullet. [redacted] said Weber was with his Baby Momma and had some shit on him and "One Time started cracking on Weber." [redacted] said he was on the phone with Bullet and heard more shots going off (implied the shots were by gang members at the scene). The woman asked, "for real" and [redacted] replied, "On Westside Hoover, I heard 8 shots."

[redacted] asked for Infant Box" phone number and the woman replied Infant Box was in Vegas and added Infant Box left that morning. The woman said she had been having dreams that one of them (Infant Box or Weber) was going to be shot. Infant Box called the woman the previous day and talked about the Hommie shooting.

Sheriff's Department resources indicated the subscriber of cellular number [redacted] was [redacted] (FB/[redacted])

Investigator's Note: We were able to identify "Infant Box" as a Hoover gang member named Lorenzo Hall, the same person with the M&P pistol with threaded barrel and holographic sight in the Facebook video posted on 2-2-18.

2-4-18 @2118 hours [redacted]

[redacted] spoke with an unknown woman [redacted] asked is it true and the woman replied yes and added, "This shit is crazy." [redacted] said the police shot knocked [redacted]'s "Lil Nigger down." [redacted] said he was on phone with Lil Bullet and heard more shots. Bullet said Tiny Ragger had a lil situation on him and one time started cracking on him. The woman saw Weber's father and brother at the scene. [redacted] asked if there was still a commotion going on at the scene and the woman said no.

An unknown male comes on the line and also speaks with [redacted] about the DIS [redacted] and the male said Bullet shot at the police, while at the crime scene. The male said Weber was just standing with his Baby Momma when the police pulled up. Weber ran away and the police just started shooting. The male added Bullet had to "bust back" to make the police stop shooting. [redacted] asked if Weber had anything and the male replied no.

Investigator's Note: the above jail call appears to corroborate Weber was in possession of a firearm when confronted by the deputies on 2-4-18.

2-4-18 @2259 hours [redacted]

[redacted] spoke with an unknown woman about the DIS. The woman said Weber was leaving with his Baby Momma in her car, when the police came at Weber. Weber tried to run back inside the apartment complex and the police shot him. The woman added people are saying Weber did not have anything on him. The woman stated when people were telling her that Weber did not have anything on him, Bullet was present. Bullet gave the woman a look and implied Weber did in fact have something on him. The woman said Black Lives Matter and Bullet were at the scene arguing with the police. [redacted] said he could hear Bullet yelling at the police in the background. [redacted] and the woman talk about how Weber was doing his thing, implying putting in work for the gang. [redacted] said he just spoke with Weber the previous day. Weber's parents informed us Weber had an infant daughter with a woman named [redacted] was Los Angeles County Probation Employee assigned as a guard at a Juvenile Hall. Weber had been arrested for illegal possession of a firearm and was in custody at the Juvenile Hall. [redacted] was one of Weber's Proration Officer Guards and [redacted] and Weber became involved in a romantic/sexual relationship while Weber was in custody at the Juvenile Hall and later at a Probation Placement Home. [redacted] subsequently became pregnant with Weber's daughter. Weber was released from Juvenile Hall and he and [redacted] continued their relationship. Weber's parents told us [redacted]'s cell phone number was [redacted] Weber's parents also told us [redacted] resided in the City of [redacted] with [redacted]'s mother.

We also learned Weber and [redacted] were arrested together by the Los Angeles Police Department on 7-3-17. [redacted] and Weber were together, along with their infant daughter, in an illegally parked rental car in front of Weber's house at [redacted] There were also two additional Hoover gang members present gathered next to [redacted]'s car. The Police Officers conducted an investigation and found Weber and [redacted] illegally in possession a loaded concealed 9mm pistol within [redacted]s car. The Officers learned the pistol was registered to [redacted] identified herself as Probation Officer and claimed she possessed the firearm as part of her Los Angeles County Probation Department Employment. [redacted] was in violation of the restraining order, when she was with Weber on W. 107 Street, Los Angeles, on 2-4-18, just prior to the Deputy Involved Shooting.

Utility bill for [redacted]
County Jail Inmate deposit receipt, 4-16-18, $50, Lorenzo Hall

ATM receipt, 4-10-18

As part of our (Sergeant Richard Biddle and Investigator Francis Hardiman) on-going investigation regarding Anthony Weber's involvement in an assault with a deadly weapon, as well as a subsequent Deputy Involved Shooting, we obtained a search warrant for the person of [redacted] [redacted]s vehicle, and [redacted]s residence for evidence related to the assault with a deadly weapon, Weber's involvement in gang activity, and the Deputy Involved Shooting.

We were aware [redacted] was Weber's girlfriend and they had a child together. We were further aware [redacted] and Weber were recently arrested together by the Los Angeles Police Department for illegal possession of loaded handgun, which was registered to [redacted] in a vehicle [redacted] was driving. Our on-going investigation documented [redacted] and Weber were involved in gang related activities associated with the Hoover street gang.

Based on our knowledge of [redacted]s close association with various Hoover gang members, we requested the assistance of the Operation Safe Streets Bureau Gang

Surveillance Unit (GSU) to detain [redacted] (FH/[redacted]) so we could safely serve the search warrant with minimal incontinence to [redacted]

On 4-18-18, the GSU Team conducted surveillance and determined [redacted]'s vehicle (Chevy Cruze Lic #[redacted]) was parked at Pedro Alfonso Special Education Center at 4540 Michigan Ave, Los Angeles. The GSU Team believed [redacted] was at her place of employment and continued their surveillance.

At approximately 1345 hours, Det [redacted] and other members of the GSU Team observed [redacted] driving the Chevrolet Cruze from the parking lot. The GSU Team members stopped [redacted] a short distance from the location. The GSU Team members contacted [redacted] and explained the existence of the search warrant for [redacted]'s person and her vehicle. The GSU Team members subsequently detained [redacted] seized her cellular phone **(Prelim #63)** and transported her and her vehicle to East Los Angeles Sheriff's Station, so we could serve the search warrant and subsequently search [redacted]'s vehicle, and her person, as well as obtain her DNA sample as authorized by the search warrant.

We meet the GSU Team and [redacted] at East Los Angeles Sheriff's Station. We initially searched [redacted]'s vehicle and seized the listed evidence items **(Prelim #65).**

We next contacted [redacted] who was detained in a Sheriff's Patrol Unit. We had a female Deputy search [redacted] and determined she was not in possession of anything remarkable. We explained [redacted] was not under arrest, but was detained regarding the search warrant service.

Our entire contact with [redacted] was recorded. We escorted [redacted] to an interview room inside the station and told [redacted] she was not under arrest, she did not have to speak with us, and she was free to leave if she did not wish to talk with us. We added, we would also answer any questions [redacted] had of us.

We introduced ourselves and told [redacted] we believed she was a potential witness regarding Anthony Weber's shooting. We said we were in search of the truth and would like to speak with her. We then asked [redacted] questions regarding her personal identification information and she freely replied. [redacted] added she has been employed the last six months as a behavioral instructor for children with autism.

We asked [redacted] to tell us what happened the night Anthony Weber was shot. [redacted] replied she had two questions and asked why we had to detain her to conduct the interview. [redacted] said we could have called her, at which time there were reasons why we initially detained her and said we would inform her why. [redacted] then said she would like to speak with her civil attorney retained for the pending law suit before speaking with us. We replied that was fine and [redacted] said she would have to access her phone to retrieve the attorney's phone number. I asked for [redacted]'s cell number and she replied [redacted]. We asked for the attorney's name and phone

number. [redacted] said, "Yates" and added she did not know the phone number and would need to access her cell phone.

We had previously taken possession of [redacted]'s cell phone **(Prelim #63)** from the GSU Team and stored [redacted]'s cell phone in our vehicle. Investigator Hardiman then left the interview room to retrieve [redacted]'s cell phone.

I then informed [redacted] that we had a search warrant and that was the reason she had been detained. I further explained the search warrant authorized the collection of a DNA sample from [redacted], as well as the seizure and examination of [redacted]'s cell phone. I provided [redacted] a copy of the search warrant, she read it, and asked why we were seizing her cell phone. I replied, we believed [redacted]s phone may contain evidence related to the incident the night Anthony Weber was shot. [redacted] replied, "It does not."

I asked for the unlock code for [redacted]'s cell phone and she asked how long we would have her cell phone. I replied as soon as the download of [redacted]'s phone was complete we would release her back to her. [redacted] asked to see where in the search warrant she was compelled to provide her unlock code. I pointed out the portion of the search warrant authorizing the seizure and download of her cell phone. I further explained if [redacted] did not comply that was a potential violation of a court order.

[redacted] read the portions of the search warrant and I added if [redacted] provided her unlock code, we would be able to return her phone in a shorter period of time. [redacted] asked why the search warrant authorized the collection of her DNA sample. I explained we believed she had handled evidence related to our investigation and [redacted]'s DNA sample would assist in eliminating or include her as a person who handled the items.

[redacted] said she would have to comply, but wished to talk with her attorney. We explained [redacted] did not need to speak with her attorney before she complied with the search warrant and added [redacted] could speak with her attorney, if she wished before answering questions. I added we were not going to coerce [redacted] and force her answer questions.

[redacted] then asked if we could get her some phone numbers from her cell phone and we replied yes. We asked for the unlock code and [redacted] replied, "[redacted]." I entered the unlock code into [redacted]s phone and she asked for several different phone numbers, which we made a list on a piece of paper.

[redacted] was asked if she wanted to talk with us and she said she wanted to speak with her attorney first. [redacted] then said we did not need a search warrant, because she would have come in and cooperated with an interview. We provided [redacted] with the following reasons why we were uncertain she would have cooperated without the search warrant:

- [redacted] frequently communicates with various Hoover gang members, who are in custody at the County Jail

- [redacted] associates with various active gang members

- [redacted] has been depositing funds to Hoover gang members Los Angeles County Jail Inmate's accounts

We asked who Lady Leto was and [redacted] confirmed Lady Leto was one of Anthony Weber's friends from the W 107 Street Hoover neighborhood. [redacted] added she was aware Lady Leto's first name was Kayla and Kayla had red hair. We asked how to pronounce Lady Leto and [redacted] answered she was uncertain, because [redacted]'s knows her actual name is "Akylah."

Investigator's Note: We were aware of a female Hoover Street gang associate with red hair by the name of Akylah Brown (FB/9-22-99). Brown was present inside [redacted] on 2-2-18, when the LAPD Southeast Gang Team went to the location investigating Lorenzo Hall's Facebook video filmed earlier in the afternoon. The video depicted Hall in possession of a M&P pistol with a threaded barrel and a holographic sight with several other 107 Hoover gang members, including Anthony Weber. Brown was also present at [redacted] on 3-7-18, when a M&P pistol (believed to be the same pistol in the Facebook video from 2-2-18) with a threaded barrel and holographic sight was seized.

We next asked about Leto, if Lady Leto was someone from 107 Hoover gang. [redacted] said she only knew of Leto and was unaware of any details regarding Leto. We inquired regarding a juvenile, who frequently calls [redacted]'s cell phone from within Juvenile Hall. [redacted] stated that was [redacted], one of Weber's friends, who is 17 years old, and is also a gang member.

[redacted] asked when she could call the attorney and I began retrieving the attorney's phone number to dial on my phone for [redacted]. I asked if [redacted] had threatened anyone and she said no. I asked who were the "Locs" and [redacted] replied the "Locs" were a group of various gang members who she was very close with. I again asked if [redacted] was threating anyone with the "Locs" and she said no. We asked if [redacted] contacted any witnesses to Weber's shooting, at which time [redacted] said she spoke with Akylah. [redacted] said she was friends with Akylah and Akylah witnessed the shooting. We asked what Akylah told [redacted] regarding the shooting and [redacted] said we would have to ask Akylah. [redacted] confirmed she brought the attorney's investigator to Akylah for an interview about the shooting. [redacted] was present when the investigator first spoke with Akylah and then the investigator privately spoke with Akylah and recorded the interview.

We asked if [redacted] had a conversation with [redacted], over the recorded Juvenile Hall phone system, where [redacted] told [redacted] about Akylah's statement to the lawyer's investigator. [redacted] agreed she had spoken with [redacted] about Akylah's statement regarding Weber's shooting.

We again told [redacted] we were in search of the truth and added we were aware of [redacted]'s recorded jail calls with Hoover gang members. We discussed the recorded jail call where [redacted] said she pulled up with Weber before the shooting and told Leto "One Time" was coming. [redacted] denied making the statement and we offered to allow [redacted] to listen to the recorded call. [redacted] refused and said she wanted to speak with the attorney. I continued dialing the phone number and told [redacted] we did not wish to talk about her pending prosecution, we only wished to talk about what happened regarding Weber's shooting.

I handed my phone to [redacted] and also told her she was free to leave, but could not leave with my phone. [redacted] spoke with the receptionist and was placed on hold. I described the recorded jail call where [redacted] said Leto and Weber were together and Leto had the gun. Leto and Weber ran from the police and [redacted] initially believed the deputies shot Leto, because Leto had the gun. [redacted] answered she recalled the conversation, but denied that was her exact statement. We replied, [redacted] said Leto had the "burner" during the conversation. [redacted] denied making that statement and we again offered to play the call for [redacted]. [redacted] did not respond and began talking with Attorney Yates.

[redacted] explained she was at the Sheriff's Station regarding a search warrant for [redacted]'s cell phone and DNA sample. While [redacted] was speaking with the attorney, I began preparing to take [redacted]'s DNA sample. We told [redacted] she was free to leave once we collected her DNA sample.

[redacted] allowed me to collect her DNA sample and then asked us to retrieve some additional phone numbers from her cell phone, since we were maintaining custody of her cell phone pending the forensic examination. We subsequently added the additional phone numbers to the list for [redacted].

We asked how long [redacted] had known Weber and she replied for at least four years, since Weber was 12 years old. [redacted] confirmed Weber frequently hung out at TT's (Latanya Sims; [redacted] #4) apartment and added Weber was at that apartment to watch the Super Bowl game.

Just before the shooting, [redacted] parked her car in front of [redacted] and walked to the front of [redacted] W 107 Street with Weber. Weber remained in front of [redacted] W 107 Street and [redacted] walked back towards her car. When [redacted] walked back to her car, Weber was alone in front of the apartment complex wearing a shirt and jeans. We asked for additional details regarding the shooting and [redacted] replied she was done talking, while standing up to leave the room. We subsequently escorted

[redacted] to her vehicle and she left the Sheriff's facility. Refer to submitted recording for complete content of the recorded interview.

A cursory examination of text messages stored in [redacted]'s phone indicated Weber was in possession of at least one firearm on the morning of 2-4-18. The text messages further implicate [redacted] in providing Weber ammunition for two different types of firearms. The following is a portion of the text communications between Weber and [redacted] on the morning of 2-4-18:

- 2-4-18 Weber sent text to [redacted]- "Can you bring me a box of 38 shells, not 380 38"

- 2-4-18 [redacted] replied- "I got you. Where are you watching the Super Bowl? We still going to eat after."

- 2-4-18 Weber sent text- "I'm probably TT house any yea we're u gone b at while I watch the game and yea after the game we going to eat u buster but I need them shells ASAP like rocky."

- 2-4-18 [redacted] replied- Probably my uncle in Compton so I'll be close by! I'll head to you house before the end of the game so I can be that way. Ok baby I'll head straight to the shells!"

There were additional text messages between Weber and [redacted] later that day, where Weber asked [redacted] to bring Weber some 22 shells. Weber added not 22 shorts like last time

Investigator's Note: On 3-7-18, the South Los Angeles OSS Team served a search warrant at [redacted] and seized numerous rounds of live ammunition, including 22 shorts and 38 special; which appears to corroborate [redacted] provided ammunition to Weber.

We briefly viewed the contacts listed in [redacted]'s cell phone and saw an entry for "Leto" with a phone number of [redacted] We recognized the number [redacted] as associated with a Hoover gang member known as, "Bullet."

On 2-4-18, at 2058 hours, (eight minutes after the Deputy Involved Shooting) a Hoover gang member ([redacted]), who was in custody at the Los Angeles County Jail, used a recorded jail phone and placed a call to [redacted] [redacted] spoke with a male, who [redacted] referred to as a fellow Hoover gang member known as "Bullet." During the conversation, Bullet spoke about Weber being an active Hoover gang member, who had become a "real gunner." Bullet implied Weber had a gun when confronted by the deputies just before the Deputy Involved Shooting.

Using Sheriff's Department resources we were able to learn the cellular subscriber for [redacted] was Deandre Hoy (MB/2-18-87), a 107 Hoover gang member with the moniker, "Bullet."

We also learned the following additional information regarding Deandre Hoy (Bullet):

Hoy has a California Driver's License # [redacted] that lists his DOB as 2-18-87 and his address as [redacted]

- In 2008, Hoy was served with a Court Injunction regarding Hoy's involvement with the Hoover Gang

On 3-7-18, Erasmo Aguilar, who is Department of Children and Family Services Supervisor assigned to the Mart Team responded to [redacted] Los Angeles regarding the search warrant service at the residence related to various violent crimes committed by various Hoover gang members associated with the residence. At the time of the search warrant service several adults (Suspect #1 thru Suspect #5) were detained along with Latanya Sims' two children ([redacted] (FB/[redacted] and [redacted] MB/[redacted]. There were several firearms seized from within the apartment that were found in areas easily accessible by the children.

Aguilar conducted an on-scene investigation, determined the circumstance of the living conditions was detrimental to the childrens' wellbeing, and took the children into protective custody.

On 4-26-18, we (Sergeant Richard Biddle and Investigator Francis Hardiman) spoke with Erasmo Aguilar. Aguilar provided us with a copy of the DCFS reported regarding Sim's children placement in foster care. The DCFS report documented the following subsequent interviews of Sim's children by Children Services Worker (CSW) Saba Habte:

[redacted] INTERVIEW

On 3-7-18. Habte spoke with [redacted] [redacted] confirmed he resided at [redacted] along with his Mother (Latanya Sims) and sister ([redacted]. [redacted] added his mother allows multiple people to frequent the home, many of whom [redacted] does not know. [redacted] reported the search warrant was served at his residence because, "They found all the guns." [redacted] further said, "My mom lets her

friends bring guns and hide them at our house." [redacted] also stated his uncle (Bullet) often brings guns to the home.

Investigator's Note: We were aware Bullet is actually Deandre Lavell Hoy, who is a documented Hoover gang member and is currently on parole.

[redacted] said the guns were kept in the bathroom cabinet, kitchen table, and his bedroom closet. [redacted] added, "I have toys in my closet that I can't play with because they put guns next to my toys." [redacted] said he hears gunshots at night and is in fear when he sleeps because his family have guns in the home and he is fearful people are shooting at his home.

[redacted] was asked additional questions regarding his living conditions. [redacted] said, "My uncle Bullet smokes blunts with weed. If I am playing in the living room my mom kicks me out and sends me to my room so all of her friends can smoke blunts in the living room."

During the interview, [redacted] had tears in his eyes. [redacted] said he was sad because, "I know my mom is doing bad things and now she is going to jail."

[redacted] INTERVIEW

On 3-7-18, CSW Habte spoke with [redacted] [redacted] confirmed she resided at [redacted] with her mother (Latanya Sims) and her brother. [redacted] added several people come in and out of the residence and [redacted] was uncertain who actually lived in her apartment. [redacted] believed her Uncle [redacted] and Uncle Bullet live in the apartment. [redacted] also stated he mother's friends bring guns into the home. [redacted] said her brother' "AJ" was recently shot and killed by the police and that was the reason the police came to her home looking for the weapon. [redacted] said, "It's a lot of guns in my house." Habte asked why there were guns in her home and [redacted] replied, "It's because my momma, she let them bring it." [redacted] said the guns were kept in the bathroom cabinet, kitchen, living room, and in the bedroom.

Investigator's Note: Anthony Weber was involved in a Deputy Involved Shooting on 2-4-18. Weber was a known Hoover gang member, with the moniker of "AJ."

[redacted] said many young men come to her apartment to smoke blunts. There are occasions when random people visit the apartment and argue, but they do not engage in physical altercations.

The fact both children identified Uncle Bullet and "AJ" also resided at [redacted] appear corroborate the following previous investigative leads in the on-going investigation regarding the 2-4-18, Deputy Involved Shooting, where Anthony Weber was shot and killed:

- Within minutes of the Deputy Involved Shooting, Deandre Hoy received a recorded call from the Los Angeles County Jail by Hoover gang member [redacted]). Hoy informed the in custody gang member that Anthony Weber had just been shot by the police Hoy further told the jail inmate that Weber had a gun just prior to the deputies chasing and subsequently shooting Weber.

- There were recorded jail calls between [redacted] and Weber's girlfriend, [redacted] told the [redacted] she was present at the scene and witnessed portions of the Deputy Involved Shooting. [redacted] stated "Leto" and Weber were together and "Leto" had the gun. The deputies chased Leto and Weber, at which time [redacted] heard gunshots. [redacted] initially believed the deputies shot Leto, because Leto had the gun. [redacted] later learned Weber was the one shot.

- One of the contacts listed in [redacted]'s cell phone has the title of "Leto" with the phone number [redacted] The same number called by the in custody jail inmate on 2-4-18, minutes before the Deputy Involved Shooting. During that conversation, the jail inmate referred to the person who answered the phone as, "Bullet."

- During the investigation, we seized [redacted]'s cell phone and observed text messages between [redacted] and Weber hours before the Deputy Involved Shooting. The text messages indicated [redacted] provided Weber with 38 caliber and 22 caliber ammunition sometime before the Deputy Involved Shooting. On 3-7-18, 38 caliber and 22 caliber ammunition was seized from within [redacted]
